MANDATORY USE CONTRACT FOR: COST-PER-COPY SERVICES

CONTRACT No.: RS904315

EFFECTIVE DATES: 04/01/15 to 03/31/17

The Department of Administrative Services has accepted bids submitted in response to Invitation to Bid No. RS904315 that opened on 02/09/15. The evaluation of the bid response(s) has been completed. The bidder(s) listed herein have been determined to be the lowest responsive and responsible bidder(s) and have been awarded a contract for the items(s) listed. The respective bid response, including [the Terms and Conditions for Bidding, Standard Contract Terms and Conditions, and Supplemental Contract Terms and Conditions](#) (Revised 10/2013), special contract terms & conditions, any bid addenda, specifications, pricing schedules and any attachments incorporated by reference and accepted by DAS become a part of this Requirements Contract.

This Requirements Contract is effective beginning and ending on the dates noted above unless, prior to the expiration date, the Contract is renewed, terminated or cancelled in accordance with the Contract Terms and Conditions.

This Requirements Contract is available to all State Agencies, State institutions of higher education and properly registered members of the Cooperative Purchasing Program of the Department of Administrative Services, as applicable.

Agencies are eligible to make purchases of the listed supplies and/or services in any amount and at any time as determined by the agency. The State makes no representation or guarantee that agencies will purchase the volume of supplies and/or services as advertised in the Invitation to Bid.

SPECIAL NOTE: State agencies may make purchases under this Requirements Contract up to \$2500.00 using the state of Ohio payment card. Any purchase that exceeds \$2500.00 will be made using the official state of Ohio purchase order (ADM-0523). Any non-state agency, institution of higher education or Cooperative Purchasing member will use forms applicable to their respective agency.

Questions regarding this and/or the Requirements Contract may be directed to:

SPECIAL CONTRACT TERMS AND CONDITIONS

AMENDMENTS TO CONTRACT TERMS AND CONDITIONS: The following Amendments to the Contract Terms and Conditions do hereby become a part hereof. In the event that an amendment conflicts with the Standard Terms and Conditions, the Amendment will prevail.

SPECIFICATION QUESTIONS: Through the indicated inquiry closure date, Bidders may visit the State Purchasing website to post bid related questions at <procure.ohio.gov>. Answers to all Bidder questions will be posted on the State Purchasing website and linked to the bid number. The State will make every effort to respond to website inquires within forty-eight (48) hours of receipt. The State will not respond to any verbal or written questions received through any other medium. No prospective Bidder shall respond to any verbal instructions or changes to this Invitation to Bid (ITB). Only communications issued by the Department of Administrative Services, State Purchasing in the form of an addendum, will be considered valid.

BID CONFERENCE: A non-mandatory Bidder Conference will be held on 01/12/15 at the Department of Administrative Services, 4200 Surface Rd., Columbus, OH 43228 to discuss the requirements of the bid. The conference will commence promptly at 9:30 a.m. barring an unforeseen circumstance that may result in a delay of the conference. Attendance will be taken. The State will not be responsible to a Bidder for their failure to obtain information discussed during the Bidder Conference due to their failure to attend and/or arriving after the conference has convened.

Please contact Nicole Erb by 01/08/15 by 4:00 PM at (614) 466-3461 or nicole.erb@das.ohio.gov during regular business hours to make arrangements for authorization to enter the facility. Please limit your number of attendees to no more than 2 representatives per company.

MANDATORY/REQUIRED SUBMISSIONS: As specified, mandatory submissions must be submitted with the bid response. Required documentation/materials should be submitted with the bid. If not submitted with the bid, the Bidder must provide the said documentation/materials within ten (10) business days, after notification, to the Office of State Purchasing. Failure to provide mandatory submissions with the bid response or failure to provide the required documentation/materials, as applicable, within the stated time period will result in the Bidder being deemed as not responsive and the bid response will be immediately disqualified with no further consideration given for potential awarding of the Contract.

MULTIPLE AWARD CONTRACT: This bid is issued to establish a Multiple Award Contract (MAC). A MAC is a contract made with more than one Bidder offering the same or similar types of supplies or services at varying prices for delivery within the same geographic area. The state's obligations under a MAC are subject to the Ohio Controlling Board's continuing authorization to use the MAC program authorizing the use of Multiple Award Contracts.

UNIT COSTS: Bidders shall not insert a unit cost of more than six (6) digits to the right of the decimal point. Digit(s) beyond six (6) will be dropped and not used in the evaluation of the bid.

COOPERATIVE PURCHASING CONTRACT: This Contract may be relied upon by Ohio institutions of higher education and Ohio political subdivisions. Ohio political subdivisions include any county, township, municipal corporation, school district, conservancy district, township park district, park district created under Chapter 1545 of the Revised Code, regional transit authority, regional airport authority, regional water and sewer district, port authority or any other political subdivision as described in the Ohio Revised Code. To qualify to use this Contract the political subdivision must be currently enrolled in the State's Cooperative Purchasing Program. Purchases made from this Contract by a political subdivision that is not properly registered with the State's Cooperative Purchasing Program will be a violation of law and may be contrary to the political subdivision's competitive bidding requirements. If a political subdivision or institution of higher education relies upon this Contract to issue a purchase order or other ordering document, the political subdivision or institution of higher education "steps into the shoes" of the State under this Contract. The political division's or institution of higher education's order and this Contract are between the Contractor and the political subdivision or institution of higher education. The Contractor must look solely to the political subdivision or institution of higher education for performance, including payment. The Contractor agrees to hold the state of Ohio harmless with regard to political subdivisions and institution of higher education's orders and political subdivision's and institution of higher education's performance. DAS may cancel this Contract and may seek remedies if the Contractor fails to honor its obligations under an order from a political subdivision or institution of higher education.

CONTRACTOR QUARTERLY SALES REPORT: The Contractor must report the quarterly dollar value (in U.S. dollars and rounded to the nearest whole dollar) of the sales, to include both state agencies and political subdivisions, under this Contract by calendar quarter (e.g. January-March, April-June, July-September and October-December). The dollar value of the sale is the price paid by the Contract user for the products and/or services listed on the purchase order or other encumbering document, as recorded by the Contractor.

The Contractor will receive an email with a User ID and password and must report the quarterly dollar value of sales to the Department of Administrative Services (DAS) via the Internet using the web form at the Ohio DAS Contract Management Contractor Portal, <https://cm.ohio.gov/>. If no sales occur, the Contractor must show zero. The report must be submitted thirty (30) days following the completion of the reporting period. The Contractor is responsible for emailing the Analyst listed on page one of the contract with any company contact changes.

SPECIAL CONTRACT TERMS AND CONDITIONS (continued)

The Contractor shall also submit a close-out report within one hundred and twenty (120) days after the expiration of this Contract. The Contract expires upon the physical completion of the last outstanding task or delivery order of the Contract. The close-out report must cover all sales not shown in the final quarterly report and reconcile all errors and credits. If the Contractor reported all contract sales and reconciled all errors and credits on the final quarterly report, then the Contractor should show zero "0" sales in the close-out report.

The Contractor must forward the Quarterly Sales Report to the following address:

Department of Administrative Services
L-3686
Columbus, OH 43260-3686

If the Contractor fails to submit sales reports, falsifies reports or fails to submit sales reports in a timely manner, DAS may suspend, terminate or cancel this Contract.

CONTRACTOR REVENUE SHARE: The Contractor must pay the Department of Administrative Services (DAS) a revenue share of the sales transacted under this contract. The Contractor must remit the revenue share in U.S. dollars within thirty (30) days after the end of the quarterly sales reporting period. The revenue share equals 0.75% of the total quarterly sales reported. Contractors must include the revenue share in their prices. The revenue share is included in the award price(s) and reflected in the total amount charged to ordering agencies which includes both state agencies and political subdivisions using this Contract.

The contractor must remit any monies due as the result of the close-out report at the time the close-out report is submitted to DAS. The Contractor must pay the revenue share amount due by check. To ensure the payment is credited properly, the Contractor must identify the check as a "Revenue Share" and include the Ohio Contract Management Remittance Report

The Contractor should make the check payable to: Treasurer, State of Ohio and forward the check to the following address:

Department of Administrative Services
L-3686
Columbus, OH 43260-3686

For overnight payments, forward the check to the following address:

Huntington National Bank
Attn: L-3686
7 Easton Oval
Columbus, OH 43219

If the full amount of the revenue share is not paid within thirty (30) calendar days after the end of the applicable reporting period, the non-payment constitutes a contract debt to the State. The State may either initiate withholding or setting off payments or employ the remedies available under Ohio law for the non-payment of the revenue share. If the Contractor fails to pay the revenue share in a timely manner, DAS may suspend, terminate or cancel this Contract.

AUTHORIZED STOCKING DISTRIBUTOR: For consideration for any awards, all bidders responding to this bid must be stocking distributors of the manufacturer(s) whose product(s) they are quoting. Bidders shall submit, with their bid, a letterhead statement from the manufacturer attesting to this compliance element. Bidders who fail to submit the manufacturer's letterhead statement with the bid may be deemed non-responsive and no further consideration for award shall be given.

EVALUATION: Bids will be evaluated in accordance with Article I-17 of the "Instructions, Terms and Conditions for Bidding". The basis for award of each Category will be the cost-per-copy price including the cost of the required accessories for the three (3) or five (5) year rental periods.

CONTRACT AWARD: The contract will be awarded to the lowest responsive and responsible Bidder by category of product. Failure to bid all items may result in the Bidder being deemed not responsive. A maximum of three (3) awards will be made per category. To be considered for award, a Bidder must offer a printer/copier device and the required accessories for each category quoted, and must quote on networked version in that category for the three (3) or five (5) year rental term. Where two or more Bidders offer the same brand name for a category, the contract will be awarded to the Bidder offering the lowest prices per copy for that brand. Bidders may quote one or more categories. Only one (1) manufacturer's brand may be awarded per category.

MINORITY BUSINESS ENTERPRISE (MBE): The State is committed to making more State contracts and opportunities available to minority business enterprises (MBE) certified by the Ohio Department of Administrative Services pursuant to Section 123.151 of the Ohio Revised Code and Rule 123:2-15-01 of the Ohio Administrative Code. In accordance with Section 125.081 of the Revised Code, state agencies, boards and commissions are committed to directing a portion of their total spend on this Contract to MBE businesses. This ITB contains an embedded sheltered solicitation requiring Bidders to seek and set aside a portion of the Work to be exclusively performed by Ohio certified MBE businesses. Specifically, if

SPECIAL CONTRACT TERMS AND CONDITIONS (continued)

offered, the Managed Print Services Work listed in the accessory/option portion on the price page must be performed by a certified MBE business subcontractor selected by the Bidder as a result of Bidder's sheltered solicitation.

In seeking solicitation from Ohio certified MBE subcontractors, Bidders must:

- Utilize a competitive process to which only Ohio certified MBEs may respond;
- Have established criteria by which prospective Ohio MBEs will be evaluated including business ability and specific experience related to the Work requirements; and
- Require the Ohio certified MBE maintain a valid certification throughout the term of the Contract, including any renewals.

Bidders may be required to submit documentation of the competitive process used to select the Ohio certified MBE subcontractor upon request of DAS. Bidders who submit documentation of a competitive process for identifying one or more qualified Ohio certified MBE subcontractors for the managed print service optional accessory, will be deemed responsive. Bidders who fail to submit documentation of a competitive process for identifying one or more Ohio certified MBE subcontractors may be deemed non-responsive.

AGENCY CERTIFICATION: The agency purchasing from this contract will be required to execute a certification prior to acquiring the use of a copier/printer under these terms and conditions. The certification will require the agency to acknowledge that the agency understands and agrees to the conditions precedent of the contract. These conditions include meeting the minimum number of copies required per month and participating in the use of the copier/printer for the required period of time (3 or 5 years). Failure to comply with either condition will result in increased cost to the agency including the possibility of additional costs per copy being applied retroactively. The Office of State Printing shall determine whether the volume classification of a given machine is appropriate for its site placement.

ACCESSORIES FOR QUOTED UNITS: In addition to quoting the base unit for a category with the required accessories, bidders shall also quote on the available accessories for that unit. Accessories shall be priced on a cost-per-copy basis for both black and white and color copies. Accessory pricing will be part of the bid evaluation. Failure to quote accessories for a Category as part of their bid response may deem the bidder not responsive for that Category. Although a required list of accessories is provided, bidders shall quote on additional accessories to be considered for inclusion with their base unit. The sole decision whether to include these additional accessories will be left to the discretion of the DAS Copier Program Manager.

TEST REPORTS: If Buyers Laboratory Inc. (BLI) has tested the equipment quoted, the resulting status is to be "recommended". Bidder should include a copy of the BLI Test Report(s) with the bid.

DELIVERY AND ACCEPTANCE: Services will be performed as set forth in the Contract and in accordance with paragraphs S-8, S-9, and S-10 of the SUPPLEMENTAL CONTRACT TERMS AND CONDITIONS. The location of performance will be noted on the Memorandum of Understanding (MOU) issued by DAS. Payment for services rendered will occur upon the inspection and written confirmation by the ordering agency that the services provided conform to the requirements set forth in the Contract. Unless otherwise provided in the Contract, payment shall be conclusive except as regards to latent defects, fraud, or such gross mistakes as amount to fraud.

MANDATORY-USE CONTRACT: Use of this contract will be mandatory for those state Agencies who decide to purchase cost-per-copy services.

USE OF PAYMENT CARD: The use of the state of Ohio payment card is not authorized for purchases under this Contract with the exception of copier supplies.

RENTAL TERM: The rental term for printer/copier devices acquired through this Contract shall be three (3) or five (5) years. Prior to the end of the rental term, the customer will be contacted by the Copier Program Manager or his designee to determine the customer's intent. If an Agency dissolves, is privatized, or ceases to exist, then the three (3) or five (5) years rental term shall be terminated at the end of the Agency's existence unless both parties agree to continue the rental term.

DUPLICATE COPIES: In addition to the original bid response, each bidder shall submit one duplicate copy of their bid. The duplicate copy must be sealed, properly identified with the appropriate bid number and submitted as part of the original bid response. Copies submitted by electronic media (e.g. disk, CD's) are acceptable; however, a separate disk or CD must be submitted for each duplicate copy and must be contained in a sealed envelope with the proper bid number listed on the exterior. Failure to furnish the additional copies shall deem the bidder not responsive.

FIRM FIXED-PRICE CONTRACT: The contract is a Firm Fixed-Price Contract. The Contractor(s) is required to provide to the using agency supplies or services at the listed price(s) for the duration of the contract. Should there be a decrease in the cost of the finished product due to a general decline in the market or some other factor, the Contractor is responsible to notify DAS immediately. The price decrease adjustment will be incorporated into the contract and will be effective on all purchase orders issued after the effective date of the decrease. If the price decrease is a temporary decrease, such should be noted on the invoice. In the event that the temporary decrease is revoked, the contract pricing will be returned to the pricing in effect prior to the temporary decrease. For quarterly deliveries, any decrease will be applied to deliveries made after the effective

date of the decrease. Failure to comply with this provision will be considered as a default and will be subject to Provision I.C. "Termination/Suspension" and Provision II. of the "Contract Remedies:" of the "Standard Contract Terms and Conditions".

GLOSSARY

Factory-trained Technician: A Factory-trained Technician is defined as one whose job assignment includes responding to the service requirements of the state agencies and Cooperative Purchasing Program members utilizing this contract, within the maximum response time specified.

SPECIFICATIONS

I. SCOPE AND CLASSIFICATION

Scope.

A. This Invitation to Bid (ITB) is issued to establish a Multiple Award Contract (MAC) for single (SPD) and multi-function print device (MFPD) cost-per-copy services for the Office of State Printing, and Cooperative Purchasing Program (Co-op) members. A MAC is a contract made with more than one supplier of the same or similar types of supplies at varying prices for delivery within the same geographic area. The Office of State Printing will provide the cost-per-copy program to all state agencies and the program will be administered by The Office of Procurement Services. The targeted customers are those with requirements up to 100,000 impressions per month. Use of this contract will be mandatory for those state Agencies who decide to purchase cost-per-copy services. The contract term is three (3) or five (5) years. All installations will be on their own three (3) or five (5) year term (non-coterminous).

B. Successful Contractor(s) will be responsible for maintenance of the equipment. Successful Contractors will be required to submit a single quarterly invoice to DAS, Office of State Printing, including all machines listed individually for state agency customers, the number of copies made, and the unit price billed. After contract award, Contractors will be given a sample invoice showing how machines are to be billed. The Office of State Printing will then invoice the individual state agencies on a set cost-per-copy basis. Included in the cost-per-copy charge billed by State Printing to the state agency is the cost of all supplies (except paper and staples), and the cost to administer the program. Paper and staples will be provided by the state agency or Co-op member.

Co-op members can work directly with the Contractor, or they may request assistance from State Printing. Contractor shall invoice Co-op members directly except in cases when that member has requested assistance from State Printing and the order has been placed by State Printing.

C. The cost-per-copy price offered shall include all costs associated with the administration of the service, including, but not limited to, furnishing all units, deliveries, installations, training, Factory-trained technician(s), all operating supplies needed for the units, to include, toner, developer, fuser oil, connectivity equipment and software, etc. (paper and staples are the only exceptions), delivery of supplies and removal of the equipment upon termination of the MOU. The cost-per-copy price shall also include all maintenance and repairs, labor, parts, test copies, travel time, mileage, supplies (except paper and staples), and any other expense required to maintain the equipment in proper working condition. At the request of a state agency, the awarded contractor(s) will be responsible for discovery and design services with device mapping of physical location and network connectivity. Contractor(s) will provide State Printing with written reports from the discovery process to include recommendations for consolidation of equipment based on usage and replacing or relocating aged or less efficient equipment. The contracted cost-per-copy for the approved categories is the only allowable charge to the Office of State Printing. No additional fees and/or charges will be allowed on the contract. Only all-inclusive cost-per-copy bids will be considered; other pricing methods shall result in the rejection of your bid.

State Printing will add a \$.0025 to each cost per click to the state agencies who use this contract. This fee will be added to what was originally submitted with each awarded Contractor's pricing.

D. All print devices furnished under this Contract shall be digital and new (still in the box), and in current production. Successful Contractors shall have the capability to provide network connection of print devices using the same digital units provided on the Contract.

E. All bidders must have a state-wide network of sales/service facilities and technicians in order to adequately respond to the contract requirements (Categories 1-23: 4-hour maximum response time to requests for on-site maintenance) (Categories 24-32: Next Business Day maximum response time to requests for on-site maintenance). All bidders should include with their bid, a list of their sales/service facilities and/or technician locations which would be assigned to any resultant contract. The list of sales/service facilities and/or technicians should indicate the specific geographical areas of responsibility within the state of Ohio.

E. The state of Ohio realizes that, during the contract term, existing copier/printer models will be phased out of production and new models and/or technology will be manufactured and introduced. The Office of State Printing expects to receive the benefits from units that incorporate the advantages of the latest technology. Therefore, it will be the successful Contractor's responsibility to inform the Copier Program Manager at least ninety (90) calendar days in advance about products by Category which will be phased out, and also which new products will be introduced as replacements. Successful Contractors shall also make recommendations as to which new replacement models should be offered. Any replacement model offered must meet or exceed the minimum equipment specifications by Category as specified herein. The state will ask each awarded Contractor to submit their new replacement models, if applicable, each quarter following the inception of this Contract. The price of the newer model must not exceed what was bid and awarded at the time of the Contract inception. Acceptance of the replacement models offered will be at the sole discretion of the state. The recommendation for new model(s) to replace those on the original or revised contract, whichever is current at the time of the recommendation, must be submitted to the DAS Contract Analyst no more than ten (10) days following the end of the

SPECIFICATIONS (Cont'd.)

quarter. If the new model(s) are accepted by the state the change will take effect the first day of the following month from the end of the quarter.

- F. At the time of award and throughout the contract term, successful Contractor(s) must be a factory-authorized distributor or an authorized dealership, with factory-trained service technicians, fully qualified to service all of the installed machines with genuine OEM parts.
- G. The state of Ohio will not hold title to equipment and accessories provided under this contract. The Contractor shall be responsible for any/all taxes, including personal property.
- H. Bidders shall include with bid response, a certification from the manufacturer, executed by a corporate officer, stating that the bidder is an authorized representative and stocking distributor for the manufacturer. Certification shall be in the form of a letter on manufacturer's letterhead listing length of dealer's affiliation with manufacturer and any qualifying terms of the relationship.
- I. State Printing will make every effort to ensure that the placement of print devices, by volume classification, is directly related to the estimated average monthly volume of impressions produced at a given print device location. If there is overuse/underuse for three (3) consecutive months at any location, State Printing at its discretion may recommend or the Contractor may recommend in writing to the Office of State Printing, replacement with a correct volume machine. DAS shall be the sole judge of the final decision whether the volume classification of a given machine is appropriate for its site placement.

Contractor shall commit to and perform to all Service Level Agreements (SLA's) as outlined in this contract.

- J. Contractor shall ensure that all equipment and supplies will be delivered to the sites in accordance with the contract. Delivery shall be within ten (10) working days after receipt of order (ARO) for Categories 1-5 and 15-32 and fifteen (15) working days ARO for Categories 6-10. Twenty (20) working days for Categories 11-14. A delivery receipt must be e-mailed to State Printing within five (5) working days after delivery of the equipment and supplies; invoices will not be approved for payment unless delivery has been confirmed (via a receipt provided to State Printing) for all equipment and supplies listed on the invoice. Invoices will not be paid until proof of delivery is provided.
- K. Contractor shall provide and pay for all material, labor, tools, transportation and handling necessary for the furnishing, delivery, and assembly plus inspection before, during and after installation of all items specified herein.
- L. The Contractor shall be responsible for any damage to the premises of any site as a result of the installation and shall repair and restore to the original condition, any area so damaged, within the time frame designated by DAS.
- M. Contractor shall at all times keep the site premises and the areas in which the work is performed free from accumulation of waste materials or rubbish, tools, installation equipment, machinery and surplus materials during the work process until completion. The Contractor shall remove all crates, wrappings and other flammable waste material or trash from the building.
- N. Contractor must have access to manufacturer's technical resources for problems that are beyond the ability of the Contractor's personnel to resolve. Such assistance shall be available at no additional cost to the state of Ohio, or to the Co-op member.
- O. Contractor shall furnish Quarterly reports to State Printing (Attention: CPC Purchasing Assistant) not later than ten (10) working days after the end of each quarter. Such reports shall include:
 - 1. Make, model, state agency or Co-op member and location of all installed equipment.
 - 2. Monthly meter readings and volume of copies produced by machine.
 - 3. Total billing for all copier/printer services provided.
 - 4. Average monthly usage by machine for the contract period to date.
 - 5. Number of service calls per quarter per unit.
 - 6. Average response time to service calls.
 - 7. Average downtime per service call.

Each Contractor may be required to attend Quarterly Performance Review sessions based on results from the above report. Review sessions will be held at 4200 Surface Road, Columbus, OH 43228.

- P. Contractor must report the quarterly dollar value of sales under this contract to the Department of Administrative Services (DAS) in accordance with the procedures as described on Pages 3-4 (Contractor Quarterly Sales Report).

SPECIFICATIONS (Cont'd.)

- Q. The Contractor shall provide an Operator Training Program that is in-person and on-site for the key operators and an operations demonstration for the casual users at each site of placement. Contractor shall also provide training for the customer's personnel designated on the MOU as responsible for Meter Reads. All training must be scheduled at mutually agreeable times for the initial installation and as-needed thereafter. Key operators shall be trained in the removal of simple mis-feeds, how to order supplies and toner, and the cleaning guidelines required of the specific machines. They should also be instructed on the routine necessary to schedule service and be provided with a list of phone numbers to call and people to reach for both routine maintenance and in emergency situations.
- R. The maximum service response time, for on-site maintenance is the maximum time before a certified factory-trained technician appears on-site and is fully prepared to effect all of the necessary repairs. For Categories 1-23, that response time shall not exceed four (4) hours from the time that the Department and/or agency and/or Co-op member places the call to the Contractor's repair office. For Categories 24-32, that response time shall be not later than the next business day. The service times will be associated with normal State working hours and follow the State holiday schedule.
- S. The Contractor shall be responsible for collecting actual meter reads from each copier/printer site and reporting them quarterly. Reporting of quarterly minimums will not be acceptable. Standard meter reading procedures will be acceptable for this Contract (E-mail, Web, Phone). All networked units should utilize Auto Meter Read, if available. The first placement month shall only include charges for actual copies made, and should be included in the first quarter's billing.
- T. The Contractor shall be responsible for the distribution of supplies to each copier/printer location to ensure adequate amounts of supplies are always on hand for individual locations.
- U. Although the units and accessories will be installed on the state agency and/or Co-op member's premises, the state agency and/or Co-op member shall be relieved from risk of loss or damage during the period of transportation, installation, and during the entire time the equipment is in the possession of the state agency and/or Co-op member (except when loss or damage is due to fault or negligence by the state agency and/or Co-op member). If damage or loss occurs to the installed equipment caused by negligence or willful act by the state agency and/or Co-op member, reimbursement will be made as follows:
1. The Contractor shall submit an invoice and a written damage or loss evaluation/claim to the state agency and/or Cooperative Purchasing Program member's Purchasing Department.
 2. If the damaged equipment can be repaired, the Contractor will invoice the state agency and/or Cooperative Purchasing Program member at the Contractor's lowest current price rates for parts and labor.
 3. If a machine needs to be replaced, the state agency and/or Cooperative Purchasing Program member's Purchasing Department will negotiate with the Contractor to arrive at the depreciated value of the replaced unit.
- V. Submission of Invoices shall be as follows:
1. All invoices must show the beginning and ending meter read; and total copies printed during the invoicing period.
 2. The billing period will be based on the state's FY quarters as follows:
July 1 – September 30,
October 1 – December 31,
January 1 – March 31,
April 1 – June 30.
 3. Invoices must be received by State Printing not later than the 10th working day of the month following the quarter.
 4. All invoices must show the placement code number.
 5. All invoices must show the unit cost and total cost.
 6. All invoices for state agency customers shall bill to and be sent electronically to State Printing. If an invoice is returned to the vendor for corrections, a revised date on the invoice is required when it is resubmitted for approval.
 7. The first placement month shall only include charges for actual copies made, and should be included in the first quarter's billing.
 8. Bill to: State Printing for state agency users; direct to Co-op members (except for Co-op members that have requested assistance from State Printing and for whom State Printing has placed the order).
 9. Contract Number must be listed on each invoice.
 10. Contractor must use invoicing format to be provided by State Printing.
 11. Pro-rating on invoices is not allowed.
 12. Machine cannot be billed after the 36 or 60 month rental term.

SPECIFICATIONS (Cont'd.)

13. All meter reads on invoices must be labeled clearly whether it is an automated read or a manual read. i.e. "A" for automated or "M" for manual
14. If incorrect invoices are a continuous problem then a Complaint To Vendor (CTV) may be filed against the Contractor.

W. Mandatory post-award meeting:

There will be a mandatory meeting with all awarded Contractors to discuss the state's Contract expectations and to review procedures for successful implementation of this Contract. This meeting will be held at Procurement Services at a time to be announced after the award.

X. Sales Brochures:

Awarded Contractors shall submit, for approval by State Printing, sales brochures which they intend to use during this Contract. These brochures should reflect the actual Contract items and accessories available on the Contract. Brochures should be submitted within 15 days of award.

Y. End of Rental Term:

At the end of the rental term, State Printing will notify, via e-mail, the Contractor and the state agency customer, of the print device expiration date. Contractor must pick up the print device(s) on the date specified. The state will not be liable for any usage of a device after its specified pick up date. Contractor must submit confirmation to DAS, State Printing within one (1) week after pick-up. Failure to submit confirmation of pick-up may delay the final payment.

If Contractor does not pick up a print device on the date specified in the e-mail notification, State Printing may assess Contractor a \$5.00 per day/per device storage fee. Such expense shall be deducted from Contractor's final payment.

Z. Memorandum of Understanding – Terms

The state agency receiving this equipment for use acknowledges and agrees that they are fully responsible for payment of the cost-per-copy services under this agreement.

1. The state agency receiving this equipment for use acknowledges that the term of the contract rental period is for three (3) or five (5) years.
2. The state agency receiving this equipment for use further acknowledges that should they opt out of this contract prior to the fulfillment of the three (3) year or five (5) year contract rental period they will be required to pay the amount equal the monthly minimum cost per copy usage for the remaining months of the three (3) or five (5) year contract and agrees to the payment of these additional costs should they terminate this agreement prior to the three (3) or five (5) year period. The only way this would not apply is if the Agency dissolves, becomes privatized, or ceases to exist.
3. The state agency receiving this equipment for use acknowledges that the cost-per-copy price is based on a minimum monthly usage and that failure to use the copier to this minimum usage will result in a reduced savings. The state agency will be billed for at least the monthly minimum and any overages as applicable.
3. The state agency receiving this equipment for use agrees to work with and through the DAS Offices of State Procurement and State Printing and Mail Services to reconcile cost-per-copy services with the purchasing state agency's actual usage. The above represents the agency understanding as to the process to be utilized in the purchasing of cost-per-copy services and the respective responsibilities of the state agency and contractor. The person affixing their signature below acknowledges that they have the authority to sign this agreement on behalf of the state agency and that the person fully understands and acknowledges the terms of this agreement.
4. If a state agency dissolves, becomes privatized, or ceases to exist, the rental will be terminated at the end of the state agency's existence and the machine will be taken back by the Contractor free of charge.
5. In the event the state agency needs additional time to replace their existing print device, an additional thirty (30) days may be added to the end of this MOU rental term at the discretion of State Printing. State Printing must be notified of this need prior to the three (3) year or five (5) year rental term expiration date. Approval notification will be provided to the Contractor and the state agency via e-mail.

- AA. All models offered must be able to have the ability to consistently erase the data override or be able to eliminate the data at the end of the three (3) or five (5) years rental term. This must be provided and all costs associated with this feature must be included in the cost-per-copy charge in the pricelist.
- BB. Any time there is a need for a machine to be moved, the state agency should contact the Contractor and work out the details of the move, and then notify State Printing as to which machine is moving and the new location of the machine. The contractor must bill the state agency directly when there is a request to move a machine.
- CC. ¹Managed Print Service (Accessory Option) – Contractor shall utilize print management **remote software** on devices placed from this contract (RS904315 only) in order to monitor and manage volume, authentication of users and manage each device for break fix and supply replenishment.
