EVALUATION: Bids will be evaluated in accordance with Article I-17 of the "Instructions to Bidders". In addition, the state will: multiply the estimated annual usage with the unit price offered for each line item in the market basket, then sum these totals to determine the total for each market basket. A Catalog discount will be a discounted rate by percentage that is to be given for all catalog items that are not listed in the market baskets. The discount offered will be applied to 6 predetermined items from each catalog. These amounts will be summed to get a catalog total. The totals from the market basket and corresponding catalog will be summed to determine the lowest most responsive and responsible bidder by low lot total.

CONTRACT AWARD: The contract will be awarded to the lowest responsive and responsible bidder by low lot total by category.
