**Project Overview**

The purpose of this Request for Bid is to obtain the professional services of a research entity (hereafter "Applicant"), to develop and conduct a program evaluation of Zero Suicide framework conducted in conjunction with the U.S. Substance Use and Mental Health Services Administration Cooperative Agreements to Implement Zero Suicide in Health Systems (Zero Suicide) grant awarded to the Ohio Department of Mental Health and Addiction Services (OhioMHAS). The Zero Suicide framework provides communities with ways to coordinate and improve the care of individuals at-risk of suicide among primary care, behavioral health, and other partners, including Veterans' Affairs. If the Contractor agrees to the return of these items, the agency will be responsible for all costs associated with packaging, shipment and transportation, to include the original shipment to the agency and subsequent return of goods to the location designated by the Contractor. The Contractor may assess restocking fees that are equivalent to restocking fees that are normally assessed to other customers or as published by the Contractor. Failure of the Contractor to provide a production sample and obtain written approval from the ordering agency will result in the Contractor bearing all responsibility and costs associated with the return of these goods.
(C) Return goods of regular catalog stock merchandise, when due to agency error (i.e. over purchase, discontinued use, inventory reduction, etc.) will be accepted by the Contractor if notice is given by the agency within six (6) months of delivery and acceptance. At the option of the ordering agency, Contractor may be required to reimburse storage and/or handling fees to be calculated from time of delivery and acceptance to actual removal.
