### SPECIAL TERMS AND CONDITIONS

AMENDMENTS TO CONTRACT TERMS AND CONDITIONS: The following Amendments to the Contract Terms and Conditions do hereby become a part hereof. In the event that an amendment conflicts with the Contract Terms and Conditions, the Amendment will prevail.

DELIVERY AND ACCEPTANCE: Supplies will be delivered to the participating agency within thirty (30) days after receipt of order. The delivery location will be noted on the purchase order issued by the participating agency. Acceptance (transfer of title) will occur upon the inspection and written confirmation by the ordering agency that the supplies delivered conform to the requirements set forth in the Contract. Unless otherwise provided in the Contract, acceptance shall be conclusive except as regards to latent defects, fraud, or such gross mistakes as amount to fraud.

COMPETITIVE SELECTION - TWO PHASE AWARD-QUOTE: This solicitation may be awarded to more than one Supplier of the same or similar types of supplies or services at varying prices for delivery within the same geographic area. If the contract is awarded to multiple Suppliers, providing the same supplies or services in the same geographic area, Ordering Agencies shall solicit quotes for the required supplies or services from the Suppliers awarded in that geographic area, prior to ordering.

DESCRIPTIVE LITERATURE: The Bidder may be required to submit descriptive literature of the supplies or services being offered. If requested, the literature will be used in the evaluation process to determine the lowest responsive and responsible bidder. If not provided as part of the bid response, the Bidder must provide said literature within ten (10) calendar days after request/notification by the Office of Procurement Services to do so. Any references, that may appear in the descriptive literature, that may alter the terms and conditions and specifications of the bid (e.g. F.O.B. Shipping Point or Prices Subject to Change), will not be part of any contract and will be disregarded by the state of Ohio. Failure of the bidder to furnish descriptive literature either as part of their bid response or within the time specified herein will deem the bidder not responsive.

BRAND SPECIFIC: The product(s) specified in this bid is/are being bid as Brand Specific. That signifies that no alternates will be accepted for award. Bid is in accordance with the Ohio Administrative Code 123:5-1-10(K).

EVALUATION: Bids will be evaluated in accordance with Article I-17 of the "Instructions to Bidders". Bidders do not need to bid on all manufacturers to be considered responsive.

CONTRACT AWARD: A contract will be awarded to one responsive and responsible bidder per manufacturer brand pursuant to Ohio Administrative Code 123:5-1-10(K). No other manufacturer's brands will be acceptable. Where two or more bidders offer the same manufacturer, the contract will be awarded to the bidder offering the highest discount.

AUTHORIZED DEALER STATEMENT: Bidders responding to this bid must be an authorized dealer or manufacturer of the products bid. Bidders should submit a letter with their bid response certifying that they are the manufacturer or an authorized dealer of the manufacturer for all products bid. This certification must be on the manufacturer's letterhead and must be signed by a duly authorized representative of the manufacturer. The Bidder will be required to provide the said certification letter within five (5) calendar days, after notification to do so, to the Office of Procurement Services. Failure to submit the certification letter within the stated time period may result in the Bidder being deemed as not responsive.

MANUFACTURER CATALOG: The percentage discount quoted on the Price Schedule page(s) must be based on the manufacturer's most recent catalog available at time of bid. All Bidders shall include a copy of the most recent manufacturer's catalog with their bid, including Suggested Retail Prices. If the manufacturer publishes an official print catalog, the catalog should be submitted with the Bidder's bid on electronic media (CD, flash drive, USB, etc.) and must be configured in full searchable format. If the manufacturer does not publish an official print catalog, but rather maintains their pricing dynamically on their company website, the link to the manufacturer's catalog must be provided with the Bidder's bid.

PRICING AND DISCOUNTS: Discount percentages from catalog pricing will remain firm for the life of the contract. Discounts will be based on the current MSRP pricing in the Manufacturer's catalog at the time a product quote is requested. The Contractor should provide an expiration date on all quotes provided to an ordering agency.

SPECIAL TERMS AND CONDITIONS (CONT'D)

COOPERATIVE PURCHASING CONTRACT: This Contract may be relied upon by Ohio institutions of higher education and Ohio political subdivisions. Ohio political subdivisions include any county, township, municipal corporation, school district, conservancy district, township park district, park district created under Chapter 1545 of the Revised Code, regional transit authority, regional airport authority, regional water and sewer district, port authority or any other political subdivision as described in the Ohio Revised Code. To qualify to use this Contract the political subdivision must be currently enrolled in the State's Cooperative Purchasing Program. Purchases made from this Contract by a political subdivision that is not properly registered with the State's Cooperative Purchasing Program will be a violation of law and may be contrary to the political subdivision's competitive bidding requirements. If a political subdivision or institution of higher education relies upon this Contract to issue a purchase order or other ordering document, the political subdivision or institution of higher education "steps into the shoes" of the State under this Contract. The political division's or institution of higher education's order and this Contract are between the Contractor and the political subdivision or institution of higher education. The Contractor must look solely to the political subdivision or institution of higher education for performance, including payment. The Contractor agrees to hold the state of Ohio harmless with regard to political subdivisions and institution of higher education's orders and political subdivision's and institution of higher education's performance. DAS may cancel this Contract and may seek remedies if the Contractor fails to honor its obligations under an order from a political subdivision or institution of higher education.

QUANTITY DISCOUNT: If a State of Ohio government agency and/or state political subdivision member of the DAS Cooperative Purchasing Program plans to make a volume purchase using this Contract, the ordering agency may choose to negotiate with the Contractor for a greater catalog discount. These requests will be determined on a case-by-case basis. Offering a greater catalog discount than the Contract provides is not mandatory, and negotiating a greater catalog discount for a purchase does not obligate the Contractor to do so in the future.

CONTRACTOR QUARTERLY SALES REPORT: The Contractor must report the quarterly dollar value (in U.S. dollars and rounded to the nearest whole dollar) of the sales, to include both state agencies and political subdivisions, under this Contract by calendar quarter (e.g. January-March, April-June, July-September and October-December). The dollar value of the sale is the price paid by the Contract user for the products and/or services listed on the purchase order or other encumbering document, as recorded by the Contractor.

The Contractor will receive an email with a User ID and password and must report the quarterly dollar value of sales to the Department of Administrative Services (DAS) via the Internet using the web form at the Ohio DAS Contract Management Contractor Portal, <https://cm.ohio.gov/>. If no sales occur, the Contractor must show zero. The report must be submitted thirty (30) days following the completion of the reporting period. The Contractor is responsible for emailing the Analyst listed on page one of the contract with any company contact changes.

The Contractor shall also submit a close-out report within one hundred and twenty (120) days after the expiration of this Contract. The Contract expires upon the physical completion of the last outstanding task or delivery order of the Contract. The close-out report must cover all sales not shown in the final quarterly report and reconcile all errors and credits. If the Contractor reported all contract sales and reconciled all errors and credits on the final quarterly report, then the Contractor should show zero "0" sales in the close-out report.

The Contractor must forward the Quarterly Sales Report to one of the following addresses,

CONTRACTOR REVENUE SHARE: The Contractor must pay the Department of Administrative Services (DAS) a revenue share of the sales transacted under this contract. The Contractor must remit the revenue share in U.S. dollars within thirty (30) days after the end of the quarterly sales reporting period. The revenue share equals 0.75% of the total quarterly sales reported. Contractors must include the revenue share in their prices. The revenue share is included in the award price(s) and reflected in the total amount charged to ordering agencies which includes both state agencies and political subdivisions using this Contract.

The Contractor must remit any monies due as the result of the close-out report at the time the close-out report is submitted to DAS. The Contractor must pay the revenue share amount due by check.
