RFP Title: Genetic Paternity Testing Services

RFP Number: CSP900417

UNSPSC CATEGORY CODE: 85000000

Description		
TIER DEFINITIONS. Sample collection services are according to one (1) of three (3) tiers of service. Requirements for the three (3) tiers of service are as follows:		
OAKS ID Number	Tier Service	Cost per Sample
29732	TIER 1. Provide a location for sample collection, phlebotomist/collector, collection supplies, and transportation of samples from collection site to the testing facility.	\$ 29.60
29733	TIER 2. Provide the phlebotomist/collector, collection supplies, and transportation of samples from collection site to the testing facility. The CSEA will provide location for sample collection.	\$ 25.19
29734	TIER 3. Provide the collection supplies and transportation of samples from collection site to the testing facility. The CSEA will supply the location for sample collection, and provide the phlebotomist/collector.	\$ 16.95
29735	Not Completed. A flat rate of \$25.00 will be reimbursed for each individual whose sample is successfully obtained but genetic testing is not completed, and for individuals whose samples are re-used in the event a second alleged father is presented for testing.	\$ 25.00

All costs are in U.S. Dollars.
 The State is not responsible for any costs not identified.
 There are no additional reimbursement for travel or other related expenses.

In addition, a flat rate of \$25.00 will be reimbursed for each individual whose sample is successfully obtained but genetic testing is not completed, and for individuals whose samples are re-used in the event a second alleged father is presented for testing.

There are no permissible Reimbursable Expenses: The selected Contractor will be reimbursed only for the actual number of each tier of sample collection services and supplies provided, and, when appropriate, will be reimbursed at the set rate of \$25.00 per individual for partial draws performed. The selected Contractor may not invoice, nor will the State pay, for any services, fees, or expenses other than for these four (4) payable services (i.e., Tier 1, Tier 2, Tier 3, and partials not completed), multiplied by the actual number of each service provided.

Sample prices must represent the 100 percent (100%) price of the service being provided, regardless of the anticipated federal funding level(s). The collection schedule is determined on a county-by-county basis depending on their needs. The monthly summary report that is currently submitted provides the State with the number of individual collections and the number of tests completed in a given month.

In the unlikely event expert witness courtroom testimony is required for this Project, Offerors are asked to present pricing for this component. Expert witness courtroom testimony will not be included in the award evaluation.
