

STATE OF OHIO  
DEPARTMENT OF ADMINISTRATIVE SERVICES  
GENERAL SERVICES DIVISION  
OFFICE OF PROCUREMENT SERVICES  
4200 SURFACE ROAD, COLUMBUS, OH 43228-1395

MANDATORY USE CONTRACT FOR: Biohazardous Medical and Laboratory Waste Pick-Up and Disposal, Statewide

CONTRACT No.: RS901713

EFFECTIVE DATES: 10/01/12 to 09/30/16

The Department of Administrative Services has accepted bids submitted in response to Invitation to Bid No. RS901713 that opened on 09/05/12. The evaluation of the bid response(s) has been completed. The bidder(s) listed herein have been determined to be the lowest responsive and responsible bidder(s) and have been awarded a contract for the items(s) listed. The respective bid response, including [the Terms and Conditions for Bidding, Standard Contract Terms and Conditions, and Supplemental Contract Terms and Conditions](#), special contract terms & conditions, any bid addenda, specifications, pricing schedules and any attachments incorporated by reference and accepted by DAS become a part of this Requirements Contract.

This Requirements Contract is effective beginning and ending on the dates noted above unless, prior to the expiration date, the Contract is renewed, terminated or cancelled in accordance with the Contract Terms and Conditions.

This Requirements Contract is available to all State Agencies, State institutions of higher education and properly registered members of the Cooperative Purchasing Program of the Department of Administrative Services, as applicable.

Agencies are eligible to make purchases of the listed supplies and/or services in any amount and at any time as determined by the agency. The State makes no representation or guarantee that agencies will purchase the volume of supplies and/or services as advertised in the Invitation to Bid.

SPECIAL NOTE: State agencies may make purchases under this Requirements Contract up to \$2500.00 using the state of Ohio payment card. Any purchase that exceeds \$2500.00 will be made using the official state of Ohio purchase order (ADM-0523). Any non-state agency, institution of higher education or Cooperative Purchasing member will use forms applicable to their respective agency.

Questions regarding this and/or the Requirements Contract may be directed to:

Dennis Kapenga  
dennis.kapenga@ohio.gov

This Requirements Contract and any Amendments thereto are available from the DAS website at the following address:

<http://www.ohio.gov/procure>

Signed: \_\_\_\_\_

### SPECIAL CONTRACT TERMS AND CONDITIONS

AMENDMENTS TO CONTRACT TERMS AND CONDITIONS: The following Amendments to the Contract Terms and Conditions do hereby become a part hereof. In the event that an amendment conflicts with the Contract Terms and Conditions, the Amendment will prevail.

SPECIAL CONDITIONS: The Director, Department of Administrative Services reserves the right to bid large or unusual requirements, for items that may be a part of the awarded Contract, under a separate Bid.

ESTABLISHED BUSINESS: To be considered responsive, the Bidder must, at the time of Bid submission be an established business with all required licenses, bonds, facilities, equipment and trained personnel necessary to perform the work in this Bid. Documentation may be required as part of the evaluation/award process.

INCURRED COSTS: The State is not liable for any costs incurred by the Bidder prior to issuance of a Contract.

MANDATORY/REQUIRED SUBMISSIONS: As specified, mandatory submissions must be submitted with the Bid Response. Required documentation/materials should be submitted with the Bid. If not submitted with the Bid, the Bidder must provide the said documentation/materials within five (5) business days, after notification, to the Office of Procurement Services. Failure to provide mandatory submissions with the Bid Response or failure to provide the required documentation/materials, as applicable, within the stated time period will result in the Bidder being deemed as not responsive and the Bid Response will be immediately disqualified with no further consideration given for potential awarding of the Contract.

For specific submission requirements, Bidders should refer to the Specifications and Requirements.

SITE VISIT: Site visits are not mandatory for submitting a Bid Response. If a Bidder desires a site visit to a particular site listed in Table 1, an inquiry may be submitted, and contact information for the site visit will be provided in a timely manner. Once a Contract is awarded, failure of the Bidder to have requested a site visit to become familiar with the facility and requirements of the Bid will be insufficient reason to support any request to be released from the Contract.

DESCRIPTIVE LITERATURE: The Bidder may be required to submit descriptive literature of the supplies or services being offered. If requested, the literature will be used in the evaluation process to determine the lowest responsive and responsible Bidder. If not provided as part of the Bid Response, the Bidder must provide said literature within five (5) calendar days after request/notification by the Office of Procurement Services to do so. Any references, that may appear in the descriptive literature, that may alter the terms and conditions and specifications of the Bid (i.e. F.O.B. Shipping Point or Prices Subject to Change), will not be part of any Contract and will be disregarded by the State. Failure of the Bidder to furnish descriptive literature either as part of their Bid Response or within the time specified herein will deem the Bidder not responsive.

DELIVERY AND ACCEPTANCE: Services will be performed as set forth in the Contract and in accordance with paragraphs S-8, S-9, and S-10 of the SUPPLEMENTAL CONTRACT TERMS AND CONDITIONS. The location of performance will be noted on the purchase order issued by the participating agency/institution. Payment for services rendered will occur upon the inspection and written confirmation by the ordering agency/institution that the services provided conform to the requirements set forth in the Contract. Unless otherwise provided in the Contract, payment will be conclusive except as regards to latent defects, fraud, or such gross mistakes as amount to fraud.

EVALUATION: Bids will be evaluated in accordance with Article I-17 of the "Instructions to Bidders". In addition, the State will: multiply the Bidder's appropriate cost per pound, from the Bid Price Page times the estimated yearly volume in pounds for each institution in the Bidder's service area, as defined on the Bid Price Page, to determine the annual cost per institution. Although there will be a separate line item award made for each line item/institution, Bidders are eligible to receive awards for multiple line items/institutions, if they are the lowest responsive and responsible Bidder for those line items/institutions. Bidders will only be evaluated for line items/institutions within their defined service area.

CONTRACT AWARD: The Contract will be awarded to the lowest responsive and responsible Bidder by line item/institution. The State may award cooperating facilities in close proximity to each other to the same vendor to maximize pick-up efficiencies and minimize the time Contractors are at the facilities. This is especially true for secure facilities.

For any new facility requesting to be added to the Contract during the Contract term, the State will: (1) review the Bid Price Page for awarded Contractors to determine which Contractor(s) service the region in which the facility is located, (2) based on the facility's service requirement and estimated pounds per year, review the Bid Price Page, and (3) award the facility to the lowest Bidder providing the requested service and volume level within the region.

SPECIAL CHARGES: There must be no assessment, surcharge, small order charge, broken case charge, minimum order charge, single item charge nor any other unspecified additional charge allowed by the State that is not specifically mentioned in this Bid or in any Contract awarded pursuant to this Bid. The Contractor must provide merchandise/service in unit quantity(s) as indicated in the Bid/Bid Response/Contract.

SPECIAL CONTRACT TERMS AND CONDITIONS (continued)

**COOPERATIVE PURCHASING CONTRACT:** This Contract may be relied upon by Ohio institutions of higher education and Ohio political subdivisions. Ohio political subdivisions include any county, township, municipal corporation, school district, conservancy district, township park district, park district created under Chapter 1545 of the Revised Code, regional transit authority, regional airport authority, regional water and sewer district, port authority or any other political subdivision as described in the Ohio Revised Code. To qualify to use this Contract the political subdivision must be currently enrolled in the State's Cooperative Purchasing Program. Purchases made from this Contract by a political subdivision that is not properly registered with the State's Cooperative Purchasing Program will be a violation of law and may be contrary to the political subdivision's competitive bidding requirements. If a political subdivision or institution of higher education relies upon this Contract to issue a purchase order or other ordering document, the political subdivision or institution of higher education "steps into the shoes" of the State under this Contract. The political division's or institution of higher education's order and this Contract are between the Contractor and the political subdivision or institution of higher education. The Contractor must look solely to the political subdivision or institution of higher education for performance, including payment. The Contractor agrees to hold the State of Ohio harmless with regard to political subdivisions and institution of higher education's orders and political subdivision's and institution of higher education's performance. DAS may cancel this Contract and may seek remedies if the Contractor fails to honor its obligations under an order from a political subdivision or institution of higher education.

**CONTRACTOR REVENUE SHARE AND QUARTERLY SALES REPORTING:** The Contractor must pay the Department of Administrative Services (DAS) a revenue share of the sales transacted under this contract. The Contractor must remit the revenue share in U.S. dollars within thirty (30) calendar days after the end of the quarterly sales reporting period. The revenue share equals 0.75% of the total quarterly sales reported. Contractors must include the revenue share in their prices. The revenue share is included in the award price(s) and reflected in the total amount charged to ordering agencies which includes both state agencies and Cooperative Purchasing members using this Contract. The Contractor must report quarterly sales within 30 calendar days of the end of each quarter using the DAS on-line Contractor portal. The Contractor must report State agency sales and Cooperative Purchasing sales separately on this report. Instructions and login information for use of the on-line portal will be provided after Contract award.

The Contractor must pay the revenue share amount due by check. To ensure the payment is credited properly, the Contractor must identify the check as a "Revenue Share" and include the following information with the payment:

Applicable State Term Contract Number, report amount(s) and the reporting period covered.

For Revenue Share only: The Contractor should make the check payable to the "Ohio Treasurer, Kevin L. Boyce" and forward the check to the following address:

Department of Administrative Services  
General Services Division – Term Contract Program  
4200 Surface Road  
Columbus, OH 43228-1395

If the full amount of the revenue share is not paid within thirty (30) calendar days after the end of the applicable reporting period, the non-payment constitutes a contract debt to the State. The State may either initiate withholding or setting off payments or employ the remedies available under Ohio law for the non-payment of the revenue share.

If the Contractor fails to pay the revenue share in a timely manner, DAS may terminate or cancel this Contract.

**FIXED-PRICE WITH ECONOMIC ADJUSTMENT:** The quoted cost per pound must be inclusive of all fees, charges, and surcharges. All pick-up and disposal services rendered must be shipped F.O.B. destination, freight prepaid. The Contract prices(s) will remain firm for the first twelve (12) months duration of the Contract. Thereafter, the Contractor may submit a request to increase their price(s) to be effective thirty (30) calendar days after acceptance by DAS. No price adjustment will be permitted prior to the effective date of the increase received by the Contractor from his suppliers, or on purchase orders that are already being processed, or on purchase orders that have been filled and are awaiting shipment. If the Contractor receives orders requiring quarterly delivery, the increase will apply to all deliveries made after the effective date of the price increase.

The price increase must be supported by a general price increase in the cost of the finished supplies, due to increases in the cost of raw materials, labor, freight, Workers' Compensation and/or Unemployment Insurance, etc. Detailed documentation, to include a comparison list of the Contract items and proposed price increases, must be submitted to support the requested increase. Supportive documentation should include, but is not limited to: copies of the old and the current price lists or similar documents which indicate the original base cost of the product to the Contractor and the corresponding increase, and/or copies of correspondence sent by the Contractor's supplier on the supplier's letterhead, which contain the above price information and explains the source of the increase in such areas as raw materials, freight, fuel or labor, etc.

Should there be a decrease in the cost of the finished product due to a general decline in the market or some other factor, the Contractor is responsible to notify DAS immediately. The price decrease adjustment will be incorporated into the Contract and will be effective on all purchase orders issued after the effective date of the decrease. If the price decrease is a temporary

decrease, such should be noted on the invoice. In the event that the temporary decrease is revoked, the Contract pricing will be returned to the pricing in effect prior to the temporary decrease. For quarterly deliveries, any decrease will be

Index No. GDC016

Page 5

SPECIAL CONTRACT TERMS AND CONDITIONS (continued)

applied to deliveries made after the effective date of the decrease. Failure to comply with this provision will be considered as a default and will be subject to Provision I.C. "Termination/Suspension" and Provision II. of the "Contract Remedies:" of the "Standard Contract Terms and Conditions". The Price Increase Table on the Bid Price Page will be used to determine the price adjustments to the price per pound pricing for the Contractor.

SUBCONTRACTING: The awarded Contractor(s) will be solely responsible for the Contract. Subcontracting by the Contractor will not be permitted unless approved by the State. On a per project basis, the Contractor must clearly identify which requirements are subcontracted and identify the subcontracting company, corporation, etc. and responsible business contacts therein. No Contractor will engage a subcontractor for work on State property without the prior written approval of the Site Facility Manager.

NOTICE ON THE USE OF SOCIAL SECURITY NUMBERS AS FEDERAL TAX IDENTIFICATION NUMBERS: The Department of Administrative Services (Department) requires vendors and Contractors wishing to do business with the State to provide their Federal Taxpayer Identification Number to the Department. The Department does this so that it can perform statutorily required "responsibility" analyses on those vendors and Contractors doing business with the State and, under limited circumstances, for tax reporting purposes. If you are a vendor or Contractor using your Social Security Number as your Federal Taxpayer Identification Number, please be aware that the information you submit is a public record, and the Department may be compelled by Ohio law to release Federal Taxpayer Identification Numbers as a public record. If you do not want to have your Social Security Number potentially disclosed as a Federal Taxpayer Identification Number, the Department encourages you to use a separate Employer Identification Number (EIN) obtained from the United States Internal Revenue Service's to serve as your Federal Taxpayer Identification Number.

EXECUTIVE ORDER 2011-12K: (Governing the Expenditure of Public Funds on Offshore Services) The Contractor must affirm to have read and understand Executive Order 2011-12K must abide by those requirements in the performance of this Contract. Notwithstanding any other terms of this Contract, the State reserves the right to recover any funds paid for services the Contractor performs outside of the United States for which it did not receive a waiver. The State does not waive any other rights and remedies provided the State in this Contract. The Contractor must complete and include with its Bid response the Standard Affirmation and Disclosure Form:

[http://procure.ohio.gov/pdf/EO201112K/EO201112K\\_Announcement.pdf](http://procure.ohio.gov/pdf/EO201112K/EO201112K_Announcement.pdf)

## SPECIFICATIONS AND REQUIREMENTS

- I. SCOPE: These specifications cover the pick-up and disposal of biohazardous medical and laboratory waste from various State agencies and institutions as listed herein. This Contract is also available to all State agencies and political subdivisions participating in the State's Cooperative Purchasing Program.
  
- II. APPLICABLE DOCUMENTS
  - A. Ohio Administrative Code (OAC), Section 3745-27-33  
Standards for shipping papers for infectious waste
  - B. Ohio Environmental Protection Agency (EPA), Infectious Waste Regulations, OAC Section 3745-37  
Licenses for Solid Waste, Infectious Waste Treatment, or Construction and Demolition Debris Facilities
  - C. Ohio Revised Code (ORC), Division (B) of Section 3734.05 and by Division (C) (6) of Section 3734.021  
Standards for transportation and hazardous waste facilities
  - D. Federal Motor Carrier Safety Regulations under 49 CFR
  - E. American Society of Testing and Material (ASTM) D1709, "Dropped Dart Impact Resistance Test"
  
- III. REQUIREMENTS
  - A. The Contractor(s) are required to provide the frequency of service requested by the agencies/institutions listed in the Contract in addition to providing proper collection and packaging supplies (i.e. bags, containers).
  - B. Infectious waste may consist of all waste defined in the Ohio EPA regulation such as but not limited to: contaminated needles, syringes and blades, dressings, I.V. and blood transfusion tubing, hemodialysis waste, chemotherapy related waste, isolation waste, laboratory cultures, blood and urine products and outdated medications.
  - C. Packaging Supplies:
    1. Infectious waste containers and packaging supplies will be provided by the Contractor for the collection and transportation of infectious waste in quantities and approximate sizes as required by each agency/institution (See Table 1).
    2. Packaging supplies should consist of 25" x 35" x .003 mil plastic bags and box containers with lids as specified in III.C.3. Other container sizes may be approved by the agency/institution.
    3. The Contractor supplied bags must be red or orange in color, and must be conspicuously labeled with the International Biohazard Symbol.
    4. Bags must be impervious to moisture, leak resistant and have a minimum bursting strength of 165 grams when tested in accordance with ASTM D1709.
    5. Bags must have sufficient film and seam strength as demonstrated by being able to hold twenty-five (25) pounds of water, carried suspended from the top for a time period of sixty (60) seconds, showing no leakage.
    6. Each bag must be of appropriate size for the accompanying box container and/or ready to use stackable plastic containers.
    7. The Contractor supplied box containers and/or ready to use stackable 30 - 35 gallon plastic containers (agency/institution choice of type), must be sturdy enough to support sealed plastic bags containing infectious waste that have been prepared for transport off premises.
    8. The containers must be labeled with the International Biohazard Symbol on at least two (2) opposite sides.
    9. The containers must be leak resistant with tight-fitting lids and sufficient strength to sustain handling and transport.
    10. The Contractor is not required to provide the agencies/institutions with Sharps containers. Each agency/institution will be responsible for acquiring and maintaining their own supply.
    11. The Contractor(s) must, in their cost per pound Bid price, include all costs for providing the required containers and disposable bags.

SPECIFICATIONS AND REQUIREMENTS (continued)

D. Shipping Papers and Waste Manifest:

1. The Contractor(s) will be required to prepare treatment shipping papers, and if the owner of the disposal treatment facility, the Contractor will furnish a waste manifest.
2. The Contractor must supply a copy of the treatment shipping papers to each facility upon pick-up of infectious waste.
3. Upon treatment of waste, the Contractor will be required to provide a waste manifest to each facility which indicates that the waste has been properly treated.
4. The Contractor may combine information for both the shipping papers and waste manifests on one (1) form.
5. Both the shipping papers and waste manifest must be retained by the Contractor(s) for a minimum of three (3) years, properly completed, signed, and dated in accordance with the rules and regulations in Section 3745-27-33 of the Ohio Administrative Code.

E. Transportation:

1. The Contractor(s) must have all motor vehicles, used to transport infectious waste, registered with the Ohio EPA. The State may require this documentation as part of the award process.
2. The Contractor(s) must transport all infectious waste to a treatment facility holding an operating license under Division (B) of Section 3734.05 of the Ohio Revised Code (ORC), to a treatment facility authorized by Division (C) (6) of Section 3734.021 of the ORC or a facility in another state in compliance with State and Federal Regulations. The State may require this documentation as part of the evaluation/award process.
3. The Contractor(s) must deliver infectious waste from a generating facility to a treatment facility within ten (10) calendar days of pick-up.
4. The Contractor(s) must meet all applicable Federal Motor Carrier Safety Regulations under 49 CFR.
5. Contractor(s) must, in their cost per pound Bid, include all required services and transportation costs.

F. Addition of New Facilities After Contract Award:

New facilities may be added to the Contract after award using the awarded Contractor's bid rates for the pick-up frequency and estimated volume for the particular region that the facility is located in.

IV. INSTITUTIONAL REQUIREMENTS: The following table (Table 1) provides the estimated yearly requirements for current facilities under the Contract. The data in this table is not a guarantee of service levels, but will be used for evaluation purposes only.
