CONTRACT AWARD: The contract will be awarded to the lowest responsive and responsible bidder by vehicle line item. Additional Options of the low bidder will be evaluated by DAS and may be selected for award.

EVALUATION: Bids will be evaluated in accordance with Article I-17 of the "Instructions to Bidders". In addition, the State will evaluate the Bid based on the unit price of the Cab & Chassis, all specified equipment, fully operational and adjusted to factory specifications, plus appropriate delivery charge. If there is no "delivery charge per mile round trip map mileage rate" supplied, or the calculated value of the delivery charge is less than the minimum delivery charge, the minimum delivery charge will be used for evaluation purposes. The state reserves the right to reject the "per mile" delivery charge or the "minimum" delivery charge if it is determined to be excessive.
