Did not bid all items						
Award: The contract will be awarded to the lowest responsive and responsible bidder by bid district. Failure to bid all items may result in the bidder being deemed not responsive.						
Evaluation: Bids will be evaluated in accordance with Article I-17 of the "Instructions to Bidders". In addition, the state will determine the low lot total price of each district. To determine the low lot total price, the state will add unit price per pound. Evaluation will be based upon the net delivered cost, per pound. Failure to bid cost per delivered pound and cost per package will result in the bid being deemed not responsive.						
Although there will be separate awards made for each district, bidders are eligible to receive multiple awards providing they are the lowest responsive and responsible bidder meeting all bid specifications and requirements listed within the district. Failure to bid all items within a district or may result in the bidder being deemed as not responsive.

						Did not bid all items	
Award: The contract will be awarded to the lowest responsive and responsible bidder by bid district. Failure to bid all items may result in the bidder being deemed not responsive.							
Evaluation: Bids will be evaluated in accordance with Article 1-17 of the "Instructions to Bidders". In addition, the state will determine the low lot total price of each district. To determine the low lot total price, the state will add unit price per pound. Evaluation will be based upon the net delivered cost, per pound. Failure to bid cost per delivered pound and cost per package will result in the bid being deemed not responsive.							
Although there will be separate awards made for each district, bidders are eligible to receive multiple awards providing they are the lowest responsive and responsible bidder meeting all bid specifications and requirements listed within the district. Failure to bid all items within a district or may result in the bidder being deemed as not responsive.

					Did not bid all items		
Award: The contract will be awarded to the lowest responsive and responsible bidder by bid district. Failure to bid all items may result in the bidder being deemed not responsive.							
Evaluation: Bids will be evaluated in accordance with Article 1-17 of the "Instructions to Bidders". In addition, the state will determine the low lot total price of each district. To determine the low lot total price, the state will add unit price per pound. Evaluation will be based upon the net delivered cost, per pound. Failure to bid cost per delivered pound and cost per package will result in the bid being deemed not responsive.							
Although there will be separate awards made for each district, bidders are eligible to receive multiple awards providing they are the lowest responsive and responsible bidder meeting all bid specifications and requirements listed within the district. Failure to bid all items within a district or may result in the bidder being deemed as not responsive.

Grand Total				AWARD \$39,363		DQ \$35,816	
Did not bid all items							
Award: The contract will be awarded to the lowest responsive and responsible bidder by bid district. Failure to bid all items may result in the bidder being deemed not responsive.							
Evaluation: Bids will be evaluated in accordance with Article 1-17 of the "Instructions to Bidders". In addition, the state will determine the low lot total price of each district. To determine the low lot total price, the state will add unit price per pound. Evaluation will be based upon the net delivered cost, per pound. Failure to bid cost per delivered pound and cost per package will result in the bid being deemed not responsive.							
Although there will be separate awards made for each district, bidders are eligible to receive multiple awards providing they are the lowest responsive and responsible bidder meeting all bid specifications and requirements listed within the district. Failure to bid all items within a district or may result in the bidder being deemed as not responsive.
