ATTACHMENT THREE: GENERAL TERMS AND CONDITIONS, PART TWO: WORK & CONTRACT ADMINISTRATION

CONTRACT REMEDIES, page 40: The first two paragraphs of this section, numbered 1 and 2, are modified as follows (the underlined is added here to highlight the change, but the underline is not adopted into the paragraph):

1. Actual Damages. Contractor is liable to the state of Ohio for all actual and direct damages caused by Contractor's default. The State may buy substitute supplies or services, from a third party, for those that were to be provided by Contractor. If the need to purchase substitute supplies is due to Contractor's negligence or willful misconduct, the State may recover the costs associated with acquiring substitute supplies or services, less any expenses or costs saved by Contractor's default, from Contractor.
2. Liquidated Damages. If actual and direct damages, as caused by Contractor's default, are uncertain or difficult to determine, the State may recover liquidated damages in the amount of 1% of the value of the order, deliverable or milestone that is the subject of the default, for every day the default is not cured by Contractor.

ATTACHMENT THREE: GENERAL TERMS AND CONDITIONS, PART FOUR: REPRESENTATIONS, WARRANTIES, AND LIABILITIES

The following Disclaimer will be added to the end this section following the Limitation of Liability paragraphs, page 47:

DISCLAIMER. Notwithstanding anything to the contrary contained herein, the State acknowledges and agrees, on behalf of itself and each of its affiliates and other purchasers, that Contractor is not the manufacturer of any products. Contractor (on behalf of itself and its affiliates) disclaims all warranties, express or implied, including those of merchantability, non-infringement and fitness for a particular purpose, and no oral or written information provided by Contractor or its affiliates or their respective employees or other representatives have created or will create any warranty. In no event will Contractor or its affiliates be liable for any claims, causes of action, obligations, liability, debts, judgments, damages, losses, expenses, and fees (including, without limitation, reasonable attorney, expert, and accountant fees) ("Losses"), including, without limitation, bodily injury or death, resulting from an individual's use of the products, except to the extent caused by the negligence of Contractor. In no event shall Contractor or its affiliates be liable for any special, indirect, incidental, exemplary, punitive or consequential damages (including, without limitation, lost profits) even if the State has been advised of such damages. "An "affiliate", as used in this section, means any wholly owned subsidiary of the applicable party, but does not include any manufacturer of any drug distributed through this Contract".
