PARTICIPATING AGENCY(IES): OHIO DEPARTMENT OF PUBLIC SAFETY, STATE HIGHWAY PATROL, 1970 WEST BROAD STREET, COLUMBUS, OH 43223			
<p><u>THE DEPARTMENT OF ADMINISTRATIVE SERVICES, OFFICE OF PROCUREMENT SERVICES, IS SOLICITING BIDS FOR:</u></p> <p>UNIFORM ACCESSORIES FOR THE OHIO HIGHWAY PATROL; LEATHER ACCESSORIES, SIDEARM DUTY HOLSTERS AND RAIN AND SAFETY APPAREL</p> <p><u>TERM OF CONTRACT:</u> This Invitation to Bid is to establish a requirements contract to procure the described supplies or services on behalf of the above participating agency(ies). The agency(ies) may place orders against the Contract beginning <u>10/01/11</u> or upon the date when DAS signs the Contract, whichever is later in time. The Contract will expire <u>09/30/14</u> unless DAS terminates the Contract based upon reasons set forth in Article I-C of the Standard Contract Terms and Conditions. No agencies may place purchase orders against the Contract beyond the expiration date unless DAS renews the Contract by amendment. The Contractor may begin performance under the Contract only upon receipt of a valid order from a participating state agency.</p> <p><u>INSTRUCTIONS TO BIDDERS AND CONTRACT TERMS AND CONDITIONS</u>, Revised 10-01-07, are a part of this Invitation to Bid. Copies may be downloaded by clicking on this link: Instructions: Terms and Conditions for Bidding, Standard Contract Terms and Conditions, and Supplemental Contract Terms and Conditions. All prior versions of Instructions to Bidders, Contract Terms and Conditions are null and void.</p> <p>By submitting this Invitation to Bid, the Contractor certifies that Contractor has truthfully disclosed the location(s) where all services are to be performed; the location(s) where all applicable State contract data is to be maintained or made available; and the principal location of business for the Contractor and all subcontractors. The Contractor further certifies and acknowledges that Contractor will not change the country of the location(s) where services are performed and will not change the country of the location(s) where data is maintained or made available without prior written consent of the State.</p> <p>Any questions or clarifications regarding this Invitation to Bid should be directed to the Office of Procurement Services through the Internet at www.procure.ohio.gov/. All questions should be submitted a minimum of five (5) working days prior to the bid opening date.</p>			
PRINTED/TYPED SIGNATURE	AUTHORIZED SIGNATURE (ORIGINAL SIGNATURE ONLY) (Please sign in blue ink)	DATE	

The ORIGINAL signed Bid must be submitted to the Office of Procurement Services by 1:00 o'clock p.m., on the above listed opening date to receive consideration for award. It is requested that the Bidder NOT sign their bid in BLACK ink. BIDDER CERTIFIES, by signature affixed to its bid, that the information provided by it in its bid including the certified statements, is accurate and complete. Bidder declares to have read and understood and agrees to be bound by all of the instructions, terms, conditions and specifications of this Invitation to Bid and agrees to fulfill the requirements of any awarded contract at the prices bid.

REQUIRED CERTIFICATION FOR BIDDING

Those bidders claiming preference for Domestic Source End Products and/or the Ohio preference, pursuant to Revised Code Sections 125.09 and 125.11 and Administrative Code Section 123:5-1-06 must complete the following information. Bidders who qualify as an "Ohio" bidder (offer an Ohio product or who have significant Ohio economic presence) or who qualify as a Border State bidder are eligible to receive a five percent (5%) preference over non-Ohio/Border state bidders. The state reserves the right to clarify any information during the evaluation process. **BIDDERS MUST COMPLETE THIS CERTIFICATION TO RECEIVE THE PREFERENCE.**

A. DOMESTIC PREFERENCE (BUY AMERICA): [Not applicable to **"Excepted Products"**]

- Where is each product/services being offered mined, raised, grown, produced or manufactured?
 United States: _____ (State) Canada Mexico (Go to B-1)
 Other: (Specify Country) _____ (Go to A-2)
- End product is manufactured outside the United States and at least 50% of the cost of its components are produced, mined, raised, grown or manufactured within the United States. The cost of components may include transportation costs to the place of manufacture and, in the case of components of foreign origin, duty whether or not a duty free entry certificate is issued.
 Yes (Go to Section B-1) No (Go to Section A-3)
- The Bidder hereby certifies that each end product, except the products listed below, is a domestic source end product as defined in the Buy America Act and that components of unknown origin have been considered to have been mined, produced, grown or manufactured outside the United States.
_____(Item) _____(Country of Origin)
_____(Item) _____(Country of Origin)

A domestic end source product is deemed to be excessively priced if it exceeds the cost of the foreign product by more than 6%. Pursuant to FAR, Part 25, the state of Ohio does not acquire supplies or services that cannot be imported lawfully into the United States. The contractor, their subcontractor(s) and any agent of the contractor or subcontractor must not acquire any supplies or services originating from sources within, or that were located in or transported from or through Cuba, Iran, Iraq, Libya, North Korea, Sudan Territory of Afghanistan controlled by the Taliban, or Serbia (excluding the territory of Kosovo).

B. OHIO PREFERENCE (BUY OHIO):

- The products/services being offered are raised, grown, produced, mined or manufactured in Ohio. 
 Yes (Go to C) No (Go to B-2)
- Bidder has significant economic presence within the state of Ohio. Yes (Answer a, b, c, d below) No (Go to B-3)
 - Bidder has paid the required taxes due the state of Ohio Yes No
 - Bidder is registered with the Ohio Secretary of State
 Yes (Charter/Registration No.: _____) No
Questions regarding registration should be directed to (614) 466-3910 or visit their web site at:
<http://www.sos.state.oh.us/>
 - Bidder has ten or more employees based in Ohio or border state. Yes No (Go to B-2d)
 - Bidder has seventy-five percent or more employees based in Ohio or border state. Yes No (Go to B-3)
- Border state bidder:
 Yes (Specify which state then go to B-2c): KY MI NY PA IN No (Go to B-4)
- Border state bidder: mined products mined in respective border state Yes No Not Applicable

C. E.D.G.E. DESIGNATION

Bidder is certified E.D.G.E. business Yes No

For information on E.D.G.E. designation, please visit the DAS Equal Opportunity Division website at:

<http://www.das.ohio.gov/Divisions/EqualOpportunity/tabid/80/Default.aspx>

D. DECLARATION REGARDING MATERIAL ASSISTANCE/NON-ASSISTANCE TO A TERRORIST ORGANIZATION (DMA)

The Bidder being awarded this Contract must:

- review the Terrorist Exclusion List at http://www.publicsafety.ohio.gov/links/terrorist_exclusion_list.pdf
- complete the Declaration Regarding Material Assistance/Non-Assistance to a Terrorist Organization (DMA) form <http://www.publicsafety.ohio.gov/links/HLS0038.pdf> and submit this with your bid response.

Failure to complete the Declaration Regarding Material Assistance/Non-Assistance to a Terrorist Organization (DMA) form may result in the bidder being deemed not responsive and/or may invalidate any Contract award. If not submitted with the bid response, the bidder will have seven (7) calendar days, after notification, to submit the form.

AMENDMENTS TO CONTRACT TERMS AND CONDITIONS: The following Amendments to the Contract Terms and Conditions do hereby become a part hereof. In the event that an amendment conflicts with the Contract Terms and Conditions, the Amendment will prevail.

DELIVERY AND ACCEPTANCE: Supplies will be delivered to the participating agency within sixty (60) days after receipt of order and, in accordance with paragraphs S-8, S-9, and S-10 of the SUPPLEMENTAL CONTRACT TERMS AND CONDITIONS. The delivery location will be noted on the purchase order issued by the participating agency. Acceptance (transfer of title) will occur upon the inspection and written confirmation by the ordering agency that the supplies delivered conform to the requirements set forth in the Contract. Unless otherwise provided in the Contract, acceptance shall be conclusive except as regards to latent defects, fraud, or such gross mistakes as amount to fraud.

MANUFACTURER'S SPECIFICATIONS: Manufacturer's specification sheets should be submitted with the bid for each item/manufacturer bid. Specification sheets are to be labeled with the name of the manufacturer, the style number and the category bid. The state acknowledges that it may receive bids from multiple distributors bidding the same manufacturer's product. In such situations, specification sheets may be submitted by manufacturer(s) on behalf of multiple distributors, provided that such specification sheets are accompanied by written documentation, on manufacturer's letterhead, signed by an authorized representative of the manufacturer, listing the named distributor(s) for whom the specification sheets/samples are provided. If not provided as part of the bid response, the Bidder must provide said specification sheets within seven (7) calendar days after request/notification by the Office of State Purchasing to do so. Any references, that may appear in the manufacturer's specification sheets, that may alter the terms and conditions and specifications of the bid (i.e. F.O.B. Shipping Point or Prices Subject to Change), will not be part of any contract and will be disregarded by the state of Ohio. Failure of the bidder to furnish manufacturer's specification sheets either as part of their bid response or within the time specified herein will deem the bidder not responsive.

PRODUCT SAMPLES: The Bidder(s) may be required to submit samples of the supplies being offered. The samples will be used in the evaluation process to determine the lowest responsive and responsible bidder. If not included as part of their bid response, the bidder will be required to provide the samples within seven (7) calendar days after notification. Failure to provide the samples within the stated time period will result in the bidder being deemed not responsive. After award of the contract, the samples will be used as a basis of comparison with actual product delivered under contract. Any variation between the samples and product being delivered will be considered as an event of default. Any variations between the samples and actual product being delivered that are due to manufacturer changes may be acceptable and shall require prior written approval from DAS.

AUTHORIZED DISTRIBUTOR OR MANUFACTURERS REPRESENTATIVE: Bidders responding to this Bid must be authorized distributors, manufacturers or representatives of manufacturers of the items bid. Bidders may be required to submit proof of the above. If requested, bidders will have seven (7) calendar days to provide proof of the relationship. If requested Bidders shall submit certification attesting that they are the manufacturer or an authorized dealer, distributor or manufacturer's representative of the products being bid. This certification must be on the manufacturer's letterhead, signed by a duly authorized employee of the manufacturer.

EVALUATION: Bids will be evaluated in accordance with Article I-17 of the "Instructions to Bidders". In addition, the state will multiply the bid unit price per item times the estimated annual usage per item and sum the totals for all items to arrive at the lowest overall cost for all items. Failure to bid all items may result in the bidder being deemed not responsive.

CONTRACT AWARD: The contract will be awarded to the lowest responsive and responsible bidder by low lot total.

BRAND SPECIFIC AND BRAND NAME OR EQUAL SPECIFICATIONS: Where specified, the products in this Invitation To Bid (ITB) are being bid as BRAND SPECIFIC. Category A, Items 1a. 1b. 1c. 1d. 1e. and 1f. and all items in Category B. are being bid as brand specific. That signifies that no alternates will be accepted for award. Bid is in accordance with the Ohio Administrative Code 123:5-1-10 (I). Elsewhere in this bid, brand names are included as a "brand name or equal specification", in accordance with paragraph I-32 of the INSTRUCTIONS, TERMS AND CONDITIONS FOR BIDDING.

FIXED-PRICE WITH ECONOMIC ADJUSTMENT: The contract prices(s) will remain firm for the first six (6) months duration of the contract. Thereafter, the Contractor may submit a request to increase their price(s) to be effective thirty (30) calendar days after acceptance by DAS. No price adjustment will be permitted prior to the effective date of the increase received by the Contractor from his suppliers, or on purchase orders that are already being processed, or on purchase orders that have been filled and are awaiting shipment. If the Contractor receives orders requiring quarterly delivery, the increase will apply to all deliveries made after the effective date of the price increase.

FIXED-PRICE WITH ECONOMIC ADJUSTMENT (Cont'd):

The price increase must be supported by a general price increase in the cost of the finished supplies, due to increases in the cost of raw materials, labor, freight, Workers' Compensation and/or Unemployment Insurance, etc. Detailed documentation, to include a comparison list of the contract items and proposed price increases, must be submitted to support the requested increase. Supportive documentation should include, but is not limited to: copies of the old and the current price lists or similar documents which indicate the original base cost of the product to the Contractor and the corresponding increase, and/or copies of correspondence sent by the Contractor's supplier on the supplier's letterhead, which contain the above price information and explains the source of the increase in such areas as raw materials, freight, fuel or labor, etc.

Should there be a decrease in the cost of the finished product due to a general decline in the market or some other factor, the Contractor is responsible to notify DAS immediately. The price decrease adjustment will be incorporated into the contract and will be effective on all purchase orders issued after the effective date of the decrease. If the price decrease is a temporary decrease, such should be noted on the invoice. In the event that the temporary decrease is revoked, the contract pricing will be returned to the pricing in effect prior to the temporary decrease. For quarterly deliveries, any decrease will be applied to deliveries made after the effective date of the decrease. Failure to comply with this provision will be considered as a default and will be subject to the provisions of Article 6, "Contract Terms and Conditions".

SPECIAL CHARGES: There are to be no assessments, up-charges, single item charge, surcharge, re-stocking fee, minimum order charge nor will any additional charges be allowed that are not specifically mentioned under the provisions of the standard terms and conditions of this bid and any ensuing contract awarded pursuant to this bid.

MINIMUM ORDER: No order shall be placed against a contract awarded pursuant to this bid for less than two hundred (\$200.00) dollars.

TRANSPORTATION CHARGES: Any item(s) ordered from a contract awarded pursuant to this bid will be shipped F.O.B. destination, freight prepaid. Shipment will be made as indicated on the purchase order.

USAGE REPORTS: Every six (6) months, the contractor must submit a report (written or on disk or via email in Excel format) indicating sales generated by this contract. The report shall list usage by customer, by line item, showing the quantities/dollars generated by this contract. . The report must be submitted thirty (30) days following the completion of the reporting period. The report shall be forwarded to the Office of State Purchasing, 4200 Surface Road, Columbus, OH 43228-1395, Attn: Walter Schneider, CPPB

SWEATSHOP FREE: By the signature affixed to this ITB, Bidder certifies that all facilities used for the production of the supplies or performance of services offered in the bid are in compliance with applicable domestic labor, employment, health and safety, environmental and building laws. This certification applies to any and all suppliers and/or subcontractors used by the Bidder in furnishing the supplies or services described in the bid and awarded to the Bidder. If DAS receives a complaint alleging non-compliance with sweatshop free requirements, DAS may enlist the services of an independent monitor to investigate allegations of such non-compliance on the part of the Contractor, any sub-contractors or suppliers used by the Contractor in performance of the Contract. If allegations are proven to be accurate, the Contractor will be advised by DAS of the next course of action to resolve the complaint and the Contractor will be responsible for any costs associated with the investigation. Items that will be considered in an investigation include, but are not limited to standards for wages, occupational safety and work hours.

DISCLOSURE OF SUBCONTRACTORS / JOINT VENTURES (See Standard Contract Terms and Conditions, Section (roman numeral) V. General Provisions:, Paragraph Q.):

List names of subcontractors who will be performing work under the Contract.

_____	_____
_____	_____
_____	_____

By the signature affixed to Page 1 of this Bid, Bidder hereby certifies that the above information is true and accurate. The Bidder agrees that no changes will be made to this list of subcontractors or locations where work will be performed or data will be stored without prior written approval of DAS. Any attempt by the Bidder/Contractor to change or otherwise alter subcontractors or locations where work will be performed or locations where data will be stored, without prior written approval of DAS, will be deemed as a default. If a default should occur, DAS will seek all legal remedies as set forth in the Terms and Conditions which may include immediate cancellation of the Contract. Failure to complete this page may deem your bid not responsive.

DISCLOSURE OF FULFILLMENT HOUSES:

Fulfillment Houses are defined as follows: A third party that performs outsourced storage, order picking, packing, shipment and/or tracking activities for the Contractor. Bidders seeking to enter into a materials contract shall disclose the following: (use additional sheets if necessary)

If awarded a contract under this Invitation To Bid, do you intend to use Fulfillment Houses as defined above to fulfill your obligations under any ensuing contract? Yes: [] No: []

If you answered yes above, complete the following information.

a) Principal location of business for the contractor (Name/City/State/Country)

b) Principal location of all Fulfillment Houses (Name/City/State/Country)

c) Location where inventory to support the Contract will be maintained (Name/City/State/Country)

d) Has this Fulfillment House ever been asked to withdraw from a contract with the state of Ohio, either as a Fulfillment House or as a direct contractor to the State? Yes [] No []

e) Has this Fulfillment House ever been asked to withdraw from a contract with another state or government body?
Yes [] No []

The state of Ohio neither approves nor disapproves of any Fulfillment House. The State reserves the right to authorize or fail to authorize the use of any Fulfillment House. Prior removal from a contract or contracts may be cause for disqualification.

By the signature affixed to Page 1 of this Bid, Bidder hereby certifies that the above information is complete, correct, true and accurate. The Bidder agrees that no changes will be made to this list of fulfillment houses without amendment to the contract issued subsequent to the analysis of bids. Any attempt by the Bidder/Contractor to change or otherwise alter Fulfillment House locations where services will be performed without prior amendment to the contract, will be deemed as a default. If a default should occur, DAS will seek all legal remedies as set forth in the Terms and Conditions which may include immediate cancellation of the Contract. Failure to complete this page may deem your bid not responsive.

Bid Automobile Liability Checklist:

Contractor will indicate, by checking the appropriate box(es) below, which mode of transportation will apply to this contract.

- Bidder/Broker ("The Contractor") or their Sub Contractor will make delivery or be performing services using a vehicle that is owned, leased or rented. Provide Certificate of Insurance documenting automobile liability with a Combined Single Limit of \$500,000.00.
- Goods/Services will be delivered via common carrier.
- No employee or representative of the contractor will have cause to be on state property to make deliveries or to perform services.

Notice on the Use of Social Security Numbers as Federal Tax Identification Numbers

The Department of Administrative Services (Department) requires vendors and contractors wishing to do business with the State to provide their Federal Taxpayer Identification Number to the Department. The Department does this so that it can perform statutorily required "responsibility" analyses on those vendors and contractors doing business with the State and, under limited circumstances, for tax reporting purposes. If you are a vendor or contractor using your Social Security Number as your Federal Taxpayer Identification Number, please be aware that the information you submit is a public record, and the Department may be compelled by Ohio law to release Federal Taxpayer Identification Numbers as a public record. If you do not want to have your Social Security Number potentially disclosed as a Federal Taxpayer Identification Number, the Department encourages you to use a separate Employer Identification Number (EIN) obtained from the United States Internal Revenue Service's to serve as your Federal Taxpayer Identification Number.

SPECIFICATIONS

I. SCOPE

These specifications cover the purchase of selected uniform apparel and accessories for the Ohio State Highway Patrol with delivery required to specific locations in Columbus, OH.

II. REQUIREMENTS

- A. Where applicable instructions on measurements and/or applicable sizing charts should accompany this bid. If not submitted with the bid, Bidder(s) will have seven (7) calendar days after notification to provide same. Failure to provide instructions on measurements and/or applicable sizing charts as requested may result in the bidder being deemed not responsive. Bidders must specify if they are using standard or metric system measurements in their measurement and/or sizing charts.
- B. Each item shall be packaged and marked for the individual or ordering agency as specified.
- C. All items shall be stamped or labeled, including care instructions where applicable, indicating size, product origin and other information pertinent to labeling laws.
- D. Where applicable all items shall have loose threads removed and be pressed, shaped and finished properly in accordance with industry standards.
- E. All materials shall be first quality, new, unused and without flaws or defects which adversely affect appearance, durability or function.
- F. Where applicable, emblems supplied by the agency(s) shall be sewn on or affixed as specified at no charge.
- G. Any items found to be defective, improperly sized, or not in accordance with specifications, although accepted through oversight or otherwise, shall be replaced, repaired or altered at the expense of the vendor, including all transportation costs.
- H. Any order placed pursuant to this contract the delivery of such which contains items which do not conform with these item specifications which is received through oversight or otherwise, may be rejected at any time. Any part of the order found not in compliance with specifications due to the fault of the contractor (e.g., color, defective or improper sizing), shall be altered or replaced by the contractor at his/her expense, including all transportation costs. Any rejected item that cannot be altered to meet all terms and conditions of the specifications shall not be offered for sale to anyone else or otherwise disposed of as a wearable garment by the contractor or manufacturer without approval of the Superintendent of the State of Ohio Highway Patrol.

SPECIFICATIONS (CONT'D)

IV. ITEM SPECIFICATIONS

CATEGORY A. SIDEARM DUTY HOLSTERS AND LEATHER ACCESSORY ITEMS

Category A. Items 1a. and 1b. Sidearm Duty Holster System Right and Left Hand Models (Brand Specific Only – Safariland Model 295 Holster)

1. General Description

Duty holster designed to accommodate the SigArms Model P-226 DAK, .40 S&W caliber, semi-automatic pistol. Holster designed for use on the Sam Browne belt. Holster shall be identified as either right-handed Model Number 295-177-91 or left-handed Model Number 295-177-92.

2. Product Function

Holster shall maintain handgun in a stable, tactically ready configuration. Holster shall have medium height ride and straight drop carry. Front unlocking design shall utilize wraparound retaining flap with conventional snap assembly with stiff socket. Internal trigger guard lock shall hold weapon on each side of the trigger guard. Holster shall have a belt loop tension device, a covered trigger guard, and shall be weatherproof.

3. Belt Loop

Model 2955 shall accommodate a one and one half (1.5") inch drop in the worn height of the holster. Belt loop shall be identified as either right-handed Model Number 2955-177-91 or left-handed Model Number 2955-177-92.

4. Construction Materials

The holster body shall be constructed of a lamination of engineered materials, polyurethane and orthopedic grade suede leather, sewn with 207 and 277 grade nylon cord stitching. Holster shall have case hardened Nyloc screws and tee-nuts. Holster shall have Aeron 120 Engineered Synthetics as reinforcement in strategic areas. Holster shall have a conventional snap assembly with stiff socket. Holster shall have an injected molded, three-piece trigger guard mechanism.

5. Finish

Holster shall have a high gloss Porvair finish.

SPECIFICATIONS (Cont'd)

6. Manufacturing Process

Holster body shall be heat and pressure molded with a wraparound, weltless construction to accommodate the SigArms P-226 DAK .40 S&W caliber pistol. The sight channel shall be molded into the holster body. The belt shank shall be heat and pressure molded for body curvature. The shank shall be bolted onto the holster body with case hardened hardware. The injected molded trigger guard shall be bolted into the holster with case hardened screws.

7. Brand Specific

The product(s) specified in this Category/item(s) of this Invitation To Bid (ITB) is/are being bid as Brand Specific. That signifies that no alternates will be accepted for award. This Bid is in accordance with the Ohio Administrative Code 123:5-1-10, Section I, Items 1 through 4.

8. Letter of Authorization

All Bid submissions should include a letter from Safariland LTD. Inc., that the vendor is authorized to represent Safariland in this bid effort. The letter must guarantee that all requirements of this bid will be supported by the manufacturer to include, at least as a minimum: delivery of product within the specified time frame and compliance with all OSHP (Ohio State Highway Patrol) product specifications and requirements as stated in this bid. Failure to submit the letter with the ITB may deem your bid non-responsive and no further consideration for award shall be given.

Category A. Items 1c, 1d, 1e, 1f. SRT Sidearm Duty Holster (Brand Specific Only) – Gould and Goodrich QKB-26K (Kydex Finish – both Right and Left Handed) AND H391-26KCL (High Gloss Finish both Right and Left Handed)

1. General Description

Duty holster designed to accommodate the SigArms Model P-226 DAK with light rail Both holster designs are suede lined (to protect the weapon) with two locking mechanisms for triple retention security.

2. Detailed Description

a. Holster Body.

1. QKB - The 2-layer holster body is composed of .090 Kydex. The body of the holster incorporates a hardened steel reinforcement plate to help resist any forced removal of the weapon by an assailant. The body is lined with urethane suede that is permanently bonded to the core. The body is thermoformed to securely fit a specific handgun. Holster body finish is plain.
2. H391 - The 3-layer holster body is composed of .090 Kydex laminated to a black high gloss patent leather-look urethane. The body of the holster incorporates a hardened steel reinforcement plate to help resist any forced removal of the weapon by an assailant. The body is lined with urethane suede that is permanently bonded to the core. The body is thermoformed to securely fit a specific handgun. Holster body finish is high gloss.

- b. The body is bolted in 7 places to a patented trigger guard locking mechanism. It is both secure and easy for the wearer to operate. When the gun is inserted in the holster a ½ inch thick locking bolt automatically secures the trigger guard with no further motion required. Release of the lock is by a simple motion of the thumb as the hand tightens its grip on the gun and draws straight up.
- c. The jacket-slot belt loop is injection molded of a durable polymer and is anatomically shaped to be comfortable when worn on a duty belt. The belt loop is secured in position on a duty belt with a simple and secure device that does not mark or harm the belt.

SPECIFICATIONS (Cont'd)

- d. All hardware used in the assembly of this holster is stainless steel or brass.
- e. In addition to the internal locking mechanism, the H391 and QKB series holsters incorporate a rotating cover strap. This strap may be released independently of the main trigger guard lock, or will automatically release when the main lock is cycled.

3. Brand Specific

The product(s) specified in this Category/Item(s) of this Invitation To Bid (ITB) is/are being bid as BRAND SPECIFIC. That signifies that NO ALTERNATES WILL BE ACCEPTED FOR AWARD. Bid is in accordance with the Ohio Administrative Code 123:5-1-10, Section I, Items 1 through 4.

4. Letter Of Authorization

All Bid submissions should include a letter from Gould and Goodrich that the vendor is authorized to represent Gould and Goodrich in this bid effort. The letter must guarantee that all requirements of this bid will be supported by the manufacturer to include, at least as a minimum: delivery of product within the specified time frame and compliance with all OSHP (Ohio State Highway Patrol) product specifications and requirements as stated in this bid. Failure to submit the letter with the ITB may deem your bid non-responsive and no further consideration for award shall be given.

Category A. Items 2a. and 2b. Sam Browne Belt and Shoulder Strap – Equal to Gould & Goodrich KPA-CL and H99-CL

1. General Description

All outside finish material shall be high gloss Porvair. Belt constructed with ambidextrous “D” rings. Belt width 2 ¼ inches. Buckle and “D” ring to be nickel plated solid brass. Shoulder cross strap made of leather lined high gloss Porvair with nickel plated solid brass buckle.

2. Detailed Description

a. Materials

Sam Browne Belt made of high gloss Porvair outer layer laminated to a full grain tanned leather liner. Overall thickness of the belt is 13-14 oz. Belt buckle and “D” rings nickel plated solid brass. Hook and stud are matte black finish. Shoulder strap made of high gloss Porvair laminated to 6/7 oz. russet leather. Buckle and studs nickel plated solid brass.

b. Design

The belt shall be 2 ¼” wide and shall be furnished with two (2) nickel plated, solid brass D rings held in place by a sewn down keeper that uses a snap closure. All belts shall be equipped with four (4) snap fasteners for easy removal from the Sam Browne belt and shoulder strap. The location of the four (4) snap fasteners shall enable the utilization of the Sam Browne belt by either left or right-handed shooters. Belt shall have a nickel plated solid brass belt buckle measuring 1 7/8” x 2 7/8”. Buckle chafe on the hook end 3” wide. Belts shall be sized in two inch increments, with five adjustment holes per belt. An additional two inches to be added to the length of the belt to ensure good fit. Belt edges to be rounded and burnished. Belt shall have one keeper loop 3/4” wide.

c. Shoulder strap shall be sewn with Dacron polyester thread. Strap shall have six adjustment holes spaced 3/4” apart. Lead up strap to be 8 ¼” long, 1 ¼” wide tapering to 7/8” wide at the buckle. There shall be loops at each end of the strap for placement of Dee rings. The loops shall hook over a matte black stud for ease of replacing the Dee rings. The lead up strap shall also have a snap that allows the buckle to be changed from a chrome finish to brass finish. The shoulder strap shall have one 3/8” belt keeper.

d. All material and workmanship must match existing equipment presently being worn by the Ohio State Highway Patrol.

e. The size of the belt or shoulder strap must be stamped on the back of the item in such a manner that the size of the item is easily readable.

3. Sizes

- a. Shoulder Straps: Shall be offered in size range 30” to 50”.
- b. Sam Browne Belt: Shall be offered in size range 28” to 48”.

SPECIFICATIONS (Cont'd)

Category A Item 3. Handcuff Case – Equal to Gould & Goodrich H583CLHS

1. Detailed Description

Rugged and stylish handcuff case has full flap held closed with a hidden snap. The case will be slotted to slide onto a Sam Browne belt that is 2 ¼ inches in width. The handcuff case must accommodate a pair of Peerless brand double hinged handcuffs. The case shall be manufactured from high gloss Porvair laminated to a 4 to 5 ounce russet leather liner. Handcuff case is to be head and pressure molded with a 4 to 5 ounce black insert. Thread shall be Dacron polyester with 5 to 7 stitches per inch. All edges are to be finished with black dye and rubbed. The flap is to have a single hidden snap for closure.

Category A Item 4. Double Magazine Pouch – Equal to Gould & Goodrich H647CLHS

1. Detailed Description

The magazine pouch shall be black and accommodate two magazines for a 40 caliber Sig Sauer model P-226 DAK pistol. There are to be separate compartment for each magazine. Shall be high gloss Porvair finish and be manufactured with four slots to allow it to be worn in either the vertical or horizontal position. The overall size of the pouch shall be approximately 4" wide by 6" long. The depth of the compartments shall be approximately 3 ½". The magazine pouch is to be constructed of high gloss Porvair laminated to a 4 to 5 ounce vegetable tanned cowhide. The pouches are to be molded using heat and pressure. All stitching is to be 6 to 7 stitches per inch using black Dacron polyester thread. All edges are to be burnished to a smooth finish and dyed black. The covers shall be secured using a single hidden snap on each cover.

Category A. Item 5. Chemical Mace Holder

1. Detailed Description

Mace holder shall be black and designed to accommodate an MK III style aerosol canister mace. Top flap to have hidden snap closure. Holder shall be designed to attach to a 2 ¼" wide duty belt. Easy on and off removal from belt via snap closure connected to the back of the canister pouch. Overall height of pouch when snapped approximately 5". Holder to be constructed of high gloss Porvair laminated to 4 to 5 ounce cowhide. Thread shall be Dacron polyester with 5 to 7 stitches per inch. All edges are to be finished with black dye and burnished to a smooth finish. The flap shall have a single hidden snap for closure.

Category A. Item 6. Leather Trouser Belt – Equal to Gould & Goodrich H52CL

1. Design and Detailed Description

- a. Trouser belt is to be black, 1 ¾" wide finished in high gloss Porvair. At the buckle end of the belt there shall be two snaps to allow for the removal of the buckle to allow for replacement with a new buckle if needed. After the buckle is in place a ½ inch belt keeper will be placed between the two snaps. The snaps are to be black on the finished side to match the belt material. On the opposite end of the belt starting approximately 3 ½ inches from the end there shall be five or six round or oval holes spaced approximately 1 inch apart for adjustment of the buckle.
- b. The belt is to be finished full grain tanned leather weighing 4 ½ to 5 ounces finished with high gloss Porvair. A trouser belt with a synthetic backing laminated to a Porvair outer layer will not be accepted.
- c. The buckle is to be style 8402 solid brass finished in nickel.
- d. Thread shall be vat dyed black three strand Polyester to batch the color finish of the belt. Stitching shall be approximately six to seven stitches per inch.
- e. All edges are to be finished and dyed to match the belt.
- f. All belts are to be shipped in individual zip lock bags with one belt per bag. The belt and the bag must be clearly marked with the belt size.

2. Sizes:

Belts shall be offered in size range 24" to 66".
