The Ohio Department of Job and Family Services
REQUEST FOR PROPOSALS (RFP):
Media and Marketing Services for the Ohio Children’s Trust Fund Repost

RFP #: JFSR2021068169R

SECTION I. GENERAL PURPOSE

1.1 Purpose

The Ohio Department of Job and Family Services (ODJFS) releases this Request for Proposals (RFP) on behalf of the Ohio Children’s Trust Fund (OCTF) for the purpose of obtaining one or more qualified public relations or marketing firms to manage and implement all aspects of OCTF’s, “Be A Hero in the Eyes of a Child” statewide awareness campaign. OCTF is seeking one (1) to two (2) qualified vendors experienced in obtaining paid and earned media that reaches all eighty-eight (88) counties in Ohio, curating contact lists for private and corporate donors, and using established brand and design guidelines to disseminate statewide campaigns using multiple formats and mediums. Proposals must clearly demonstrate the vendor’s capability of providing services as described in this RFP.

For the purpose of this RFP, the term “vendor” shall be defined as a business, firm, organization, or individual interested in this opportunity. The terms “response” and “proposal” may be used interchangeably to indicate materials submitted to ODJFS by a vendor in order to be considered for award of a contract for services described in this RFP. The terms “contractor” and “selected vendor” may be used interchangeably in reference to a vendor selected by ODJFS through this RFP for contract award.

1.2 Background

OCTF is Ohio’s sole, dedicated public funding source for child abuse and child neglect prevention. The mission of OCTF is to prevent child abuse and neglect through investing in strong communities, healthy families and safe children. The Trust Fund accomplishes this mission through implementation of programs and prevention activities throughout the state. From establishing guidelines for evidence-based program development to accessing innovative prevention curricula; producing educational and public awareness materials; and impacting social service policy legislation, OCTF provides expertise and resources for legislators, the media, state agencies, and the public.

Since its creation in 1984, OCTF has funded primary and secondary prevention strategies conducted at the local level, in addition to initiatives and projects of statewide significance, which are all designed to strengthen families and prevent child abuse and child neglect. Primary prevention is defined as services and programs that promote the general welfare of all children and families before abuse or neglect occurs. Primary prevention programs are accessible to everyone in the community or target populations at risk for abuse and neglect. Secondary prevention programs are activities and services that are provided to a specific population identified as having risk factors for child abuse and child neglect and are designed to intervene at the earliest warning signs of child abuse or child neglect, or whenever a child can be identified as being at risk for abuse or neglect. Implementation of a statewide awareness campaign meets the Trust Fund’s mission of providing primary prevention services.

1.3 Overview of the Project

April is National Child Abuse Prevention Month. During the month of April, OCTF plays a very active role in promoting a statewide child abuse and neglect awareness campaign. In recent years, OCTF has promoted the message that
anyone can, “Be A Hero in the Eyes of a Child;” one simple act of encouragement at a time. The tagline, “Mentor. Donate. Empower.,” suggests ways in which individuals, organizations, and communities can be an Everyday Ohio Hero. Through this campaign, OCTF has developed campaign materials to promote its message utilizing earned media, paid advertisement, social media, radio, billboards, flyers, and additional marketing tactics, to deliver the message across the state. A report of these activities from state fiscal year 2019 can be found here. Using the existing campaign assets, the vendor(s) selected through this RFP will develop and implement a media plan, including both paid and earned media, for OCTF’s “Be A Hero in the Eyes of a Child” campaign that reaches all eighty-eight (88) counties in Ohio. The methods of media will need to be tailored to fit the demographic and technological capabilities of various regions of the state. All designs and tactical assets for the campaign have been completed and only minor revisions to text, images etc. may need to be made through this scope of work. The overall implementation of this campaign will cover a five (5) month timeframe with a heavy marketing push during the month of April 2020, which is National Child Abuse Prevention Month. To promote OCTF’s mission to the business sector, messaging tailored to facilitate opportunities for partnership, sponsorship, and donations will need to be created.

1.4 Objectives of the Project

Utilizing the completed media assets for the, “Be A Hero in the Eyes of a Child” campaign, OCTF is seeking one or more vendors to deliver and promote the campaign message from March 1, 2020 to June 30, 2020, with priority marketing and media efforts occurring during the month of April 2020 for National Child Abuse Prevention Awareness Month. The goal of the project is to increase community outreach, awareness, and targeted engagement with individuals and businesses across the state leading to an increase in brand recognition, donations, and social media engagement.

Vendors are to use their expertise in pricing the work described in this RFP, taking into consideration any intervening steps or activities that must be performed in order to complete the work, even if ODJFS does not explicitly identify those intervening costs in this RFP, and offer their Cost Proposals accordingly. No separate travel expenses or any other type of expenses will be paid under the contract to result from this RFP.

SECTION V. CONDITIONS AND OTHER REQUIREMENTS

The list must indicate the purpose of the contract, the amount of the contract, the time period covered by the contract, and the percentage of the project completed. submitted to any ODJFS procurement document to be free of trade secrets, and such proposals if opened by ODJFS will, in their entirety, be made a part of the public record.

Any proposals submitted in response to any ODJFS procurement efforts which make claims of trade secret information shall be disqualified from consideration immediately upon the discovery of such unallowable claim.

All proposals and any other documents submitted to ODJFS in response to any procurement effort shall become the property of ODJFS. This RFP and, after the selection of a vendor for award, any proposals received in response to solicitation that have been opened, reviewed and considered by ODJFS are deemed to be public records pursuant to ORC 149.43. For purposes of this section, the term “proposal” shall mean both the Technical Proposal and the Cost Proposal submitted by a vendor, and, if opened, any attachments, addenda, appendices, or sample products.

The State of Ohio and ODJFS are committed to making more contracts and opportunities available to Ohio-certified Minority Business Enterprises (MBEs), as defined by ORC Section 122.71 and certified by the Department of Administrative Services (DAS). ODJFS is required by Section 125.081(B) and 123.151 of ORC to award a minimum of fifteen percent (15%) of its total procurements to vendors certified as MBEs. If the proposal is not submitted by an Ohio-certified MBE, the vendor is strongly encouraged to subcontract a minimum of fifteen percent (15%) of the total contract price to one or more Ohio-certified MBEs through a competitive selection process. The contractors shall make a good faith effort to seek MBE subcontractors throughout the life of the contract.
The proposal must clearly indicate the name of the proposed Ohio-certified MBE vendor(s), if known at the time of proposal submission, and the exact nature of the work to be performed under the proposed subcontract. The proposal must include a letter from the proposed MBE, signed by a person authorized to legally bind the subcontractor, indicating the following:

**NOTE:** There may be no dollar amounts of any kind included with the MBE information; inclusion of dollar amounts will result in the disqualification of the vendor’s entire proposal.

A listing of Ohio certified MBEs can be accessed through the Ohio Department of Administrative Services (DAS) Web Site at: [https://eodreporting.oit.ohio.gov/mbe-certification](https://eodreporting.oit.ohio.gov/mbe-certification).

While ODJFS strongly encourages the use of MBE subcontractors, the vendor’s use of an MBE subcontractor will have no effect on vendors’ technical scores or on final contractor selection for this RFP, unless Section VII, Criteria for Proposal Evaluation and Selection of this RFP, and/or the Technical Proposal Score Sheet for this RFP, affirmatively establish an MBE participation criterion.

### 5.9 Subcontractor Identification and Participation Information

Any vendors proposing to use a subcontractor for any part of the work described in this RFP must clearly identify the subcontractor(s) and their tasks in their proposals. The proposal must include a letter from the proposed subcontractor(s), signed by a person authorized to legally bind the subcontractor, indicating the following:

NOTE: There may be no dollar amounts of any kind included with subcontractor information; inclusion of dollar amounts will result in the disqualification of the vendor’s entire proposal.

5.10 Public Release of Evaluations and/or Reports

Public release of any evaluation or monitoring reports funded under the contract resulting from this RFP will be made only by ODJFS. Prior to public release of such reports, ODJFS must have at least a thirty (30) day period for review and comment.

5.11 Confidentiality

All contracts will require that the contractor and any subcontractor(s) maintain the confidentiality of information and records which state and federal laws, rules, and regulations require to be kept confidential other than to fulfill the contractual duties of specified in this RFP. The contractor, and any subcontractors, agree to be bound by the same standards of confidentiality that apply to the employees of ODJFS and the State of Ohio. Any violation of confidentiality will result in an immediate termination of the contract and may result in legal action.

5.12 Key Personnel

ODJFS may require a clause in the resulting contract regarding key personnel in that any person identified as critical to the success of the project may not be removed without reasonable notice to ODJFS, and replacements will not be made without ODJFS approval.

5.13 Ethical & Conflict of Interest Requirements

A. No contractor or individual, company or organization seeking a contract shall promise or give to any ODJFS employee anything of value that is of such character as to manifest a substantial and improper influence upon the employee with respect to his or her duties;

B. No contractor or individual, company or organization seeking a contract shall solicit any ODJFS employee to violate any of the conduct requirements for employees;

C. Any contractor acting on behalf of ODJFS shall refrain from activities which could result in violations of ethics and/or conflicts of interest. Any vendor or contractor who violates the requirements and prohibitions defined here or of Section 102.04 of ORC is subject to termination of the contract or refusal by ODJFS to enter into a contract; and

D. ODJFS employees and contractors who violate Sections 102.03, 102.04 2921.42 or 2921.43 of ORC may be prosecuted for criminal violations.

5.14 Health Insurance Portability & Accessibility Act (HIPAA) Requirements

As a condition of receiving a contract from ODJFS, the contractor, and any subcontractor(s), will be required to comply with 42 U.S.C. Sections 1320d through 1320d-8, and the implementing regulations found at 45 CFR Section 164.502 (e) and Sections 164.504 (e) regarding disclosure of protected health information under the Health Insurance Portability and Accountability Act (HIPAA) of 1996. Protected Health Information (PHI) is information received by
the contractor from or on behalf of ODJFS that meets the definition of PHI as defined by HIPAA and the regulations promulgated by the United States Department of Health & Human Services, specifically 45 CFR 160.103 and any amendments thereto. The selected vendor can reasonably anticipate HIPAA language in the contract that results from this RFP.

In the event of a material breach of contractor obligations under this section, ODJFS or OCTF may, at their option, terminate the contract according to provisions within the contract for termination.

5.15 Waiver of Minor Proposal Errors

ODJFS may, at its sole discretion, waive minor errors or omissions in vendors’ Technical and/or Cost Proposals or forms when those errors do not unreasonably obscure the meaning of the content.

5.16 Proposal Clarifications

ODJFS reserves the right to request clarifications from vendors of any information in their Technical and/or Cost Proposals or forms and may request such clarification as it deems necessary at any point in the proposal review process.

5.17 Contractual Requirements and Prevailing Wage Requirements

Any contract resulting from the issuance of this solicitation is subject to the terms and conditions as provided in the model contract, which is provided as Attachment B. to this RFP. Additionally, the contractor will be required to comply with prevailing wage standards, as established in ORC 4115.03-4115.16.

5.18 Unresolved Findings for Recovery (ORC 9.24)

ORC Section 9.24 prohibits ODJFS from awarding a contract to any entity against whom the Auditor of State has issued a finding for recovery, if the finding for recovery is “unresolved” at the time of award. By submitting a proposal, the vendor warrants that it is not now, and will not become, subject to an “unresolved” finding for recovery under ORC 9.24 prior to the award of any contract arising out of this RFP, without notifying ODJFS of such finding. ODJFS will review the Auditor of State’s website prior to completion of evaluations of proposals submitted pursuant to this RFP. ODJFS will not evaluate a proposal from any vendor whose name, or the name of any of the subcontractors proposed by the vendor, appears on the website of the Auditor of the State of Ohio as having an “unresolved” finding for recovery.

5.19 Mandatory Contract Performance Disclosure

Each proposal must disclose whether the vendor’s performance, or the performance of any of the proposed subcontractor(s), under contracts for the provision of services that are the same or similar to those to be provided for the project which is the subject of this RFP has resulted in any “formal claims” for breach of those contracts. For purposes of this disclosure, “formal claims” means any claims for breach that have been filed as a lawsuit in any court, submitted for arbitration (whether voluntary or involuntary, binding or not), or assigned to mediation. If any such claims are disclosed, vendor shall fully explain the details of those claims, including the allegations regarding all alleged breaches, any written or legal action resulting from those allegations, and the results of any litigation, arbitration or mediation regarding those claims, including terms of any settlement. While disclosure of any formal claims in response to this section will not automatically disqualify a vendor from consideration, at the sole discretion of ODJFS, such claims and a review of the background details may result in the disqualification of a vendor proposal. ODJFS will make this decision based on its determination of the seriousness of the claims, the potential impact that
the behavior that led to the claims could have on the vendor’s performance of the work, and the best interests of ODJFS.

5.20 **Mandatory Disclosures of Governmental Investigations**

Each proposal must indicate whether the vendor and any of the proposed subcontractor(s) have been the subject of any adverse regulatory or adverse administrative governmental action (federal, state, or local) with respect to vendor’s performance of services similar to those described in this RFP. If any such instances are disclosed, the vendor must fully explain, in detail, the nature of the governmental action, the allegations that led to the governmental action, and the results of the governmental action including any legal action that was taken against vendor by the governmental agency. While disclosure of any governmental action in response to this section will not automatically disqualify a vendor from consideration, at the sole discretion of ODJFS, such governmental action and a review of the background details may result in a disqualification of the vendor proposal. The decision by ODJFS on this issue will be based on a determination of the seriousness of the matter, the matter’s potential impact on the vendor’s performance of the work, and the best interests of ODJFS.

5.21 **Mandatory Disclosures of Work Location**

Proposals must explicitly state the location(s) (city, county, state) where work described in this RFP would be performed, whether by the vendor or by any subcontractors.

5.22 **Vendor Selection Restriction**

Any vendor deemed not responsible, or who has submitted a proposal deemed not to be responsive to the terms of this RFP, shall not be awarded the resulting contract.

5.23 **Ohio Presence Consideration**

The vendor that is awarded the contract resulting from this RFP is required to maintain a physical presence in Ohio throughout the term of the contract, including all renewal periods. Therefore, each vendor must either demonstrate in its proposal that it currently has a physical presence in Ohio or demonstrate concrete plans for establishing a physical presence, and to include the actual or proposed location of the vendor’s presence. Vendor proposals must identify the work to be performed for this project at that location and identify vendor personnel, either by staff name or function that will operate from the Ohio location. ODJFS may, at its sole discretion, disqualify any proposals which fail to comply with this requirement.

5.24 **Prohibition Against Services Performed Outside the United States**

Pursuant to Governor’s Executive Order 2019-12D, no public funds shall be spent on services provided offshore. All vendors seeking an award of an ODJFS contract must attest that no funds provided by ODJFS would be used to purchase services provided outside the United States or to contract with a subcontractor who will use the funds to purchase services provided outside the United States. This required attestation is identified as the “Location of Business Form” included in the “Required Vendor Information & Certifications Documents,” provided as Attachment A. The entire form must be printed, completed, and signed by the interested vendor’s authorized representative, and returned to ODJFS as a component of the vendor Technical Proposal. Failure to properly complete and sign Attachment A will result in the disqualification of the proposal from consideration.
5.25 Combating Trafficking In Persons

Any contractor doing business with ODJFS must be in compliance with the Federal Acquisition Regulation (FAR) for Combating Trafficking in Persons, 48 CFR Subpart 22.17, in which “the United States Government has adopted a zero-tolerance policy regarding trafficking in persons.” The provisions found in 48 CFR Subpart S2.2, specifically Subpart S2.222-50, will be incorporated into the resulting ODJFS contract by reference.

Additional information on identifying Human Trafficking may be found at: http://powerhost.powerstream.net/008/00153/HumanTrafficking.wmv.

SECTION VI. PROPOSAL FORMAT & SUBMISSION

6.1 Proposal Submission

The proposal must be prepared and submitted in accordance with instructions found in this section and must be received by ODJFS, OCA no later than 3:00 P. M., November 21, 2019. Proposals received after this date and time will not be reviewed. Material mailed or submitted separately from the proposal packet will not be accepted or added to the proposal by staff of ODJFS. Faxed or emailed applications will not be accepted. Applications must be addressed to:

Office of Contracts & Acquisitions
Ohio Department of Job and Family Services
30 East Broad Street, 31st Floor
Columbus, OH 43215

For hand delivery on the due date, vendors must allow sufficient time for traffic incidents, downtown parking considerations, and for security procedures in the lobby of the Rhodes Office Tower (address above) and again on the 31st Floor. OCA will accept proposals at any time during normal ODJFS business hours prior to the posted submission deadline.

All proposals must be received by mail or hand delivery by the above date and time. Materials received after the submission deadline will not be included in previous submissions nor be considered. No confirmations of mailed applications received will be sent. ODJFS is not responsible for proposals incorrectly addressed or for proposals delivered to any ODJFS location other than the address specified above.

Submission of a proposal indicates acceptance by the vendor of the conditions contained in this RFP and model contract (Attachment B), unless clearly and specifically noted in the proposal submitted and confirmed in the contract between ODJFS and the selected vendor.

The entire Technical Proposal should be submitted in a sealed envelope/package labeled “TECHNICAL PROPOSAL ENCLOSED FOR RFP JFSR2021068169R, MEDIA AND MARKETING SERVICES FOR THE OHIO CHILDREN’S TRUST FUND REPOST, SUBMITTED BY [VENDOR’S NAME].” The Technical Proposal is defined as any part of the proposal, either as required by ODJFS or sent at vendor’s discretion, such as work plan, resumes, letters of recommendation, letters of cooperation from any subcontractors, etc., which is not specifically identified by ODJFS as a required component of the separate, sealed Cost Proposal.

ODJFS requires proposal submissions in both paper and electronic format. The requested CD-ROMs would be used for storage and archiving purposes only; and not for purposes of application evaluation. Compliance with this request
is a mandatory requirement for all ODJFS RFP for contract awards, as the agency lessens its dependence upon paper records.

Along with the Technical Proposal, the vendor must submit the Cost Proposal in a separate, sealed envelope labeled: “DO NOT OPEN. COST PROPOSAL ENCLOSED FOR RFP JFSR2021068169R, MEDIA AND MARKETING SERVICES FOR THE OHIO CHILDREN’ TRUST FUND REPOST, SUBMITTED BY [VENDOR’S NAME].” A CD-ROM copy of the Cost Proposal must include all Cost Proposal components, including any required or voluntary attachments. The CD-ROM containing the Cost Proposal must be submitted in the sealed envelope containing the hardcopy Cost Proposal. Both CD-ROMs must be labeled with the vendor’s name, the RFP number, and the proposal submission date or proposal due date, at minimum.

The proposal must be prepared and submitted in accordance with instructions found in this section. The proposal submission must be comprised of:

A. Five (5) paper copies (one [1] signed original and four [4] copies) and one (1) CD-ROM copy of the Technical Proposal;

B. Three (3) paper copies (one [1] signed original and two [2] copies) and one (1) CD-ROM copy of the Cost Proposal, in a sealed, separate envelope.

The entire Technical Proposal should be converted into one single secure .pdf document saved to the Technical Proposal CD-ROM submitted to ODJFS. If the proposal’s size necessitates more than a single .pdf document, vendors should use the fewest separate .pdf documents possible.

NOTE: It is the vendor’s affirmative responsibility to ensure that all copies and all formats of the proposal are identical. Any pages or documents omitted from any or all copies can negatively affect the vendor’s score and possibly result in the vendor’s disqualification. In the event of any discrepancies or variations between copies, ODJFS is under no obligation to resolve the inconsistencies and may make its scoring and vendor selection decisions accordingly, including the decision to disqualify the vendor.

6.2 Format for Organization of the Proposal

In developing their proposals, vendors must fully and appropriately plan and price their proposed projects (cost information must be restricted to the Cost Proposal only), including all necessary preparatory and intervening steps, regardless of whether those steps are delineated in this RFP. The vendor’s Technical Proposal must contain the following components, at minimum. It is mandatory that proposals be organized in the following order and that wherever appropriate, sections of the proposal should make reference by section number to those RFP requirements to which they correspond.

A copy of the Technical Proposal Score Sheet is provided as Attachment C. of this RFP. Vendors are strongly encouraged to use the score sheet to check their proposals for quality, compliance, and completeness prior to submission.

A. Proposal Organization

The vendor’s Technical Proposal must contain the following components, organized in primary tabs and divided into sub-tabs, as described below. Any other information thought to be relevant, but not applicable to a specific RFP section may be included in the proposal and so marked as an additional tab. ODJFS reserves
the right not to review submitted appendices which include information or materials not required in the RFP. All pages beyond Tab 1 shall be sequentially numbered.

Vendors must organize their Technical Proposals in the following order:

**Tab 1**  Required Vendor Information and Certifications Document

**Attachment A., Section I. – Required Vendor Information & Certifications Document** In this section, the vendor is required to provide required information and certifications of eligibility for state awards, as described in Attachment A., Section I. to this RFP. Vendors may, at their discretion, either print Attachment A., Section I., complete and sign it, and return it as the content of their proposal Tab 1; or they may provide all the required information and certifications (each fully re-stated from Attachment A.) on their own letterhead, properly signed, and include that replication in their proposal Tab 1. Vendors who fail to provide all information and certifications as described in Attachment A., Section I. in their proposal Tab 1 will be disqualified.

**Attachment A., Section II. – Standard Affirmation and Disclosure Form Banning the Expenditure of Public Funds on Offshore Services** This form must be completed and signed by every vendor seeking to do business with ODJFS. This must be submitted as part of the response to any solicitation. Failure by any vendor to complete, sign, and return the Affirmation and Disclosure Form with its application will result in rejection of the proposal as being non-responsive and disqualified from further consideration.

The signed originals of the above referenced forms (Attachment A., Sections I. and II.) are to be provided in the vendor’s original proposal. Photocopies of the completed and signed forms must also be provided with each of the required copies. The above referenced forms must also be included in the Technical Proposal CD-ROM.

In the event that the vendor proposes the use of any subcontractor(s), information on the subcontractor(s) and letters of commitment as required by Section 5.8, Minority Business Enterprise or 5.9, Subcontractor Identification and Participation Information should also be provided in Tab 1.

**Tab 2**  Vendor Experience and Qualifications

**Sub-Tab 2a.**  Mandatory Vendor Qualifications (Section 3.1, A)
The vendor must include information to demonstrate how the vendor meets the mandatory qualifications as described in the corresponding section of this RFP.

**Sub-Tab 2b.**  Organizational Experience and Capabilities (Section 3.2, A through C)
In this section, the vendor is to include their response to the organization experience and capabilities requirements (including any subcontractors) as described in the corresponding section of this RFP.

**Sub-Tab 2c.**  Staff Experience and Capabilities (Section 3.3, A through B)
In this section, the vendor is to include their response to the staff experience and capabilities requirements (including any subcontractors) as described in the corresponding section of this RFP.

**Tab 3**  Scope of Work & Administrative Structures – Proposed Work Plan

**Sub-Tab 3b.** Administrative Structures – Proposed Work Plan (Section 4.2, A through E)

This section should describe in detail (in the order as outlined) the vendor’s administrative structures as specified in Section 4.2 of this RFP.

**Tab 4**  Specifications of Deliverables (Section 4.3, A through G)

**Sub-Tab 4a.** Deliverable A

**Sub-Tab 4b.** Deliverable B

**Sub-Tab 4c.** Deliverable C (etc.)

This section should describe in detail how the vendor proposes to successfully achieve each of the deliverables specified in Section 4.3, Specifications of Deliverables, of this RFP. The responses must address each element separately. Vendors should place their responses for each deliverable identified in Section 4.3 behind separate sub-tabs as described above.

**Tab 5**  Vendor Attachments or Appendices (as necessary)

**B. Cost Proposal**

Vendors are to complete the Cost Proposal Form, provided as Attachment D. to this RFP, according to instructions, sign it, and submit it fully completed as the separate sealed Cost Proposal. The Cost Proposal Form requires vendors to provide a group of individual prices for those services defined in Section 4.3, Specifications of Deliverables. Vendors are to use their professional comprehension of the effort required to perform those services and to offer to ODJFS its flat, all-inclusive fee for performing each. The prices offered in the vendor’s Cost Proposal will be the prices in effect throughout the contract period, including any renewal contracts. The Cost Proposal must include a statement that the prices quoted are firm.

At the vendor’s discretion, additional documentation may also be included with the completed Attachment D. as explanatory information, but when making the vendor selections and when executing the contract, ODJFS will consider only the dollar amounts displayed on the Cost Proposal Form. In calculating their total proposed cost, vendors must consider cost resulting from each deliverable listed in Section 4.3 of this RFP, as well as all program costs, primary and incidental, necessary to complete all program activities, whether explicitly identified by ODJFS in this RFP or not.

**C. IMPORTANT –VENDOR DISQUALIFIERS FOR PROPOSAL ERRORS:**

1. Any vendor’s Technical Proposal found to contain any prohibited cost information shall be disqualified from consideration. Prohibited cost information is defined as any dollar amounts which might be deemed to be indicative of the relative cost or economy of the proposed
project. Information on the assets, value, or historical business volume of the vendor is not considered to be such prohibited cost information and may be included in any vendor's Technical Proposal as information on business capacity and stability. All prohibited cost information must be submitted within the separate, sealed Cost Proposal. Should a vendor include any documents which contain such cost information, the cost information in the Technical Proposal must be made unreadable by the vendor before submission of the proposal to ODJFS. Failure to follow these instructions will result in disqualification.

2. Any trade secret or proprietary information (as defined in Section 5.5 of this RFP) found anywhere in a proposal shall result in immediate disqualification of that proposal.

SECTION VII. CRITERIA FOR PROPOSAL EVALUATION & SELECTION

7.1 Scoring of Proposals

ODJFS will contract with the vendor that best demonstrates the ability to meet requirements as specified in this RFP. Vendors submitting a response will be evaluated based on the capacity and experience demonstrated in their Technical and Cost Proposal. All qualifying proposals will be reviewed and scored by a Proposal Review Team (PRT), comprised of staff from ODJFS, Office of The Ohio Children’s Trust Fund and their designees. Vendors should not assume that the review team members are familiar with any current or past work activities with ODJFS. Proposals containing assumptions, lack of sufficient detail, poor organization, lack of proofreading and unnecessary use of self-promotional claims will be evaluated accordingly. PRT members will be required to sign disclosure forms to establish that they have no personal or financial interest in the outcome of the proposal review and contractor selection process.

Selection of the vendor will be based upon the criteria described in this RFP. The PRT reserves the right to reject any and all proposals, in whole or in part, received in response to this request. The PRT may waive minor defects that are not material when the intent is not unreasonably obscured. In scoring the proposals, ODJFS will score in three (3) phases:

A. Phase I. Review—Initial Qualifying Criteria:

In order to be fully reviewed and scored, proposals submitted must pass Phase I. Review as required in the Technical Proposal Score Sheet. Any “no” for the listed Phase I. criteria will eliminate a proposal from further consideration. Please refer to Attachment C., Technical Proposal Score Sheet for a complete listing of initial disqualifiers.

B. Phase II. Review—Criteria for Scoring the Technical Proposal:

The PRT will then score those qualifying Technical Proposals, not eliminated in Phase I. Review, by assessing how well the vendor meets the requirements as specified in the RFP. Using the Technical Proposal Score Sheet, the PRT will read, review, discuss and reach consensus on the final technical score for each qualifying Technical Proposal.

Any proposal which does not meet the minimum required Technical Proposal score as defined in Attachment C. will be disqualified from any further consideration and its Cost Proposal will neither be opened nor considered.
C. Phase III. Review—Criteria for Considering the Cost Proposal

The PRT will review the Cost Proposals for those qualifying Technical Proposals, not eliminated in Phase II Review. The grand total of each technically qualified Cost Proposal is divided by that vendor’s final Technical Proposal score. This compares the cost with the quality of the Technical Proposal which will provide an average cost-per-quality point earned on the Technical Proposal.

ODJFS may, at its sole discretion, negotiate with all technically qualifying vendors for a revised Cost Proposal. Vendors may then submit one last and best offer or may request that ODJFS view its original Cost Proposal as its last and best offer, or may withdraw from further consideration, and shall indicate its choice according to directions provided by ODJFS at that time. Upon receipt of all last and best offers, ODJFS will then consider those vendors’ revised Cost Proposals which are within the budget according to the process described in this section above, and in the Technical Proposal Score Sheet, Attachment C., for vendor selection purposes.

7.2 Review Process Caveats

ODJFS may, at its sole discretion, waive minor errors or omissions in vendors’ Technical and/or Cost Proposals or related forms when those errors do not unreasonably obscure the meaning of the content.

ODJFS reserves the right to request clarifications from vendors to any information in their Technical and/or Cost Proposals or related forms and may request such clarification as it deems necessary at any point in the proposal review process. Any such requests for proposal clarification when initiated by ODJFS, and vendors’ verbal or written response to those requests, shall not be considered a violation of the communication prohibitions contained in Section 2.3 of this RFP. Such communications are expressly permitted when initiated by ODJFS and are at the sole discretion of ODJFS.

Should ODJFS determine a need for interviewing vendors prior to making a final selection, responses to interview questions shall be scored in a manner similar to the process described in Section 7.1, Scoring of Proposals, above. Such scored results may be either added to those vendors’ proposal scores, or will replace certain criteria scores, at the discretion of ODJFS. The standards for scoring the interviews and the method used for considering the results of the interviews shall be applied consistently for all vendors participating in the interview process for the RFP.

Vendors may request changes to the model contract, but any such requested changes must be approved by ODJFS either as requested or following a process of negotiation. While requested changes to the model contract may have no effect on a vendor’s proposal score, any proposed changes to the ODJFS model contract that cannot be accepted or negotiated without causing undue delay (as defined by ODJFS) in the execution of a contract may, at the sole discretion of ODJFS, result in the disqualification of the vendor and its proposal. See also Section 5.17, Contractual Requirements and Prevailing Wage Requirements of the RFP.

ODJFS reserves the right to negotiate with vendors for adjustments to their proposals should ODJFS determine, for any reason, to adjust the scope of the project for which this RFP is released. Such communications are not violations of any communications prohibition, and are expressly permitted when initiated by ODJFS, and are at the sole discretion of ODJFS.

Any vendor deemed not responsible, or any submitting a proposal deemed not to be responsive to the terms of this RFP, shall not be awarded the contract.

7.3 Final Vendor Recommendation
The PRT will recommend to the Director of ODJFS (or the Director’s designee) the technically qualified vendor offering the proposal most advantageous to ODJFS, as determined by the processes and requirements established in this RFP.

7.4 **Tie Breaker**

In the event that two (2) or more of the proposals have a score which is tied after final calculation of both the Technical Proposal and the Cost Proposal scores, the proposal with the higher score in the Technical Proposal will prevail.

**SECTION VIII. PROTEST PROCEDURE**

8.1 **Protests**

Any vendor objecting to the award of a contract resulting from the issuance of this RFP may file a protest of the award of the contract, or any other matter relating to the process of soliciting the proposals. Such a protest must comply with the following guidelines:

A. A protest may be filed by a prospective or actual vendor objecting to the award of a contract resulting from this RFP. The protest shall be in writing and shall contain the following information:

1. The name, address, telephone number, and e-mail address of the protestor;
2. The name and number of the RFP being protested;
3. A detailed statement of the legal and factual grounds for the protest, including copies of any relevant documents;
4. A request for a ruling by ODJFS;
5. A statement as to the form of relief requested from ODJFS; and
6. Any other information the protestor believes to be essential to the determination of the factual and legal questions at issue in the written protest.

B. A timely protest shall be considered by ODJFS, if it is received by ODJFS OCA, within the following periods:

1. A protest based on alleged improprieties in the issuance of the RFP or any other event preceding the closing date for receipt of proposals which are apparent or should be apparent prior to the closing date for receipt of proposals shall be filed no later than 3:00 p.m. the closing date for receipt of proposals, as specified in Section 2.1, Anticipated Procurement Timetable, of this RFP.
2. If the protest relates to the announced intent to award a contract, the protest shall be filed no later than 3:00 p.m. of the seventh (7th) calendar day after the issuance of formal letters sent to all responding vendors regarding ODJFS’ intent to make the award. The date on these ODJFS letters to responding vendors is the date used to determine if a protest regarding the intent to award is submitted by the end of the protest period.

C. An untimely protest may be considered by ODJFS if ODJFS determines that the protest raises issues significant to the department’s procurement system. An untimely protest is one received by ODJFS OCA after the time periods set forth in Item B. of this section.
D. All protests must be filed at the following location:

Deputy Director  
ODJFS Office of Contracts and Acquisitions  
30 East Broad Street, 31st Floor  
Columbus, Ohio 43215

E. When a timely protest is filed, a contract award shall not proceed until a decision on the protest is issued or the matter is otherwise resolved, unless the Director of ODJFS determines that a delay will severely disadvantage the Department. The vendor selected for award shall be notified of the receipt of the protest.

F. ODJFS OCA shall issue written decisions on all timely protests and shall notify any vendor who filed an untimely protest as to whether or not the protest will be considered.

8.2 Caveats

ODJFS is under no obligation to issue a contract as a result of this or any solicitation if, in the opinion of ODJFS and the PRT, none of the proposals are responsive to the objectives and needs of the Department. ODJFS reserves the right to not select any vendor should ODJFS decide not to proceed. Changes in this RFP of a material nature will be provided via the webpage dedicated to this solicitation. All vendors are responsible for obtaining any such changes without further notice by ODJFS. After issuance of an award letter, ODJFS reserves the right to rescind the award and choose the next most responsive and responsible vendor, if ODJFS and the recommended vendor are unable to come to a mutually acceptable contractual agreement.

Failure to do so will be deemed a forfeiture of the remaining compensation due hereunder.

H. CONTRACTOR understands that availability of funds is contingent on appropriations made by the Ohio General Assembly or by funding sources external to the State of Ohio, such as federal funding. If the Ohio General Assembly or the external funding source fails at any time to continue funding ODJFS for the payments due under this Contract, this Contract will be terminated as of the date funding expires without further obligation of ODJFS or the State of Ohio.

I. CONTRACTOR and ODJFS understand that the terms of this Contract, when combined with any other payments made to or open encumbrances with CONTRACTOR during the same SFY, cannot establish compensation in excess of Fifty Thousand and 00/100 Dollars ($50,000.00) aggregate without prior approval from the State Controlling Board in accordance with ORC 127.16.
ARTICLE IV. SUSPENSION AND TERMINATION, BREACH AND DEFAULT

A. This Contract will automatically terminate upon expiration of the time period in ARTICLE II, or upon completion of all Deliverables, or once all compensation has been paid.

B. Notwithstanding other provisions in this ARTICLE, either party may terminate this Contract at will by giving 30 calendar days written notice to the other party. Upon written notice to CONTRACTOR, ODJFS may immediately suspend this Contract at ODJFS’s sole discretion.

C. Notwithstanding the provisions of Sections A or B, above, ODJFS may suspend or terminate this Contract immediately upon delivery of a written notice to CONTRACTOR if:

1. ODJFS loses funding as described in ARTICLE III;

2. ODJFS discovers any illegal conduct by CONTRACTOR; or

3. CONTRACTOR has violated any provision of ARTICLE VIII.

Suspension or termination under this provision shall not entitle CONTRACTOR to any rights or remedies described in Section F of this ARTICLE.

D. Unless otherwise provided for in this ARTICLE, CONTRACTOR will have 30 calendar days within which to cure any breach that is curable after receipt of written notice from ODJFS that CONTRACTOR is in breach of any of its obligations under this Contract. If CONTRACTOR fails to cure the breach within the 30 calendar days after written notice or if the breach is not curable, ODJFS may immediately suspend or terminate this Contract. ODJFS may also suspend or terminate this Contract when breaches are persistent, regardless of whether they are cured within 30 calendar days. For purposes of this Section, “persistent” means that ODJFS has notified CONTRACTOR 2 times in writing of CONTRACTOR’s failure to meet any of its contractual obligations. The 2 notices do not have to relate to the same obligation or type of failure. After the second notice, ODJFS may suspend or terminate this Contract without a cure period if CONTRACTOR again fails to meet any contractual obligation. At the sole discretion of ODJFS, certain instances of breach may require a shorter cure period than the 30 calendar days generally applicable in this Section. In such instances, ODJFS will include in its notice of breach the shorter cure period deemed appropriate. If ODJFS does not give timely notice of a breach to CONTRACTOR, ODJFS has not waived any of its rights or remedies concerning the breach.

E. CONTRACTOR, upon receiving notice of suspension or termination, will:

1. Cease performance of the suspended or terminated Deliverables;

2. Take all necessary steps to limit disbursements and minimize costs including, but not limited to, suspending or terminating all contracts and subgrants related to suspended or terminated Deliverables and refusing any additional orders;

3. Prepare and furnish a report to ODJFS, as of the date the notice of termination or suspension was received, that describes the status and percentage of completion of all Deliverables, including the results accomplished and the conclusions reached through Deliverables;

4. Deliver all records in their native format relating to cost, work performed, supporting documentation for invoices submitted to ODJFS, and deliver any and all materials or work produced under or pertaining to this Contract whether completed or not; and

5. Perform any other tasks ODJFS requires.

F. In the event of suspension or termination under this ARTICLE, ODJFS will, upon receipt of a proper invoice from CONTRACTOR, determine the amount of any unpaid Contract funds due to CONTRACTOR for Deliverables performed before CONTRACTOR received notice of termination or suspension. In order to determine the amount due to CONTRACTOR, ODJFS will base its calculations on the payment method described in ARTICLE III and any funds previously paid by or on behalf of ODJFS. ODJFS will not be liable for any further claims submitted by CONTRACTOR.
G. If ODJFS terminates this Contract for any reason provided in this ARTICLE, except for termination at will pursuant to Section B or termination for loss of funding pursuant to Section C, ODJFS will be entitled to utilize another contractor to complete the Deliverables of this Contract on any commercially reasonable terms as ODJFS and the covering contractor may agree. In this event, CONTRACTOR will be liable to ODJFS for all costs related to covering the project to the extent that such costs, when combined with payments already made to CONTRACTOR prior to termination, exceed the costs that ODJFS would have incurred under this Contract. CONTRACTOR’s liability under this Section is in addition to any other remedies available to ODJFS pursuant to this Contract.

H. Upon CONTRACTOR’s breach or default of provisions, obligations, or duties embodied in this Contract or any term of an award, a federal statute or regulation, an assurance, a State plan or application, a notice of award, or other applicable rule, ODJFS reserves the right to exercise any administrative, contractual, equitable, or legal remedies available without limitation. Any waiver by ODJFS of an occurrence of breach or default is not a waiver of subsequent occurrences. If ODJFS or CONTRACTOR fails to perform any obligation under this Contract and the other party subsequently waives the failure, the waiver will be limited to that particular occurrence of a failure and will not be deemed to waive other failures that may occur. Waiver by ODJFS will not be effective unless it is in writing signed by the ODJFS Director.

ARTICLE V. NOTICES

A. ODJFS and CONTRACTOR agree that communication regarding Deliverables, scope of work, invoice or billing questions, or other routine instructions will be between CONTRACTOR and the identified ODJFS Contract Manager.

B. Notices to ODJFS from CONTRACTOR that concern changes to CONTRACTOR’s principal place of operation, billing address, legal name, federal tax identification number, mergers or acquisitions, corporate form, excusable delay, termination, bankruptcy, assignment, any notice pursuant to ARTICLE VIII, and/or any other formal notice regarding this Contract will be sent to the ODJFS Deputy Director of Contracts and Acquisitions at 30 East Broad Street, 31st Floor, Columbus, Ohio 43215.

C. Notices to CONTRACTOR from ODJFS concerning termination, suspension, option to renew, breach, default, or other formal notices regarding this Contract will be sent to CONTRACTOR’s representative at the address appearing on the signature page of this Contract.

D. All notices will be in writing and will be deemed given when received. All notices must be sent using a delivery method that documents actual delivery to the appropriate address herein indicated (e.g., registered or certified mail, postage prepaid).

ARTICLE VI. RECORDS, DOCUMENTS AND INFORMATION

CONTRACTOR agrees that all records, documents, writings, and other information, created or used pursuant to this Contract will be treated according to the following terms, and that the terms will be included in any subcontract agreements executed for the performance of the Deliverables under this Contract:

A. CONTRACTOR agrees that any media produced pursuant to this Contract or acquired with Contract funds will become the property of ODJFS. This includes all documents, reports, data, photographs (including negatives), and electronic reports and records. ODJFS will maintain the unrestricted right to reproduce, distribute, modify, maintain, and use the media in any way ODJFS deems appropriate. CONTRACTOR further agrees not to seek or obtain copyright, patent or other proprietary protection for any materials or items produced under this Contract. CONTRACTOR understands that all materials and items produced under this Contract will be made freely available to the public unless ODJFS determines that certain materials are confidential under federal or state law.

A. [UNIVERSITY] ODJFS agrees that any media (including documents, reports, data, photographs, negatives, electronic reports and records) produced pursuant to this Contract or acquired with Contract funds will become the property of CONTRACTOR; however, CONTRACTOR hereby grants to ODJFS a perpetual, royalty free, non-exclusive, and irrevocable license to use, reproduce, publish, modify, and distribute any such media. CONTRACTOR will assure that all products contain appropriate copyright attribution and
ODJFS will treat Deliverable products that contain appropriate copyright attribution as the intellectual property of CONTRACTOR for purposes of ORC 149.43.

B. All ODJFS information that is classified as public or private under Ohio law will be treated as such by CONTRACTOR. Should the nature of any information be in question, ODJFS will determine whether the information is public or private. CONTRACTOR will restrict the use of any information, systems, or records ODJFS provides to the specific Deliverables of this Contract. CONTRACTOR and its employees agree to be bound by the same standards and rules of confidentiality that apply to employees of ODJFS and the State of Ohio. CONTRACTOR agrees that the terms of this section will be included in any subcontract executed by CONTRACTOR for work under this Contract.

C. CONTRACTOR information that is proprietary and has been specifically identified by CONTRACTOR as proprietary will be held as confidential by ODJFS. Proprietary information is information that would put CONTRACTOR at a competitive disadvantage in CONTRACTOR's market place and trade if it were made public. ODJFS reserves the right to require reasonable evidence of CONTRACTOR's assertion of the proprietary nature of any information. The provisions of this ARTICLE are not self-executing. CONTRACTOR must demonstrate that any information claimed as proprietary meets the definition of "trade secret" found at ORC 1333.61. CONTRACTOR will defend such a claim.

D. For Audit Purposes Only: All records relating to cost, work performed, supporting documentation for invoices submitted to ODJFS, and copies of all materials produced under or pertaining to this Contract will be retained by CONTRACTOR and will be made available for audit by state and federal government entities that include but are not limited to, ODJFS, the Ohio Auditor of State, the Ohio Inspector General and all duly authorized law enforcement officials. The records and materials will be retained and made available for a minimum of 3 years after CONTRACTOR receives the last payment pursuant to this Contract. If an audit, litigation or similar action is initiated during this time period, CONTRACTOR will retain the records until the action is concluded and all issues are resolved, or until the end of the 3 year period if the action is resolved prior to the end of the 3 year period. If applicable, CONTRACTOR must meet the requirements of the federal Office of Management and Budget (OMB) Omni-Circular, Title 2 of the Code of Federal Regulations (CFR) Part 200. CONTRACTOR acknowledges, in accordance with ORC 149.43, that financial records related to the performance of services under this Contract are presumptively deemed public records.

E. All records relating to cost, work performed, supporting documentation for invoices submitted to ODJFS, and copies of all materials produced under or pertaining to this Contract will be retained by CONTRACTOR in accordance to the appropriate records retention schedule. The appropriate records retention schedule for this Contract is INSERT RECORDS SCHEDULE [Must be minimum of 3 years, 2 CFR 200.333]. If any records are destroyed prior to the date as determined by the appropriate records retention schedule, CONTRACTOR agrees to pay all costs associated with any cause, action or litigation arising from such destruction.

F. CONTRACTOR agrees to retain all records in accordance with any litigation holds that are provided to them by ODJFS, and actively participate in the discovery process if required to do so, at no additional charge. Litigation holds may require CONTRACTOR to keep the records longer than the approved records retention schedule. CONTRACTOR will be notified by ODJFS when the litigation hold ends and retention can resume based on the approved records retention schedule. If CONTRACTOR fails to retain the pertinent records after receiving a litigation hold from ODJFS, CONTRACTOR agrees to pay all costs, damages and expenses associated with any cause, action or litigation arising from such destruction.

G. If applicable, CONTRACTOR hereby agrees to current and ongoing compliance with Title 42, Sections 1320d through 1320d-8 of the United States Code (42 USC 1320d-1320d-8) and the implementing regulations found at 45 CFR 164.502(e) and 164.504(e) regarding disclosure of Protected Health Information under the Health Insurance Portability and Accountability Act of 1996 (HIPAA). If applicable, CONTRACTOR further agrees to include the terms of this section in any subcontracts that may be executed pursuant to this Contract.

ARTICLE VII. AMENDMENT AND ASSIGNMENT

A. This writing constitutes the entire agreement between ODJFS and CONTRACTOR with respect to all matters herein. Only a writing signed by both parties may amend this Contract. However, ODJFS and
CONTRACTOR agree that any amendments to any laws or regulations cited herein will result in the correlative modification of this Contract without the necessity for executing written amendments. It is agreed that line item budget modifications may be made, in writing, upon approval by the ODJFS Contract Manager without a written amendment pursuant to ARTICLE III. Any written amendment to this Contract will be prospective in nature.

B. CONTRACTOR agrees not to assign any interest in this Contract nor transfer any interest in the Contract without the prior written approval of ODJFS. CONTRACTOR will submit any requests for approval of assignments and transfers to the ODJFS Contract Manager at least 10 business days prior to the desired effective date. CONTRACTOR understands that any assignments and transfers will be subject to any conditions ODJFS deems necessary and that no approval by ODJFS will be deemed to provide for any ODJFS obligation that exceeds the Contract amount specified in ARTICLE III of this Contract.

ARTICLE VIII. CONTRACTOR CERTIFICATION OF COMPLIANCE WITH SPECIAL CONDITIONS

By accepting this Contract and by executing this Contract, CONTRACTOR hereby affirms current and continued compliance with each condition listed in this ARTICLE. CONTRACTOR's certification of compliance with each of these conditions is considered a material representation of fact upon which ODJFS relied in entering into this Contract:

A. If at any time, CONTRACTOR is not in compliance with the conditions affirmed in this Section, ODJFS will consider this Contract void ab initio and will deliver written notice to CONTRACTOR. Any funds the State of Ohio paid CONTRACTOR for work performed before CONTRACTOR received notice that the Contract is void ab initio will be immediately repaid or the State of Ohio may commence an action for recovery against CONTRACTOR.

CONTRACTOR’s sole and exclusive remedy for any ODJFS failure to perform under this Contract will be an action in the Ohio Court of Claims pursuant to ORC Chapter 2743 that will be subject to the limitations set forth in this ARTICLE. In no event will ODJFS be liable for any indirect or consequential damages, including loss of profits, even if ODJFS knew or should have known of the possibility of such damages. Nothing in this Contract will impute or transfer any such liability or responsibility from one party to the other. To the maximum extent permitted by law, the parties’ liability for damages, whether in contract or in tort, may not exceed the total amount of compensation payable to CONTRACTOR under ARTICLE III or the actual amount of direct damages incurred by any party whichever is less. If any of the materials, reports, or studies provided by CONTRACTOR are found to be infringing items and the use or publication thereof is enjoined, CONTRACTOR agrees to, at its own expense and at its option, either procure the right to publish or continue use of such infringing materials, reports, or studies; replace them with non-infringing items of equivalent value; or modify them so that they are no longer infringing. The obligations of CONTRACTOR under this Section survive the termination of this Contract, without limitation.

The delaying party will notify the other promptly of any material delay in performance and will specify in writing the proposed revised performance date as soon as practicable after notice of delay. The delaying party must also describe the cause of the delay and its proposal to remove or mitigate the delay. Notices will be sent pursuant to ARTICLE V. In the event of excusable delay, the date of performance or delivery of products may be extended by amendment, if applicable, for a time period equal to that lost due to the excusable delay. Reliance on a claim of excusable
delay may only be asserted if the delaying party has taken commercially reasonable steps to mitigate or avoid the delay. Items that are controllable by CONTRACTOR’s subcontractor(s) will be considered controllable by CONTRACTOR, except for third-party manufacturers supplying commercial items and over whom CONTRACTOR has no legal control. The final determination of whether an instance of delay is excusable lies with ODJFS in its discretion.

Has the vendor proposed any changes to the ODJFS model contract attached to the RFP for use in the event of its selection for this project? ### PHASE II: Criteria for Scoring of Technical Proposal

Qualifying Technical Proposals will be collectively scored by a Proposal Review Team (PRT) appointed by ODJFS, Ohio Children’s Trust Fund (OCTF). For each of the evaluation criteria given in the following score sheet, reviewers will collectively judge whether the Technical Proposal exceeds, meets, partially meets or does not meet the requirements expressed in the RFP, and assign the appropriate point value, as follows:

<table>
<thead>
<tr>
<th>Score</th>
<th>Requirement</th>
</tr>
</thead>
<tbody>
<tr>
<td>0</td>
<td>Does Not Meet Requirement</td>
</tr>
<tr>
<td>6</td>
<td>Partially Meets Requirement</td>
</tr>
<tr>
<td>8</td>
<td>Meets Requirement</td>
</tr>
<tr>
<td>10</td>
<td>Exceeds Requirement</td>
</tr>
</tbody>
</table>

**Technical Performance Scoring Definitions:**

**“Does Not Meet Requirement”** - A particular RFP requirement was not addressed in the vendor’s proposal, **Score: 0**

**“Partially Meets Requirement”** - Proposal demonstrates some attempt at meeting a particular RFP requirement, but that attempt falls below acceptable level, **Score: 6**

**“Meets Requirement”** - Proposal fulfills a particular RFP requirement in all material respects, potentially with only minor, non-substantial deviation, **Score: 8**
**“Exceeds Requirement”- Proposal fulfills a particular RFP requirement in all material respects, and offers additional level of quality, in excess of ODJFS expectations. Score: 10**

The total Phase II score of a Technical Proposals will be the sum of the point value for all the evaluation criteria. The review team will collectively score each qualifying proposal individually. Technical Proposals which do not meet or exceed a total score of at least 287 points (the score which represents that the selected vendor has the capability to successfully perform the project/program services) out of a maximum of 370 points, will be disqualified from further consideration, and its Cost Proposal will neither be opened nor considered. Only those vendors who have submitted Technical Proposals that meet or exceed the minimum required technical points will advance to PHASE III of the Technical Proposal Score Sheet.
