SPECIAL CONTRACT TERMS AND CONDITIONS

AMENDMENTS TO CONTRACT TERMS AND CONDITIONS: The following Amendments to the Contract Terms and Conditions do hereby become a part hereof. In the event that an amendment conflicts with the Contract Terms and Conditions, the Amendment will prevail.

MULTIPLE AWARD CONTRACT: This bid is issued to establish a Multiple Award Contract (MAC). A MAC is a contract made with more than one supplier of the same or similar types of supplies or services at varying prices for delivery within the same geographic area. The state's obligations under a MAC are subject to the Ohio Controlling Board's continuing authorization to use the MAC program authorizing the use of Multiple Award Contracts. By the signature affixed to Page 1, of this Bid, the Bidder certifies that it is currently in compliance and will continue to adhere to the requirements of the Ohio Ethics Law, Ohio Revised Code Section 102.04. The Bidder affirms that, as applicable to the Bidder, no party listed in Ohio Revised Code Section 3517.13 (I) or (J) or spouse of such party has made, as an individual, within the two previous calendar years, one or more contributions totaling in excess of \$1,000.00 to the Governor or to his campaign committees.

COOPERATIVE PURCHASING CONTRACT: This Contract may be relied upon by Ohio institutions of higher education and Ohio political subdivisions. Ohio political subdivisions include any county, township, municipal corporation, school district, conservancy district, township park district, park district created under Chapter 1545 of the Revised Code, regional transit authority, regional airport authority, regional water and sewer district, port authority or any other political subdivision as described in the Ohio Revised Code. To qualify to use this Contract the political subdivision must be currently enrolled in the State's Cooperative Purchasing Program. Purchases made from this Contract by a political subdivision that is not properly registered with the State's Cooperative Purchasing Program will be a violation of law and may be contrary to the political subdivision's competitive bidding requirements. If a political subdivision or institution of higher education relies upon this Contract to issue a purchase order or other ordering document, the political subdivision or institution of higher education "steps into the shoes" of the State under this Contract. The political division's or institution of higher education's order and this Contract are between the Contractor and the political subdivision or institution of higher education. The Contractor must look solely to the political subdivision or institution of higher education for performance, including payment. The Contractor agrees to hold the State of Ohio harmless with regard to political subdivision's and institution of higher education's orders and political subdivision's and institution of higher education's performance. DAS may cancel this Contract and may seek remedies if the Contractor fails to honor its obligations under an order from a political subdivision or institution of higher education.

CONTRACTOR QUARTERLY SALES REPORT: The Contractor must report the quarterly dollar value (in U.S. dollars and rounded to the nearest whole dollar) of the sales under this Contract by calendar quarter (i.e. January-March, April-June, July-September and October-December). State agencies and political subdivisions must be reported separately. The dollar value of the sale is the price paid by the Contract user for the products and/or services listed on the purchase order or other encumbering document, as recorded by the Contractor.

The Contractor shall be required to report the quarterly dollar value of sales to the Department of Administrative Services (DAS) on a form prescribed by DAS. If no sales occur, the Contractor must show zero. The report must be submitted thirty (30) days following the completion of the reporting period.

The Contractor shall also submit a close-out report within one hundred and twenty (120) days after the expiration of this Contract. The Contract expires upon the physical completion of the last outstanding task or delivery order of the Contract. The close-out report must cover all sales not shown in the final quarterly report and reconcile all errors and credits. If the Contractor reported all contract sales and reconciled all errors and credits on the final quarterly report, then the Contractor should show zero "0" sales in the close-out report.

The Contractor must forward the Quarterly Sales Report to the following address:

Department of Administrative Services
General Services Division, Term Contract Program
4200 Surface Road
Columbus, OH 43228-1395

If the Contractor fails to submit sales reports, falsifies reports or fails to submit sales reports in a timely manner, DAS may terminate or cancel this Contract.

SPECIAL CONTRACT TERMS AND CONDITIONS

CONTRACTOR REVENUE SHARE: The Contractor must pay the Department of Administrative Services (DAS) a revenue share of the sales transacted under this contract. The Contractor must remit the revenue share in U.S. dollars within thirty (30) days after the end of the quarterly sales reporting period. The revenue share equals 0.75% of the total quarterly sales reported. Contractors must include the revenue share in their prices. The revenue share is included in the award price(s) and reflected in the total amount charged to ordering agencies which includes both state agencies and political subdivisions using this Contract.

The Contractor must remit any monies due as the result of the close-out report at the time the close-out report is submitted to DAS. The Contractor must pay the revenue share amount due by check. To ensure the payment is credited properly, the Contractor must identify the check as a "Revenue Share" and include the following information with the payment:

Applicable State Term Contract Number, report amount(s) and the reporting period covered.

The Contractor should make the check payable to the Treasurer, State of Ohio and forward the check to the following address:
Department of Administrative Services
General Services Division – Term Contract Program
4200 Surface Road
Columbus, OH 43228-1395

If the full amount of the revenue share is not paid within thirty (30) calendar days after the end of the applicable reporting period, the non-payment constitutes a contract debt to the State. The State may either initiate withholding or setting off payments or employ the remedies available under Ohio law for the non-payment of the revenue share.

If the Contractor fails to pay the revenue share in a timely manner, DAS may terminate or cancel this Contract.

AUTHORIZED STOCKING DISTRIBUTOR: For consideration for any awards, all bidders responding to this bid must be stocking distributors of the manufacturer(s) whose product(s) they are quoting. Bidders shall submit, with their bid, a letterhead statement from the manufacturer attesting to this compliance element. Failure to submit the manufacturer's letterhead statement with the bid may deem your bid not responsive and no further consideration for award shall be given.

UNIT COSTS: Bidders shall not insert a unit cost of more than six (6) digits to the right of the decimal point. Digit(s) beyond six (6) will be dropped and not used in the evaluation of the bid.

EVALUATION: Bids will be evaluated in accordance with Article I-17 of the "Instructions, Terms and Conditions for Bidding". The basis for award of each Category will be the cost-per-copy price of the quoted unit, without any required or optional accessories.

CONTRACT AWARD: A maximum of five (5) awards will be made per category. To be considered for award, a bidder must offer print devices and accessories for each category quoted, and must quote on networked version in that category. Where two or more bidders offer the same brand name for a category, the contract will be awarded to the bidder offering the lowest prices per copy for that brand. Bidders may quote one or more categories.

FIRM FIXED-PRICE CONTRACT: The contract is a Firm Fixed-Price Contract. The Contractor(s) is required to provide to the using agency supplies or services at the listed price(s) for the duration of the contract, and any renewals thereto.

AGENCY CERTIFICATION: The agency purchasing from this contract will be required to execute a certification prior to acquiring the use of a copier/printer under these terms and conditions. The certification will require the agency to acknowledge that the agency understands and agrees to the conditions precedent of the contract. These conditions include meeting the minimum number of copies required per month and participating in the use of the copier/printer for the required period of time (3 years). Failure to comply with either condition will result in increased cost to the agency including the possibility of additional costs per copy being applied retroactively.

ACCESSORIES FOR QUOTED UNITS: In addition to quoting the base unit for a category, bidders shall also quote on the available accessories for that unit. Accessories shall be priced on a cost-per-copy basis. Accessory pricing will not be part of the bid evaluation. Failure to quote accessories for a Category as part of their bid response may deem the bidder not responsive for that Category. Although a required list of accessories is provided in some of the price schedules, bidders shall quote on additional accessories to be considered for inclusion with their base unit. The sole decision whether to include these additional accessories will be left to the discretion of the DAS Copier Program Manager.

SPECIAL CONTRACT TERMS AND CONDITIONS

The literature will be used in the evaluation process to determine the lowest responsive and responsible bidder. Any references, that may appear in the descriptive literature, that may alter the terms and conditions and specifications of the bid (i.e. F.O.B. Failure of the bidder to furnish descriptive literature as part of their bid response will deem the bidder not responsive.

This list shall include the name and phone number of a contact person who will be familiar with the bidder's job performance.
