**Ohio Department of Job and Family Services
Request for Letterhead Bids (RLB)
RLB#: JFSR1213-17-8031
Fatherhood Project Evaluation Services Consultant**

I. Purpose

The Ohio Department of Job and Family Services (ODJFS) is in need of the services of one qualified vendor that is currently certified by the Ohio Department of Administrative Services as a Minority Business Enterprise, experienced in the tools and methods of human services program evaluation to assess the program designs, operations, and goals of grant-funded projects under the Ohio Fatherhood Initiative (OFI), and to recommend to ODJFS those tools and methods that could be used by the grantees and by ODJFS to capture and analyze data that measures program effectiveness and success. Through this Request for Letterhead Bids (RLB), ODJFS seeks proposals from qualified persons or organizations (hereinafter “vendors”) that could perform this work. In addition to providing further details on the work to be performed, this RLB specifies qualifications and experience needed, provides instructions for preparing and submitting proposals, and identifies the criteria and process by which ODJFS will award the contract. References within this RLB to “contractor” indicate that successful vendor selected through this RLB process. Also within this RLB, any references made to ‘the evaluation consultant’ shall mean that successful vendor selected to provide the evaluation consulting services (or ‘the work’) described herein.

The project participants in the OFI are eight community-based non-profits and/or governmental agencies providing fatherhood programming and services to low-income fathers; these grantees successfully responded to an ODJFS Request for Grant Applications (RFGA). These organizations serve low income fathers within their communities with programs designed to achieve such objectives as: 1) building parenting skills of fathers; 2) providing employment related services to low income, non-custodial fathers; 3) preventing premature fatherhood; 4) providing services to fathers who are or have been inmates in correctional facilities so they will be able to maintain or reestablish relationships with their families; 5) reconciling fathers with their families; and 6) increasing public awareness of the critical role fathers play. Through the OFI grant funding, each of the eight organizations will enroll at least fifteen new fathers monthly to serve approximately 250 over the course of the funding period. The grantees will submit monthly, quarterly and annual reports including evaluations to ODJFS.

The work that will be required of the contractor selected through this RLB will not include evaluating the individual grantee programs, but will involve analysis of the data collected from the programs as well as consultation on the program evaluation tools and methods that might be employed. The selected evaluator will be required to establish outcomes, identify qualitative and quantitative measures, and document and analyze lessons learned for program improvement. The contractor will be expected to propose appropriate and effective participant evaluation tools (including, for example, a pre- and post-assessment tool to be used with all program participants); to train staff at the eight organizations on the proper use of the assessment tools; and to provide ongoing technical assistance. The contractor will develop report templates for use by the eight organizations as well as a standard overall OFI report format for ODJFS; design and implement surveys; The survey will be proctored by grantees and completed by the fathers. The topic will be services provided to the fathers and the purpose of the surveys will be to measure program effectiveness. and participate in monthly conference calls on project progress with ODJFS.

Vendors that wish to be considered for award of a contract for this work are to submit a proposal to ODJFS using the instructions provided through this RFP. The contract expected to result from this RFP process will be an agreement between ODJFS and the selected vendor. All communications regarding this competitive opportunity are to take place in the open forum as provided for in Section V. (Internet Question and Answer Period; RLB Clarification Opportunity).

II. Objectives of the Project

A. OFI Grantee Program Objectives: The overarching goal for the OFI grants is to help create stronger relationships between fathers and their children. Some possible examples of the grantees' specific measurable objectives include:

- Increased visitation by non-custodial fathers;
- Increased safety in the child's custodial home and in the father's home
- Improved grades (reading levels, math scores) for children enrolled in the program;
- Enhanced employment skills for the fathers enrolled in the program;
- Improved child nutrition and health;
- Decreased involvement in substance and alcohol abuse/misuse;
- Decreased (as appropriate) involvement in the Child Welfare System;
- Increased use of non-violent conflict management techniques to solve family-specific problems.

OFI encouraged applicants to build projects according to the needs of the target populations in their communities. Funded applicants are required to conduct pre- and post-assessments with the fathers enrolled in their programs in an effort to ensure that project objectives are being met. Pre-participation assessments are conducted when participants begin the program, and post-participation assessments at the completion of the program. Funded grantees are not expected to track any participants who drop out during the program.

Each funded applicant will use the selected pre- and post-assessment for this project, which will allow the organization to determine: 1) the primary needs of the fathers and children participating in the program; and 2) the initial data points necessary for effectively evaluating the impact of the program once the individuals graduate or leave the program.

B. Objectives for the Fatherhood Evaluation Services Consultant:

The evaluation consultant will be required to develop or identify one or more tools to be used by the OFI projects at intake for assessments of individual participant needs and at program exit for individual outcomes for fathers served in each of the eight funded Ohio Fatherhood Initiative (OFI) Programs. The evaluation consultant will also provide training and technical assistance to the projects' staff on proper use of the tools/methods.

The evaluation consultant will be required to develop a protocol to implement the tool or tools for the eight OFI grantees, gather and compile the data, interpret the data, develop a written report that summarizes the data and submit to ODJFS.

The evaluation consultant will be required to design a report template (to include data collected by the grantees during the project) that can be used as needed and ongoing to communicate to a wide audience the overall effectiveness of the Ohio Fatherhood Initiative and any suggested areas for improvement.

The evaluation consultant will be required to deliver to ODJFS all raw sampled data and survey questions and response findings on a disk or data drive to the OFI by June 30, 2013. **All survey will ensure the protection of participants' privacy and identify by including disclaimers. The evaluator will adhere to all ODJFS and Federal standards on protecting client confidential information.**

Requests for copies of previous RLBs, past vendor proposals, score sheets or contracts for this or similar past projects, are Public Records Requests (PRRs), and are not clarification questions regarding the present RLB. ODJFS will only answer those questions submitted within the established time period for the Vendor Q & A process (see Section III., Anticipated Procurement Timetable, above), and which pertain to issues of RLB clarity, and which are not requests for public records. Vendors are to use their business expertise in pricing the work described in this RLB, taking into consideration any intervening steps or activities that must be performed in order to complete the work, and offer their costs accordingly, even if ODJFS does not explicitly identify those intervening costs in this RLB. No separate travel expenses or any other type of expenses will be paid under the contract to result from this RLB.

However, the proposal will be scored on the relevancy to the stated responsibilities as well as the conciseness, clarity, flow, and neatness of the information presented. A proposal which is incomplete, vague, unjustifiably wordy, unclear, or poorly organized may not be successful. All pages in The Technical Proposal (excepting Tab 1) shall be sequentially numbered either per tab or for the document as a whole.

B. Vendor Cost Proposal.

On the Cost Proposal Form (provided as **Attachment D** to this RLB), vendors are to propose their firm, fixed, all-inclusive cost for each deliverable.

Vendors are to use their business expertise in pricing the work described in this RLB, taking into consideration any intervening steps or activities that must be performed in order to complete the work, and offer their costs accordingly, even if ODJFS does not explicitly identify those intervening costs in this RLB. No separate travel expenses or any other type of expenses will be paid under the contract to result from this RLB.

The total contract award for the selected proposal will be for the full duration of the project, from the award date through the termination date. The contract award will strictly correspond with the approved cost proposal.

XI. Selection Process

All proposals will be reviewed and scored by a Proposal Review Team (PRT) comprised of ODJFS staff. Vendors should not assume that the review team members are familiar with any current or past work activities with ODJFS. Proposals containing assumptions, lack of sufficient detail, poor organization, lack of proofreading, and unnecessary self-promotional claims will be evaluated accordingly. PRT members are required to sign disclosure forms to establish that they have no personal or financial interest in the outcome of the proposal review and contractor selection process. The PRT reserves the right to reject any and all proposals, in whole or in part, received in response to this request. The PRT may waive minor defects in proposals where the intention and meaning are not unreasonably obscured.

In scoring the proposals, ODJFS will score in three phases: Phase I—Initial Qualifying Criteria, Phase

II—Scoring of the Technical Proposal, and Phase III—Consideration of Proposed Cost. A vendor proposal must meet all Phase I criteria; proposals that do not will be excluded from any further consideration. Proposals that pass Phase I acceptance will be evaluated using Phase II criteria; the earned scores are extended according to criteria weights (where applicable) and added. All score criteria are presented in the Technical Proposal Score Sheet, which is provided as **Attachment E** to this RLB. The stated minimum technical quality score must be earned, or the proposal will be disqualified at that point, and the corresponding cost proposal will be neither opened nor considered. Cost proposals for vendors that earned at least the minimum technical quality score will then be opened and the final total technical quality score will be divided by the total proposed cost to determine that vendor's cost-per-quality-point. ODJFS will recommend for contract the vendor that offers the best cost-per-quality point. In addition, the PRT may, at its option, elect to conduct interviews as part of the process.

DISQUALIFIERS FOR PROPOSAL ERRORS:

- Any vendor's Technical Proposal found to contain any prohibited cost information shall be disqualified from consideration. Cost information is defined as any dollar amounts which might be deemed to be indicative of the relative cost or economy of the proposed project. Information on the assets, value, or historical business volume of the vendor is NOT considered to be such prohibited cost information, and MAY be included in any vendor's technical proposal as information on business capacity and stability. All prohibited cost information must be submitted with the separate, sealed Cost Proposal. The Technical Proposal is defined as any part of the vendor's proposal (either as required by ODJFS or sent at vendor's discretion), such as work plan, resumes, letters of recommendation, letters of cooperation from any subcontractors, etc., which is not specifically identified by ODJFS as a required component of the separate, sealed Cost Proposal. Should a vendor determine to include in the technical proposal any documents which contain such cost information, the cost information in those documents must be made unreadable by the vendor before submission of the proposal to ODJFS. Failure to follow these instructions will result in disqualification.
- Any trade secret, proprietary, or confidential information (as defined in Section XI., E. of this RLB) found anywhere in a vendor's proposal shall result in immediate disqualification of that vendor's proposal.
- Any sensitive personal information on vendor or sub-contract staff (e.g., social security numbers, addresses) must be omitted from vendor proposals, or rendered fully unreadable, or ODJFS may at its option disqualify the vendor from any consideration.

XII. RLB Process Information and Other Contractual Requirements:

A. State Contracts

Responses must list any current contracts the vendor has with State of Ohio agencies. The list must indicate the purpose of the contract, the amount of the contract, the time period covered by the contract, and the percent of the project completed. Vendors must complete a copy of the Required Vendor Information and Certifications Document (provided as **Attachment A**) to report this information, and include the completed document in the vendor's proposal as specified in Section IX., A, of this RLB.

B. Interview

Vendors submitting proposals may be requested to participate in an in-depth interview as part of the evaluation process. The interview, if necessary, may include participants from ODJFS and any representatives it may appoint. ODJFS reserves the right to select from responding vendors for interviews and may not interview all vendors submitting proposals. The vendor shall bear all costs of any scheduled interview.

C. Start Work Date

The selected vendor must be able to begin work no later than seven (7) working days after the time funds are encumbered and approved by the Office of Budget & Management. The selected vendor will be notified by the ODJFS contract manager when work may begin. **Any work begun by a contractor prior to this notification will NOT be reimbursable by ODJFS.**

D. Proposal Costs

Costs incurred in the preparation of this proposal are to be borne by the vendor, and ODJFS will not contribute in any way to the costs of the preparation. Any costs associated with interviews will be borne by the vendor and will not be ODJFS' responsibility (see Section XI, B.).

E. Trade Secrets Prohibition; Public Information Disclaimer

Vendors are prohibited from including any trade secret information as defined in Ohio Revised Code (ORC) 1333.61 in their proposals in response to any ODJFS RFP, Requests for Letterhead Bids (RLB) or other procurement efforts. ODJFS shall consider all proposals or similar responses voluntarily submitted in response to any ODJFS RFP, RFA, RLB, or other procurement document, to be free of trade secrets and such proposals shall, in their entirety, be made a part of the public record.

All proposals and any other documents submitted to ODJFS in response to any RFP, RLB, etc., shall become the property of ODJFS. This RLB and, after the selection of a vendor for award, any proposals submitted in response to an RFP/RLB are deemed to be public records pursuant to R.C. 149.43. For purposes of this section, the term "proposal" shall mean both the technical proposal (or application or other response documentation) and the cost proposal, if opened, submitted by the selected vendor/applicant, and any attachments, addenda, appendices, or sample products.

Any proposals submitted in response to any ODJFS RFP, RLB, etc. which make claims of trade secret information shall be disqualified from consideration immediately upon the discovery of such unallowable claim.

F. Contractual Requirements

Any contract resulting from the issuance of this solicitation is subject to the terms and conditions as provided in the model contract, which is provided as **Attachment B** to this RLB. Potential vendors are strongly encouraged to read the model contract to be fully aware of all ODJFS contractual requirements. Should vendors wish to request any changes to the language contained in the Model Contract, they are to print off the contract, annotate their requested revisions, and return it with their proposals (and indicate this action in Attachment A). All such

requests for changes to the contract model must be approved by ODJFS and are at the sole discretion of ODJFS.

G. Travel and Parking Expense Reimbursement

No travel or parking expenses, nor any other expenses, will be covered.

H. Public Release of Records

Public release of any evaluation or monitoring reports funded under this contract will be made only by ODJFS. Prior to public release of such reports, ODJFS must have at least a 30-day period for review and comment.

I. Confidentiality

All contracts or other business agreements will require that the contractor maintain the confidentiality of information and records which state and federal laws, rules, and regulations require to be kept confidential.

J. Ethical & Conflict of Interest Requirements

1. No contractor or individual, company or organization seeking a contract or other business agreement shall promise or give to any ODJFS employee anything of value that is of such character as to manifest a substantial and improper influence upon the employee with respect to his or her duties;
2. No contractor or individual, company or organization seeking a contract or other business agreement shall solicit any ODJFS employee to violate any of the conduct requirements for employees;
3. Any contractor acting on behalf of ODJFS shall refrain from activities which could result in violations of ethics and/or in conflicts of interest. Any contractor or potential contractor who violates the requirements and prohibitions defined here or of Section 102.04 of the ORC is subject to termination of the contract or other agreement or refusal by ODJFS to enter into a one; and
4. ODJFS employees and contractors who violate Sections 102.03, 102.04 2921.42 or 2921.43 of the ORC may be prosecuted for criminal violations.

K. Unresolved Findings for Recovery (R.C. 9.24)

Ohio Revised Code Section 9.24 prohibits ODJFS from awarding a contract to any entity against whom the Auditor of State has issued a finding for recovery if the finding for recovery is "unresolved" at the time of award. By submitting a proposal, the vendor warrants that it is not now, and will not become, subject to an "unresolved" finding for recovery under R.C. 9.24 prior to the award of any contract or business agreement arising out of this RLB, without notifying ODJFS of such finding. ODJFS will review the Auditor of State's website prior to the evaluations of any proposal submitted pursuant to this RLB. ODJFS will not evaluate a proposal from any vendor whose name, or the name of any of the subcontractors proposed by the vendor, appears on the website of the Auditor of the State of Ohio as having an "unresolved" finding for recovery.

L. Mandatory Contract Performance Disclosure

Each proposal must disclose whether the vendor's performance, or the performance of any of the proposed subcontractor(s), under contracts for the provision of services that are the same or similar to those described in this RLB, has resulted in any "formal claims" for breach of those contracts. For purposes of this disclosure, "formal claims" means any claims for breach that have been filed as a lawsuit in any court, submitted for arbitration (whether voluntary or involuntary, binding or not), or assigned to mediation. If any such claims are disclosed, vendor shall fully explain the details of those claims, including the allegations regarding all alleged breaches, any written or legal action resulting from those allegations, and the results of any litigation, arbitration or mediation regarding those claims, including terms of any settlement. While disclosure of any formal claims in response to this section will not automatically disqualify a vendor from consideration, at the sole discretion of ODJFS, such claims and a review of the background details may result in a rejection of the vendor's proposal. ODJFS will make this decision based on its determination of the seriousness of the claims, the potential that the behavior that led to the claims could negatively impact vendor's performance of the work, and the best interests of ODJFS.

M. Mandatory Disclosures of Governmental Investigations

Each proposal must indicate whether the vendor and any of the proposed subcontractor(s) has been the subject of any adverse regulatory or adverse administrative governmental action (federal, state, or local) with respect to vendor's performance of services similar to those described in this RLB. If any such instances are disclosed, vendor must fully explain, in detail, the nature of the governmental action, the allegations that led to the governmental action, and the results of the governmental action including any legal action that was taken against vendor by the governmental agency. While disclosure of any governmental action in response to this section will not automatically disqualify a vendor from consideration, such governmental action and a review of the background details may result in a rejection of the vendor's proposal at the sole discretion of ODJFS. The decision by ODJFS on this issue will be based on a determination of the seriousness of the matter, the matter's potential impact on the vendor's performance of the work, and the best interests of ODJFS.

N. Vendor Selection Restriction

Any vendor deemed not responsible, or submitting a proposal deemed not to be responsive to the terms of this RLB, or found not to be in the best interests of the State, shall not be selected for this project.

O. Prohibition against Services Performed Outside the United States

All vendors seeking an award of an ODJFS contract must attest that no funds provided by ODJFS would be used to purchase services provided outside the United States or to contract with a subcontractor who will use the funds to purchase services provided outside the United States. This required attestation is identified as the "Location of Business Form" included in the "Required Vendor Information & Certifications Documents," provided as **Attachment A**. to this RFP. The entire form must be printed, completed, and signed by the interested vendor's authorized representative, and returned to ODJFS as a component of the vendor technical proposal. **Failure to include the completed and signed form, including the Location of Business Form, will result in the vendor's disqualification from consideration.**

P. Waiver of Minor Proposal Errors

ODJFS may, at its sole discretion, waive minor errors or omissions in proposals, bids, and/or forms when those errors do not unreasonably obscure the meaning of the content. Additionally, ODJFS reserves the right to request clarifications or completions from vendors to any information in their proposals, bids, and/or forms, and may request such clarification as it deems necessary at any point in the proposal/bid review process.

XIII. Health Insurance Portability & Accessibility Act (HIPAA) Requirements

As a condition of doing business with ODJFS, the contractor, and any subcontractor(s), will be required to comply with 42 U.S.C. Sections 1320d through 1320d-8, and to implement regulations at 45 C.F.R. Section 164.502 (e) and Sections 164.504 (e) regarding disclosure of protected health information under the Health Insurance Portability and Accountability Act (HIPAA) of 1996. Protected Health Information (PHI) is information received by the contractor from or on behalf of ODJFS that meets the definition of PHI as defined by HIPAA and the regulations promulgated by the United States Department of Health & Human Services, specifically 45 CFR164.501 and any amendments thereto.

In the event of a material breach of vendor obligations under this section, ODJFS may at its option terminate the contract.

XIV. Caveat

ODJFS is under no obligation to select a vendor as a result of this solicitation if, in the opinion of ODJFS and the proposal review team, none of the proposals are responsive to the objectives and needs of the Department. ODJFS reserves the right to not select any vendor should ODJFS decide not to proceed with the project.

XV. Communication Prohibitions

From the issuance date of the RLB, until a contract is in effect, there may be no communications concerning the RLB between any interested potential vendor and any employee of ODJFS in the issuing office, or any other ODJFS employee, or any other individual regardless of their employment status, who is in any way involved in the development of the RLB or the decision with a formal procurement.

The only exceptions to this prohibition are as follows:

- A. As necessary in the case of any pre-existing business relationship between ODJFS and a vendor which could potentially respond to this RLB, in order to conduct that business;
- B. As part of an interview necessary for ODJFS to make a vendor selection decision;
- C. If it becomes necessary to revise any part of this RLB, revisions will be posted on the ODJFS web page established for this RLB; and
- D. If it becomes necessary to revise any part of this RLB, revisions will be posted on the ODJFS web page: <http://www.state.oh.us/odjfs> and notices of such will be sent to vendors on the original mailing list and to anyone participating in the clarification process conducted pursuant to Section IV. above; and

E. Any Public Records Request (PRR) made through the ODJFS Office of Legal Services:

Requests from potential vendors or contractors for copies of previous RLBs, past vendor proposals, score sheets or contracts for this or similar past projects, are Public Information Requests (PRRs), and are not clarification questions regarding the present RLB. PRRs, submitted in accordance with directions provided in this Section XV, Communication Prohibitions, will be honored. The posted time frames for ODJFS responses to Internet questions for RLB clarification do not apply to PRRs.

* Important Note: Amendments to the RLB or to any documents related to it will be accessible to interested vendors through the original ODJFS website established for the RLB. All interested vendors are strongly encouraged to refer to the appropriate website regularly for amendments or other announcements. Failure on the part of ODJFS to notify any vendors of any possible changes or announcements related to this RLB does not absolve the vendors from their responsibility to look for updated information through the web page.

Proposals submitted by a vendor who attempts any communications prohibited by this Section may be disqualified by ODJFS from consideration for this project. ODJFS is not responsible for the accuracy of any information regarding this RLB that was obtained or gathered through a source other than the Question and Answer process described in this RLB.

XVI. Protests

Any potential, or actual, vendor objecting to the award of a contract or a vendor selection resulting from the issuance of this solicitation may file a protest of the award or selection, or of any other matter relating to the process of soliciting the proposals. Such a protest must comply with the following guidelines:

1. A protest may be filed by a prospective or actual bidder objecting to the award of a contract resulting from this solicitation. The protest shall be in writing and shall contain the following information:
 - a. The name, address, and telephone number of the protestor;
 - b. The name and number of the solicitation being protested;
 - c. A detailed statement of the legal and factual grounds for the protest, including copies of any relevant documents;
 - d. A request for a ruling by ODJFS;
 - e. A statement as to the form of relief requested from ODJFS; and
 - f. Any other information the protestor believes to be essential to the determination of the factual and legal questions at issue in the written protest.
2. A timely protest shall be considered by ODJFS, if it is received by ODJFS' Office of Legal Services, within the following periods:
 - a. A protest based on alleged improprieties in the issuance of the RLB or any other event preceding the closing date for receipt of proposals which are apparent or should be apparent prior to the closing date for receipt of proposals shall be filed no later than 3:00 p.m. of the closing date for receipt of proposals as specified in Section II., Time and Date of Submission.

- b. If the protest relates to the announced intent to award the contract, the protest shall be filed no later than 3:00 p.m. of the **seventh (7th) calendar** day after the issuance of formal letters sent to all responding vendors regarding the State's intent to award a contract for the work. The date on these ODJFS letters to responding vendors is the date used to determine if a protest regarding the intent to award is submitted by the end of the protest period.
3. An untimely protest may be considered by ODJFS if ODJFS determines that the protest raises issues significant to the department's procurement system. An untimely protest is one received by ODJFS' Office of Legal Services after the time periods set forth in Item #2 of this section.
4. All protests must be filed at the following location:

**Chief Legal Counsel, Office of Legal Services
Ohio Department of Job and Family Services
30 East Broad Street, 31st Floor
Columbus, Ohio 43215-3414**
5. When a timely protest is filed, a contract award shall not proceed until a decision on the protest is issued or the matter is otherwise resolved, unless the Director of ODJFS determines that a delay will severely disadvantage the Department. The vendor(s) who would have been awarded the contract shall be notified of the receipt of the protest.
6. ODJFS' Office of Legal Services shall issue written decisions on all timely protests and shall notify any vendor who filed an untimely protest as to whether or not the protest will be considered.

If CONTRACTOR believes that any requests or instructions would materially alter the terms and conditions of this Contract or the compensation stated hereunder, CONTRACTOR will immediately notify the ODJFS Contract Manager pursuant to ARTICLE V of this Contract. CONTRACTOR agrees to consult with the ODJFS Contract Manager as necessary to ensure understanding of the Deliverables and the successful completion thereof.
- D. Ownership of Deliverables:
 - 1. All Deliverables provided by CONTRACTOR under this Contract or with funds hereunder, including any documents, data, photographs and negatives, electronic reports/records, or other media, are the property of ODJFS, which has an unrestricted right to reproduce, distribute, modify, maintain, and use the Deliverables. CONTRACTOR will not obtain copyright, patent, or other proprietary protection for the Deliverables. CONTRACTOR will not include in any Deliverable any copyrighted matter, unless the copyright owner gives prior written approval for ODJFS and CONTRACTOR to use such copyrighted matter in the manner provided herein. CONTRACTOR agrees that all Deliverables will be made freely available to the public unless ODJFS determines that, pursuant to state or federal law, such materials are confidential or otherwise exempted from disclosure.

2. All Deliverables provided or produced pursuant to this Contract will be considered "works made for hire" within the meaning of copyright laws of the United States and the State of Ohio. ODJFS is and will be deemed sole author of the Deliverables and sole owner of all rights therein. If any portion of the Deliverables is deemed not a "work made for hire," or if there are any rights in the Deliverables not conveyed to ODJFS, CONTRACTOR agrees to, and by executing this Contract does, assign ODJFS all worldwide rights, title, and interest in and to the Deliverables. ODJFS acknowledges that its sole ownership of the Deliverables under this Contract does not affect CONTRACTOR's right to use general concepts, algorithms, programming techniques, methodologies, or technology that CONTRACTOR developed prior to or as a result of this Contract or that are generally known and available.
3. CONTRACTOR understands that it must submit a written request to ODJFS and receive express written permission from ODJFS include any of its own pre-existing, proprietary materials in any of the Deliverables under this Contract. ODJFS's approval of the inclusion of pre-existing, proprietary materials is predicated on CONTRACTOR granting to ODJFS and the State of Ohio a worldwide, non-exclusive, perpetual, royalty-free license to use, modify, sell, and otherwise distribute all such materials that are included in the Deliverables under this Contract. Upon request by CONTRACTOR, ODJFS will incorporate into any future copies of the Deliverables under this Contract any proprietary notice(s) CONTRACTOR may reasonably require for any pre-existing, proprietary materials included in the Deliverables of this Contract. Any proprietary notices will be the minimum required by law so as not to be seen as an endorsement by ODJFS of or advertisement for CONTRACTOR.

ARTICLE II. EFFECTIVE DATE OF THE CONTRACT

- A. This Contract is in effect from the date of issuance of an approved State of Ohio purchase order (see ARTICLE II, Section B, *infra*) or _____, whichever is later, through _____, unless this Contract is suspended or terminated pursuant to ARTICLE IV prior to the expiration date. **This Contract may be renewed through June 30, 2013, upon satisfactory completion of activities hereunder, appropriation of funds by the Ohio General Assembly, and at the sole discretion of ODJFS. ODJFS will issue a notice to CONTRACTOR if ODJFS decides to renew this Contract. CONTRACTOR will not obligate resources in anticipation of a renewal until notice is provided.**
- B. In addition to Section A above, it is expressly understood by both ODJFS and CONTRACTOR that this Contract will not be valid and enforceable until the Director of the Ohio Office of Budget and Management, first certifies, pursuant to Section 126.07 of the Ohio Revised Code (ORC), that there is a balance in the appropriation not already allocated to pay existing obligations. The ODJFS Contract Manager will notify CONTRACTOR when this certification is given.

ARTICLE III. COMPENSATION

- A. The total amount payable under this Contract is **TOTAL AMT** Dollars (**\$TOTAL**). ODJFS will pay an amount up to **SFY1 AMT** Dollars (**\$\$SFY 1**) for State Fiscal Year **SFY1** and up to **SFY2 AMT** Dollars (**\$\$SFY2**) for State Fiscal Year **SFY2** expressly for the completion of the Deliverables described in ARTICLE I. CONTRACTOR understands that the terms of this Contract do not provide for compensation in excess of the total amount listed in this section. CONTRACTOR hereby waives the interest provisions of ORC 126.30.
- B. Compensation will be paid ...
- C. CONTRACTOR will submit three (3) copies of detailed invoices on a **monthly, quarterly, annual** basis to the ODJFS Bureau of Accounts Payable at 30 East Broad Street, 38th Floor, Columbus, Ohio 43215. CONTRACTOR agrees to use an invoice instrument to be prescribed by ODJFS and will include in each invoice:
 1. CONTRACTOR's name, complete address, and federal tax identification number;
 2. Contract number and dates;
 3. Purchase order number;
 4. Amount and purpose of the invoice;
 5. Description of Deliverables performed during the billing period; and

6. Receipt or other proof of costs paid by CONTRACTOR for which CONTRACTOR is seeking reimbursement.
- D. CONTRACTOR expressly understands that ODJFS will not compensate CONTRACTOR for any work performed prior to CONTRACTOR's receipt of notice from the ODJFS Contract Manager that the provisions of ORC 126.07 have been met as set forth in ARTICLE II, nor for work performed after the ending date specified in ARTICLE II.
- E. CONTRACTOR expressly understands that ODJFS does not have the ability to compensate CONTRACTOR for invoices submitted after the State of Ohio purchase order has been closed. CONTRACTOR must submit final invoices for payment no later than ninety (90) days after the ending date of this Contract. Failure to do so will be deemed a forfeiture of the remaining compensation due hereunder.
- F. Subject to the provisions of ORC 126.07 and 131.33, which will at all times govern this Contract, ODJFS represents that:
1. It has adequate funds to meet its obligations under this Contract;
 2. It intends to maintain this Contract for the full period set forth in ARTICLE II and has no reason to believe that sufficient funds will not be available to make all payments due hereunder; and
 3. It will use its best efforts to obtain the appropriation of necessary funds during the term of this Agreement. CONTRACTOR understands that availability of funds is contingent on appropriations made by the Ohio General Assembly or by funding sources external to the State of Ohio, such as federal funding. If the Ohio General Assembly or the external funding source fails at any time to continue funding ODJFS for the payments due under this Contract, this Contract will be terminated as of the date funding expires without further obligation of ODJFS or the State of Ohio.
- G. CONTRACTOR and ODJFS understand that the terms of this Contract, when combined with any other payments made to or open encumbrances with CONTRACTOR during the same State Biennium, cannot establish compensation in excess of Fifty Thousand and 00/100 Dollars (\$50,000.00) aggregate without prior approval from the State Controlling Board in accordance with ORC 127.16.

ARTICLE IV. SUSPENSION AND TERMINATION, BREACH AND DEFAULT

- A. This Contract will automatically terminate upon expiration of the time period in ARTICLE II, upon completion of all Deliverables, or once all of the compensation has been paid.
- B. Notwithstanding other provisions in this ARTICLE, either party may terminate this Contract at will by giving ninety (90) days written notice to the other party. Upon thirty (30) days written notice to CONTRACTOR, ODJFS may suspend this Contract at ODJFS's sole discretion.
- C. Notwithstanding the provision of Section A, above, ODJFS may suspend or terminate this Contract immediately upon delivery of a written notice to CONTRACTOR if:
1. ODJFS loses funding as described in ARTICLE III, Section F;
 2. ODJFS discovers any illegal conduct by CONTRACTOR; or
 3. CONTRACTOR has violated any provision of ARTICLE VIII.
- D. Except as provided in Sections A and B of this ARTICLE V, CONTRACTOR will have thirty (30) calendar days within which to cure any breach that is curable after receipt of written notice from ODJFS that CONTRACTOR is in breach of any of its obligations under this Contract. If CONTRACTOR fails to cure the breach within the thirty (30) calendar days after written notice or if the breach is not curable, ODJFS may immediately suspend or terminate this Contract. ODJFS may also suspend or terminate this Contract when breaches are persistent, regardless of whether they are cured within thirty (30) calendar days. For purposes of this Section C, "persistent" means that ODJFS has notified CONTRACTOR three (3) times in writing of CONTRACTOR's failure to meet any of its contractual obligations. The three (3) notices do not have to relate to the same obligation or type of failure. After the third notice, ODJFS may suspend or terminate this Contract without a cure period if CONTRACTOR again fails to meet any contractual obligation. At the sole discretion of ODJFS, certain instances of breach may require a shorter cure period

than the thirty (30) calendar days generally applicable in this Section C. In such instances, ODJFS will include in its notice of breach the shorter cure period deemed appropriate.

- E. CONTRACTOR, upon receiving notice of suspension or termination, will:
1. Cease performance of the suspended or terminated Deliverables;
 2. Take all necessary steps to limit disbursements and minimize costs including, but not limited to, suspending or terminating all contracts and subgrants related to suspended or terminated Deliverables;
 3. Prepare and furnish a report to ODJFS, as of the date the notice of termination or suspension was received, that describes the status of all Deliverables and includes the results accomplished and the conclusions reached through Deliverables; and
 4. Perform any other tasks ODJFS requires.
- F. In the event of suspension or termination under this ARTICLE, ODJFS will, upon receipt of a proper invoice from CONTRACTOR, determine the amount of any unpaid Contract funds due to CONTRACTOR for Deliverables performed before CONTRACTOR received notice of termination or suspension. In order to determine the amount due to CONTRACTOR, ODJFS will base its calculations on the payment method described in ARTICLE III and any funds previously paid by or on behalf of ODJFS. ODJFS will not be liable for any further claims submitted by CONTRACTOR.
- G. If ODJFS terminates this Contract for any reason provided in this ARTICLE, except for termination at will pursuant to Section A or termination for loss of funding pursuant to Section B, ODJFS will be entitled to utilize another contractor to complete the Deliverables described in ARTICLE I of this Contract on any commercially reasonable terms as ODJFS and the covering contractor may agree. In this event, CONTRACTOR will be liable to ODJFS for all costs related to covering the project to the extent that such costs, when combined with payments already made to CONTRACTOR prior to termination, exceed the costs that ODJFS would have incurred under this Contract. CONTRACTOR's liability under this Section G is in addition to any other remedies available to ODJFS pursuant to this Contract.
- H. Upon CONTRACTOR's breach or default of provisions, obligations, or duties embodied in this Contract or any term of an award, a federal statute or regulation, an assurance, a State plan or application, a notice of award, or other applicable rule, ODJFS reserves the right to exercise any administrative, contractual, equitable, or legal remedies available without limitation. Any waiver by ODJFS of an occurrence of breach or default is not a waiver of subsequent occurrences. If ODJFS or CONTRACTOR fails to perform any obligation under this Contract and the other party subsequently waives the failure, the waiver will be limited to that particular occurrence of a failure and will not be deemed to waive other failures that may occur. Waiver by ODJFS will not be effective unless it is in writing signed by the ODJFS Director.

ARTICLE V. NOTICES

- A. ODJFS and CONTRACTOR agree that communication regarding Deliverables, scope of work, invoice or billing questions, or other routine instructions will be between CONTRACTOR and the identified ODJFS Contract Manager pursuant to ARTICLE I, Section C of this Contract.
- B. Notices to ODJFS from CONTRACTOR that concern changes to CONTRACTOR's principal place of operation, billing address, legal name, federal tax identification number, mergers or acquisitions, corporate form, excusable delay, termination, bankruptcy, assignment, any notice pursuant to ARTICLE VIII, and/or any other formal notice regarding this Contract will be sent to the ODJFS Deputy Director of Contracts and Acquisitions at 30 East Broad Street, 31st Floor, Columbus, Ohio 43215.
- C. Notices to CONTRACTOR from ODJFS concerning termination, suspension, option to renew, breach, default, or other formal notices regarding this Contract will be sent to CONTRACTOR's representative at the address appearing on the signature page of the this Contract.

- D. All notices in accordance with Sections B and C of this ARTICLE will be in writing and will be deemed given when received. All notices must be sent using a delivery method that documents actual delivery to the appropriate address herein indicated (e.g., certified mail).

ARTICLE VI. RECORDS, DOCUMENTS AND INFORMATION

CONTRACTOR agrees that all records, documents, writings, and other information, created or used pursuant to this Contract will be treated according to the following terms, and that the terms will be included in any subcontracts executed for the performance of the Deliverables under this Contract:

- A. CONTRACTOR agrees that any media produced pursuant to this Contract or acquired with Contract funds will become the property of ODJFS. This includes all documents, reports, data, photographs (including negatives), and electronic reports and records. ODJFS will maintain the unrestricted right to reproduce, distribute, modify, maintain, and use the media in any way ODJFS deems appropriate. CONTRACTOR further agrees not to seek or obtain copyright, patent or other proprietary protection for any materials or items produced under this Contract. CONTRACTOR understands that all materials and items produced under this Contract will be made freely available to the public unless ODJFS determines that certain materials are confidential under federal or state law.
- B. All ODJFS information that is classified as public or private under Ohio law and ODJFS rules will be treated as such by CONTRACTOR. Should the nature of any information be in question, ODJFS will determine whether the information is public or private. CONTRACTOR will restrict the use of any information, systems, or records ODJFS provides to the specific Deliverables specified in ARTICLE I of this Contract. CONTRACTOR and its employees agree to be bound by the same standards and rules of confidentiality that apply to employees of ODJFS and the State of Ohio. CONTRACTOR agrees that the terms of this Section B will be included in any subcontract executed by CONTRACTOR for work under this Contract.
- C. CONTRACTOR information that is proprietary and has been specifically identified by CONTRACTOR as proprietary will be held as confidential by ODJFS. Proprietary information is information that would put CONTRACTOR at a competitive disadvantage in CONTRACTOR's market place and trade if it were made public. ODJFS reserves the right to require reasonable evidence of CONTRACTOR's assertion of the proprietary nature of any information. The provisions of this ARTICLE are not self-executing. CONTRACTOR must demonstrate that any information claimed as proprietary meets the definition of "trade secrets" found at ORC 1333.61.
- D. All records relating to cost, work performed, supporting documentation for invoices submitted to ODJFS, and copies of all materials produced under or pertaining to this Contract will be retained by CONTRACTOR and will be made available for audit by state and federal government entities that include but are not limited to, ODJFS, the Ohio Auditor of State, the Ohio Inspector General and all duly authorized law enforcement officials. The records and materials will be retained and made available for a minimum of three (3) years after CONTRACTOR receives the last payment pursuant to this Contract. If an audit, litigation or similar action is initiated during this time period, CONTRACTOR will retain the records until the action is concluded and all issues are resolved, or until the end of the three-year period if the action is resolved prior to the end of the three-year period. If applicable, CONTRACTOR must meet the requirements of the federal Office of Management and Budget (OMB) Circulars A-110, A-122, and A-133. CONTRACTOR acknowledges, in accordance with ORC 149.43, that financial records related to the performance of services under this Contract are presumptively deemed public records.
- E. CONTRACTOR hereby agrees to current and ongoing compliance with Title 42, Section 1320 of the United States Code (42 USC 1320d -1320d(8)) and the implementing regulations found at Title 45, Parts 164.502 and 164.504 of the Code of Federal Regulations (45 CFR 164.502(e) and 164.504(e)) regarding disclosure of Protected Health Information under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"). CONTRACTOR further agrees to include the terms of this Section E in any subcontracts that may be executed pursuant to this Contract.

ARTICLE VII. AMENDMENT AND ASSIGNMENT

- A. This writing constitutes the entire agreement between ODJFS and CONTRACTOR with respect to all matters herein. Only a writing signed by both parties may amend this Contract. However, ODJFS and CONTRACTOR agree that any amendments to any laws or regulations cited herein will result in the

correlative modification of this Contract without the necessity for executing written amendments. Any written amendment to this Contract will be prospective in nature.

- B. CONTRACTOR agrees not to assign any interest in this Contract nor transfer any interest in the Contract without the prior written approval of ODJFS. CONTRACTOR will submit any requests for approval of assignments and transfers to the ODJFS Contract Manager at least 10 (ten) days prior to the desired effective date. CONTRACTOR understands that any assignments and transfers will be subject to any conditions ODJFS deems necessary and that no approval by ODJFS will be deemed to provide for any ODJFS obligation that exceeds the Contract amount specified in ARTICLE III of this Contract.

ARTICLE VIII. CONTRACTOR CERTIFICATION OF COMPLIANCE WITH SPECIAL CONDITIONS

By accepting this Contract and by executing this Contract, CONTRACTOR hereby affirms current and continued compliance with each condition listed in this ARTICLE. CONTRACTOR's certification of compliance with each of these conditions is considered a material representation of fact upon which ODJFS relied in entering into this Contract:

- A. If at any time, CONTRACTOR is not in compliance with the conditions affirmed in this Section A, ODJFS will consider this Contract *void ab initio* and will deliver written notice to CONTRACTOR. Any funds the State of Ohio paid CONTRACTOR for work performed before CONTRACTOR received notice that the Contract is *void ab initio* will be immediately repaid or the State of Ohio may commence an action for recovery against CONTRACTOR.

 3. **Unfair Labor Practices.** CONTRACTOR affirms that neither CONTRACTOR nor its principals are on the most recent list established by the Ohio Secretary of State, pursuant to ORC 121.23, which would identify CONTRACTOR as having more than one (1) unfair labor practice contempt of court finding.

- B. If at any time CONTRACTOR is not in compliance with the conditions affirmed in this Section B, ODJFS may immediately suspend or terminate this Contract and will deliver written notice to CONTRACTOR. CONTRACTOR will be entitled to compensation, upon submission of a proper invoice per ARTICLE III, only for work performed during the time CONTRACTOR was in compliance with the provisions of this Section B. Any funds paid by the State of Ohio for work performed during a period when CONTRACTOR was not in compliance with this Section B will be immediately repaid or the State of Ohio may commence an action for recovery against CONTRACTOR.

If CONTRACTOR, its officers, employees, or members acquire any incompatible, conflicting, or compromising

interest, CONTRACTOR agrees it will immediately disclose the interest in writing to the ODJFS Chief Legal Counsel at 30 East Broad Street, 31st Floor, Columbus, Ohio 43215-3414. 6. **Child Support Enforcement.** CONTRACTOR agrees to cooperate with ODJFS and any child support enforcement agency in ensuring that CONTRACTOR and its employees meet child support obligations established by state and federal law including present and future compliance with any court or valid administrative order for the withholding of support issued pursuant to the applicable sections of ORC Chapters 3119, 3121, 3123, and 3125.

ARTICLE IX. MISCELLANEOUS PROVISIONS

- A. **Independent Contractor.** CONTRACTOR agrees that no agency, employment, joint venture, or partnership has been or will be created between ODJFS and CONTRACTOR. CONTRACTOR further agrees that as an independent contractor, it assumes all responsibility for any federal, state, municipal or other tax liabilities along with workers compensation, unemployment compensation and insurance premiums that may accrue as a result of funds received pursuant to this Contract. CONTRACTOR agrees

that it is an independent contractor for all purposes including, but not limited to, the application of the Fair Labor Standards Act, the Social Security Act, the Federal Unemployment Tax Act, the Federal Insurance Contribution Act, provisions of the Internal Revenue Code, Ohio tax law, Workers Compensation law, and Unemployment Insurance law.

- B. **Limitation of Liability.** To the extent allowable by law, CONTRACTOR agrees to hold ODJFS harmless in any and all claims for personal injury, property damage, and/or infringement resulting from Deliverables. CONTRACTOR's sole and exclusive remedy for any ODJFS failure to perform under this Contract will be an action in the Ohio Court of Claims pursuant to ORC Chapter 2743 that will be subject to the limitations set forth in this ARTICLE. In no event will ODJFS be liable for any indirect or consequential damages, including loss of profits, even if ODJFS knew or should have known of the possibility of such damages.
- C. **Infringement of Patent or Copyright.** To the extent allowable by law and subject to ORC 109.02, CONTRACTOR agrees to defend any suit or proceeding brought against ODJFS, any official or employee of ODJFS acting in his or her official capacity, or the State of Ohio due to any alleged infringement of patent or copyright arising out of the performance of this Contract, including all work, services, materials, reports, studies, and computer programs provided by CONTRACTOR. ODJFS will provide prompt notification in writing of such suit or proceeding; full right, authorization, and opportunity to conduct the defense thereof; and full disclosure of information along with all reasonable cooperation for the defense of the suit. ODJFS may participate in the defense of any such action. CONTRACTOR agrees to pay all damages and costs awarded against ODJFS, any official or employee of ODJFS in his or her official capacity, or the State of Ohio as a result of any suit or proceeding referred to in this Section C. If any information and/or assistance is furnished by ODJFS at CONTRACTOR's written request, it is at CONTRACTOR's expense. If any of the materials, reports, or studies provided by CONTRACTOR are found to be infringing items and the use or publication thereof is enjoined, CONTRACTOR agrees to, at its own expense and at its option, either procure the right to publish or continue use of such infringing materials, reports, or studies; replace them with non-infringing items of equivalent value; or modify them so that they are no longer infringing. The obligations of CONTRACTOR under this Section survive the termination of this Contract, without limitation.
- D. **Liens.** CONTRACTOR will not permit any lien or claim to be filed or prosecuted against ODJFS or the State of Ohio because of any labor, services, or materials furnished. If CONTRACTOR fails, neglects, or refuses to make prompt payment of any claims for labor, services, or materials furnished to CONTRACTOR in connection with this Contract, ODJFS or the State of Ohio may, but is not obligated to, pay those claims and charge the amount of payment against the funds due or to become due to CONTRACTOR under this Contract.
- E. **Delay.** Neither party will be liable for any delay in its performance that arises from causes beyond its control and without its negligence or fault. The delaying party will notify the other promptly of any material delay in performance and will specify in writing the proposed revised performance date as soon as practicable after notice of delay. The delaying party must also describe the cause of the delay and its proposal to remove or mitigate the delay. Notices will be sent pursuant to ARTICLE IV. In the event of excusable delay, the date of performance or delivery of products may be extended by amendment, if applicable, for a time period equal to that lost due to the excusable delay. Reliance on a claim of excusable delay may only be asserted if the delaying party has taken commercially reasonable steps to mitigate or avoid the delay. Items that are controllable by CONTRACTOR's subcontractor(s) will be considered controllable by CONTRACTOR, except for third-party manufacturers supplying commercial items and over whom CONTRACTOR has no legal control. The final determination of whether an instance of delay is excusable lies with ODJFS in its discretion.

ARTICLE X. CONSTRUCTION

This Contract will be governed, construed, and enforced in accordance with the laws of the State of Ohio. Should any portion of this Contract be found unenforceable by operation of statute or by administrative or judicial decision, the remaining portions of this Contract will not be affected as long as the absence of the illegal or unenforceable provision does not render the performance of the remainder of the Contract impossible.

PHASE II: Criteria for Scoring of Technical Proposal

Qualifying technical proposals will be collectively scored by a Proposal Review Team (PRT) appointed by ODJFS, Office of families and Children. For each of the evaluation criteria given in the following score sheet, reviewers will collectively judge whether the technical proposal exceeds, meets, partially meets or does not meet the requirements expressed in the RLB, and assign the appropriate point value, as follows:

0	6	8	10
Does Not Meet Requirement	Partially Meets Requirement	Meets Requirement	Exceeds Requirement

Technical Performance Scoring Definitions:

“Does Not Meet Requirement”- A particular RLB requirement was not addressed in the vendor’s proposal, **Score: 0**

“Partially Meets Requirement”-Vendor proposal demonstrates some attempt at meeting a particular RLB requirement, but that attempt falls below acceptable level, **Score: 6**

“Meets Requirement”-Vendor proposal fulfills a particular RLB requirement in all material respects, potentially with only minor, non-substantial deviation, **Score: 8**

“Exceeds Requirement”-Vendor proposal fulfills a particular RLB requirement in all material respects, and offers some additional level of quality in excess of ODJFS expectations, **Score: 10**

A technical proposal's total PHASE II score will be the sum of the point value for all the evaluation criteria. The review team will collectively score each individual qualifying proposal. Technical proposals which do not meet or exceed a total score of at least **253** points (a score which represents that the selected vendor has the capability to successfully perform the project/program services) out of a maximum of **330** points, will be disqualified from further consideration, and its cost proposal will neither be opened nor considered. Only those vendors whose Technical Proposals meet or exceed the minimum required technical points will advance to PHASE III of the technical proposal score sheet.
