EVALUATION: Bids will be evaluated in accordance with Article I-17 of the "Instructions, Terms, and Conditions for Bidding". In addition, the bid will be evaluated according to the fee per for processing the specified finished product. There will be a taste test of the samples submitted to determine acceptability. There will be, at a minimum, a ten (10) member panel composed of members of the Office for Child Nutrition staff, members of the Ohio Commodity Advisory Board and/or students from Ohio schools. Samples will be evaluated for taste, texture, eye appeal, flavor and color. If product is deemed unacceptable as a result of the taste test, no further consideration for award shall be given. If the product sample submitted for the taste test exceeds the specifications, as stated in the bid and is presented as being the end pro for the entire contract, then the sample shall be the standard for the entire contract with anticipated yields as projected and costs as stated.

CONTRACT AWARD: The contract will be awarded to the lowest responsive and responsible bidder meeting all bid specifications and requirements. Total bid price will be determined by multiplying the unit price for each item by the minimum yield per truckload of raw commodity for that item and then multiplying that figure by the number of truckloads of raw commodity to be processed annually to obtain a line item extended price.
