COMMUNITIES OF SUPPORT GRANT

RFGA #: JFSR2021068199

SECTION I. GENERAL PURPOSE & APPLICANT INFORMATION

1.1 Purpose

The Ohio Department of Job and Family Services is offering this grant opportunity in coordination with the Ohio Department of Mental Health and Addiction Services and the Ohio Family and Children First Council (OFCF) to continue supporting existing and new local community planning and coordinated service delivery efforts. The following priorities are critical to ensure the necessary collaborative cross-system work can best meet the needs of children and families:

(1) Comprehensive Addiction and Recovery Act (CARA) plans of safe care;

(2) Qualified Residential Treatment Program (QRTP) level of care assessments; and

(3) Community-based aftercare planning for children discharged from residential treatment settings.

The grants will allow communities to assess the local needs for these priorities, establish best practices, and prepare for any necessary budget considerations for implementation and/or sustainability. This critical work at a community level will also inform planning and next steps for state policy and practice. Communities of support are essential to strengthen the lives of children and families, in partnership with their existing networks and in consideration of their diverse racial, cultural, and economic identities.

For the purpose of this RFGA, the term “applicant” shall be defined as nonprofit business, firm, organization, or individual interested in this opportunity. The terms “application” and “response” may be used interchangeably to indicate materials submitted to ODJFS by an applicant in order to be considered for award of a grant for services described in this RFGA. The terms “grantee” and “selected applicant” may be used interchangeably in reference to an organization selected by ODJFS through this RFGA for award.

1.2 Issuing Office

ODJFS, Office of Families and Children.

1.3 Background

The CARA Plans of Safe Care, QRTP Level of Care Assessments and the QRTP After Care Planning are required/regulated under federal authority:

CARA Plans of Safe Care
The Comprehensive Addiction and Recovery Act of 2016, known as “CARA”, is the first major federal addiction legislation in 40 years, and the most comprehensive effort undertaken to address the opioid epidemic.

An arrangement that addresses the:
• Immediate safety of the infant
• Safety and treatment need of the infant
• Health and substance misuse treatment needs of the affected parent
• Treatment needs of all household members having routine caregiving responsibilities for the infant (i.e., father, grandparent, roommate, etc.)

**QRTP Level of Care Assessments & After Care Planning**

On February 9, 2018, President Trump signed into law the landmark bipartisan Family First Prevention Services Act, as part of Division E in the Bipartisan Budget Act of 2018 (H.R. 1892). Family First includes reforms to help keep children safely with their families and avoid the traumatic experience of entering foster care, emphasizes the importance of children growing up in families and helps ensure children are placed in the least restrictive, most family-like setting appropriate to their special needs when foster care is needed. These reforms include the following for residential facilities:

1. Level of Care Assessment: Within 30 days of a child being placed in a QRTP setting, a qualified individual must assess the child’s strengths and needs using an age-appropriate, evidence-based, validated, functional assessment tool to determine if the child’s needs can be met with family members or in a foster family home, or in one of the other approved settings (i.e. facilities for pregnant or parenting youth or independent living facilities) consistent with the short- and long-term goals of the child and their permanency plan. H

2. After Care Planning: Provides discharge planning and family-based aftercare supports for at least 6 months post discharge.

### 1.4 Overview of the Project

This grant has been created to:

A. Establish and create community networks and infrastructures to provide comprehensive community services.

B. Develop a Sustainability Plan.

C. Develop a plan to provide and pilot specific practices and services to inform future funding and regulation and to meet state and federal requirements. The specific services include but are not limited to:

   a. CARA Plans of Safe Care.
   b. Qualified Residential Treatment Program Level of Care Assessments (i.e. Child Adolescent Needs and Strengths (CANS)).
   c. Qualified Residential Treatment Program After Care Planning.

### 1.5 Objectives of the Project

**Prong 1:** Partnering Family and Children First Councils (FCFC) and Public Children Service Agencies (PCSA) can apply for $10,000 in planning funds to establish and determine sustainable support for FCFC councils and community networks to provide comprehensive community services. SECTION VII. CRITERIA FOR APPLICATION EVALUATION & SELECTION

7.1 Scoring of Applications

ODJFS will enter into agreement(s) with a grantee(s) that best demonstrates the ability to meet requirements as specified in this RFGA. Applicants submitting a response will be evaluated based on the capacity and experience demonstrated in their Technical Application and Project Budget. All applications will be reviewed and scored by the ART, comprised of staff from ODJFS. ART members will be required to sign disclosure forms to establish that they have no personal or financial interest in the outcome of the application review and grantee selection process. Final selection of the grantee(s) will be based upon the criteria specified in Sections III, IV, and VI of this RFGA. Any applications not meeting the requirements contained in Sections III, IV and VI of this RFGA will not be scored or may be held pending receipt of required clarifications. The ART reserves the right to reject any and all applications, in whole or in part, received in response to this request. The ART may waive minor defects that are not material when no prejudice will result to the rights of any applicant or to the public.

In scoring the applications, ODJFS will score in three (3) phases:

A. Phase I. Review — Initial Qualifying Criteria:

In order to be fully reviewed and scored, applications submitted must pass the Phase I. Review. Any “no” for the listed Phase I criteria will eliminate an application from further consideration.

B. Phase II. Review — Criteria for Scoring the Technical Application:

The ART will then collectively score those qualifying Technical Applications, not eliminated in Phase I. Review, by assessing how well the applicant meets the requirements as specified in Sections III, IV, and VI of this RFGA. Using the score sheet for Phase II scoring (Attachment C), the ART will read, review, discuss and reach consensus on the final technical score for each qualifying Technical Application.

A maximum of 155 points will be awarded for the Technical Application. A Technical Application must achieve a total of at least 118 points out of the possible 155 points to qualify for consideration. Any application which does not meet the minimum required Technical Application points will be disqualified from any further consideration.

All Phase II Technical Application evaluation criteria will be scored according to the following scale, based on a proposed plan’s ability to meet the objectives outlined in this RFGA. The Technical Application Score Sheet (Attachment C) uses the following point values for rating each requirement:

<table>
<thead>
<tr>
<th>Points</th>
<th>Value</th>
</tr>
</thead>
<tbody>
<tr>
<td>0</td>
<td></td>
</tr>
<tr>
<td>6</td>
<td></td>
</tr>
<tr>
<td>8</td>
<td></td>
</tr>
<tr>
<td>10</td>
<td></td>
</tr>
</tbody>
</table>
Technical Performance Scoring Definitions:

“Does Not Meet Requirement”- applicant did not address a particular RFGA requirement in the application, Score: 0

“Partially Meets Requirement”- applicant demonstrates some attempt at meeting a particular RFGA requirement, but that attempt falls below acceptable level, Score: 6

“Meets Requirement”- applicant fulfills a particular RFGA requirement in all material respects, potentially with only minor, non-substantial deviation, Score: 8

“Exceeds Requirement”- applicant fulfills a particular RFGA requirement in all material respects, and offers some additional level of quality in excess of ODJFS expectations, Score: 10

NOTE: Before submitting an application to ODJFS in response to this RFGA, applicants are strongly encouraged to use the Technical Application Score Sheet (Attachment C) and the above technical performance scoring information to review their applications for completeness, compliance, and quality.

C. Phase III. Review — Criteria for Considering the Project Budget

The Project Budgets of all technically qualifying applications will be reviewed by ODJFS. If the Project Budgets of all technically qualifying applicants are in excess of the available funding for this project, ODJFS may, at its sole discretion, negotiate with all technically qualifying applicants for revised Project Budgets. Applicants may then submit one last and best offer; request that ODJFS view its original Project Budget as its last and best offer; or may withdraw from further consideration and shall indicate its choice according to directions provided by ODJFS at that time.

Upon receipt of all last and best offers, and assuming that one or more have submitted a budget that is within ODJFS’ program budget, ODJFS will then consider those applicants’ revised Project Budgets which are within the program budget. ODJFS reserves the right to negotiate with applicants for adjustments to their applications should ODJFS determine, for any reason, to adjust the scope of the project for which this RFGA is released.

7.2 Review Process Caveats

ODJFS may, at its sole discretion, waive minor errors or omissions in applicants’ Technical Applications or related forms when those errors do not unreasonably obscure the meaning of the content.

ODJFS reserves the right to request clarifications from applicants to any information in their Technical Application or related forms and may request such clarification as it deems necessary at any point in the application review process. Any such requests for application clarification when initiated by ODJFS, and applicants’ verbal or written response to those requests, shall not be considered a violation of the communication prohibitions contained in Section 2.3 of this RFGA. Such communications are expressly permitted when initiated by ODJFS and are at the sole discretion of ODJFS.
Should ODJFS determine a need for interviewing applicants prior to making a final selection, responses to interview questions shall be scored in a manner similar to the process described in Section 7.1 above. Such scored results may be either added to those applicants’ scores, or will replace certain criteria scores, as the discretion of ODJFS. The standards for scoring the interviews and the method used for considering the results of the interviews shall be applied consistently for all applicants participating in the interview process for the RFGA.

Applicants may request changes to the model grant agreement, but any such requested changes must be approved by ODJFS either as requested or following a process of negotiation. While requested changes to the model grant agreement may have no effect of an applicant’s Technical Application score, any proposed changes to the model grant agreement that cannot be accepted or negotiated without causing undue delay (as defined by ODJFS) in the execution of an agreement may, at the sole discretion of ODJFS, result in the disqualification of the application.

ODJFS reserves the right to negotiate with applicants for adjustments to their applications should ODJFS determine, for any reason, to adjust the scope of the project for which this RFGA is released. Such communications are not violations of any communications prohibitions, and are expressly permitted when initiated by ODJFS, and are at the sole discretion of ODJFS.

Any applicant deemed not responsible, or submitting an application deemed not to be responsive to the terms of this RFGA, shall not be awarded an agreement.

### 7.3 Final Selection

The ART may recommend for selection as many or as few applicants as budget and successful applications allow, as determined by the processes and requirements established in this RFGA.

### SECTION VIII. PROTEST PROCEDURE

#### 8.1 Protests

Any applicant objecting to the award of an agreement resulting from the issuance of this RFGA may file a protest of the award of the agreement, or any other matter relating to the process of soliciting the applications. Such a protest must comply with the following guidelines:

A. A protest may be filed by an applicant or party objecting to the award of an agreement resulting from this RFGA. The protest shall be in writing and shall contain the following information:

1. The name, address, telephone number, and e-mail address of the protestor;
2. The name and number of the RFGA being protested;
3. A detailed statement of the legal and factual grounds for the protest, including copies of any relevant documents;
4. A request for a ruling by ODJFS;
5. A statement as to the form of relief requested from ODJFS; and
6. Any other information the protestor believes to be essential to the determination of the factual and legal questions at issue in the written protest.

B. A timely protest shall be considered by ODJFS, if it is received by ODJFS OCA, within the following periods:

1. A protest based on alleged improprieties in the issuance of the RFGA before or on the closing date for receipt of applications which are apparent or should be apparent prior to the closing date for receipt of applications shall be filed no later than 3:00 p.m. the closing date for receipt of applications, as specified in Section 2.1, Anticipated Procurement Timetable, of this RFGA.

2. If the protest relates to the announced intent to award an agreement, the protest shall be filed no later than 3:00 p.m. of seventh (7th) calendar day after the issuance of formal letters sent to all responding applicants regarding the ODJFS’ intent to make the award. The date on these ODJFS letters to responding applicants is the date used to determine if a protest regarding the intent to award is submitted by the end of the protest period.

C. An untimely protest may be considered by ODJFS if ODJFS determines that the protest raises issues significant to the Department’s procurement system. An untimely protest is one received by ODJFS OCA after the time periods set forth in Item B. of this section.

D. All protests must be filed at the following location:

Deputy Director
ODJFS Office of Contracts and Acquisitions
30 East Broad Street, 31st Floor
Columbus, Ohio 43215

E. When a timely protest is filed, an award shall not proceed until a decision on the protest is issued or the matter is otherwise resolved, unless the Director of ODJFS determines that a delay will severely disadvantage the Department. The applicant(s) who would have been awarded the agreement shall be notified of the receipt of the protest.

F. ODJFS OCA shall issue written decisions on all timely protests and shall notify any applicant who filed an untimely protest as to if the protest will be considered.

8.2 Caveats

ODJFS is under no obligation to issue an agreement as a result of this solicitation if, in the opinion of ODJFS and the ART, none of the applications are responsive to the objectives and needs of the Department. ODJFS reserves the right not to select any application should ODJFS decide not to proceed. Changes in this RFGA of a material nature will be provided via the webpage dedicated to this RFGA. All applicants are responsible for obtaining any such changes without further notice by ODJFS. After issuance of an award letter, ODJFS reserves the right to rescind the award and choose the next most responsive and responsible applicant, if ODJFS and the recommended applicant are unable to come to a mutually acceptable agreement.

A. [PUBLIC UNIVERSITY] ODJFS agrees that any documents, reports, data, photographs (including negatives), electronic reports and records, and other media produced under this Agreement or with funds provided by this Subgrant will become the property of GRANTEE, which will have the unrestricted right to reproduce, distribute, modify, maintain and use in any way it deems appropriate. B. All ODJFS information that is classified as public or private under Ohio law and ODJFS rules will be treated as such by GRANTEE. Should the nature of any information be in question, ODJFS will determine whether the information is public or private. GRANTEE will restrict the use of any information, systems, or records ODJFS provides to the specific Grant activities of this Agreement. GRANTEE and its employees agree to be bound by the same standards and rules of confidentiality that apply to employees of ODJFS and the State of Ohio. GRANTEE agrees that the terms of this Section will be included in any contract or subgrant executed by GRANTEE for work under this Agreement.

C. GRANTEE information that is proprietary and has been specifically identified by GRANTEE as proprietary will be held as confidential by ODJFS. Proprietary information is information that would put GRANTEE at a competitive disadvantage in GRANTEE’s market place and trade if it were made public. ODJFS reserves the right to require reasonable evidence of GRANTEE’s assertion of the proprietary nature of any information. The provisions of this ARTICLE are not self-executing. GRANTEE must demonstrate that any information claimed as proprietary meets the definition of “trade secrets” found at ORC 1333.61.

D. Litigation holds may require GRANTEE to keep the records longer than the approved records retention schedule. B. Liability. To the extent allowable by law, GRANTEE agrees to hold ODJFS harmless in any and all claims for personal injury, property damage, and/or infringement resulting from Grant activities. GRANTEE’s sole and exclusive remedy for any ODJFS failure to perform under this Agreement will be an action in the Ohio Court of Claims pursuant to ORC Chapter 2743 that will be subject to the limitations set forth in this ARTICLE. In no event will ODJFS be liable for any indirect or consequential damages, including loss of profits, even if ODJFS knew or should have known of the possibility of such damages. To the extent that ODJFS is a party to any litigation arising out of or relating in any way to this Agreement or the performance
thereunder, such an action shall be brought only in a court of competent jurisdiction in Franklin County, Ohio.

B. **[PUBLIC ENTITY] Limitation of Liability.** Each party agrees to be responsible for any of its own negligent acts or omissions or those of its agent, employees, or subcontractors. Each party further agrees to be responsible for its own defense and any judgments and costs that may arise from such negligent acts or omissions. Nothing in this Agreement will impute or transfer any such liability or responsibility from one party to the other. To the maximum extent permitted by law, the parties’ liability for damages, whether in contract or in tort, may not exceed the total amount of compensation payable to GRANTEE under ARTICLE III or the actual amount of direct damages incurred by any party—whichever is less. In no event will either party be liable for any indirect or consequential damages, including loss of profits, even if a party knew or should have known of the possibility of such damages.

C. **Infringement of Patent or Copyright.** To the extent allowable by law and subject to ORC 109.02, GRANTEE agrees to defend any suit or proceeding brought against ODJFS, any official or employee of ODJFS acting in his or her official capacity, or the State of Ohio due to any alleged infringement of patent or copyright arising out of the performance of this Agreement, including all work, services, materials, reports, studies, and computer programs provided by GRANTEE. ODJFS will provide prompt notification in writing of such suit or proceeding; full right, authorization, and opportunity to conduct the defense thereof; and full disclosure of information along with all reasonable cooperation for the defense of the suit. ODJFS may participate in the defense of any such action. GRANTEE agrees to pay all damages and costs awarded against ODJFS, any official or employee of ODJFS in his or her official capacity, or the State of Ohio as a result of any suit or proceeding referred to in this Section. If any information and/or assistance is furnished by ODJFS at GRANTEE’s written request, it is at GRANTEE’s expense. If any of the materials, reports, or studies provided by GRANTEE are found to be infringing items and the use or publication thereof is enjoined, GRANTEE agrees to, at its own expense and at its option, either procure the right to publish or continue use of such infringing materials, reports, or studies; replace them with non-infringing items of equivalent value; or modify them so that they are no longer infringing. The obligations of GRANTEE under this Section survive the termination of this Agreement, without limitation.

C. **[PUBLIC ENTITY] Infringement of Patent or Copyright.** To the extent permitted by law, if any of the materials, reports, or studies provided by GRANTEE are found to be infringing items and the use or publication thereof is enjoined, GRANTEE agrees to, at its own expense and at its option, either procure the right to publish or continue use of such infringing materials, reports, or studies; replace them with non-infringing items of equivalent value; or modify them so that they are no longer infringing. The obligations of GRANTEE under this section survive the termination of this Agreement, without limitation.

D. **Liens.** GRANTEE will not permit any lien or claim to be filed or prosecuted against ODJFS or the State of Ohio because of any labor, services, or materials furnished. If GRANTEE fails, neglects, or refuses to make prompt payment of any claims for labor, services, or materials furnished to ODJFS in connection with this Agreement, ODJFS or the State of Ohio may, but is not obligated to, pay those claims and charge the amount of payment against the funds due or to become due to GRANTEE under this Agreement.

E. **Delay.** Neither party will be liable for any delay in its performance that arises from causes beyond its control and without its negligence or fault. The delaying party will notify the other promptly of any material delay in performance and will specify in writing the proposed revised performance date as soon as practicable after notice of delay. The delaying party must also describe the cause of the delay and its proposal to remove or mitigate the delay. Notices will be sent pursuant to ARTICLE V. In the event of excusable delay, the date of performance or delivery of products may be extended by amendment, if applicable, for a time period equal to that lost due to the excusable delay. Reliance on a claim of excusable delay may only be asserted if the delaying party has taken commercially reasonable steps to mitigate or avoid the delay. Items that are controllable by GRANTEE’s subcontractor(s) will be considered controllable by GRANTEE, except for third-party manufacturers supplying commercial items and over whom GRANTEE has no legal control. The final determination of whether an instance of delay is excusable lies with ODJFS in its discretion.

F. **Counterpart.** This Agreement may be executed in one, or more than one counterpart, and each executed counterpart shall be considered an original, provided that such counterpart is delivered to the other party by facsimile, mail courier or electronic mail, all of which together shall constitute one and the same agreement.
ARTICLE X. CONSTRUCTION

This Agreement will be governed, construed, and enforced in accordance with the laws of the State of Ohio. Should any portion of this Agreement be found unenforceable by operation of statute or by administrative or judicial decision, the remaining portions of this Agreement will not be affected as long as the absence of the illegal or unenforceable provision does not render the performance of the remainder of the Agreement impossible.

Has the applicant proposed any changes to the ODJFS model grant agreement attached to this competitive document for use in the event of its selection for this project? Requested changes to the model agreement have no effect on an applicant’s score. However, any such requested changes must be approved by ODJFS either as requested or following a process of negotiation. At the sole discretion of ODJFS, any proposed changes to the ODJFS model agreement that cannot be accepted or negotiated without causing undue delay (as defined by ODJFS) in the execution of a grant agreement may result in the disqualification of the applicant and its submission.

If changes were proposed by this applicant, are those changes such that ODJFS disqualifies the applicant? Disqualified

PHASE II: Criteria for Scoring the Technical Application

Qualifying Technical Applications will be collectively scored by an Application Review Team (ART) appointed by ODJFS, Office of (Program Area). For each of the evaluation criteria given in the following score sheet, reviewers will collectively judge whether the Technical Application exceeds, meets, partially meets or does not meet the requirements expressed in the RFGA and assign the appropriate point value, as follows:

<table>
<thead>
<tr>
<th>Requirement</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Does Not Meet</td>
<td>0</td>
</tr>
<tr>
<td>Partially Meets</td>
<td>6</td>
</tr>
<tr>
<td>Meets</td>
<td>8</td>
</tr>
<tr>
<td>Exceeds</td>
<td>10</td>
</tr>
</tbody>
</table>

Technical Performance Scoring Definitions:

“Does Not Meet Requirement” - A particular RFGA requirement was not addressed in the application, Score: 0

“Partially Meets Requirement” - Application demonstrates some attempt at meeting a particular RFGA requirement, but that attempt falls below acceptable level, Score: 6

“Meets Requirement” - Application fulfills a particular RFGA requirement in all material respects, potentially with only minor, non-substantial deviation, Score: 8

“Exceeds Requirement” - Application fulfills a particular RFGA requirement in all material respects, and offers some additional level of quality in excess of ODJFS expectations, Score: 10
A Technical Application’s total PHASE II score will be the sum of the point value for all the evaluation criteria. The review team will collectively score each individual qualifying application. Technical Applications which do not meet or exceed a total score of at least 118 points out of a maximum of 155 points, will be disqualified from further consideration, and its program budget will not be considered. Only those applicants whose Technical Applications meet or exceed the minimum required technical points will advance to PHASE III of the application score sheet.
