AMENDMENTS TO CONTRACT TERMS AND CONDITIONS: The following Amendments to the Contract Terms and Conditions do hereby become a part hereof. In the event that an amendment conflicts with the Contract Terms and Conditions, the Amendment will prevail.

DELIVERY AND ACCEPTANCE: Contractor shall call institutions to establish a mutually acceptable delivery schedule. Supplies will be delivered to the participating agency within seven (7) days after receipt of order, with the exception of milk, which shall be delivered within three (3) days ARO, if necessary, and, in accordance with Articles S8 and S9, of Supplemental Contract Terms and Conditions. The delivery location will be noted on the purchase order issued by the participating agency. Acceptance (transfer of title) will occur upon the inspection and written confirmation by the ordering agency that the supplies delivered conform to the requirements set forth in the Contract. Unless otherwise provided in the Contract, acceptance shall be conclusive except as regards to latent defects, fraud, or such gross mistakes as amount to fraud.

DOCUMENTATION: The following should accompany the bid response:

1. Price change formula, as specified in paragraph 'Monthly Price Adjustment, pages 3 and 4
2. Certification Letter, as specified in paragraph IV.B., page 9
3. Copy of current valid license issued by the Ohio Department of Health, as specified in paragraph IV.B., page 9

If the documentation listed above does not accompany the bid response, the bidder will be required to provide the specified documents within seven (7) calendar days after notification, to the Office of Procurement Services. Failure to provide the literature within the stated time period will result in the bidder being deemed as not responsive.

CONTRACT AWARD: The contract will be awarded to the lowest responsive and responsible bidder by institution.

EVALUATION: Bids will be evaluated in accordance with Article I-17 of the "Instructions, Terms and Conditions for Bidding". In addition, the state will determine the low lot total price for each institution by multiplying the estimated annual usage of each item for the institution by its corresponding unit price and then adding these totals together. Although there will be separate institution awards made, bidders are eligible to receive multiple awards provided he/she is the lowest responsive and responsible bidder meeting all bid specifications and requirements listed for the institutions. Failure to bid all items for an institution may result in the bidder being deemed as not responsive for that institution.

MONTHLY PRICE ADJUSTMENT: Contractor(s) shall review contract milk prices on a monthly basis, based on the United States Department of Agriculture (USDA) Announcement of Advanced Prices and Pricing Factors for the applicable milk market order number. Contract pricing shall be adjusted on a monthly basis. Contractor(s) shall submit price adjustments to the Office of Procurement Services within ten (10) days of announcement of same by USDA, with adjusted prices becoming effective on the 15th day of the following month. If bidder conditions the bid response by indicating that price changes will not be submitted monthly unless milk prices have changed by a certain amount, the bid response may be deemed not responsive.

Bidder should submit to the Office of Procurement Services, with their bid response, a copy of the formula the bidder will be using to determine price adjustments for dairy products during the period of any term contract issued pursuant to this bid. The formula shall not include any estimated figures. No change in the price adjustment formula shall be permitted during the contract period.

Contractor(s) shall submit price adjustments to the Office of Procurement Services as stated above. If the price adjustment due date falls on a Saturday, Sunday, or a state holiday, adjusted pricing is due the first business day thereafter. A list showing the current and the new price, as well as the amount of the adjustment for that month, for each item for each institution the contractor is providing product shall be submitted with the price adjustment request.

Price adjustment shall be approved for the amount of change demonstrated by utilization of contractor's formula for adjustment, in accordance with pricing shown on USDA Announcement of Advanced Prices and Pricing Factors and any rate changes per cwt by producer marketing organizations (e.g. Dairy Farmers of America), as utilized in contractor's formula. Price adjustment based on factors other than changes shown on the USDA Announcement of Advanced Prices and Pricing Factors and/or rate changes by producer marketing organizations shall be permitted at the sole discretion of the Administrator of the Office of Procurement Services and requests for same shall be accompanied by supporting documentation deemed sufficient by the Office of Procurement Services.

The first price change for the contract shall be effective for all deliveries made on or after December 15, 2009. The price change shall be based on the difference between the last USDA Announcement of Advanced Prices and Pricing Factors issued prior to bid opening and that issued on or about November 20, 2009. Subsequent price changes shall be effective the 15th of each month, as specified above. Price change documentation is due in accordance with time guidelines specified herein.

Although computation of monthly price adjustments may be accomplished by use of more than three digits after the decimal point, the figure showing the monthly adjustment amount for each product and the contract unit price for all products shall have no more than three digits after the decimal point. Any unit price adjustments submitted having more than three digits after the decimal point shall be rounded down if the fourth digit is less than 5, and up if the fourth digit is 5 or greater.

USAGE REPORTS: Every three (3) months the contractor must submit a report (written or on disk) indicating sales generated by this contract. The report shall list usage by customer, by line item, showing the quantities/dollars generated by this contract. The report shall be forwarded to the Office of Procurement Services, 4200 Surface Road, Columbus, Ohio 43228-1395, Attn: Elizabeth Lind.
