NOTICE ON THE USE OF SOCIAL SECURITY NUMBERS AS FEDERAL TAX IDENTIFICATION NUMBERS: The Department of Administrative Services (Department) requires vendors and contractors wishing to do business with the State to provide their Federal Taxpayer Identification Number to the Department. The Department does this so that it can perform statutorily required "responsibility" analyses on those vendors and contractors doing business with the State and, under limited circumstances, for tax reporting purposes. If you are a vendor or contractor using your Social Security Number as your Federal Taxpayer Identification Number, please be aware that the information you submit is a public record, and the Department may be compelled by Ohio law to release Federal Taxpayer Identification Numbers as a public record. If you do not want to have your Social Security Number potentially disclosed as a Federal Taxpayer Identification Number, the Department encourages you to use a separate Employer Identification Number (EIN) obtained from the United States Internal Revenue Service's to serve as your Federal Taxpayer Identification Number.

EXECUTIVE SUMMARY

BACKGROUND: The Office of Procurement Services (OPS) desires to enter into an agreement with a Contractor to serve as Lessor for the State's Fleet Master Lease agreement as set forth by the Office of Fleet Management (OFM). The OFM is seeking, on behalf of itself, and other state of Ohio agencies, to establish a Fleet Master Lease Program to finance the purchase of motor vehicles for use by eligible State agencies. State agencies annually purchase hundreds of motor vehicle of various types and sizes and purchases are paid from appropriations of each individual State agency within Ohio's decentralized fleet management environment. In State fiscal year 2012, the state of Ohio procured 170 vehicles at a value of \$3.4 million dollars.

The estimated fiscal year 2013 schedule is:

Amortization Period	No. of Vehicles	Acquisition Amount
36	21	\$325,000
48	7	\$120,000
60	14	\$240,000
72	43	\$730,000
Totals	85	\$1,415,000

Purchases of motor vehicles are typically made from pre-established State term contracts, but may also be made from non-term contract dealers on a limited basis.

The Ohio Revised Code (ORC), Section 125.832, requires all State agencies to receive an approval from the OFM for the procurement of the motor vehicle(s). Furthermore, ORC Section 125.832 (A)(1) requires State agencies to use the OFM Master Lease Program unless the OFM authorizes an outright purchase. The State's central accounting system has edits that prohibit the processing of motor vehicle purchase transactions unless the OFM has assigned a pre-approval number. The OFM is responsible for providing a high-level management for the State's motor vehicle decentralized fleet. State agency is defined by ORC Section 125.831 (D) as "every organized body, office, board, authority, commission, or agency established by the laws of the state for the exercise of any governmental or quasigovernmental function of state government regardless of the funding source for that entity, other than any state institution of higher education, the office of the governor, lieutenant governor, auditor of state, treasurer of state, secretary of state, or attorney general, the general assembly or any legislative agency, the courts or any judicial agency, or any state retirement system or retirement program established by or referenced in the Revised Code." In addition to the exemptions spelled out in ORC Section 125.831 (D) specific vehicle assignments and types/sizes of vehicles are also exempted from the OFM acquisition approval requirement. Vehicles used by law enforcement officers as defined by ORC Section 125.831 (A) are exempt as well as vehicles with a gross vehicle weight of more than 12,000 pounds and vehicles with specialized equipment.

The Bidder should note that all quantities given are estimates and are given as a basis for comparison only. The quantities purchased may be increased or decreased by any eligible State entity as deemed necessary during the term of the Contract.

OBJECTIVES: The State has the following objectives that it wants this Work to fulfill, and it will be the Contractor's obligation to ensure that the personnel the Contractor provides are qualified to perform their portions of the Work.

1. Work solely with the OFM and under OFM direction on all leasing / financing transactions.
2. Accept quarterly payments directly from the acquiring State agencies. Early payments shall be accepted without penalty to the State.
3. Giving State agencies the discretion to self-insure for collision and comprehensive insurance or to formally procure such coverage. Self-insurance may mean using current appropriations to cover damages or claims.
4. Allow State agencies to utilize the DAS Risk Management's Motor Vehicle Self Insured Liability Program.
5. Agree to abide by the ORC Section 126.30 with regard to any late payments.

Provide financing, through lease to purchase, for all types of motor vehicles that are requested by State agencies, including those that are exempt from OFM's statutory authority with the exception of institutions of higher education. OFM shall be the sole state entity to determine what types of motor vehicles may be leased/financed and which state entities can use the Master Lease agreement.

DEFINITIONS: The following terms may be used throughout this document and shall be defined as:

1. OFM = Office of Fleet Management
2. DAS = Department of Administrative Services
3. Lessee = An Agency that has executed an Agency Lease
4. Lessor = Awarded Contractor

ESTIMATED LEASE BUDGET:

July 1, 2014 through June 30, 2015 (FY15)	\$2.5 million

Note: These values are budget estimates only and do not constitute a guarantee of purchase volume. Total actual acquisition amounts may be less than or exceed these estimated amounts dependent upon the actual amount of qualifying expenditures by DAS and eligible State agencies.

TERM: This Agreement shall be in effect from the Agreement Date until the final payment date of any lease payment under any agency lease. Motor vehicles can be acquired under this Agreement for an Acquisition Period terminating on November 30, 2015. This Agreement may be renewed for an additional (2) two (24) twenty-four month Acquisition Periods with mutual consent.

The State recognizes that the rates may vary and that the state of Ohio will pay the State of Ohio Rate times the Index rate at the time of funding, rounded to the nearest one-hundredth of one percent (.00 through .04 is rounded down; .05 through .09 is rounded up).

Seven Years	1.04%	141.0%	1.47%

(1) State of Ohio Interest Rates are based on the Treasury Constant Maturities and Interest Rate Swaps indices published on the web site: <http://www.federalreserve.gov/RELEASES/H15/update/default.htm>

(2) Sample rates as of 10/01/12

All requirements have been met and procedures have occurred in order to ensure the enforceability of the Agency Lease against Lessee.
- (c) Lessee will take no action that would cause the Interest portion of the Rental Payments to become includable in gross income of the recipient for federal income tax purposes under the Code and the Regulations, and Lessee will take and will cause its officers, employees and agents to take all affirmative actions legally within its power necessary to ensure that the Interest portion of the Rental Payments does not become includable in gross income of the recipient for federal income tax purposes under the Code and Regulations, all as amended from time to time as such are applicable hereto (including, without limitation, the calculation and payment of any rebate required to preserve such exclusion).

- (b) The Lessor shall comply with any and all applicable federal, State and local laws, rules and regulations as the same exist and may be amended from time to time.

ARTICLE III: LEASE OF MOTOR VEHICLES

Section 3.1. Acquisition of Motor Vehicles.

- (a) By execution hereof, Lessor agrees to lease and sell motor vehicles as requested by one or more Lessees commencing the effective date of the contract, 12/01/2012 (**may change**) and for such subsequent periods as may be mutually agreed in writing between DAS and the Lessor; provided, however, that nothing in this Agreement obligates any Agency, DAS, the State or any combination of them, to enter into any Agency Leases in any amount.
- (b) Each Agency Lease is subject to Section 126.07 of the Revised Code, which provides, in part, that an Agency Lease will not be valid or enforceable until the Director of the Office of Budget and Management certifies that there are appropriated funds available to pay the lease payments there under.
- (c) With respect to each proposed Agency Lease, a prospective Lessee shall advise DAS of its intention to lease motor vehicles, the motor vehicle cost, the Vendor, expected delivery date and the desired lease terms for such motor vehicles, by submission of an application in the form provided by DAS.
- (d) After review and approval, DAS shall prepare its Approval Letter in substantially the form attached hereto as Exhibit A and promptly forward same and Exhibit B, and the Agency purchase requisition to the Lessor for approval. Lessor shall immediately review such Approval Letter and give approval either verbally or by e-mail, and promptly confirm in writing by execution of such Approval Letter in the space provided. The Lessor shall promptly return the executed Approval Letter to DAS along with Exhibit B completed to the extent possible. Upon receipt of the executed Approval Letter from DAS, Lessor shall order the Motor Vehicle Group from the designated Vendor or Vendors and send an order acknowledgment to the Lessee and DAS upon completion of the order. The acknowledgement shall contain sufficient detail as to confirm the content of the vehicle as ordered.
- (e) The Lessor's approval of DAS's Approval Letter shall constitute a commitment by Lessor to lease and sell to the Lessee such Motor Vehicles at the rate of interest stated therein.
- (f) Motor Vehicle Schedules will be funded in their entirety upon the receipt of a completed Certificate of Acceptance designating that the initial delivery of vehicles listed on the schedule has been made to and accepted by the Lessee. In the event that the Certificate of Acceptance received by the Lessor represents a partial delivery of the vehicles listed in the Motor Vehicle Schedule, the remaining funds will be placed in a suspense account that will be used to pay for the balance of vehicles as they are delivered and accepted by the Lessee. All vehicles listed on a motor vehicle schedule will have a common funding date and payment schedule as established on the amortization schedule provided by the Lessor.
- (g) Lessor shall make payment to a Vendor for a Motor Vehicle Group within thirty (30) days after Lessor has received all of the following in form and substance satisfactory to Lessor (provided, however, Lessor shall make no payment to a Vendor for any Motor Vehicle for which Lessor did not receive a Certificate of Acceptance prior to the Final Acceptance Date): (i) Exhibit B executed by Lessor and Lessee; (ii) a Certificate of Acceptance in the form of Exhibit C executed by Lessee; (iii) evidence of insurance and/or self-insurance with respect to the Motor Vehicle Group in compliance with Article VI of this Agreement; (iv) Vendor invoice(s) and/or bill of sale relating to the Motor Vehicle Group; (v) the original certificate of title or manufacturer's certificate of origin and title application in conformity with certificate of title laws; (vi) executed opinion of State Counsel in the form of Exhibit D, and (vii) any other documents or items reasonably required by Lessor. Lessor shall promptly notify Lessee and DAS of the Funding Date by providing, in writing or by e-mail, a final payment schedule that is substantially in the form of Exhibit B-2.

Section 3.2. Lease; Enjoyment; Inspection. Lessor hereby agrees to lease to Lessee each Motor Vehicle Group made subject to a Motor Vehicle Schedule hereto, and each Lessee by execution of an Agency Lease leases from Lessor such Motor Vehicle Group, upon the terms and conditions set forth herein and therein and in the related Motor Vehicle Schedule. During the Lease term, Lessee shall peaceably and quietly have and hold and enjoy the Motor Vehicle Group, except as expressly set forth in this Agreement and the Agency Lease. Lessee agrees by the Agency Lease that Lessor and its agents shall have the right at all reasonable times to examine and inspect the Motor Vehicle, and Lessor and its agents shall have such rights of access to the Motor Vehicles as may be reasonably necessary to cause the proper maintenance of the Motor Vehicles in the event of failure by Lessee to perform its obligations hereunder and under each Agency Lease. Notwithstanding the designation of the **awarded contractor** as Lessor, The **awarded contractor** shall not own the Motor Vehicles and by this Agreement and each Agency Lease is merely financing the acquisition thereof for Lessee. Lessor has not been in the chain of title of the Motor Vehicles, does not operate, control or have possession of the Motor Vehicles and has no control over the Lessee or Lessee's operation, use, storage or maintenance of the Motor Vehicles. Lessee is solely responsible for the selection of the Motor Vehicles, and the manufacturer and Vendor thereof, and is solely responsible for the use, maintenance, operation and storage of the Motor Vehicles. The Lessor has agreed to order each Motor Vehicle Group from the designated Vendor as an administrative convenience to the DAS and each Lessee.

ARTICLE IV: TERM

Section 4.1. Term. This Agreement shall be in effect from the Agreement Date until the final payment date for any Rental Payment under any Agency Lease. Motor Vehicle Groups can be acquired under this Agreement for an Acquisition Period terminating on 1/30/15. Each Agency Lease shall be in effect for a Lease Term commencing upon the Funding Date and ending as provided in Section 4.5. The provisions of this Agreement shall apply to each Agency Lease for the respective Lease term.

Section 4.2. Termination.

- (a) Either the Lessor or DAS may terminate the Acquisition Period under this Agreement by notifying the other party in writing that it intends to terminate this Agreement, which notice must be given no later than ninety (90) days preceding each Renewal Date. In no event shall the Acquisition Period extend beyond, **Date TBD**. Termination of the Acquisition Period pursuant to this paragraph shall not operate to terminate any Agency Lease. Extension of the Acquisition Period for any period beyond the initial Acquisition Period shall not operate to change in any manner the method by which interest rates are established for any Agency Lease.
- (b) In the event of Non-Appropriation, an Agency Lease and each Motor Vehicle Schedule thereunder with respect to which such Non-Appropriation has occurred, shall terminate, and, at the option of Lessor, provided in writing to Lessee by Lessor, all other Agency Leases of such Lessee may terminate, effective upon the last day of the Fiscal Biennium for which funds were appropriated, in whole, but not in part, as to all Motor Vehicles listed thereon, in the manner and subject to the terms specified in this Article. Lessor may effect such termination by giving the Lessee and DAS a written notice of termination at which time Lessee shall pay to Lessor any Rental Payments and other amounts which are due and have not been paid at or before the end of the then current Fiscal Biennium with respect to such terminated Agency Leases. Lessee shall endeavor to give reasonable notice of such termination prior to the end of the last Fiscal Year for which appropriations were made, and shall notify Lessor of any anticipated termination upon its determination thereof. In the event of termination of an Agency Lease as provided in this Section, Lessee shall comply with written instructions received from Lessor in accordance with Section 12.3.
- (c) This Agreement is subject to termination with respect to a particular Agency Lease upon the occurrence of an Event of Default, as provided in Section 12.2 hereof.
- (d) No Motor Vehicle Schedules shall be executed after any Non-Appropriation or Event of Default with respect to a defaulting Lessee or a Lessee as to which a Non-Appropriation has occurred.

Section 4.3. Intent To Continue Lease Term; Appropriations. Each Lessee intends to continue each Agency Lease hereunder for its entire Lease Term and to pay all Rental Payments relating thereto. Each Agency executing an Agency Lease has agreed to direct the person within such Agency in charge of preparing the Lessee's budget to include in the budget request for each Fiscal Year the Rental Payments becoming due in such Fiscal Year. The parties acknowledge that appropriation for Rental Payments is a governmental function which DAS and Lessee cannot contractually commit the Ohio General Assembly to perform and this Agreement and the Agency Lease do not constitute such a commitment. However, the Lessee reasonably believes that money in an amount sufficient to make all Rental Payments can and will lawfully be appropriated and made available to permit continued utilization of the Motor Vehicles in the performance of its essential functions during the applicable Lease Term. Each Lessee is an Agency of the State and each Lessee's performance and obligation to pay under this Agreement and any applicable Agency Lease is contingent upon a biennial appropriation. Lessee, as an Agency of the State, is subject to the appropriation of funds by the Ohio General Assembly in an amount sufficient to allow continuation of its performance in accordance with the terms and conditions of this Agreement and each Agency Lease for each and every Fiscal Year following the Fiscal Year in which the Agreement and any applicable Agency Lease is executed and entered into and for which this Agreement and any applicable Agency Lease shall remain in effect. Lessee shall, upon receipt of notice that sufficient funds are not available to continue its full and faithful performance under this Agreement and any applicable Agency Lease, provide prompt written notice to DAS and Lessor of such event and upon the expiration of the period of time for which funds were appropriated be thereafter released of all further obligations in any way related to such Motor Vehicles. Each Lessee agrees (1) not to cancel any applicable Agency Lease under this provision if any funds are appropriated to it for the acquisition (by purchase, lease, or otherwise) of other functionally equivalent Motor Vehicles for the Fiscal Biennium of termination provided such action is not contrary to any expressed legislative intent, and (2) to expressly include in its appropriation request for each year of the Agreement and any applicable Agency Lease a request for an appropriation to fund the Agreement and any applicable Agency Lease.

In the event that the general appropriations act for the State has not been adopted by the Ohio General Assembly and approved by the Governor prior to the expiration of a Fiscal Biennium, and no declaration of an intent not to appropriate has been made by the State or the respective Lessee, the Lease term of each Agency Lease will be deemed renewed pending the enactment of such general appropriations act. If any Rental Payments are due under an Agency Lease during such period, such Lease terms will be so extended only if: (a) an interim or emergency budget implemented by the State pending enactment of a final budget makes available to the Lessee money that may legally be used to make Rental Payments during such period; or (b) sums are otherwise legally available to make such Rental Payments, and such funds are used to make the Rental Payments coming due prior to the effective date of such general appropriations act.

Section 4.4 Effect of termination for Non-Appropriation. Upon termination of an Agency Lease for non-appropriation as provided in this Article, Lessee shall not be responsible for the payment of any additional Rental Payments coming due in succeeding Fiscal Years, but if Lessee has not complied with the instructions received from Lessor in accordance with Section 12.3, the termination shall nevertheless be effective, and Lessee shall pay, on demand to Lessor, from legally available funds, the unpaid balance of the applicable Agency Lease which is stipulated to be the aggregate of the Prepayment Prices as shown on each Exhibit B as of the last day of the Fiscal Year for which funds were appropriated.

Section 4.5. Termination of Lease Term. The Lease term with respect to any Agency Lease shall not exceed the lesser of six years or the average useful life of all Motor Vehicles in the related Motor Vehicle Group weighted on the basis of purchase price, and each Agency Lease will terminate sooner upon the occurrence of the first of the following events: (a) the termination of an Agency Lease in accordance with Section 4.2; (b) the payment of the Prepayment Price by Lessee pursuant to Article X; (c) an Event of Default by Lessee and Lessor's election to terminate such Agency Lease pursuant to Article XII; or (d) the payment by Lessee of all Rental Payments and all other amounts authorized or required to be paid by Lessee pursuant to such Agency Lease.

ARTICLE V: RENTAL PAYMENTS

Section 5.1. Rental Payments. Upon receipt by Lessor of the Certificate of Acceptance, Lessor shall pay the Vendor and provide the Agency with the final amortization schedule for such Agency Lease, which shall include the Funding Date. As a convenience to the Lessee and to DAS, the Lessor shall provide quarterly invoices to DAS and the Lessee in such form as may be reasonably requested by DAS and the Lessee, but the failure to receive such invoice shall not relieve the Lessee of its obligation to pay Rental Payments due under such Agency Lease. Lessee agrees to pay Rental Payments with respect to each Agency Lease of a Motor Vehicle Group during the related Lease Term in the amounts and on the dates specified in the applicable Exhibit B. A portion of each Rental Payment is paid as and represents the payment of Interest as set forth in the applicable Exhibit B. Lessor is authorized to insert the due date of the first Rental Payment on the applicable Exhibit B, provided that the Lessee shall have no less than thirty (30) days after the Funding Date within which to make such initial payment. All Rental Payments shall be paid to Lessor at such place as Lessor may from time to time designate by written notice to Lessee. Lessee shall pay the Rental Payments exclusively from money legally available therefore, in lawful money of the United States of America.

Section 5.2. Current Expense. The obligations of Lessee, including its obligation to pay the Rental Payments due in any Fiscal Year of a Lease Term, shall constitute a current expense of Lessee for such Fiscal Year and shall not constitute an indebtedness of the Lessee, DAS, the State, nor any political subdivision or agency thereof within the meaning of the Constitution and laws of the State. Nothing herein shall constitute a pledge by Lessee of any taxes or other money (other than money lawfully appropriated from time to time by or for the benefit of Lessee for the related Agency Lease) to the payment of any Rental Payment or other amount coming due hereunder. The Rental Payments due hereunder are to be made only after an appropriation of funds therefore from legally available money and neither Lessee, the State nor any political subdivision or agency thereof shall be obligated to make any such appropriation and neither the full faith and credit of Lessee, DAS, the State nor any political subdivision or agency thereof is pledged for the payment of Rental Payments hereunder or under each Agency Lease.

Section 5.3. Rental Payments To Be Unconditional. Except as provided in Section 4.2, the obligation of Lessee to make Rental Payments from appropriated legally available funds required hereunder and under each Agency Lease shall be absolute and unconditional in all events. Notwithstanding any dispute between Lessee and Lessor, Lessee and DAS or Lessee and Vendor or any other person, and except as expressly provided by law, Lessee shall make all Rental Payments required hereunder when due and shall not withhold any Rental Payment pending final resolution of such dispute nor shall Lessee assert any right of set-off or counterclaim against its obligation to make Rental Payments required hereunder. Lessee's obligation to make Rental Payments shall not be abated through accident, unforeseen circumstances, failure of the Motor Vehicles to perform as desired, damage or destruction to the Motor Vehicles, loss of possession of the Motor Vehicles or obsolescence of the Motor Vehicles. However, nothing herein shall be construed to release Lessor from the performance of its obligations hereunder; and if Lessor should fail to perform any such obligation, Lessee may institute such legal action against Lessor as Lessee may deem necessary to compel the performance of such obligation or to recover damages therefore.

ARTICLE VI: INSURANCE AND RISK OF LOSS

Section 6.1. Motor Vehicle Liability Insurance. Pursuant to the provisions of Ohio Revised Code Section 9.83, upon receipt of possession of the Motor Vehicles, each Lessee and DAS shall take such measures as may be necessary to ensure that any liability for injuries to, or death of, any person, or damage to, or loss of property (except for liability to the Lessor under this Agreement with respect to damage or destruction of the Motor Vehicle, which is to be satisfied pursuant to the terms of Section 6.2 hereof) arising out of or in any way relating to, the condition or operation of the Motor Vehicles by officers or employees of the State while engaged in their employment or official responsibilities for the State is covered by a motor vehicle liability insurance policy or self-insurance maintained by the Lessee or DAS.

Section 6.2. Damage to or Destruction of Motor Vehicles. Lessee shall provide a complete written report to Lessor immediately upon any loss, theft, damage or destruction of any Motor Vehicle and of any accident involving any Motor Vehicle. The Lessee shall promptly cause any Motor Vehicle not damaged beyond repair to be promptly repaired, using monies available from current appropriations to the Lessee. If any Motor Vehicle is lost, stolen, destroyed or damaged beyond repair ("Damaged Motor Vehicle"), Lessee shall as soon as practicable after such event either: (a) replace the same at Lessee's sole cost and expense with a motor vehicle having substantially similar Specifications and of equal or greater value to the Damaged Motor Vehicle immediately prior to the time of the loss occurrence, such replacement motor vehicle to be subject to Lessor's approval, whereupon such replacement motor vehicle shall be substituted in the applicable Agency Lease and the other related documents by appropriate endorsement or amendment; or (b) pay the applicable Prepayment Price of the Damaged Motor Vehicle as set forth in the related Exhibit B. Lessee shall notify Lessor of which course of action it will take within fifteen (15) days after the loss occurrence. If, within forty-five (45) days of the loss occurrence, (i) Lessee fails to notify Lessor; (ii) Lessee and Lessor fail to execute an endorsement or amendment to the applicable Motor Vehicle Schedule to delete the Damaged Motor Vehicle and add the replacement Motor Vehicle; or (iii) Lessee has failed to pay the applicable Prepayment Price, then Lessor may, at its sole discretion, declare the applicable Prepayment Price of the Damaged Motor Vehicle, to be immediately due and payable, and Lessee is required to pay the same from legally available funds.

ARTICLE VII: OTHER OBLIGATIONS OF LESSEE

Section 7.1. Use; Permits. Lessee shall exercise due care in the use, operation and maintenance of the Motor Vehicles, and shall not use, operate or maintain the Motor Vehicles improperly, carelessly or for a purpose or in a manner contrary to that contemplated by the Agency Lease. Lessee shall operate and maintain the Motor Vehicles fully in accordance with any insurance policy provision, and the manufacturer's specifications therefore. Lessee shall obtain all permits and licenses necessary for the operation, possession and use of the Motor Vehicles. Lessee shall comply with all State and Federal Laws applicable to the use, possession and operation of the Motor Vehicles, and if compliance with any such State and Federal Law requires changes or additions to be made to the Motor Vehicles, such changes or additions shall be made by Lessee at its expense. Except to the extent essential to an Agency's performance of its governmental function of implementing or enforcing laws relating to environmental regulation, Lessee shall not use any Motor Vehicles to haul, convey, store, treat, transport or dispose of any "hazardous substances" or "hazardous waste", except in Materials of Trade quantities, as such terms are defined in any federal, state or local law, rule or regulation pertaining to the protection of the environment (together, "Environmental Laws"). Lessee agrees that if Lessee is required to deliver any Motor Vehicle to Lessor or Lessor's agent, the Motor Vehicle shall be delivered free of all substances which are regulated by or form a basis for liability under any Environmental Law.

Section 7.2. Taxes, Other Governmental Charges. Lessee shall pay when due all charges incurred in the operation, maintenance, use, and upkeep of the Motor Vehicles.

It is hereby acknowledged between the parties hereto that Lessee is a nontaxable governmental agency and not subject to the imposition of any tax, assessment, franchise fee, levy, or other governmental charge levied for Lessee's ownership or use of the Motor Vehicles and Lessee does not agree to pay any taxes in connection therewith.

ARTICLE VIII: TITLE AND LIENS

Section 8.1. Title. During the Lease Term, legal title to and ownership of all Motor Vehicles and any and all repairs, replacements, substitutions and modifications thereto shall be in Lessee, and Lessee shall take all actions necessary to vest such title and ownership in Lessee.

Section 8.2. Lien of Lessor on Motor Vehicles. Lessee shall grant, pledge and assign to the Lessor or its designee a security interest in all Motor Vehicles financed by Lessee pursuant to this Agreement, together with all substitutions, replacements, additions and accessions thereto or thereto, all replacement and repair parts therefore, all documents including, but not limited to, documents of title and other documents relating thereto and all cash and non-cash proceeds arising in connection therewith of all or any part of such Motor Vehicles. The Lessee agrees to perform, do, make, execute and deliver all such additional and further acts, things, certificates, assurances and instruments as the Lessor may reasonably require to more completely vest in and assure to Lessor its rights in or to such Motor Vehicles.

Section 8.3. No Other Lessee Liens. During the Lease Term, Lessee shall not, directly or indirectly, create, incur, assume or suffer to exist any security interest, pledge, lien, charge, encumbrance or claim on or with respect to the Motor Vehicles (together, "Liens"), other than the respective rights of Lessor and Lessee as herein provided. Lessee shall promptly, at its own expense, take such action as may be necessary duly to discharge or remove any such Lien. Lessee shall reimburse Lessor for any expenses incurred by Lessor to discharge or remove any Lien if Lessee first refuses to remove such Lien.

Section 8.4. Modification of Motor Vehicles. Lessee will not, without the prior written consent of Lessor, affix or install any accessory or device on any of the Motor Vehicles if such addition will adversely and permanently change or impair the originally intended functions, value or use of the Motor Vehicle.

ARTICLE IX: MOTOR VEHICLE WARRANTIES

Section 9.1. Selection of Motor Vehicles. The Motor Vehicles and the Vendors have been selected by DAS and Lessee, and Lessor shall have no responsibility in connection with the selection of the Motor Vehicles, their suitability for the use intended by Lessee, the acceptance by the Vendors or their sales representatives of the orders submitted, or any delay or failure by the Vendors or their sales representatives to manufacture or deliver the Motor Vehicles for use by Lessee.

Section 9.2. Vendors' Warranties. Lessor hereby assigns to Lessee for and during the related Lease Term, all of its interest, if any, in all Vendors' warranties and guarantees, express or implied, issued on or applicable to an Motor Vehicle Group, and Lessee may obtain the customary services furnished in connection with such warranties and guarantees at Lessee's expense. Lessor has no obligation to enforce any Vendors' warranties or obligations on behalf of itself or Lessee.

Section 9.3. Disclaimer of Warranties. BY EXECUTION OF THE AGENCY ACKNOWLEDGMENT, LESSEE ACKNOWLEDGES THAT IT SELECTED THE MOTOR VEHICLES WITHOUT ASSISTANCE OF LESSOR, ITS AGENTS OR EMPLOYEES. LESSOR MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OR FITNESS FOR THE USE CONTEMPLATED BY LESSEE OF THE MOTOR VEHICLES, OR ANY OTHER REPRESENTATION OR WARRANTY WITH RESPECT TO THE MOTOR VEHICLES. IN NO EVENT SHALL LESSOR BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES IN CONNECTION WITH OR ARISING OUT OF THIS AGREEMENT OR THE MOTOR VEHICLES OR LESSEE'S USE OF THE MOTOR VEHICLES.

Lessee shall have the option to prepay its obligations under any Agency Lease on any Payment Date, without penalty, for the then applicable Prepayment Price set forth in the amortization schedule for the related Exhibit B. Prepayments exercised as a result of a vehicle loss shall be process as soon as practical after the date of the loss, thereto in the manner provided in this Article.

Section 10.2. Exercise of Option. Lessee shall give notice to Lessor of its intention to exercise its prepayment option with respect to any Agency Lease not less than thirty (30) days prior to the date on which the option will be exercised and shall deposit with Lessor on the date of exercise an amount equal to the applicable Prepayment Price set forth in the amortization schedule for the related Exhibit B. Prepay price to be included on the amortization schedule provided for each exhibit B

ARTICLE XI: ASSIGNMENT, SUBLEASING, MORTGAGING AND SELLING

Section 11.1 Assignment by Lessor. None of Lessor's right, title and/or interest in and to this Agreement or any Agency Lease hereunder, including, but not limited to, the Rental Payments and other amounts payable by Lessee, may be assigned in whole or in part by Lessor at any time except in compliance with the following sentence, without the prior written consent of DAS, which consent shall not be unreasonably withheld or delayed and shall be subject to the terms of the last sentence of this Section 11.1. Provided Lessor continues to service the Agreement and collect all Rental Payments, Lessor may assign its right, title and interest (but none of its obligations) in one or more Motor Vehicle Schedules to an affiliate or to an entity whose common stock is 100% owned by the Lessor's parent or indirect parent. No further assignment of this Agreement or any Agency Lease or Motor Vehicle Schedule shall be permitted without the prior written consent of DAS, which consent shall not be unreasonably withheld or delayed and shall be subject to the terms of the last sentence of this Section 11.1.

Notwithstanding the foregoing, in no event shall the Lessor assign this Agreement, any Agency Lease or the Rental Payments as part of a plan to publicly offer participation interests therein. When Lessor requests DAS's consent to the private placement of participation interests, such consent shall be subject to such conditions as DAS reasonably determines including, but not limited to: (a) participation interests will be sold only to accredited investors ("Accredited Investors") as defined in Rule 501(a) under Regulation D of the Securities Act of 1933, as amended (the "1933 Act"), and/or qualified institutional buyers ("Institutional Investors") as defined in Rule 144A under the 1933 Act, engaged in the business of investing in securities of the type being offered; (b) each investor (including subsequent purchasers) will be required to execute a letter acceptable to DAS certifying that it is an Accredited Investor or an Institutional Investor who has undertaken its own investigation and is not relying on any representations of DAS, the State or any Agency; (c) any disclosure documents prepared in connection with such assignment must include a legend to the effect that neither DAS, the State nor any Agency has participated in preparation of the disclosure materials; and (d) Lessor must agree to indemnify DAS, the State and the Lessee against any third party claims arising as a result of such assignment.

Section 11.2 Assignment and Subleasing by Lessee. Without the prior written consent of Lessor, a Lessee will not: (a) assign, transfer, pledge, hypothecate, or otherwise dispose of any of its rights or obligations under this Agreement or the Motor Vehicles; (b) sublease the Motor Vehicles; or (c) permit the Motor Vehicles to be used for any purpose not permitted by this Agreement.

ARTICLE XII: EVENTS OF DEFAULT AND REMEDIES

Section 12.1. Events of Default Defined. The following are Events of Default under this Agreement and any particular Agency Lease:

- (a) Failure by Lessee to pay any Rental Payment or other payment required to be paid when due and the continuation of said failure for a period of ten (10) days after such due date (other than by reason of Non-Appropriation).
- (b) Failure by Lessee to maintain insurance as required by Article VI so as to include such Motor Vehicles.
- (c) Failure by Lessee to observe and perform any covenant, condition or agreement on its part to be observed or performed hereunder or under the applicable Agency Lease, other than as referred to in Clauses (a) and (b) of this Section, for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied has been given to Lessee by Lessor, unless Lessor shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice cannot be corrected within the applicable period, Lessor will not unreasonably withhold its consent to an extension of such time if corrective action is instituted by Lessee within the applicable period and diligently pursued until the default is corrected.

- (d) Any representation or warranty made by Lessee in this Agreement or the Agency Acknowledgment was untrue in any material respect upon execution of this Agreement or any Agency Acknowledgment.
- (e) Lessee shall: (i) apply for or consent to the appointment of a receiver, trustee, custodian or liquidator of Lessee, or of all or a substantial part of the assets of Lessee, (ii) be unable, fail or admit in writing its inability generally to pay its debts as they become due, (iii) make a general assignment for the benefit of creditors, (iv) have an order for relief entered against it under applicable federal bankruptcy law, or (v) file a voluntary petition in bankruptcy or a petition or an answer seeking reorganization or an arrangement with creditors or taking advantage of any insolvency law or any answer admitting the material allegations of a petition filed against Lessee in any bankruptcy, reorganization or insolvency proceeding.
- (f) An order, judgment or decree shall be entered by any court of competent jurisdiction, approving a petition or appointing a receiver, trustee, custodian or liquidator of Lessee or of all or a substantial part of the assets of Lessee, in each case without its application, approval or consent, and such judgment, order or decree shall continue unstayed and in effect for any period of the thirty (30) consecutive days.

Section 12.2. Remedies on Default. Whenever any Event of Default defined in Section 12.1 hereof shall have occurred, Lessor shall have the right, at its option and without any further demand or notice, to take one or any combination of the following remedial steps:

- (a) Lessor, with or without terminating any Agency Lease, may declare all Rental Payments due or to become due with respect to such defaulted Agency Lease and, at the option of Lessor pursuant to a writing delivered to Lessee and DAS by Lessor, all other Agency Leases of such Lessee during the Fiscal Year in effect when the default occurs to be immediately due and payable by Lessee, whereupon such Rental Payments shall be immediately due and payable.
- (b) Lessor, with or without terminating any Agency Lease, may by written notice to Lessee, request that Lessee, within ten (10) days of such written notice, cause all Motor Vehicles subject to the defaulted Agency Lease and, at the option of Lessor pursuant to a writing delivered to Lessee and DAS by Lessor, all other Agency Leases of such Lessee (together with all documents necessary to transfer legal and beneficial title thereto to Lessor) to be delivered to Lessor or Lessor's designee at a place in the State designated by Lessor in accordance with Section 12.3. If Lessee fails or refuses to voluntarily transfer such Motor Vehicles to Lessor as herein provided, to the extent permitted by law, Lessor shall have the right to obtain a judgment against Lessee from legally available funds for compensatory damages in the amount of the then applicable Prepayment Prices as shown on the applicable Exhibit B. If the Motor Vehicles or any portion of them have been destroyed or damaged beyond repair, Lessee shall pay to Lessor the applicable Prepayment Price of the damaged or destroyed Motor Vehicles as set forth in the Motor Vehicle Schedule relating thereto.
- (c) If Lessor terminates any Agency Lease and, in its discretion, takes possession and disposes of the Motor Vehicles or any portion thereof, Lessor shall apply the proceeds of any such disposition to pay the following items in the following order: (i) reasonable costs (including, but not limited to, reasonable and necessary attorneys' fees) incurred in securing possession of the Motor Vehicles; (ii) reasonable expenses incurred in completing the disposition; (iii) any sales or transfer taxes; (iv) the applicable Prepayment Prices of the applicable Motor Vehicles Groups; and (v) the balance of any Rental Payments owed by Lessee on such defaulted Agency Lease during the Fiscal Year then in effect. Any disposition proceeds remaining after the requirements of Clauses (i), (ii), (iii), (iv) and (v) have been met shall be paid to the Lessee.

- (d) Following an Event of Default or an Event of Non-appropriation hereunder and upon failure of Lessee to voluntarily comply with Section 12.3, Lessor shall have whatever rights and remedies are available at law against Lessee's legally available funds. In the event the exercise of such remedies results in one or more judicial proceedings, the prevailing party in such proceedings shall be entitled to recover reasonable attorney fees and court costs, to the extent permitted by law. Lessor and Lessee agree that there is no intention to create under this Agreement and the applicable Agency Leases a right in Lessor to dispossess Lessee involuntarily of the legal title to or the use of the Motor Vehicles.
- (e) If the proceeds of sale of the returned Motor Vehicles are not sufficient to pay the balance of any Rental Payments owed by Lessee on the defaulted Agency Lease and any other Agency Leases of such Lessee which Lessor has declared to be in default during the Fiscal Year then in effect, Lessor may pursue such other remedies as are available at law or in equity to collect the balance of such Rental Payments from Lessee's legally available funds.

Section 12.3. Return of Motor Vehicles; Release of Lessee's Interest. Upon termination of this Agreement and/or any Agency Lease hereunder prior to the payment of all Rental Payments or the applicable Prepayment Price for such Agency Lease in accordance with each Exhibit B, Lessee shall promptly, but in any event within ten (10) days after such termination, at its own cost and expense: (a) perform any testing and repairs required to place the Motor Vehicles in the condition required by Article VII; and (b) Lessor, with or without terminating any Agency Lease, may by written notice to Lessee, request that Lessee, within ten (10) days of such written notice, cause all Motor Vehicles subject to the defaulted Agency Lease and, at the option of Lessor pursuant to a writing delivered to Lessee and DAS by Lessor, all other Agency Leases of such Lessee (together with all documents necessary to transfer legal and beneficial title thereto to Lessor) to be delivered to a third party motor vehicle remarketer that is located in the State designated by Lessor in accordance with Section 12.3. If Lessee fails or refuses to voluntarily transfer such Motor Vehicles to Lessor as herein provided, to the extent permitted by law, Lessor shall have the right to obtain a judgment against Lessee from legally available funds for compensatory damages in the amount of the then applicable Prepayment Prices as shown on the applicable Exhibit B. If the Motor Vehicles or any portion of them have been destroyed or damaged beyond repair, Lessee shall pay to Lessor the applicable Prepayment Price of the damaged or destroyed Motor Vehicles as set forth in the Motor Vehicle Schedule relating thereto.

Section 12.4. No Remedy Exclusive.

- (a) No remedy conferred upon or reserved to Lessor by this Article is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof but any such right and power may be exercised from time to time and as often as may be deemed expedient by Lessor.
- (b) No remedy conferred upon or reserved to Lessee by this Article is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof but any such right and power may be exercised from time to time and as often as may be deemed expedient by Lessee.

Section 12.5. Late Charges. The Lessor must pay the purchase price of each item of Motor Vehicles within [30] days of the Acceptance Date, but in any event the Lessor shall make such payment within ten (10) days after receipt of the documents described in Section 3.1(d) from the Agency. If the Lessor does not make the payment due the Vendor within the time limits established in the Vendor invoice then the Lessor shall pay from its own funds any interest assessed for untimely payment.

The Lessee shall pay interest on past-due payments due under the Agency Lease in accordance with the provisions of Ohio Revised Code Section 126.30.

Section 12.6 Public Record. DAS shall have the right to terminate this Agreement upon Lessor's refusal to allow public access to all documents, papers, letters or other materials subject to the State public records law, Section 149.43 of the Revised Code, and made or received by the Lessor in conjunction herewith.

ARTICLE XIII: ADMINISTRATIVE PROVISIONS

In the event of conflict between the terms and conditions of the various documents, the terms and conditions of this Agreement shall prevail over the provisions of the Request for Proposals and the terms and conditions of the Request for Proposals shall prevail over the terms of the Lessor's response to the Request for Proposals. This Agreement may be amended or modified only by written documents duly authorized, executed and delivered by Lessor, Lessee and DAS.

Section 13.6. Captions. The captions or headings in this Agreement are for convenience only and in no way define, limit or describe the scope or intent of any provisions, Articles, Sections or Clauses hereof.

[Lessor]

Re: **State of Ohio Master Motor Vehicle Financing Agreement dated as of _____, 20___, by and between _____ (“Lessor”) and the State of Ohio acting by and through Ohio Department of Administrative Services**

Ladies and Gentlemen:

I have acted as counsel to the State of Ohio in connection with the State of Ohio Master Motor Vehicle Financing Agreement (the “Agreement”) described above and various related matters, and in this capacity have reviewed duplicate originals or certified copies thereof and the form of the Motor Vehicle Schedule attached to the Agreement and to be executed pursuant thereto (together, the “Agency Lease”). Based upon the examination of these and such other documents as I deem relevant, it is my opinion that as of the date of this letter:

1. Each Agency as defined in the Agreement is an agency of the State of Ohio (the “State”), duly organized, existing and operating under the Constitution and laws of the State.
2. Each Agency is authorized and has power under applicable law to enter into an Agency Lease, and to carry out its obligations thereunder and the transactions contemplated thereby, subject to legislative appropriation.
3. The Agreement has been duly authorized and approved, and constitutes the legal, valid and binding contract of the State enforceable in accordance with its terms, except to the extent limited by State and federal law affecting remedies and by bankruptcy, reorganization or other laws of general application relating to or affecting the enforcement of creditors’ rights.
4. Each Agency Lease, when executed and delivered by and on behalf of the Agency, will constitute the legal, valid and binding contract of each Lessee enforceable in accordance with its terms, except to the extent limited by budget appropriations and by State and Federal laws affecting remedies and by bankruptcy, reorganization or other laws of general application relating to or affecting the enforcement of creditors’ rights.
5. The execution of each Agency Lease and the appropriation of money to pay the Rental Payments coming due thereunder do not and will not result in the violation of any constitutional, statutory or other limitation relating to the manner, form or amount of indebtedness which may be incurred by each Agency.
6. There is no litigation, action, suit or proceeding pending or before any court, administrative agency, arbitrator or governmental body that challenges the authority of the Ohio Department of Administrative Services to enter into the Agreement; or, to the best of my knowledge, challenging the authority of State Agencies generally to enter into Agency Leases, the power of the Ohio General Assembly to appropriate money to make Rental Payments, or the ability of State Agencies to perform their obligations under the transactions, all as contemplated by the Agreement, and, to the best of my knowledge, no such litigation or actions are threatened.
7. The Order of the Director of the Department of Administrative Services which authorized the Agreement was duly and validly adopted by such Director on _____, 20___, and such Order has not been amended, modified, supplemented or repealed and remains in full force and effect.

Very truly yours,

(type name and title under signature)
