Development

PART ONE: SERVICES REQUESTED INFORMATION

PURPOSE

The Ohio Department of Development's (Development) Office of Technology Investments is requesting proposals from contractors to provide services and other forms of technical assistance related to review of proposals submitted for funding under the following Ohio Third Frontier (OTF) Programs:

- Micro Seed Funds Initiative
- Ohio's New Entrepreneurs Fund
- Internship Program

Development is requesting proposals to provide these services in State fiscal years (FY) 2012 and 2013, which are to be quoted separately.

SCOPES OF WORK

The final scope of services will be negotiated at the time of selection and will include (but will not be limited to) the following:

The contractor(s) selected will (1) perform OTF Micro Seed Funds Initiative, ONE Fund and Internship Program proposal evaluations and (2) provide technical assistance services pertaining to the OTF Program RFPs and other technology-based economic development activities under OTF.

Development expects applicants to bid for all three OTF Programs. For evaluation purposes, the Scope of Work and cost proposals for each Program should be clearly defined. Development reserves the right to select multiple contractors for the Program requested services, and/or to award a contract for one, two, or all three programs to a single contractor.

Additionally, Development expects applicants to bid for providing technical services pertaining to the OTF Program RFPs and other technology-based economic development activities under OTF.

I. Proposal Evaluation Services

➤ OTF Micro Seed Funds Initiative (MSFI)

The proposals to be evaluated are in response to FY 2012 and FY 2013 OTF Program RFPs issued by Development. All Program information is available at www.thirdfrontier.com.

The evaluations (also referred to as reviews) of proposals will consist of two stages:

Stage 1 review – In this stage, evaluations will be based on criteria listed in the RFP and only the information presented in the applicant's written proposal is considered. This point-based evaluation leads to a rank-ordered listing of proposals for program funding. The contractor will recommend which proposals should be further considered in the Stage 2 review, with a need for rank ordering of proposals. The proposals so recommended are considered by Development to be in the "competitive range".

Stage 2 review – Proposals determined to make it to the Stage 2 review will undergo a more in-

depth evaluation resulting in funding recommendations. The Stage 2 review entails further due diligence, including preparation of questions from the contractor to applicants and a subsequent review of the applicants' written responses. Development may also request the contractor to conduct interviews with applicants to verify and expand upon information received. The interview allows for the opportunity for specific questions related to the micro seed fund and allows a face-to-face assessment of the experience and leadership of the fund.

List of MSFI Proposal Evaluation Services to be provided by Contractor

1. Prepare a written description of evaluation methodology based on evaluation criteria listed in the Program RFP issued by Development.
2. Participate in bidders' conference or equivalent informational forums conducted for prospective applicants. Bidder's conferences are held only in conjunction with an open RFP. Other informational conferences will be covered under the technical assistance hours.
3. Maintain communications with Development regarding status of review process.

Contractor will perform the following services for both Stage 1 and Stage 2 reviews:

4. Perform initial evaluation of proposals for funding. The evaluation criteria are Program-specific and are set by Development.
5. Following the initial reviews, contractor will provide a briefing for Development staff regarding the contractor's rank-ordered recommendations to identify which proposals are to move forward to the Stage 2 review. The contractor will conduct further evaluation diligence, including a scheduled series of interviews with the selected applicants. Following the conclusion of the interviews, contractor will provide a briefing to Development staff regarding the contractor's recommendations to identify which proposals meet the RFP requirements for funding.
6. Prepare a Final Report explaining the proposal review process, the evaluation results for each proposal reviewed, and a summary of the proposal evaluation findings. The report should include scoring for each proposal against the evaluation criteria, appropriately-sized insightful summaries of strengths, weaknesses, and risks for proposals recommended for funding and for all other proposals reviewed. These reports will be shared with the Ohio Third Frontier Commission, other appropriate oversight entities, and applicants, and are also considered to be public documents and may not be copyrighted. The summaries should be of high-quality and suitable for publication to a broad, diverse audience.
7. Prepare high-quality presentation and written-handout materials to be used at Ohio Third Frontier Commission or other meetings. Content should include: an explanation of the evaluation process; relevant non-proprietary information on the evaluation methodology; and the funding recommendations.
8. Participate in Ohio Third Frontier Commission or other meetings to present proposal evaluation methodology, results, and funding recommendations as requested by Development. The Ohio Third Frontier Commission meets monthly unless noted otherwise. Additional meetings may be scheduled if needed; however, not all meetings incorporate funding recommendations.
9. Conduct debriefings for applicants with non-funded proposals.

➤ **OTF Ohio's New Entrepreneurs (ONE) Fund**

The proposals to be evaluated are in response to FY 2013 OTF Program RFPs issued by Development. All Program information is available at www.thirdfrontier.com.

The evaluations (also referred to as reviews) of proposals will consist of two stages:

Stage 1 review – Evaluations will be based on criteria listed in the RFP. This review stage will evaluate proposals from new or existing Ohio business accelerators as described under the ONE Fund Program. Proposals that meet the evaluation criteria expectations will be recommended for the Stage 2 review with a need for rank ordering of proposals.

Stage 2 review – Proposals determined to make it to the Stage 2 review will undergo a more in-depth evaluation resulting in funding recommendations. The Stage 2 review entails further due diligence, and Development may also request the contractor to conduct interviews with applicants or perform site-visits to the applicants to verify and expand upon information received. The interview allows for the opportunity for specific questions related to the accelerator model and allows a face-to-face assessment of the experience and leadership of the accelerator.

WHEREAS, State of Ohio officials and employees must remain passionately focused on initiatives that will create and retain jobs in the United States in general and in Ohio in particular, and must do so especially during Ohio's continuing efforts to recover from the recent recession.

WHEREAS, allowing public funds to pay for services provided offshore has the potential to undermine economic development objectives in Ohio.

WHEREAS, the expenditure of public funds for services provided offshore may deprive Ohioans and other Americans of critical employment opportunities and may also undermine efforts to attract businesses to Ohio and retain them in Ohio, initiatives in which this State has invested heavily.

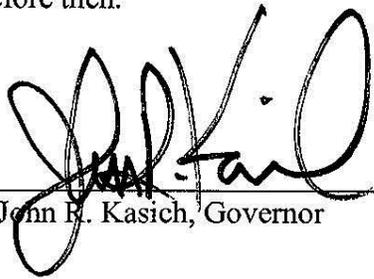

NOW THEREFORE, I, John R. Kasich, Governor of the State of Ohio, by virtue of the authority vested in me by the Constitution and the laws of this State, do hereby order and direct that:

No State Cabinet Agency, Board or Commission ("Executive Agency") shall enter into any contract which uses any public funds within its control to purchase services which will be provided outside the United States. This Executive Order applies to all purchases of services made directly by an Executive Agency and services provided by subcontractors of those providing services purchased by an Executive Agency.
2. This Executive Order will be personally provided, by the Director, Chair or other chief executive official of each Executive Agency, to the Chief Procurement Officer or other individual at that entity responsible for contracts for services.

 - 2. Disclose the location(s) where all services will be performed by any contractor or subcontractor.
 - 3. Disclose the locations(s) where any state data associated with any of the services they are providing, or seek to provide, will be accessed, tested, maintained, backed-up or stored.
 - 4. Disclose any shift in the location of any services being provided by the contractor or any subcontractor.
 - 5. Disclose the principal location of business for the contractor and all subcontractors who are supplying services to the state under the proposed contracts.
 - b. All APOs confirm that all quotations, statements of work, and other such proposals for services affirm this Order's prohibition on the purchase of offshore services and include all of this Order's disclosure requirements.
 - i. Any such proposal for services lacking the affirmation and disclosure requirements of this Order will not be considered.
 - ii. Any such proposal where the performance of services is proposed to be provided at a location outside the United States by the contractor or any subcontractor will not be considered.
 - c. All procurement manuals, directive, policies, and procedures reflect the requirements of this Order.
 - d. All APOs have adequate training which addresses the terms of this Order.
4. Nothing in this Order is intended to contradict any state or federal law. In addition, this Order does not apply to:
- a. Services necessary to support the efforts of the Department of Development to attract jobs and business to the state of Ohio;
 - b. Academic, instructional, educational, research or other services necessary to support the international missions of Ohio's public colleges and universities; or
 - c. Situations in which the Director of the Department of Administrative Services, or the Director's designee, shall determine that it is an emergency or that it is necessary for the State to waive some or all of the requirements of this Order. The Director shall establish standards by which Executive Agencies may request a waiver of some or all of the requirements of this Order and by which such requests will be evaluated and may be granted.
5. Executive Order 2010-09S is hereby rescinded.

I signed this Executive Order on June 21, 2011 in Columbus, Ohio and it will expire on my last day as Governor of Ohio unless rescinded before then.
