EVALUATION: Bids will be evaluated in accordance with Article I-17 of the "Instructions to Bidders". In addition, the state will: Multiply the estimated annual usage of supervisor, mover, installer, straight truck, van, moving cartons, color-coded labels, tape and mileage by its corresponding unit price and then add these totals together for each region per year and subtract the total for credit for moving cartons returned for each year for an estimated contract cost. If estimated usages are unknown a quantity of one (1) will be used for the evaluation.

Bidders are eligible to be awarded multiple bid regions, provided they are the lowest responsive and responsible bidder meeting all bid specifications and requirements listed within. Failure to bid all items may result in the bidder being deemed not responsive for that bid region.

CONTRACT AWARD: The contract will be awarded to the lowest responsive and responsible bidder by each region.
