1. Introduction

The Ohio Department of Health (ODH) is seeking proposals from qualified bidders that fulfill the requirements, performance expectations and deliverables as outlined in the Project Scope of Work and Deliverables to provide Examination Administration and Other Services as follows:

- 1.1 Administer United States Environmental Protection Agency (“U.S. EPA”) examinations for the lead inspector, lead risk assessor, lead abatement contractor, and lead abatement project designer disciplines, and administer ODH examinations for the clearance technicians and lead abatement workers. Examinations for each discipline will be provided by ODH to the successful bidder; and
- 1.2 Issue, reissue, or replace licenses to eligible lead inspector, lead risk assessor, lead abatement contractor, lead abatement project designer, lead abatement worker and lead clearance technician professionals who have already passed their respective examinations or who are renewing/replacing their licenses commencing July 1, 2013. (A license consists of a picture identification card).

2. Project Background

Lead affects virtually every system of the body. Lead exposure is harmful to individuals of all ages, but is particularly harmful to children, fetuses, and women of childbearing age. Results of recent studies suggest that lead's adverse effects occur at blood-lead levels previously thought to be safe; in fact, discernable thresholds do not exist for the adverse effects of lead on the young. Many call lead poisoning "the silent disease" because its effects often occur gradually and imperceptibly, showing no obvious symptoms. Over time, low levels of lead in the bloodstream can cause learning disabilities, interfere with growth, cause permanent hearing and visual impairment, and cause other damage to the brain and nervous system. In large doses, lead can cause blindness, brain damage, convulsions, and even death. Lead exposure before or during pregnancy can also effect fetal development and cause miscarriages.

To protect families from exposure to the hazards of lead-based paint, Congress amended the Toxic Substances Control Act (the “TSCA”) to add Title IV, entitled Lead Exposure Reduction. Title IV of the TSCA directs the U.S. EPA to address the general public's risk of exposure to lead-based paint hazards through regulations, education, and other activities. Congress and U.S. EPA are particularly concerned about the potential lead exposure risks that can occur during renovations of housing containing lead-based paint unless the renovator takes certain safety measures.

ODH has adopted regulations governing lead-based paint activities, which attempt to ensure that individuals engaged in such activities are properly trained; that

training programs are accredited; and that service providers engaged in such activities are certified. The regulations' objective is to provide a qualified and properly trained work force to help in the control and elimination of hazards associated with lead-based paint. Providing for this work force will ensure that individuals and firms will conduct lead-based paint activities in a way that will safeguard the environment and protect human health, specifically, the health of building occupants (especially children less than six years of age) and the lead abatement workers themselves. ODH has set up its own training, accreditation, and certification programs for lead-based paint activities.

Under its program, ODH issues licenses to individuals doing lead-based paint activities in the state of Ohio. ODH licenses individuals in six specialized disciplines, all of which (lead inspector, lead risk assessor, lead abatement contractor, lead abatement project designer, lead abatement worker, and clearance technician) require the successful completion of a third-party examination. The lead abatement project designer discipline requires successful completion of the same examination as the lead abatement contractor.

ODH estimates that the number of lead inspector, lead risk assessor, lead abatement contractor, lead abatement worker, and clearance technician examinations given during any year is three hundred and fifty (350), reflecting all six disciplines. ODH estimates that the number of lead inspector, lead risk assessor, lead abatement contractor, lead abatement worker, lead abatement project designer, and clearance technician licenses reissued (renewed) or replaced is five hundred (500), reflecting all six disciplines. However, it is possible that the selected interested organization may give more or fewer examinations, or reissue more or fewer licenses.

3. Contract Award, Negotiations and Duration

Contingent upon the approval by the Director of Health, one contract will be awarded. The resultant contract shall be in effect from approximately July 1, 2013 until June 30, 2015 with two one-year options to extend/renew. As the current General Assembly cannot commit a future General Assembly to expenditure, this Agreement shall expire no later than the end of current biennium. ODH may renew the resultant contract on the same terms and conditions by giving written notice prior to expiration. Such renewal shall begin at the start of the next biennium and shall not extend beyond the expiration of the biennium in which the renewal commences.

The successful bidder will be required to contract with ODH to perform the work and deliver the deliverables as set forth in a contract substantially similar to the sample in Attachment A. ODH may, but is not required, to negotiate with potential successful bidder. The potential successful bidder shall negotiate in good faith.

4. Qualifications of the Bidders

- 4.1 Bidders must have expertise and experience in educational testing, vocational educational testing, psychometrics, computer programming and operations, and test administration and management.

The CONTRACTOR shall neither perform work nor submit an invoice for payment for work performed under this contract for any time period prior to receipt of written notification from the ODH contract manager that the requirements of section 126.07 and, if applicable, section 127.16 of the O.R.C. have been met.
- D. The CONTRACTOR shall neither perform work nor submit an invoice for payment for work performed under this contract for any time period after the termination date set forth in ARTICLE II, Section A, above.

ARTICLE III
Compensation for Services

- A. In consideration of the services provided pursuant to ARTICLE I of this contract, ODH agrees to pay compensation at the following rates:

1.

It is expressly understood by ODH and the CONTRACTOR that the terms of this contract limit the total compensation for services, travel and miscellaneous expenses to a maximum of \$dollar amount for the contract period set forth in ARTICLE II. The CONTRACTOR shall monitor the work under this contract and shall not accept an assignment under the contract if it will cause or is reasonably likely to cause the total amount paid under the contract for the contract period specified in ARTICLE II to exceed the maximum allowable compensation for services. The CONTRACTOR hereby waives the interest provisions of section 126.30 of the O.R.C.

- B. The CONTRACTOR understands and the parties agree that the ODH shall not separately reimburse CONTRACTOR for expenses related to travel.
- C. The CONTRACTOR shall invoice ODH for services the CONTRACTOR provides. An itemized statement listing the services provided, the dates services were provided, and the amount of payment due shall accompany the invoice. Invoices shall be sent to ODH, ATTN: Accounts Payable, P.O. Box 118, Columbus, Ohio 43216-0118. ODH will reimburse the CONTRACTOR within forty-five (45) days of receipt of a valid invoice for the amount of payment due. ODH shall return any invalid or incomplete invoice to the CONTRACTOR within fifteen (15) days after ODH receives the invoice. An explanation will accompany the invoice that states the reason for return and any information needed to correct the invoice. Final invoices for services provided under this contract shall be submitted by the CONTRACTOR no later than thirty (30) days following the termination of the contract.
- D. Subject to the provisions of sections 126.07 and 131.33 of the O.R.C., which shall at all times govern this contract, ODH represents that:
 - 1. It intends to maintain this agreement for the full period set forth herein and has no reason to believe that it will not have sufficient funds to enable it to make all payments due hereunder during such period; and
 - 2. It will use its best effort to obtain the appropriation of any necessary funds during the term of this agreement.

However, it is understood by the CONTRACTOR that the availability of funds is contingent on appropriations made by the Ohio General Assembly and, if applicable, the federal funding source. If the Ohio General Assembly or the federal funding source fails at any time to continue funding ODH for the payments due hereunder, this agreement is terminated as of the date funding expires without further obligation of ODH or the State of Ohio.

- E. ODH will not compensate the CONTRACTOR for any work performed prior to receipt of written notification from the ODH contract manager that the requirements of section 126.07 and, if applicable, section 127.16 of the O.R.C. have been met as set forth in ARTICLE II, Sections B and C. ODH will not compensate the CONTRACTOR for any work performed after the termination date set forth in ARTICLE II, Section A.

ARTICLE IV
Independent Contractor

- A. No agency, employment, joint venture or partnership has been or will be created between the parties hereto pursuant to the terms and conditions of this agreement. Inasmuch as ODH is interested in the CONTRACTOR's end product, ODH does not control the manner in which the CONTRACTOR performs this contract. ODH is not liable for the workers' compensation or unemployment compensation payments required by Chapters 4123. and 4141. of the O.R.C., respectively. In addition, the CONTRACTOR assumes responsibility for tax liabilities that result from compensation paid to the CONTRACTOR by ODH. ODH will report any payment made under this contract to the Internal Revenue Service on Form 1099.
- B. No provision contained in this contract shall be construed as entitling the CONTRACTOR to participate in hospital plans, medical plans, sick leave benefits, vacation, and other benefits available to employees of ODH or to become a member of the Public Employees Retirement System (Chapter 145. of the O.R.C.).

ARTICLE V
Conflict of Interest and Ethics Laws

- A. The CONTRACTOR hereby covenants that neither the CONTRACTOR nor any officer, member or employee of the CONTRACTOR has any interest, personal or otherwise, direct or indirect, which is incompatible or in conflict with or would compromise in any manner or degree with the discharge and fulfillment of his or her functions and responsibilities under this contract.
- B. Neither the CONTRACTOR nor any officer, member or employee of the CONTRACTOR shall, prior to the completion of such work and payment for such work, acquire any interest, personal or otherwise, direct or indirect, which is incompatible or in conflict with or would compromise in any manner or degree with the discharge and fulfillment of his or her functions and responsibilities with respect to the carrying out of such work.
- C. The CONTRACTOR shall not promise or give to any ODH employee anything of value that is of such a character as to manifest a substantial and improper influence upon the employee with respect to his or her duties. The CONTRACTOR shall not solicit an ODH employee to violate any ODH rule or policy relating to the conduct of contracting parties or to violate sections 102.03, 102.04 or 2921.42 of the O.R.C.
- D. The CONTRACTOR hereby covenants that the CONTRACTOR and any officer, member or employee of the CONTRACTOR are in compliance with section 102.04 of the O.R.C. and that if the CONTRACTOR is required to file a statement pursuant to section 102.04(D)(2) of the O.R.C., such statement has been filed with the ODH General Counsel in addition to any other required filings.
- E. The CONTRACTOR hereby certifies compliance with the executive agency lobbying requirements of sections 121.60 to 121.69 of the O.R.C.
- F. The CONTRACTOR hereby certifies and affirms that, as applicable to the CONTRACTOR, no party listed in Division (I) or (J) of section 3517.13 of the O.R.C. or spouse of such party has made, as an individual, within the two previous calendar years, one or more contributions in excess of \$1,000.00 to the Governor or to his campaign committees. If it is determined that the CONTRACTOR's certification of this requirement is false or misleading, not withstanding any criminal or civil liabilities imposed by law, the CONTRACTOR shall return to ODH all monies paid to the CONTRACTOR under this contract. The provisions of this section shall survive the expiration or termination of this contract.

ARTICLE VI
Equal Employment Opportunity

- A. In carrying out this agreement, the CONTRACTOR shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, age, handicap, disability, national origin, ancestry, veteran status, or any other factor specified in section 125.111 of the O.R.C., in the Civil Rights Act of 1964, as amended, or in section 504 of the Rehabilitation Act of 1973, as amended, and in any subsequent legislation pertaining to civil rights.
- B. The CONTRACTOR shall incorporate the foregoing requirements of ARTICLE VI, Section A in all of its contracts for performance of any of the work prescribed herein, and shall require all of its subcontractors for any part of such work to incorporate such requirements in all subcontracts for such work.
- C. The CONTRACTOR hereby certifies that the CONTRACTOR has a written affirmative action program for the employment and effective utilization of economically disadvantaged persons and shall file a description of the affirmative action program and a progress report on its implementation with the Equal Employment Opportunity Office of the Ohio Department of Administrative Services.

ARTICLE VII
“Sweatshop Free” Certification

The CONTRACTOR hereby certifies that all facilities used for the production of the supplies or performance of services offered in this contract are in compliance with applicable domestic labor, employment, health and safety, environmental and building laws. This certification applies to any and all suppliers and/or subcontractors used by the CONTRACTOR in furnishing the supplies or services pursuant to this contract. If it is determined that the CONTRACTOR's certification of this requirement is false or misleading, then the CONTRACTOR understands that it shall be grounds for the termination of this contract and may result in the loss of other contracts or grants with the State of Ohio.

ARTICLE VIII
Records, Documents and Information

All records, documents, writings or other information produced or used by the CONTRACTOR in the performance of this contract shall be treated according to the following terms:

- A. All ODH information which, under the laws of the State of Ohio, is classified as public or private will be treated as such by CONTRACTOR. Where there is a question as to whether information is public or private, ODH shall make the final determination. The CONTRACTOR shall not use any information, systems, or records made available to it for any purpose other than to fulfill the contractual duties specified herein. The CONTRACTOR agrees to be bound by the same standards of confidentiality that apply to the employees of ODH and the State of Ohio. The terms of this section shall be included in any subcontracts executed by the CONTRACTOR for work under this contract.
- B. All proprietary information of the CONTRACTOR shall be held to be strictly confidential by ODH. Proprietary information is information which, if made public, would put the CONTRACTOR at a disadvantage in the market place and trade of which the CONTRACTOR is a part. The CONTRACTOR is responsible for notifying ODH of the nature of the information prior to its release to ODH. ODH reserves the right to require reasonable evidence of the CONTRACTOR's assertion of the proprietary nature of any information to be provided.
- C. All records relating to costs, work performed and supporting documentation for invoices submitted to ODH by the CONTRACTOR shall be retained and made available by the CONTRACTOR for audit by the State of Ohio (including, but not limited to, ODH, the Auditor of the State of Ohio, the Inspector General or duly authorized law enforcement officials) and agencies of the United States government for a minimum of three years after payment for work performed under this contract. If an audit, litigation, or other action is initiated during this time period, the CONTRACTOR shall retain such records until the action is concluded and all issues resolved or the three years end, whichever is later.

ARTICLE IX
Rights in Deliverables, Data and Copyrights

The Deliverables provided by the CONTRACTOR under ARTICLE I and any item produced under this contract, including any documents, data, photographs and negatives, electronic reports, records, software, source code, or other media, shall become the property of ODH which shall have an unrestricted right to reproduce, distribute, modify, maintain, and use the Deliverables. The CONTRACTOR shall not obtain copyright, patent, or other proprietary protection for the Deliverables. The CONTRACTOR shall not include in any Deliverable any copyrighted matter, unless the copyright owner gives prior written approval to use such copyrighted matter.

ARTICLE X
Disclosure of Personal Health Information

- A. CONTRACTOR hereby agrees that the information provided or made available by ODH shall not be used or disclosed other than as permitted or required by the contract or as required by law. CONTRACTOR will establish and maintain appropriate safeguards to prevent any use or disclosure of the information, other than as provided for by this contract [ref. 45 §C.F.R.164.504(e)(2)(ii)(A)(B)]. CONTRACTOR shall immediately report to ODH any discovery of use or disclosure of information not provided for or allowed by the contract.
- B. CONTRACTOR hereby agrees that anytime information is provided or made available to any subcontractor or agent, CONTRACTOR must enter into a subcontract with the subcontractor or agent that contains the same terms, conditions, and restrictions on the use and disclosure of information as contained in this contract. CONTRACTOR must obtain ODH approval prior to entering into such agreements. Further, CONTRACTOR agrees to make available and provide right of access to an individual of their protected health information when that protected health information is obtained in the performance of CONTRACTOR's obligations under this contract.

ARTICLE XI
Suspension and Termination

- A. ODH may suspend or terminate this contract for any reason thirty (30) days after delivery of written notice to the CONTRACTOR. ODH may suspend or terminate this contract immediately after delivery of written notice to the CONTRACTOR if ODH:
1. Discovers any illegal conduct on the part of the CONTRACTOR;
 2. Discovers a violation of ARTICLE V or ARTICLE XVIII;
 3. Is subject to a loss of funding as set forth in ARTICLE III, Section D;
 4. Discovers a petition in bankruptcy or similar proceeding has been filed by or against the CONTRACTOR. If at any time during the contractual period a bankruptcy or similar proceeding has been filed by or against the CONTRACTOR, the CONTRACTOR shall immediately notify ODH of the filing; or
 5. Discovers that CONTRACTOR or any of its subcontractors has performed any services under this contract outside the United States and is not in compliance with ARTICLE XV of this contract.
- B. The CONTRACTOR, upon receipt of notice of suspension or termination, shall cease work on the suspended or terminated activities under this contract, suspend or terminate any subcontracts relating to such suspended or terminated activities, take all necessary or appropriate steps to limit disbursements and minimize costs, and furnish a report, as of the date of receipt of notice of suspension or termination describing the status of all work under this contract, including without limitation, results accomplished, conclusions resulting therefrom, and such other matters as ODH may require.

- C. In the event of suspension or termination under this Article, the CONTRACTOR shall be entitled to compensation, upon submission of a proper invoice, for the work performed prior to receipt of notice of termination or suspension, which shall be calculated by ODH based on the rate set forth in ARTICLE III, less any funds previously paid by or on behalf of ODH. In the case of services for which the CONTRACTOR charges a flat rate, compensation shall be based on a reasonable percentage of the total services performed, as determined by ODH, less any funds previously paid by or on behalf of ODH. ODH shall not be liable for any further claims, and the claims submitted by the CONTRACTOR shall not exceed the total amount of compensation allowed by this contract.

ARTICLE XII Breach or Default

- A. Upon breach or default by the CONTRACTOR of any of the provisions, obligations or duties embodied in this contract, ODH may exercise all administrative, contractual, equitable or legal remedies available, without limitation. The waiver of any occurrence of breach or default is not a waiver of subsequent occurrences, and ODH retains the right to exercise all remedies hereinabove mentioned.
- B. If ODH or the CONTRACTOR fails to perform an obligation or obligations under this contract and thereafter such failure is waived by the other party, such waiver shall be limited to the particular failure so waived and shall not be deemed to waive other failures hereunder. Waiver by ODH shall not be effective unless it is in writing and signed by the ODH contract manager.
- C. This Article is subject to the provisions of ARTICLE XV, Section B with regard to circumstances dealing with offshore outsourcing.

ARTICLE XIII Amendments

This writing constitutes the entire agreement between the parties with respect to all matters herein. This contract may be amended only by a writing signed by both parties. However, it is agreed by the parties that any amendments to laws or regulations cited herein will result in the correlative modification of this contract, without the necessity for executing written amendments. Any written amendments to this contract shall be prospective in nature. When a new or different term or condition is added, additional consideration is not necessary to bind the parties.

ARTICLE XIV Limitation of Liability

- A. Each party will be responsible to third parties for any liability, suits, losses, judgments, damages, or any other demands caused by or arising out of their own actions or omissions, or those of their respective employees, subcontractors, or assigns while performing this contract.
- B. Any ODH liability to CONTRACTOR for damages, whether in contract or in tort, shall not exceed the total amount of compensation payable to the CONTRACTOR under ARTICLE III or the amount of direct damages incurred by the CONTRACTOR, whichever is less. The CONTRACTOR's sole and exclusive remedies for ODH's failure to perform under the contract shall be as set forth in this Article. In no event shall ODH be liable for any indirect or consequential damages, including loss of profit, even if ODH knew or should have known of the possibility of such damages.
- C. Neither party is responsible to the other party for nonperformance or delay in performance of the terms of the contract due to acts of God, wars, riots, strikes, or other causes beyond the control of the parties.

ARTICLE XV Governing the Expenditure of Public Funds on Offshore Services

A. The CONTRACTOR affirms to have read and understands Executive Order 2011-12K and shall abide by those requirements in the performance of this Contract. Notwithstanding any other terms of this Contract, the State reserves the right to recover any funds paid for services the Contractor performs outside of the United States for which it did not receive a waiver. The State does not waive any other rights and remedies provided the State in this Contract.

The CONTRACTOR also affirms, understands, and agrees to immediately notify the State (ODH) of any change or shift in the location(s) of services performed by the CONTRACTOR or its subcontractors under this contract, and no services shall be changed or shifted to a location(s) that are outside of the United States.

B. Termination, Sanction, Damages

1 If CONTRACTOR or any of its subcontractors perform services under this contract outside of the United States, the performance of such services shall be treated as a material breach of the contract. The State (ODH) is not obligated to pay and shall not pay for such services. If CONTRACTOR or any of its subcontractors perform any such services, CONTRACTOR shall immediately return to the State (ODH) all funds paid for those services. The State (ODH) may also recover from the CONTRACTOR all costs associated with any corrective action the State (ODH) may undertake, including but not limited to an audit or a risk analysis, as a result of the CONTRACTOR performing services outside the United States.

2 The State (ODH) may, at any time after the breach, terminate the contract, upon written notice to the CONTRACTOR. The State (ODH) may recover all accounting, administrative, legal and other expenses reasonably necessary for the preparation of the termination of the contract and costs associated with the acquisition of substitute services from a third party.

3 If the State (ODH) determines that actual and direct damages are uncertain or difficult to ascertain, the State (ODH) in its sole discretion may recover a payment of liquidated damages in the amount of 1% of the value of the contract.

4 The State (ODH), in its sole discretion, may provide written notice to CONTRACTOR of a breach and permit the CONTRACTOR to cure the breach. Such cure period shall be no longer than 14 calendar days. During the cure period, the State (ODH) may buy substitute services from a third party and recover from the CONTRACTOR any costs associated with acquiring those substitute services.

5 Notwithstanding the State (ODH) permitting a period of time to cure the breach or the CONTRACTOR's cure of the breach, the State (ODH) does not waive any of its rights and remedies provided the State (ODH) in this contract, including but not limited to recovery of funds paid for services the CONTRACTOR performed outside of the United States, costs associated with corrective action, or liquidated damages.

ARTICLE XVI
Assignment

The CONTRACTOR will not assign any of its rights nor delegate any of its duties and responsibilities under this contract without prior written consent of the State (ODH). Any assignment or delegation not consented to may be deemed void by the State (ODH).

ARTICLE XVII
Drug Free Workplace

The CONTRACTOR shall comply with all applicable state and federal rules, regulations and statutes pertaining to a drug free workplace. The CONTRACTOR shall make a good faith effort to ensure that all employees of the CONTRACTOR do not purchase, transfer, use or possess illegal drugs or alcohol or abuse prescription drugs in any way while working on state, county, or municipal property.

ARTICLE XVIII
Good Standing

- A. CONTRACTOR affirmatively represents and warrants to ODH that it is not subject to a finding for recovery under section 9.24 of the O.R.C. or that it has taken the appropriate remedial steps required under section 9.24 of the O.R.C. or otherwise qualifies under that section. CONTRACTOR further affirmatively represents and warrants to ODH that it is not debarred or suspended from entering into state of Ohio contracts pursuant to section 125.25 of the O.R.C. and is not subject to exclusion, disqualification or ineligibility as defined in 2 Code of Federal Regulations (C.F.R.) §180.110. CONTRACTOR agrees that if this representation and warranty is deemed false, the contract will be void *ab initio* as between the parties to this contract, and any funds paid by ODH hereunder shall be immediately repaid to ODH, or an action for recovery may be immediately commenced by ODH for the recovery of said funds.
- B. The CONTRACTOR certifies that the CONTRACTOR is not federally debarred from participating in government contracts funded by federal money as described in 2 C.F.R. §180.220. If at any time during the contractual period the CONTRACTOR is federally debarred from participating in government contracts funded by federal money, for whatever reason, the CONTRACTOR shall immediately notify ODH of the debarment.
- C. The CONTRACTOR certifies that all approvals, licenses or other qualifications necessary to conduct business in Ohio have been obtained and are operative. If at any time during the contractual period the CONTRACTOR becomes disqualified from conducting business in Ohio, for whatever reason, the CONTRACTOR shall immediately notify ODH of the disqualification.

ARTICLE XIX
Insurance

Each Party will provide the following insurance at its own expense:

- A. Workers' Compensation insurance, as required by Ohio law or the laws of any other state where work under this contract will be done.
- B. Employer's liability insurance, personal injury, bodily injury, and property damage liability insurance, including automobile coverage, with personal injury and bodily injury coverage, or alternatively, CONTRACTOR certifies that it has an established plan of self-funded insurance with sufficient assets to cover these potential liabilities arising out of this Agreement.

ARTICLE XX
Construction

This agreement shall be governed, construed and enforced in accordance with the laws of the State of Ohio. Further, the Ohio courts shall have jurisdiction over the subject matter and the parties hereto in connection with disputes concerning validity and enforcement of this agreement. Should any portion of this contract be found unenforceable by operation of statute or by administrative or judicial decision, the enforceability of the balance of this contract shall not be affected thereby, provided that the absence of the unenforceable provision does not render the performance of the remainder of the contract impossible.

ARTICLE XXI
Taxes

ODH as a Department of the State of Ohio is exempt from any sales, use, excise or property tax. To the extent sales, use, excise or other similar tax is imposed on the CONTRACTOR in connection with the performance of this contract, the CONTRACTOR will pay such taxes.

IN WITNESS WHEREOF, the parties, by signing below, indicate their agreement to the above.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

- The U.S. grantor or other owner of a grantor trust and not the trust, and
- The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a “saving clause.” Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called “backup withholding.” Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Also see *Special rules for partnerships* on page 1.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

For a single-member LLC (including a foreign LLC with a domestic owner) that is disregarded as an entity separate from its owner under Regulations section 301.7701-3, enter the owner’s name on the “Name” line. Enter the LLC’s name on the “Business name” line.

For an LLC classified as a partnership or a corporation, enter the LLC’s name on the “Name” line and any business, trade, or DBA name on the “Business name” line.

Other entities. Enter your business name as shown on required federal tax documents on the “Name” line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the “Business name” line.

Note. You are requested to check the appropriate box for your status (individual/sole proprietor, corporation, etc.).

Exempt Payee

If you are exempt from backup withholding, enter your name as described above and check the appropriate box for your status, then check the “Exempt payee” box in the line following the business name, sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

The following payees are exempt from backup withholding:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),
2. The United States or any of its agencies or instrumentalities,
3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,
4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or
5. An international organization or any of its agencies or instrumentalities.

Other payees that may be exempt from backup withholding include:

6. A corporation,
7. A foreign central bank of issue,
8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,
9. A futures commission merchant registered with the Commodity Futures Trading Commission,
10. A real estate investment trust,
11. An entity registered at all times during the tax year under the Investment Company Act of 1940,
12. A common trust fund operated by a bank under section 584(a),
13. A financial institution,
14. A middleman known in the investment community as a nominee or custodian, or
15. A trust exempt from tax under section 664 or described in section 4947.

The chart below shows types of payments that may be exempt from backup withholding. The chart applies to the exempt payees listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt payees except for 9
Broker transactions	Exempt payees 1 through 13. Also, a person registered under the Investment Advisers Act of 1940 who regularly acts as a broker
Barter exchange transactions and patronage dividends	Exempt payees 1 through 5
Payments over \$600 required to be reported and direct sales over \$5,000 ¹	Generally, exempt payees 1 through 7

¹ See Form 1099-MISC, Miscellaneous Income, and its instructions.

² However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, and payments for services paid by a federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting www.irs.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt payees, see *Exempt Payee* on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, social security number (SSN), or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

Call the IRS at 1-800-829-1040 if you think your identity has been used inappropriately for tax purposes.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS personal property to the Treasury Inspector General for Tax Administration at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.consumer.gov/idtheft or 1-877-IDTHEFT(438-4338).

Visit the IRS website at www.irs.gov to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons who must file information returns with the IRS to report interest, dividends, and certain other income paid to you, mortgage interest you paid, the acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA, or Archer MSA or HSA. The IRS uses the numbers for identification purposes and to help verify the accuracy of your tax return. The IRS may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, the District of Columbia, and U.S. possessions to carry out their tax laws. We may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

You must provide your TIN whether or not you are required to file a tax return. Payers must generally withhold 28% of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to a payer. Certain penalties may also apply.
