REQUEST FOR PROPOSALS (RFP):
Media and Marketing Services for the Ohio Children’s Trust Fund
RFP #: JFSR2223228237

SECTION I. GENERAL PURPOSE

1.1 Purpose

The Ohio Department of Job and Family Services, on behalf of the Ohio Children’s Trust Fund (OCTF), releases this Request for Proposals (RFP) for the purpose of obtaining a qualified public relations or marketing firm to provide communication and marketing services for the OCTF, inclusive of the following activities: (1) managing and implementing all aspects of OCTF’s “Be A Hero in the Eyes of a Child” statewide awareness campaign for April Child Abuse and Neglect Prevention Awareness Month; (2) utilizing paid and earned media to increase the OCTF’s visibility and impact across all campaigns promoted; and (3) to create supplemental media, marketing, and communication materials to support the OCTF’s programmatic needs and increase the OCTF’s visibility throughout the state. OCTF is seeking one (1) qualified vendor experienced in obtaining paid and earned media that reaches all eighty-eight (88) counties in Ohio and using established brand and design guidelines to disseminate the statewide campaign(s) using multiple formats and mediums. Recognizing the scope of this project, the vendor may need to subcontract with experts in various areas to complete the required elements of the project. Proposals must clearly demonstrate the vendor’s, or subcontractor on behalf of the vendor’s, capability of providing services as described in this RFP.

For the purpose of this RFP, the term “vendor” shall be defined as a business, firm, organization, or individual interested in this opportunity. The terms “response” and “proposal” may be used interchangeably to indicate materials submitted to ODJFS by a vendor in order to be considered for award of a contract for services described in this RFP. The terms “contractor” and “selected vendor” may be used interchangeably in reference to a vendor selected by ODJFS through this RFP for contract award.

1.2 Background

The OCTF is Ohio’s sole, dedicated public funding source for child abuse and child neglect prevention. The mission of the OCTF is to prevent child abuse and neglect by investing in strong communities, healthy families and safe children. The Trust Fund accomplishes this mission through implementation of programs and prevention activities throughout the state. From establishing guidelines for evidence-based program development to accessing innovative prevention curricula; producing educational and public awareness materials; and impacting social service policy legislation, OCTF provides expertise and resources for legislators, the media, state agencies, and the public.

Since its creation in 1984, the OCTF has funded primary and secondary prevention strategies conducted at the local level, in addition to initiatives and projects of statewide significance, which are all designed to strengthen families and prevent child abuse and child neglect. Primary prevention is defined as services and programs that promote the general welfare of all children and families before abuse or neglect occurs. Primary prevention programs are accessible to everyone in the community or target populations at risk for abuse and neglect. Secondary prevention programs are activities and services that are provided to a specific population identified as having risk factors for child abuse and child neglect and are designed to intervene at the earliest warning signs of child abuse or child neglect, or whenever a child can be identified as being at risk for abuse or neglect. The OCTF also provides for the education of the public and professionals for the purpose of child abuse and child neglect prevention. The implementation of a statewide awareness campaign and increasing the visibility of the OCTF’s effectiveness and impact meets the Trust Fund’s statutory mandates and overall mission.
1.3 **Overview of the Project**

The OCTF’s Strategic Plan for 2022-2027 was recently developed by the OCTF, the Center for the Study of Social Policy, and The Ohio State University, and approved by the OCTF Board. The OCTF’s strategic plan priority area five (5) is to increase the OCTF’s visibility and impact. The first objective to achieve this goal is that families know how to access non-stigmatizing, family-strengthening services and supports funded by the Trust Fund. The second objective to achieve this goal is that partners, legislators, policymakers, and stakeholders see the Trust Fund as a key source of upstream primary and secondary services and supports for families. The selected vendor for this opportunity will assist with several activities aimed at increasing the OCTF’s visibility and impact throughout Ohio, including reviewing and determining which OCTF funded campaign(s) are most useful and culturally responsive to implement in certain regions of the state on a year-round basis, developing media tactics and writing website articles designed to assist and/or educate families, creating and distributing communications, and aggregating reports for various stakeholders, including policy makers, pertaining to the effectiveness of primary prevention awareness strategies.

Additionally, April is National Child Abuse Prevention Month. During the month of April, the OCTF plays a very active role in promoting a statewide child abuse and neglect awareness campaign. In recent years, the OCTF has promoted the message that anyone can, “Be A Hero in the Eyes of a Child;” one simple act of encouragement at a time. The tagline, “Mentor. Donate. Empower.,” and “Not All Heroes Wear Capes,” suggests ways in which individuals, organizations, and communities can be an Everyday Ohio Hero. Through this campaign, the OCTF has developed campaign materials to promote its message utilizing earned media, paid advertisement, social media, radio, billboards, and additional marketing tactics, to deliver the message across the state. Using the existing campaign assets, the vendor selected through this RFP will develop and implement a media plan, including both paid and earned media, for OCTF’s “Be A Hero in the Eyes of a Child” campaign that reaches all eighty-eight (88) counties in Ohio. The methods of media will need to be tailored to fit the demographic and technological capabilities of the various regions across the state. **Designs and tactical assets of the campaign have been completed previously.** The selected vendor will receive access to all previously developed tactical assets upon contract execution. Revisions to text, images, audio, and video files, etc., may need to be made through this scope of work. The overall implementation of this campaign will cover an 18-month timeframe with a heavy marketing push during the months of April 2022 and 2023, which is National Child Abuse Prevention Month.

1.4 **Objectives of the Project**

Utilizing the completed and revised media assets for the selected campaign(s) to be implemented, the OCTF is seeking one (1) qualified vendor to achieve the following: (1) manage and implement all aspects of OCTF’s “Be A Hero in the Eyes of a Child” statewide awareness campaign for April Child Abuse and Neglect Prevention Awareness Month; (2) utilize paid and earned media to increase the OCTF’s visibility and impact across all campaigns promoted; and (3) create supplemental media, marketing, and communication materials to support the OCTF’s programmatic needs and increase the OCTF’s visibility throughout the state. All approaches should be culturally responsive with the goal of increasing awareness of the OCTF and its funded services and reducing the stigmatization of families accessing services. The goal of the project is to increase community outreach, awareness, and targeted engagement with individuals, communities and businesses across the state leading to an increase in brand recognition, community supports and understanding of everyone’s role in strengthening families across Ohio.

It should be clear that the tactics utilized to disseminate the campaign were tailored based on the capacity of the communities targeted to maximize engagement of the audience, e.g. utilization of billboards and earned media tactics where internet reception is poor.

Vendors which do not fully meet the above qualification will be disqualified from further consideration.
3.2 **Organizational Experience and Capabilities**

As part of the evaluation process, vendors are to provide the following information to be scored by ODJFS/OCTF:

A. A detailed description of the vendor’s qualifications and history of the vendor, as well as any relevant and current accreditations, standards and/or certifications that the vendor possesses;

If the organization is an Encouraging Diversity, Growth and Equity (EDGE) business or Minority Business Enterprise (MBE), provide a photocopy (or other independently verifiable evidence) of the current certification. Additional consideration will be given to vendors that are certified in the State of Ohio as EDGE or MBE. Please see Attachment C. for scoring consideration.

3.3 **Staff Experience and Capabilities**

Proposals are to demonstrate significant expertise by identifying leadership and key staff for this project. The vendor is to, at minimum:

A. Identify, by position and by name, those staff they consider key to the project’s success. At minimum, key staff identified must include a staff member with experience in marketing and/or advertising; and

B. Document that key staff have relevant professional experience in media relations and advertisement. Include resumes of key staff expected to work on the project, education, and experience of staff in key positions, based on documentation presented and discussed in the proposal.

**NOTE:** It is the affirmative responsibility of the vendor to remove all personal confidential information (such as home addresses and social security numbers) of vendor staff and/or of any subcontractor and subcontractor staff from resumes or any other part of the proposal package. Following submission, proposals may become part of the public record.

**SECTION IV. SCOPE OF WORK & SPECIFICATIONS OF DELIVERABLES**

Proposals submitted in response to this RFP must reflect the vendor’s understanding of, and commitment to perform this Scope of Work. The contractor will be responsible for the deliverables as described below in the Specification of Deliverables, including all preparatory and intervening steps, regardless of whether OCTF has explicitly specified or
delineated them in this RFP. The OCTF will review applications from vendors that demonstrate the ability to carry out the Scope of Work including all preparatory and intervening steps, regardless of whether OCTF has explicitly specified or delineated them in this RFP.

4.1 **Scope of Work**

The OCTF is seeking one (1) qualified vendor to provide the following core services: (1) managing and implementing all aspects of OCTF’s “Be A Hero in the Eyes of a Child” statewide awareness campaign for April Child Abuse and Neglect Prevention Awareness Month; (2) utilizing paid and earned media to increase the OCTF’s visibility and impact across all campaigns promoted; and (3) create supplemental media, marketing, and communication materials to support the OCTF’s programmatic needs and increase the OCTF’s visibility throughout the state.

A. Specifically, as part of the “Be A Hero in the Eyes of a Child” statewide awareness campaign for April’s child abuse and neglect prevention awareness month, the selected vendor for this project will work with the OCTF to accomplish the following:

1. Create a media and outreach plan, specifically targeting April 2022 and April 2023, that will effectively deliver the “Be A Hero in the Eyes of a Child” prevention month campaign messaging to families, organizations, and communities in all eighty-eight (88) counties in the state of Ohio.

2. Implement the OCTF approved media plan for the “Be A Hero in the Eyes of a Child” campaign by placing and procuring all media buys. The media plan should build organizational and campaign awareness in all eighty-eight (88) Ohio counties.

3. Create eight (8) to twelve (12) digital media advertisements, using existing or revised campaign assets, to be strategically placed in digital media with targeted demographic viewers, including:

   i. Ad targeting based on geographic, contextual, and behavior demographics; and
   
   ii. Location based geo-fence targeting of individuals based on zip code or county with the ability to change the message based on the demographic.

4. Obtain earned media opportunities (radio, television and/or digital) in various regions of the State that reach all eighty-eight (88) counties. Earned media should highlight the OCTF’s work including but not limited to prevention programming and services available for families, tips and resources available to parents, and the OCTF “Everyday Ohio Heroes” campaign.

5. Provide technical assistance, such as recommendations for effective posts, timing of posts and targeting methods, etc., to OCTF staff to develop social media posts and website content with the goal to increase campaign awareness and promote the overall mission of the Ohio Children’s Trust Fund during April.

B. To accomplish the OCTF’s strategic plan priority area five (5), to increase the OCTF’s visibility and impact across all campaigns promoted, the selected vendor for this project will work with the OCTF to accomplish the following:

1. Research and determine which already created OCTF prevention campaign, as listed in Section 2.4 Program Resource Library, is most culturally responsive for implementation for various audiences across the state of Ohio. The vendor must propose how they will determine and measure whether a campaign is culturally responsive as part of their response to this RFP.
2. Once a campaign(s) is determined to be utilized for promotion with the identified target audience, create a media and outreach plan that will effectively deliver the campaign messaging throughout communities in all eighty-eight (88) counties in the state of Ohio. This campaign will run year-round, with the exception of the month of April, during which the “Be A Hero in the Eyes of a Child” campaign will be dominant. Depending upon the community, different already existing OCTF campaigns maybe be utilized, with the preference for only one (1) campaign to be implemented for consistency purposes. BUT the OCTF recognizes that different campaigns resonate with different communities better than others, and a different approach may be necessary.

3. Implement the OCTF approved media plan for the campaign(s) selected by placing and procuring all media buys. The media plan should build organizational and campaign awareness in all eighty-eight (88) Ohio counties.

4. Create eight (8) to twelve (12) digital media advertisements, using existing or revised campaign assets, to be strategically placed in digital media with targeted demographic viewers, including:
   i. Ad targeting based on geographic, contextual, and behavior demographics.
   ii. Location based geo-fence targeting of individuals based on zip code or county with the ability to change the message based on the demographic.

5. Obtain earned media opportunities (radio, television and/or digital) in various regions of the State that reach all eighty-eight (88) counties. NOTE: There may be no dollar amounts of any kind included with the MBE information; inclusion of dollar amounts will result in the disqualification of the vendor’s entire proposal.

A listing of Ohio certified MBEs can be accessed through the Ohio Department of Administrative Services (DAS) Web Site at: [https://eodreporting.oit.ohio.gov/mbecertification](https://eodreporting.oit.ohio.gov/mbecertification).

While ODJFS strongly encourages the use of MBE subcontractors, the vendor’s use of an MBE subcontractor will have no effect on vendors’ technical scores or on final contractor selection for this RFP, unless Section VII, Criteria for Proposal Evaluation and Selection of this RFP, and/or the Technical Proposal Score Sheet for this RFP, affirmatively establish an MBE participation criterion.

5.9 **Subcontractor Identification and Participation Information**

Any vendors proposing to use a subcontractor for any part of the work described in this RFP must clearly identify the subcontractor(s) and their tasks in their proposals. The proposal must include a letter from the proposed subcontractor(s), signed by a person authorized to legally bind the subcontractor, indicating the following:

A. The subcontractor’s legal status, federal tax ID number, and principle business address;

B. The name, phone number, and e-mail address of a person who is authorized to legally bind the subcontractor to contractual obligations;
C. A complete description of the work the subcontractor will do;

D. A commitment to do the work, if the vendor is selected; and

E. A statement that the subcontractor has read and understands the RFP, the nature of the work, and the requirements of the RFP.

**NOTE:** There may be no dollar amounts of any kind included with subcontractor information; inclusion of dollar amounts will result in the disqualification of the vendor’s entire proposal.

5.10 **Public Release of Evaluations and/or Reports**

Public release of any evaluation or monitoring reports funded under the contract resulting from this RFP will be made only by ODJFS. Prior to public release of such reports, ODJFS must have at least a thirty (30) day period for review and comment.

5.11 **Confidentiality**

All contracts will require that the contractor and any subcontractor(s) maintain the confidentiality of information and records which state and federal laws, rules, and regulations require to be kept confidential other than to fulfill the contractual duties of specified in this RFP. The contractor, and any subcontractors, agree to be bound by the same standards of confidentiality that apply to the employees of ODJFS and the State of Ohio. Any violation of confidentiality will result in an immediate termination of the contract and may result in legal action.

5.12 **Key Personnel**

ODJFS may require a clause in the resulting contract regarding key personnel in that any person identified as critical to the success of the project may not be removed without reasonable notice to ODJFS, and replacements will not be made without ODJFS approval.

5.13 **Ethical & Conflict of Interest Requirements**

A. No contractor or individual, company or organization seeking a contract shall promise or give to any ODJFS employee anything of value that is of such character as to manifest a substantial and improper influence upon the employee with respect to his or her duties;

B. No contractor or individual, company or organization seeking a contract shall solicit any ODJFS employee to violate any of the conduct requirements for employees;

C. Any contractor acting on behalf of ODJFS shall refrain from activities which could result in violations of ethics and/or conflicts of interest. Any vendor or contractor who violates the requirements and prohibitions defined here or of Section 102.04 of ORC is subject to termination of the contract or refusal by ODJFS to enter into a contract; and

D. ODJFS employees and contractors who violate Sections 102.03, 102.04 2921.42 or 2921.43 of ORC may be prosecuted for criminal violations.

5.14 **Health Insurance Portability & Accessibility Act (HIPAA) Requirements**
As a condition of receiving a contract from ODJFS, the contractor, and any subcontractor(s), will be required to comply with 42 U.S.C. Sections 1320d through 1320d-8, and the implementing regulations found at 45 CFR Section 164.502 (e) and Sections 164.504 (e) regarding disclosure of protected health information under the Health Insurance Portability and Accountability Act (HIPAA) of 1996. Protected Health Information (PHI) is information received by the contractor from or on behalf of ODJFS that meets the definition of PHI as defined by HIPAA and the regulations promulgated by the United States Department of Health & Human Services, specifically 45 CFR 160.103 and any amendments thereto. The selected vendor can reasonably anticipate HIPAA language in the contract that results from this RFP.

In the event of a material breach of contractor obligations under this section, ODJFS or OCTF may, at their option, terminate the contract according to provisions within the contract for termination.

5.15 Waiver of Minor Proposal Errors

ODJFS may, at its sole discretion, waive minor errors or omissions in vendors’ Technical and/or Cost Proposals or forms when those errors do not unreasonably obscure the meaning of the content.

5.16 Proposal Clarifications

ODJFS reserves the right to request clarifications from vendors of any information in their Technical and/or Cost Proposals or forms and may request such clarification as it deems necessary at any point in the proposal review process.

5.17 Contractual Requirements and Prevailing Wage Requirements

Any contract resulting from the issuance of this solicitation is subject to the terms and conditions as provided in the model contract, which is provided as Attachment B. to this RFP. Additionally, the contractor will be required to comply with prevailing wage standards, as established in ORC 4115.03-4115.16.

5.18 Unresolved Findings for Recovery (ORC 9.24)

ORC Section 9.24 prohibits ODJFS from awarding a contract to any entity against whom the Auditor of State has issued a finding for recovery if the finding for recovery is “unresolved” at the time of award. By submitting a proposal, the vendor warrants that it is not now, and will not become, subject to an “unresolved” finding for recovery under ORC 9.24 prior to the award of any contract arising out of this RFP, without notifying ODJFS of such finding. ODJFS will review the Auditor of State’s website prior to completion of evaluations of proposals submitted pursuant to this RFP. ODJFS will not evaluate a proposal from any vendor whose name, or the name of any of the subcontractors proposed by the vendor, appears on the website of the Auditor of the State of Ohio as having an “unresolved” finding for recovery.

5.19 Mandatory Contract Performance Disclosure

Each proposal must disclose whether the vendor’s performance, or the performance of any of the proposed subcontractor(s), under contracts for the provision of services that are the same or similar to those to be provided for the project which is the subject of this RFP has resulted in any “formal claims” for breach of those contracts. For purposes of this disclosure, “formal claims” means any claims for breach that have been filed as a lawsuit in any court, submitted for arbitration (whether voluntary or involuntary, binding or not), or assigned to mediation. If any such claims are disclosed, vendor shall fully explain the details of those claims, including the allegations regarding all alleged breaches, any written or legal action resulting from those allegations, and the results of any litigation,
arbitration or mediation regarding those claims, including terms of any settlement. While disclosure of any formal claims in response to this section will not automatically disqualify a vendor from consideration, at the sole discretion of ODJFS, such claims and a review of the background details may result in the disqualification of a vendor proposal. ODJFS will make this decision based on its determination of the seriousness of the claims, the potential impact that the behavior that led to the claims could have on the vendor’s performance of the work, and the best interests of ODJFS.

5.20 Mandatory Disclosures of Governmental Investigations

Each proposal must indicate whether the vendor and any of the proposed subcontractor(s) have been the subject of any adverse regulatory or adverse administrative governmental action (federal, state, or local) with respect to vendor’s performance of services similar to those described in this RFP. If any such instances are disclosed, the vendor must fully explain, in detail, the nature of the governmental action, the allegations that led to the governmental action, and the results of the governmental action including any legal action that was taken against vendor by the governmental agency. While disclosure of any governmental action in response to this section will not automatically disqualify a vendor from consideration, at the sole discretion of ODJFS, such governmental action and a review of the background details may result in a disqualification of the vendor proposal. The decision by ODJFS on this issue will be based on a determination of the seriousness of the matter, the matter’s potential impact on the vendor’s performance of the work, and the best interests of ODJFS.

5.21 Mandatory Disclosures of Work Location

Proposals must explicitly state the location(s) (city, county, state) where work described in this RFP would be performed, whether by the vendor or by any subcontractors.

5.22 Vendor Selection Restriction

Any vendor deemed not responsible, or who has submitted a proposal deemed not to be responsive to the terms of this RFP, shall not be awarded the resulting contract.

5.23 Ohio Presence Consideration

The vendor that is awarded the contract resulting from this RFP is required to maintain a physical presence in Ohio throughout the term of the contract, including all renewal periods. Therefore, each vendor must either demonstrate in its proposal that it currently has a physical presence in Ohio or demonstrate concrete plans for establishing a physical presence, and to include the actual or proposed location of the vendor’s presence. Vendor proposals must identify the work to be performed for this project at that location and identify vendor personnel, either by staff name or function that will operate from the Ohio location. ODJFS may, at its sole discretion, disqualify any proposals which fail to comply with this requirement.

5.24 Prohibition Against Services Performed Outside the United States

Pursuant to Governor’s Executive Order 2019-12D, no public funds shall be spent on services provided offshore. All vendors seeking an award of an ODJFS contract must attest that no funds provided by ODJFS would be used to purchase services provided outside the United States or to contract with a subcontractor who will use the funds to purchase services provided outside the United States. This required attestation is identified as the “Location of Business Form” included in the “Required Vendor Information & Certifications Documents,” provided as Attachment A. The entire form must be printed, completed, and signed by the interested vendor’s authorized representative,
and returned to ODJFS as a component of the vendor Technical Proposal. Failure to properly complete and sign Attachment A will result in the disqualification of the proposal from consideration.

5.25 **Combating Trafficking In Persons**

Any contractor doing business with ODJFS must be in compliance with the Federal Acquisition Regulation (FAR) for Combating Trafficking in Persons, 48 CFR Subpart 22.17, in which “the United States Government has adopted a zero-tolerance policy regarding trafficking in persons.” The provisions found in 48 CFR Subpart 52.2, specifically Subpart 52.222-50, will be incorporated into the resulting ODJFS contract by reference.

Additional information on identifying Human Trafficking may be found at: http://powerhost.powerstream.net/008/00153/HumanTrafficking.wmv.

**SECTION VI. PROPOSAL FORMAT & SUBMISSION**

Submission of a proposal indicates acceptance by the vendor of the conditions contained in this RFP and model contract (Attachment B), unless clearly and specifically noted in the proposal submitted and confirmed in the agreement between ODJFS and the selected vendor.

The entire Technical Proposal should be submitted in PDF format labeled “TECHNICAL PROPOSAL FOR RFP #JFSR2223228237, Media and Marketing Services for the Ohio Children’s Trust Fund, SUBMITTED BY [VENDOR’S
NAME].” The Technical Proposal is defined as any part of the proposal, either as required by ODJFS or sent at vendor's discretion, such as work plan, resumes, letters of recommendation, letters of cooperation from any subcontractors, etc., which is not specifically identified by ODJFS as a required component of the separate, sealed Cost Proposal.

Along with the Technical Proposal, the vendor must submit the Cost Proposal in a separate, sealed envelope labeled: “DO NOT OPEN. COST PROPOSAL ENCLOSED FOR RFP #JFSR2223228237, Media and Marketing Services for the Ohio Children’s Trust Fund, SUBMITTED BY [VENDOR’S NAME].” The Cost Proposal must include all Cost Proposal components, including any required or voluntary attachments.

NOTE: It is the vendor’s affirmative responsibility to ensure that all copies and all formats of the proposal are identical. Any pages or documents omitted from any or all copies can negatively affect the vendor’s score and possibly result in the vendor’s disqualification. In the event of any discrepancies or variations between copies, ODJFS is under no obligation to resolve the inconsistencies and may make its scoring and vendor selection decisions accordingly, including the decision to disqualify the vendor.

6.2 Format for Organization of the Proposal

In developing their proposals, vendors must fully and appropriately plan and price their proposed projects (cost information must be restricted to the Cost Proposal only), including all necessary preparatory and intervening steps, regardless of whether those steps are delineated in this RFP. The vendor’s Technical Proposal must contain the following components, at minimum. It is mandatory that proposals be organized in the following order and that wherever appropriate, sections of the proposal should make reference by section number to those RFP requirements to which they correspond.

A copy of the Technical Proposal Score Sheet is provided as Attachment C. of this RFP. Vendors are strongly encouraged to use the score sheet to check their proposals for quality, compliance, and completeness prior to submission.

A. Proposal Organization

The vendor’s Technical Proposal must contain the following components, organized in primary tabs and divided into sub-tabs, as described below. Any other information thought to be relevant, but not applicable to a specific RFP section may be included in the proposal and so marked as an additional tab. ODJFS reserves the right not to review submitted appendices which include information or materials not required in the RFP. All pages beyond Tab 1 shall be sequentially numbered.

Vendors must organize their Technical Proposals in the following order:

Tab 1 Required Vendor Information and Certifications Document

Attachment A., Section I. – Required Vendor Information & Certifications Document In this section, the vendor is required to provide required information and certifications of eligibility for state awards, as described in Attachment A., Section I. to this RFP. Vendors may, at their discretion, either print Attachment A., Section I., complete and sign it, and return it as the content of their proposal Tab 1; or they may provide all the required information and certifications (each fully re-stated from Attachment A.) on their own letterhead, properly signed, and include that replication in their proposal Tab 1. Vendors who fail to provide all
information and certifications as described in Attachment A., Section I. in their proposal Tab 1 will be disqualified.

**Attachment A., Section II. – Standard Affirmation and Disclosure Form Banning the Expenditure of Public Funds on Offshore Services** This form must be completed and signed by every vendor seeking to do business with ODJFS. This must be submitted as part of the response to any solicitation. Failure by any vendor to complete, sign, and return the Affirmation and Disclosure Form with its application will result in rejection of the proposal as being non-responsive and disqualified from further consideration.

The signed originals of the above referenced forms (Attachment A., Sections I. and II.) are to be provided in the vendor’s original proposal. Photocopies of the completed and signed forms must also be provided with each of the required copies. The above referenced forms must also be included in the Technical Proposal CD-ROM.

In the event that the vendor proposes the use of any subcontractor(s), information on the subcontractor(s) and letters of commitment as required by Section 5.8, Minority Business Enterprise or 5.9, Subcontractor Identification and Participation Information should also be provided in Tab 1.

**Tab 2 Vendor Experience and Qualifications**

Sub-Tab 2a. Mandatory Vendor Qualifications (Section 3.1, A)
The vendor must include information to demonstrate how the vendor meets the mandatory qualifications as described in the corresponding section of this RFP.

Sub-Tab 2b. Organizational Experience and Capabilities (Section 3.2, A through C)
In this section, the vendor is to include their response to the organization experience and capabilities requirements (including any subcontractors) as described in the corresponding section of this RFP.

Sub-Tab 2c. Staff Experience and Capabilities (Section 3.3, A through B)
In this section, the vendor is to include their response to the staff experience and capabilities requirements (including any subcontractors) as described in the corresponding section of this RFP.

**Tab 3 Scope of Work & Administrative Structures – Proposed Work Plan**

Sub-Tab 3b. Administrative Structures – Proposed Work Plan (Section 4.2, A through E)
This section should describe in detail (in the order as outlined) the vendor’s administrative structures as specified in Section 4.2 of this RFP.

**Tab 4 Specifications of Deliverables** (Section 4.3, A through G)

Sub-Tab 4a. Deliverable A

Sub-Tab 4b. Deliverable B
Sub-Tab 4c. Deliverable C (etc.)

This section should describe in detail how the vendor proposes to successfully achieve each of the deliverables specified in Section 4.3, Specifications of Deliverables, of this RFP. The responses must address each element separately. Vendors should place their responses for each deliverable identified in Section 4.3 behind separate sub-tabs as described above.

Tab 5 Vendor Attachments or Appendices (as necessary)

B. Cost Proposal

Vendors are to complete the Cost Proposal Form, provided as Attachment D. to this RFP, according to instructions, and submit it fully completed as the separate sealed Cost Proposal. The Cost Proposal Form requires vendors to provide a group of individual prices for those services defined in Section 4.3, Specifications of Deliverables. Vendors are to use their professional comprehension of the effort required to perform those services and to offer to ODJFS its flat, all-inclusive fee for performing each. The prices offered in the vendor’s Cost Proposal will be the prices in effect throughout the contract period, including any renewal contracts. The Cost Proposal must include a statement that the prices quoted are firm.

At the vendor’s discretion, additional documentation may also be included with the completed Attachment D. as explanatory information, but when making the vendor selections and when executing the contract, ODJFS will consider only the dollar amounts displayed on the Cost Proposal Form. In calculating their total proposed cost, vendors must consider cost resulting from each deliverable listed in Section 4.3 of this RFP, as well as all program costs, primary and incidental, necessary to complete all program activities, whether explicitly identified by ODJFS in this RFP or not.

C. IMPORTANT – VENDOR DISQUALIFIERS FOR PROPOSAL ERRORS:

1. Any vendor’s Technical Proposal found to contain any prohibited cost information shall be disqualified from consideration. Prohibited cost information is defined as any dollar amounts which might be deemed to be indicative of the relative cost or economy of the proposed project. Information on the assets, value, or historical business volume of the vendor is not considered to be such prohibited cost information and may be included in any vendor’s Technical Proposal as information on business capacity and stability. All prohibited cost information must be submitted within the separate, sealed Cost Proposal. Should a vendor include any documents which contain such cost information, the cost information in the Technical Proposal must be made unreadable by the vendor before submission of the proposal to ODJFS. Failure to follow these instructions will result in disqualification.

2. Any trade secret or proprietary information (as defined in Section 5.5 of this RFP) found anywhere in a proposal shall result in immediate disqualification of that proposal.

SECTION VII. CRITERIA FOR PROPOSAL EVALUATION & SELECTION

7.1 Scoring of Proposals
ODJFS will contract with the vendor that best demonstrates the ability to meet requirements as specified in this RFP. Vendors submitting a response will be evaluated based on the capacity and experience demonstrated in their Technical and Cost Proposal. All qualifying proposals will be reviewed and scored by a Proposal Review Team (PRT), comprised of staff from ODJFS, Office of The Ohio Children’s Trust Fund and their designees. Vendors should not assume that the review team members are familiar with any current or past work activities with ODJFS/OCTF. Proposals containing assumptions, lack of sufficient detail, poor organization, lack of proofreading and unnecessary use of self-promotional claims will be evaluated accordingly. PRT members will be required to sign disclosure forms to establish that they have no personal or financial interest in the outcome of the proposal review and contractor selection process.

Selection of the vendor will be based upon the criteria described in this RFP. The PRT reserves the right to reject any and all proposals, in whole or in part, received in response to this request. The PRT may waive minor defects that are not material when the intent is not unreasonably obscured. In scoring the proposals, ODJFS will score in three (3) phases:

A. **Phase I. Review—Initial Qualifying Criteria:**

In order to be fully reviewed and scored, proposals submitted must pass Phase I. Review as required in the Technical Proposal Score Sheet. Any “no” for the listed Phase I. criteria will eliminate a proposal from further consideration. Please refer to Attachment C., Technical Proposal Score Sheet for a complete listing of initial disqualifiers.

B. **Phase II. Review—Criteria for Scoring the Technical Proposal:**

The PRT will then score those qualifying Technical Proposals, not eliminated in Phase I. Review, by assessing how well the vendor meets the requirements as specified in the RFP. Using the Technical Proposal Score Sheet, the PRT will read, review, discuss and reach consensus on the final technical score for each qualifying Technical Proposal.

Any proposal which does not meet the minimum required Technical Proposal score as defined in Attachment C. will be disqualified from any further consideration and its Cost Proposal will neither be opened nor considered.

C. **Phase III. Review—Criteria for Considering the Cost Proposal**

The PRT will review the Cost Proposals for those qualifying Technical Proposals, not eliminated in Phase II Review. The grand total of each technically qualified Cost Proposal is divided by that vendor’s final Technical Proposal score. This compares the cost with the quality of the Technical Proposal which will provide an average cost-per-quality point earned on the Technical Proposal.

ODJFS may, at its sole discretion, negotiate with all technically qualifying vendors for a revised Cost Proposal. Vendors may then submit one last and best offer or may request that ODJFS view its original Cost Proposal as its last and best offer, or may withdraw from further consideration, and shall indicate its choice according to directions provided by ODJFS at that time. Upon receipt of all last and best offers, ODJFS will then consider those vendors’ revised Cost Proposals which are within the budget according to the process described in this section above, and in the Technical Proposal Score Sheet, Attachment C., for vendor selection purposes.

7.2 **Review Process Caveats**
ODJFS may, at its sole discretion, waive minor errors or omissions in vendors’ Technical and/or Cost Proposals or related forms when those errors do not unreasonably obscure the meaning of the content.

ODJFS reserves the right to request clarifications from vendors to any information in their Technical and/or Cost Proposals or related forms and may request such clarification as it deems necessary at any point in the proposal review process. Any such requests for proposal clarification when initiated by ODJFS, and vendors’ verbal or written response to those requests, shall not be considered a violation of the communication prohibitions contained in Section 2.3 of this RFP. Such communications are expressly permitted when initiated by ODJFS and are at the sole discretion of ODJFS.

Should ODJFS determine a need for interviewing vendors prior to making a final selection, responses to interview questions shall be scored in a manner similar to the process described in Section 7.1, Scoring of Proposals, above. Such scored results may be either added to those vendors’ proposal scores, or will replace certain criteria scores, at the discretion of ODJFS. The standards for scoring the interviews and the method used for considering the results of the interviews shall be applied consistently for all vendors participating in the interview process for the RFP.

Vendors may request changes to the model contract, but any such requested changes must be approved by ODJFS either as requested or following a process of negotiation. While requested changes to the model contract may have no effect on a vendor’s proposal score, any proposed changes to the ODJFS model contract that cannot be accepted or negotiated without causing undue delay (as defined by ODJFS) in the execution of a contract may, at the sole discretion of ODJFS, result in the disqualification of the vendor and its proposal. See also Section 5.17, Contractual Requirements and Prevailing Wage Requirements of the RFP.

ODJFS reserves the right to negotiate with vendors for adjustments to their proposals should ODJFS determine, for any reason, to adjust the scope of the project for which this RFP is released. Such communications are not violations of any communications prohibition, and are expressly permitted when initiated by ODJFS, and are at the sole discretion of ODJFS.

Any vendor deemed not responsible, or any submitting a proposal deemed not to be responsive to the terms of this RFP, shall not be awarded the contract.

7.3 Final Vendor Recommendation

The PRT will recommend to the Director of OCTF the technically qualified vendor offering the proposal most advantageous to ODJFS/OCTF, as determined by the processes and requirements established in this RFP.

7.4 Tie Breaker

In the event that two (2) or more of the proposals have a score which is tied after final calculation of both the Technical Proposal and the Cost Proposal scores, the proposal with the higher score in the Technical Proposal will prevail.

SECTION VIII. PROTEST PROCEDURE

8.1 Protests
Any vendor objecting to the award of a contract resulting from the issuance of this RFP may file a protest of the award of the contract, or any other matter relating to the process of soliciting the proposals. Such a protest must comply with the following guidelines:

A. A protest may be filed by a prospective or actual vendor objecting to the award of a contract resulting from this RFP. The protest shall be in writing and shall contain the following information:

1. The name, address, telephone number, and e-mail address of the protestor;
2. The name and number of the RFP being protested;
3. A detailed statement of the legal and factual grounds for the protest, including copies of any relevant documents;
4. A request for a ruling by ODJFS;
5. A statement as to the form of relief requested from ODJFS; and
6. Any other information the protestor believes to be essential to the determination of the factual and legal questions at issue in the written protest.

B. A timely protest shall be considered by ODJFS, if it is received by ODJFS OCA, within the following periods:

1. A protest based on alleged improprieties in the issuance of the RFP or any other event preceding the closing date for receipt of proposals which are apparent or should be apparent prior to the closing date for receipt of proposals shall be filed no later than 3:00 p.m. the closing date for receipt of proposals, as specified in Section 2.1, Anticipated Procurement Timetable, of this RFP.
2. If the protest relates to the announced intent to award a contract, the protest shall be filed no later than 3:00 p.m. of the seventh (7th) calendar day after the issuance of formal letters sent to all responding vendors regarding ODJFS’ intent to make the award. The date on these ODJFS letters to responding vendors is the date used to determine if a protest regarding the intent to award is submitted by the end of the protest period.

C. An untimely protest may be considered by ODJFS if ODJFS determines that the protest raises issues significant to the department’s procurement system. An untimely protest is one received by ODJFS OCA after the time periods set forth in Item B. of this section.

D. All protests must be filed at the following location:

Deputy Director
ODJFS Office of Contracts and Acquisitions
30 East Broad Street, 31st Floor
Columbus, Ohio 43215

E. When a timely protest is filed, a contract award shall not proceed until a decision on the protest is issued or the matter is otherwise resolved, unless the Director of ODJFS determines that a delay will severely disadvantage the Department. The vendor selected for award shall be notified of the receipt of the protest.

F. ODJFS OCA shall issue written decisions on all timely protests and shall notify any vendor who filed an untimely protest as to whether or not the protest will be considered.
8.2 Caveats

ODJFS is under no obligation to issue a contract as a result of this or any solicitation if, in the opinion of ODJFS and the PRT, none of the proposals are responsive to the objectives and needs of the Department. ODJFS reserves the right to not select any vendor should ODJFS decide not to proceed. Changes in this RFP of a material nature will be provided via the webpage dedicated to this solicitation. All vendors are responsible for obtaining any such changes without further notice by ODJFS. After issuance of an award letter, ODJFS reserves the right to rescind the award and choose the next most responsive and responsible vendor, if ODJFS and the recommended vendor are unable to come to a mutually acceptable contractual agreement.

If the Ohio General Assembly or the external funding source fails at any time to continue funding ODJFS for the payments due under this Contract, this Contract will be terminated as of the date funding expires without further obligation of ODJFS or the State of Ohio.

I. CONTRACTOR and ODJFS understand that the terms of this Contract, when combined with any other payments made to or open encumbrances with CONTRACTOR during the same SFY, cannot establish compensation in excess of Fifty Thousand and 00/100 Dollars ($50,000.00) aggregate without prior approval from the State Controlling Board in accordance with ORC 127.16.

**ARTICLE IV. SUSPENSION AND TERMINATION, BREACH AND DEFAULT**
A. Contract Termination. If CONTRACTOR fails to perform any one of its obligations under this Contract, it will be in default and ODJFS may terminate this Contract in accordance with this section. The termination will be effective on the date delineated by ODJFS.

1. Termination for Default. If CONTRACTOR's default is unable to be cured in a reasonable time, ODJFS may terminate the Contract by written notice to the CONTRACTOR.

2. Termination for Persistent Default. ODJFS may terminate this Contract by written notice to CONTRACTOR for defaults that are cured, but are persistent. "Persistent" means three or more defaults. After ODJFS has notified CONTRACTOR of its third default, ODJFS may terminate this Contract without providing CONTRACTOR with an opportunity to cure, if CONTRACTOR defaults for a fourth time. The four defaults are not required to be related to each other in any way.

3. Termination for Endangered Performance. ODJFS may terminate this Contract by written notice to the CONTRACTOR if ODJFS determines that the performance of the Contract is endangered through no fault of ODJFS.

4. Termination for Financial Instability. ODJFS may terminate this contract by written notice to CONTRACTOR if a petition in bankruptcy or similar proceeding has been filed by or against the CONTRACTOR.

5. Termination for Delinquency, Violation of Law. ODJFS may terminate this Contract by written notice, if it determines that CONTRACTOR is delinquent in its payment of federal, state or local taxes, workers' compensation, insurance premiums, unemployment compensation contributions, child support, court costs or any other obligation owed to a state agency or political subdivision. ODJFS also may cancel this Contract, if it determines that CONTRACTOR has violated any law during the performance of this Contract. However, ODJFS may not terminate this Contract if the CONTRACTOR has entered into a repayment agreement with which the CONTRACTOR is current.

6. Termination for Subcontractor Default. ODJFS may terminate this contract for the default of the CONTRACTOR or any of its subcontractors. The CONTRACTOR will be solely responsible for satisfying any claims of its subcontractors for any suspension or termination and will indemnify ODJFS for any liability to them. Subcontractors will hold ODJFS harmless for any damage caused to them from a suspension or termination. The subcontractors will look solely to the CONTRACTOR for any compensation to which they may be entitled.

7. Termination for Failure to Retain Certification. Pursuant to O.R.C. Section 123.151 and 123.152 of the Revised Code, ODJFS may certify businesses for participation in state sponsored business assistance programs. After certification is obtained it is the responsibility of the CONTRACTOR to maintain certification. If the CONTRACTOR is awarded a contract pursuant to a certification program and fails to renew its certification and/or is decertified, ODJFS may immediately cancel the contract.

8. Termination for Convenience. ODJFS may terminate this Contract for its convenience after issuing written notice to the CONTRACTOR. If the termination is for the convenience of ODJFS, the CONTRACTOR will be entitled to compensation for any Deliverable that the CONTRACTOR has delivered before the termination. Such compensation will be the CONTRACTOR's exclusive remedy in the case of termination for convenience and will be available to the CONTRACTOR only after the CONTRACTOR has submitted a proper invoice for such, with the invoice reflecting the amount determined by ODJFS to be owing to the CONTRACTOR.

9. Termination, Effectiveness, Contractor Responsibilities. The notice of termination whether for cause or without cause will be effective as soon as CONTRACTOR receives it. Upon receipt of the notice of termination, CONTRACTOR will immediately cease all work on the Project, if applicable, and refuse any additional orders and take all steps necessary to minimize the costs the CONTRACTOR will incur related to this Contract. The CONTRACTOR will immediately prepare a report and deliver it to ODJFS. The report must detail either the work completed at the time of termination or the orders received and not processed prior to termination, and if applicable, the percentage of the Project's completion, estimated time for delivery of all orders received prior to termination, any costs incurred by the CONTRACTOR in doing the Project to date and any deliverables completed or partially completed but not delivered to ODJFS at the time of termination. Any and all work, whether
completed or not, will be delivered to ODJFS along with the specified report. However, if delivery in that manner would not be in ODJFS’s interest, then the CONTRACTOR will propose a suitable alternate form of delivery.

B. Contract Suspension. If CONTRACTOR fails to perform any one of its obligations under this Contract, it will be in default and ODJFS may suspend rather than terminate this Contract where ODJFS believes that doing so would better serve its interest.

In the case of a suspension for ODJFS’s convenience, the amount of compensation due to the CONTRACTOR for work performed before the suspension will be determined in the same manner as provided in this section for termination for ODJFS’s convenience or the CONTRACTOR may be entitled to compensation for work performed before the suspension, less any damage to ODJFS resulting from the CONTRACTOR’s breach of this Contract or other fault.

The notice of suspension, whether with or without cause, will be effective immediately on the CONTRACTOR’s receipt of the notice. The CONTRACTOR will immediately prepare a report and deliver it to ODJFS as is required in the case of termination.

Proprietary information is information that would put CONTRACTOR at a competitive disadvantage in CONTRACTOR’s market place and trade if it were made public. ODJFS reserves the right to require reasonable evidence of CONTRACTOR’s assertion of the proprietary nature of any information. The provisions of this ARTICLE are not self-executing. CONTRACTOR must demonstrate that any information claimed as proprietary meets the definition of “trade secret” found at ORC 1333.61. CONTRACTOR will defend such a claim.

D. For Audit Purposes Only: All records relating to cost, work performed, supporting documentation for invoices submitted to ODJFS, and copies of all materials produced under or pertaining to this Contract will be retained by CONTRACTOR and will be made available for audit by state and federal government entities that include but are not limited to, ODJFS, the Ohio Auditor of State, the Ohio Inspector General and all duly authorized law enforcement officials. The records and materials will be retained and made available for a minimum of three years after CONTRACTOR receives the last payment pursuant to this Contract. CONTRACTOR agrees to retain all records in accordance with any litigation holds that are provided to them by ODJFS, and actively participate in the discovery process if required to do so, at no additional charge. Litigation holds may require CONTRACTOR to keep the records longer than the approved records retention schedule. CONTRACTOR will be notified by ODJFS when the litigation hold ends and retention can resume based on the approved records retention schedule. If CONTRACTOR fails to retain the pertinent records after receiving a litigation hold from ODJFS, CONTRACTOR agrees to pay all costs, damages and expenses associated with any cause, action or litigation arising from such destruction.

G. If applicable, CONTRACTOR hereby agrees to current and ongoing compliance with Title 42, Sections 1320d through 1320d-8 of the United States Code (42 USC 1320d-1320d-8) and the implementing regulations found at 45 CFR 164.502(e) and 164.504(e) regarding disclosure of Protected Health Information under the Health Insurance Portability and Accountability Act of 1996 (HIPAA). **ARTICLE IX. MISCELLANEOUS PROVISIONS**

A. **Independent Contractor.** CONTRACTOR agrees that no agency, employment, joint venture, or partnership has been or will be created between ODJFS and CONTRACTOR. CONTRACTOR further agrees that as an independent contractor, it assumes all responsibility for any federal, state, municipal or other tax liabilities along with workers compensation, unemployment compensation and insurance premiums that may accrue as a result of funds received pursuant to this Contract. CONTRACTOR agrees that it is an independent contractor for all purposes including, but not limited to, the application of the Fair Labor Standards Act, the Social Security Act, the Federal Unemployment Tax Act, the Federal Insurance Contribution Act, provisions of the Internal Revenue Code, Ohio tax law, Workers Compensation law, and Unemployment Insurance law. Pursuant to ORC 145.038, ODJFS is required to provide individuals and business entities with fewer than five employees the Independent Contractor Acknowledgment (Form PEDACKN), please see Attachment A. This form requires CONTRACTOR to acknowledge that ODJFS has notified CONTRACTOR that he or she has not been

If CONTRACTOR is a business entity with fewer than five employees, please have each employee complete the PEDACKN form, the first two pages of Attachment A. If CONTRACTOR is not an individual or a business entity with fewer than five employees, please complete page three of Attachment A.

B. **Liability.** To the extent allowable by law, CONTRACTOR agrees to hold ODJFS harmless in any and all claims for personal injury, property damage, infringement resulting, and/or any other claims arising from the performance of the Deliverables. CONTRACTOR’s sole and exclusive remedy for any ODJFS failure to perform under this Contract will be an action in the Ohio Court of Claims pursuant to ORC Chapter 2743 that will be subject to the limitations set forth in this ARTICLE. In no event will ODJFS be liable for any indirect or consequential damages, including loss of profits, even if ODJFS knew or should have known of the possibility of such damages. To the extent that ODJFS is a party to any litigation arising out of or relating in any way to this Contract or the performance thereunder, such an action shall be brought only in a court of competent jurisdiction in Franklin County, Ohio.

B. **[PUBLIC UNIVERSITY/PUBLIC ENTITY] Limitation of Liability.** Each party agrees to be responsible for any of its own negligent acts or omissions or those of its agent, employees, or subcontractors. Each party further agrees to be responsible for its own defense and any judgments and costs that may arise from such negligent acts or omissions. Nothing in this Contract will impute or transfer any such liability or responsibility from one party to the other. To the maximum extent permitted by law, the parties’ liability for damages, whether in contract or in tort, may not exceed the total amount of compensation payable to CONTRACTOR under ARTICLE III or the actual amount of direct damages incurred by any party whichever is less. CONTRACTOR’s sole and exclusive remedy for ODJFS’s failure to perform under this Contract is an action in the Ohio Court of Claims, pursuant to ORC Chapter 2743, and subject to the limitations set forth in this ARTICLE. In no event will either party be liable for any indirect or consequential damages, including loss of profits, even if a party knew or should have known of the possibility of such damages.

C. **Infringement of Patent or Copyright.** To the extent allowable by law and subject to ORC 109.02, CONTRACTOR agrees to defend any suit or proceeding brought against ODJFS, any official or employee of ODJFS acting in his or her official capacity, or the State of Ohio due to any alleged infringement of patent or copyright arising out of the performance of this Contract, including all work, services, materials, reports, studies, and computer programs provided by CONTRACTOR. ODJFS will provide prompt notification in writing of such suit or proceeding; full right, authorization, and opportunity to conduct the defense thereof; and full disclosure of information along with all reasonable cooperation for the defense of the suit. ODJFS may participate in the defense of any such action. CONTRACTOR agrees to pay all damages and costs awarded against ODJFS, any official or employee of ODJFS in his or her official capacity, or the State of Ohio as a result of any suit or proceeding referred to in this Section C. If any information and/or assistance is furnished by ODJFS at CONTRACTOR’s written request, it is at CONTRACTOR’s expense. If any of the materials, reports, or studies provided by CONTRACTOR are found to be infringing items and the use or publication thereof is enjoined, CONTRACTOR agrees to, at its own expense and at its option, either procure the right to publish or continue use of such infringing materials, reports, or studies; replace them with non-infringing items of equivalent value; or modify them so that they are no longer infringing. The obligations of CONTRACTOR under this Section survive the termination of this Contract, without limitation.

C. **[PUBLIC UNIVERSITY/PUBLIC ENTITY] Infringement of Patent or Copyright.** To the extent permitted by law, if any of the materials, reports, or studies provided by CONTRACTOR are found to be infringing items and the use or publication thereof is enjoined, CONTRACTOR agrees to, at its own expense and at its option, either procure the right to publish or continue use of such infringing materials, reports, or studies; replace them with non-infringing items of equivalent value; or modify them so that they are no longer infringing. The obligations of CONTRACTOR under this Section survive the termination of this Contract, without limitation.

D. **Liens.** CONTRACTOR will not permit any lien or claim to be filed or prosecuted against ODJFS or the State of Ohio because of any labor, services, or materials furnished. If CONTRACTOR fails, neglects, or refuses to make prompt payment of any claims for labor, services, or materials furnished to CONTRACTOR in connection with this Contract, ODJFS or the State of Ohio may, but is not obligated to, pay those claims and charge the amount of payment against the funds due or to become due to CONTRACTOR under this Contract.

E. **Delay.** Neither party will be liable for any delay in its performance that arises from causes beyond its control and without its negligence or fault. The delaying party will notify the other promptly of any material delay in
performance and will specify in writing the proposed revised performance date as soon as practicable after notice of delay. The delaying party must also describe the cause of the delay and its proposal to remove or mitigate the delay. Notices will be sent pursuant to ARTICLE V. In the event of excusable delay, the date of performance or delivery of products may be extended by amendment, if applicable, for a time period equal to that lost due to the excusable delay. Reliance on a claim of excusable delay may only be asserted if the delaying party has taken commercially reasonable steps to mitigate or avoid the delay. Items that are controllable by CONTRACTOR’s subcontractor(s) will be considered controllable by CONTRACTOR, except for third-party manufacturers supplying commercial items and over whom CONTRACTOR has no legal control. The final determination of whether an instance of delay is excusable lies with ODJFS in its discretion.

F. **Insurance.** CONTRACTOR agrees to maintain, at its own cost, automobile, fleet, and commercial general liability insurance.

G. **Attachments.** Attachments and documents referenced in this Contract are made a part hereof, and are incorporated as terms and conditions of this Contract. In the event a conflict of terms, the terms and conditions of this Contract shall take precedence over any conflicting terms.

H. **Counterpart.** This Contract may be executed in one, or more than one counterpart and each executed counterpart shall be considered an original, provided that such counterpart is delivered to the other party by facsimile, mail courier or electronic mail, all of which together shall constitute one and the same agreement.

**ARTICLE X. CONSTRUCTION**

This Contract will be governed, construed, and enforced in accordance with the laws of the State of Ohio. Should any portion of this Contract be found unenforceable by operation of statute or by administrative or judicial decision, the remaining portions of this Contract will not be affected as long as the absence of the illegal or unenforceable provision does not render the performance of the remainder of the Contract impossible.

Has the vendor proposed any changes to the ODJFS model contract/ grant agreement attached to this competitive document for use in the event of its selection for this project?

Requested changes to the model agreement have no effect on a vendor’s proposal score. However, any such requested changes must be approved by ODJFS either as requested or following a process of negotiation. At the sole discretion of ODJFS, any proposed changes to the ODJFS model agreement that cannot be accepted or negotiated without causing undue delay (as defined by ODJFS) in the execution of a contract may result in the disqualification of the vendor and its proposal. See Section 6.2, Review Process Caveats, and Section 8.6, Contractual Requirements of the RFP for more details on this situation.

If changes were proposed by this vendor are those changes such that ODJFS disqualifies the vendor?

PHASE II: Criteria for Scoring of Technical Proposal

Qualifying technical proposals will be collectively scored by a Proposal Review Team (PRT) appointed by ODJFS, Ohio Children’s Trust Fund. For each of the evaluation criteria given in the following score sheet, reviewers will collectively judge whether the technical proposal exceeds, meets, partially meets or does not meet the requirements expressed in the RFP, and assign the appropriate point value, as follows:

<table>
<thead>
<tr>
<th>Score</th>
<th>Meaning</th>
</tr>
</thead>
<tbody>
<tr>
<td>0</td>
<td>Does Not Meet Requirement</td>

<tr>
<td>6</td>
<td>Partially Meets Requirement</td>
</tr>
<tr>
<td>8</td>
<td>Meets Requirement</td>
</tr>
<tr>
<td>10</td>
<td>Exceeds Requirement</td>
</tr>
</tbody>
</table>

Technical Performance Scoring Definitions:

“Does Not Meet Requirement”- A particular RFP requirement was not addressed in the vendor’s proposal, **Score: 0**
“Partially Meets Requirement”- Vendor proposal demonstrates some attempt at meeting a particular RFP requirement, but that attempt falls below acceptable level, **Score: 6**

“Meets Requirement”- Vendor proposal fulfills a particular RFP requirement in all material respects, potentially with only minor, non-substantial deviation, **Score: 8**

“Exceeds Requirement”- Vendor proposal fulfills a particular RFP requirement in all material respects, and offers some additional level of quality in excess of ODJFS expectations, **Score: 10**

A technical proposal’s total PHASE II score will be the sum of the point value for all the evaluation criteria. The review team will collectively score each individual qualifying proposal. Technical proposals which do not meet or exceed a total score of at least **226.5** points (a score which represents that the selected vendor has the capability to successfully perform the project/program services) out of a maximum of **377.5** points, will be disqualified from further consideration, and its cost proposal will neither be opened nor considered. Only those vendors whose Technical Proposals meet or exceed the minimum required technical points will advance to PHASE III of the technical proposal score sheet.
