<p>Award: The contract will be awarded to the lowest responsive and responsible bidder by category within each district. A bidder may receive an award for one or more districts and for one or both categories within that district.</p> <p>Evaluation: Bids will be evaluated in accordance with Article I-17 of the "Instructions to Bidders". In addition, the state will multiply the Price per Unit of each line item by the Estimated Usage to arrive at a line item total. Where the estimated usage is unknown, the unit of one (1) will be used as the estimated usage for evaluation purposes. The line item totals will be added together within each category (bulk or bagged) for a low lot total for each category per district. Bidders do not have to bid on both categories or for all districts. Failure to bid all items in the bulk category or all items in the bagged category within a district may deem the response for that district not responsive and no further consideration for award will be given for that district.</p>

<p>Award: The contract will be awarded to the lowest responsive and responsible bidder by category within each district. A bidder may receive an award for one or more districts and for one or both categories within that district.</p> <p>Evaluation: Bids will be evaluated in accordance with Article I-17 of the "Instructions to Bidders". In addition, the state will multiply the Price per Unit of each line item by the Estimated Usage to arrive at a line item total. Where the estimated usage is unknown, the unit of one (1) will be used as the estimated usage for evaluation purposes. The line item totals will be added together within each category (bulk or bagged) for a low lot total for each category per district. Bidders do not have to bid on both categories or for all districts. Failure to bid all items in the bulk category or all items in the bagged category within a district may deem the response for that district not responsive and no further consideration for award will be given for that district.</p>

Award: The contract will be awarded to the lowest responsive and responsible bidder by category within each district. A bidder may receive an award for one or more districts and for one or both categories within that district.												
Evaluation: Bids will be evaluated in accordance with Article I-17 of the "Instructions to Bidders". In addition, the state will multiply the Price per Unit of each line item by the Estimated Usage to arrive at a line item total. Where the estimated usage is unknown, the unit of one (1) will be used as the estimated usage for evaluation purposes. The line item totals will be added together within each category (bulk or bagged) for a low lot total for each category per district. Bidders do not have to bid on both categories or for all districts. Failure to bid all items in the bulk category or all items in the bagged category within a district may deem the response for that district not responsive and no further consideration for award will be given for that district.

<p>Award: The contract will be awarded to the lowest responsive and responsible bidder by category within each district. A bidder may receive an award for one or more districts and for one or both categories within that district.</p> <p>Evaluation: Bids will be evaluated in accordance with Article I-17 of the "Instructions to Bidders". In addition, the state will multiply the Price per Unit of each line item by the Estimated Usage to arrive at a line item total. Where the estimated usage is unknown, the unit of one (1) will be used as the estimated usage for evaluation purposes. The line item totals will be added together within each category (bulk or bagged) for a low lot total for each category per district. Bidders do not have to bid on both categories or for all districts. Failure to bid all items in the bulk category or all items in the bagged category within a district may deem the response for that district not responsive and no further consideration for award will be given for that district.</p>

<p>Award: The contract will be awarded to the lowest responsive and responsible bidder by category within each district. A bidder may receive an award for one or more districts and for one or both categories within that district.</p> <p>Evaluation: Bids will be evaluated in accordance with Article I-17 of the "Instructions to Bidders". In addition, the state will multiply the Price per Unit of each line item by the Estimated Usage to arrive at a line item total. Where the estimated usage is unknown, the unit of one (1) will be used as the estimated usage for evaluation purposes. The line item totals will be added together within each category (bulk or bagged) for a low lot total for each category per district. Bidders do not have to bid on both categories or for all districts. Failure to bid all items in the bulk category or all items in the bagged category within a district may deem the response for that district not responsive and no further consideration for award will be given for that district.</p>
