Section 1: Background

The Office of Early Learning and School Readiness in the Ohio Department of Education (ODE) has the responsibility to conduct integrated licensing and monitoring on-site visits for preschool programs to ensure compliance with health and safety requirements as well as to ensure programs meet state and/or federal requirements. ODE licenses preschool and school age child care programs that are in public districts, educational service centers, joint vocational schools, and chartered non-public schools (per Ohio Revised Code 3301.52 – 3301.59 and in Chapters 3301-37 and 3301-32 of the Ohio Administrative Code).

In addition, ODE funds and monitors two public preschool programs: 1) Early Childhood Education and 2) Preschool Special Education which are required to be monitored using Ohio's Step Up To Quality system. The Early Childhood Education program (ECE) serves preschool aged children from low income families (0-200% of the federal poverty level) and the Preschool Special Education program serves preschool aged children with disabilities. House Bill 59 specifies that programs receiving these funds are required to participate in Ohio's Step Up To Quality which is Ohio's tiered quality rating and improvement system.

Programs that are licensed but not funded by ODE, may voluntarily participate in Step Up To Quality. Both ODE and Ohio Department of Job and Family Services are utilizing Step Up To Quality which was recently expanded from a 3-star to a 5-star system to monitor programs for quality and continuous improvement (see www.earlychildhoodohio.org for program standards and information about the rating process). Step Up To Quality requires programs to submit

documents, participate in a desk audit, and receive on on-site visit to confirm the rating level. ODE and ODJFS reviewers are trained to examine the extent programs have met the early learning program standards which includes such areas as teacher qualifications, professional development, alignment of standards to curriculum, child and program assessment, family engagement, and more.

Section 2: Objectives

This RFR seeks qualified individuals who will be trained by ODE to complete reviews and on-site integrated licensing and monitoring Step Up to Quality visits within programs that are located within designated areas of the state. ODE will select contractors that meet education and experience requirements. Contractors must participate in ODE training, meet reliability requirements for conducting classroom observations, and maintain reliability over the course of the contract.

Section 3: Overview of the Scope of Work

Individuals selected for this contract would assist programs in registration and participation in the licensing and Step Up To Quality system which includes completion and submission of documents, desk audits, classroom observations, and referrals for technical assistance. ODE will assign contractors to particular programs to be reviewed in designated areas of the state for the purpose of conducting license renewal visits, new site license visits, and Step Up To Quality visits. Contractors will be assigned programs near the geographic area of the contractor's home. Those conducting visits will write and submit integrated licensing and monitoring compliance reports and approve corrective action plans. In addition, contractors may assist the Office of Early Learning and School Readiness in the development of protocols for professional development, data collection, as well as assist in the creation of internal policies and other guidance documents to support the licensing and monitoring process.

Contractors must participate in ODE training to conduct visits and follow protocols established by ODE. Visitors will make announced and unannounced on-site visits, complete the required compliance worksheets and submit the documentation to the Office of Early Learning and School Readiness. In addition they will monitor the issuance of licenses and renewal letters, request the creation of corrective action plans, when necessary, and approve completed corrective action plans when appropriate.

Individuals will be required to travel as assigned to onsite visits and provide their own vehicle for travel. Individuals will need an email account, laptop, and must have Internet access. All contractors will be expected to work under direction from the staff of the Office of Early Learning and School Readiness.

ODE will accept and applications throughout the state but is especially seeking qualified individuals in the north and northwest counties of Ohio in the following State Support Team Regions and Counties: State Support Team Region 1 (Defiance, Fulton, Hancock, Henry, Lucas, Ottawa, Paulding, Putnam, Sandusky, Seneca, Van Wert, Williams, Wood); State Support Team Region 2 (Erie, Huron, Lorain); and State Support Team 3 (Cuyahoga); State Support Team 6 (Allen, Auglaize, Champaign, Hardin, Logan, Mercer, Shelby); State Support Team 12 (Belmont, Carroll, Coshocton, Guernsey, Harrison, Holmes, Jefferson, Muskingum, Noble, Tuscarawas) and, State Support Team 16 (Athens, Gallia, Hocking, Jackson, Meigs, Monroe, Morgan, Perry, Vinton, Washington).
