The ODJFS, Office of Information Services/Production & Operations, shall designate a staff member as ODJFS Contract Manager to provide on-going supervision of the contractor selected through this RLB.

The vendor’s State Term Schedule must be approved by OIT by the time vendor bids are due on this project, in order to qualify for consideration. State law will not allow a services contract to span fiscal years, therefore all services for this RLB must be completed by June 30, 2012.

This RLB document is released by and the subsequent agreement will be with ODJFS; the ODJFS Office of Information Services will be responsible for on-going supervision of the selected vendor’s services, activities, and performance. For the purpose of this RLB, the term “vendor” shall be defined as a qualified organization that will provide all activities and services as identified in this RLB.

ODJFS is under no obligation to enter into an agreement with any vendor as a result of this solicitation, if, in the opinion of ODJFS, none of the proposals are responsive to the objectives and needs of the Department. ODJFS reserves the right to not select any vendor should ODJFS decide not to proceed. Changes in this RLB of a material nature will be provided on the agency website. All vendors are responsible for obtaining any such changes without further notice by ODJFS.

JFS reserves the right to revise this schedule if in the best interest of the State of Ohio and/or to comply with the State of Ohio procurement procedures and regulations.

* According to requirements of ORC 126.07, JFS contracts are not valid and enforceable until the Office of Budget and Management (OBM) certifies the availability of appropriate funding, which is indicated by the approval of the Purchase Order (P.O.). IV. Question & Answer Period; RLB Clarification Opportunity

Potential vendors may ask clarifying questions regarding this RLB via the Mandatory Pre-Bidders Conference on May 25 from 9:00 – 11:00, as outlined in Section III. Anticipated Procurement Timetable.

It is the responsibility of all potential vendors to check this site on a regular basis for any amendments or other pertinent information regarding any RLB.

Requirements under a current project may or may not be required by ODJFS under any future contract, and so may not be useful information for vendors who choose to respond to the RLB; therefore, vendors are to base their RLB responses, and the details and costs of their proposed projects, on the requirements and performance expectations established in the RLB, not on details of a current or past related contract.

ODJFS will only answer those questions submitted within the established time period for the vendor Q & A process, via the Pre-Bidders Conference (see Section III. Anticipated Procurement Timetable, above), and which pertain to issues of RLB clarity, and which are not requests for public records. ODJFS is under no obligation to acknowledge questions submitted through the Q & A process if those questions are not in accordance with these instructions.

V. Qualifications

In order to be considered for the project described in this RLB, ODJFS requires that interested vendors must provide the following qualification requirements:

Following submission to ODJFS, all proposals submitted become part of the public record. **ODJFS reserves the right to disqualify any vendor whose proposal is found to contain such prohibited personal information.**

Pricing for all materials and labor must be at or below STS pricing at the time of service work. Material or labor pricing may change after award of the RLB if the vendor’s STS pricing changes, but the percentage discount off of STS may not change. If vendors STS pricing does change upward for any
item, those items must be discounted at the same percentage rate as bid in this RLB. If it is determined that STS price increases are excessive, ODJFS may decide to rebid this project at any time. The State may also request additional parts be added to vendor’s STS as needed in support of new or changed A/V equipment.

If there is any discrepancy between the paper copy and the electronic copy of the Proposal, the paper copy will control, and the Department will base its evaluation of the Vendor’s Proposal on the paper copy.

The Technical Proposal must contain all the information as specified and requested for each of the components listed below. A proposal which is incomplete, vague, unjustifiably wordy, unclear, or poorly organized may not be successful. The following outline for the preparation of the Proposal in response to this RLB is intended to assist in the development of effectiveness and clarity.

The vendor’s technical proposal must contain the following components (organized in nine (9) primary tabs) as described below. Any other information thought to be relevant, but not applicable to a specific RLB section number/letter such as charts, tables, timelines, excerpts of past related projects, etc., must be provided as an appendix to the proposal and so marked as an additional tab. However, the proposal will be scored based on the relevancy to the stated responsibilities as well as the conciseness, clarity, flow, and professionalism of the information presented. Vendors may add information not called for in the RLB, but ODJFS reserves the right to review or not review any non-required materials. All pages shall be sequentially numbered.

The Bidding Vendor must also provide proof of Employers Liability or Contractor’s Insurance. All Bidding Vendors are subject to this requirement.

TAB J – Cost Proposal form: Indicate your company’s cost summary quote for this project as indicated accordingly: Attachment “F” cost proposal.

VIII. Selection Process

Vendors submitting a response will be evaluated based on the capacity and experience demonstrated in their Technical Proposal. All proposals will be reviewed and scored by a Proposal Review Team (PRT), comprised of staff from JFS. Vendors should not assume that the review members are familiar with their current work activities with JFS. Proposals containing lack of sufficient detail, poor organization, lack of proofreading and unnecessary use of self-promotional claims will be evaluated accordingly. If the vendor chooses to list assumptions when submitting their proposal, JFS may deem assumptions as unacceptable and may reject the Proposal. No assumptions may be included regarding negotiation, terms and conditions, or requirements.

Final selection of the vendor will be based upon the criteria specified in Sections II., V., VII., and VIII., of this RLB. The PRT reserves the right to reject any and all proposals, in whole or in part, received in response to this request. The review committee may waive minor defects that are not material when no
prejudice will result to the rights of any vendor or to the public. JFS reserves the right to require clarification of any information provided in vendors’ proposals. In scoring the proposals, JFS will score in three phases:

A. **Phase I. Review—Initial Qualifying Criteria:**

   In order to be fully reviewed and scored, proposals submitted must pass the following Phase I. Review. Any “no” for the listed Phase I. criteria will eliminate a proposal from further consideration.

   1. Was the proposal received by the deadline as specified in Section II., of this RLB?
   2. Did the vendor submit their proposals in the format described in Section VII., of this RLB?
   3. Did the vendor attend the mandatory pre-bidders conference on May 25, 2012?
   4. Vendor’s proposal includes all required affirmative statements and certifications, signed by the vendor’s responsible representative, as described in Attachments A and B, and provide copies of their Worker’s Compensation and Insurance verifications as stated within this RLB?
   5. Does ODJFS’ review of the Auditor of State website verify that the vendor is not excluded from contracting with ODJFS by ORC Section 9.24 for an unresolved finding for recovery (*i.e.*, the proposal of any vendor whose name appears on the Auditor’s website as having an unresolved finding for recovery will be eliminated from further consideration.)?
   6. Does the vendor have a current STS which is appropriate for the work described in this RLB?
   7. Did the review team (in its initial/cursory review of the vendor’s proposal) determine that the proposal was free of trade secret/proprietary information as specified/restricted in the RLB?

B. **Phase II. Review—Criteria for Scoring the Technical Proposal:**

   The PRT will then score those qualifying technical proposals, not eliminated in Phase I. Review, by assessing how well the vendor meets the requirements as specified in Sections V., and VI., of this RLB. Using the score sheet for Phase II scoring (see *Attachment C.* of this RLB for specific evaluation criteria), the PRT will read, review, discuss and reach consensus on the final technical score for each qualifying technical proposal.

   A maximum of 140 points will be awarded for the Technical Proposal. A technical proposal must achieve a total of at least 98 points (indicating that the vendor is capable of successfully performing contractual duties) out of the possible 140 points to qualify for continued consideration. Any proposal which does not meet the minimum required technical proposal points will be disqualified from any further consideration and its cost proposal will neither be opened nor considered.

   **Technical Performance Scoring Definitions:**

   “Does Not Meet Requirement”-a particular RLB requirement was not addressed in the vendor’s proposal, Score: 0
“Partially Meets Requirement”- Vendor proposal demonstrates some attempt at meeting a particular RLB requirement, but that attempt falls below acceptable level, **Score: 6**

“Meets Requirement”- Vendor proposal fulfills a particular RLB requirement in all material respects, potentially with only minor, non-substantial deviation, **Score: 8**

“Exceeds Requirement”- Vendor proposal fulfills a particular RLB requirement in all material respects, and offers some additional level of quality in excess of JFS expectations, **Score: 10**

**IMPORTANT:** Before submitting a proposal to ODJFS in response to this RLB, vendors are strongly encouraged to use the Technical Proposal Score Sheet (Attachment C.) and the above technical performance scoring information to review their proposals for completeness, compliance, and quality.

C. **Phase III. Review – Costs Proposal Considerations:**

Cost will be scored by ranking the vendors on total cost submitted with the proposal. The vendor offering the lowest rate will earn a score of fifty (50) points for the Phase III cost score. Vendors offering rates no more than 10% above the lowest rate will earn a score of forty (40) points; those whose rates are more than 10% above but less than 20% above will earn thirty (30) points; those whose rates more than 20% above but less than 30% above will earn twenty (20) points; and those offering rates more than 30% above but less than 40% above will earn only ten (10) points. Vendors offering rates in excess of 40% over the lowest rate offered will earn no points in the Phase III cost consideration. The points earned through this process are the vendor’s Phase III score.

D. **Final Selection**

The PRT will recommend for selection the technically qualified vendor with the highest Final Total Score. Total Score is determined by adding the Phase II Technical Proposal points plus Phase III Costs Proposal Considerations (Total Score = Phase II + Phase III).

*Please Note:*

1. ODJFS reserves the right to cancel any awarded purchase order via e-mail notification. ODJFS may cancel any issued purchase order due to the unavailable status of the specified consultants, as outlined in the vendor’s proposal. It is critical to provide only the most qualified and available consultants as part of the vendor’s proposal in order for ODJFS to score and rank each consultant during the RLB evaluation phase and avoidance of not being awarded the RLB due to the lack of availability of the original vendor’s proposal consultant(s).

2. **Important Note:** If a vendor’s proposed consultant received the highest-ranking score as the result of their submitted proposal and that exact consultant is no longer available at the time of purchase order award, ODJFS will move forward with awarding the RLB to the next available highest rank score consultant and their perspective company.

3. ODJFS expects and requires the awarded vendor to secure the same consultant for the entire timeframe of the awarded purchase order. Withdrawal of the consultant or lack of availability as agreed in writing by ODJFS management will result in the termination of the purchase order, and a re-evaluation and award of the RLB.
E. **RLB Negotiations**

The State reserves the right to negotiate with the recommended selected vendor to arrive at a final agreement. This includes the right to negotiate all proposed elements to ensure the best possible consideration be afforded to all parties concerned.

During the final phase of the evaluation process, ODJFS may require RLB negotiations to ensure the best interest of the State prior to final award. Negotiations will be scheduled at the convenience of the State. The selected potential vendor(s) must negotiate in good faith. Negotiations may be conducted with any potential vendor who submits a competitive RLB response, but the State may limit discussions to specific aspects of the RLB. Any clarifications, corrections, or negotiated revisions that may occur during the negotiations phase will be reduced to writing and incorporated in the RLB or the potential vendor’s proposal, as appropriate. Should the evaluation process have resulted in a top-ranked RLB response, the State may limit negotiations to only that potential vendor and not hold negotiations with any lower ranking potential vendor. If negotiations are unsuccessful with the top-ranked potential vendor, the State may then go down the line of remaining potential vendors, according to rank, and negotiate with the next highest-ranking potential vendor. Lower-ranking potential vendors do not have a right to participate in negotiations conducted in such a manner. If the State decides to negotiate with all the remaining potential vendors, or decides that negotiations with the top ranked potential vendor are not satisfactory and negotiates with one or more of the lower-ranking potential vendors, the State will then determine if an adjustment in the ranking of the remaining potential vendors is appropriate based on the negotiations. The RLB award, if any, will then be based on the final ranking of potential vendors, as adjusted.

Auction techniques that reveal one potential vendor’s price to another or disclose any other material information derived from competing Proposals are prohibited. Any oral modification of a bid response will be reduced to writing by the potential vendor as described below.

Following negotiations, the State may set a date and time for the submission of best and final RLB by the remaining potential vendor(s) with which the State conducted negotiations. If negotiations were limited and all changes were reduced to signed writings during negotiations, the State need not require the submissions of best and final RLBs. If best and final RLB are required, they may be submitted only once; unless the State makes a written determination that it is in the State’s interest to conduct additional negotiations. In such cases, the State may require another submission of best and final RLBs. Otherwise, discussion of or changes in the best and final RLBs will not be allowed. If a potential vendor does not submit a best and final RLB, the potential vendor’s previous RLB will be considered the potential vendor’s best and final RLB. It is entirely within the discretion of the State whether to permit negotiations. A potential vendor must not submit a RLB assuming that there will be an opportunity to negotiate any aspect of the RLB. The State is free to limit negotiations to particular aspects of any RLB, to limit the potential vendors with whom the State wants to negotiate, and to dispense with negotiations entirely.

The State generally will not rank negotiations. The negotiations will normally be held to correct deficiencies in the preferred potential vendor’s RLB. If negotiations fail with the preferred potential vendor, the State may negotiate with the next potential vendor in ranking. Alternatively, the State may decide that it is in the interests of the State to negotiate with all the remaining potential vendors to determine if negotiations lead to an adjustment in the ranking of the remaining potential vendors.

From the opening of the RLB to the award of the RLB, everyone working on behalf of the State to evaluate the RLB will seek to limit access to information contained in the RLB solely to those people with a need to know the information. They will also seek to keep this information away from other potential vendors, and the evaluation committee will not be allowed to tell one
potential vendor about the contents of another potential vendor’s RLB response in order to gain a negotiating advantage.

Before the award of the RLB or cancellation of the RLB, any potential vendor that seeks to gain access to the contents of another potential vendor’s RLB response may be disqualified from further consideration. Negotiated changes will be reduced to writing and become a part of the RLB file open to inspection to the public.

If the State fails to reach an agreement with the recommended selected vendor, then the State may commence negotiations with the next highest potential vendor, or reject all proposals and reinstitute the RLB process.

C. Shall promptly report to ODJFS any knowledge of uses or disclosures of PHI that are not in accordance with the contract or applicable law. In addition, the CONTRACTOR shall mitigate any adverse effects of such a breach to the extent possible.

D. Shall ensure that all its agents and subcontractors that receive PHI from or on behalf of the contractor and/or ODJFS agree to the same restrictions and conditions that apply to contractor with respect to the use or disclosure of PHI.

E. Shall make available to ODJFS such information as ODJFS may require to fulfill its obligations to provide access to, provide a copy of, and account for disclosures with respect to PHI pursuant to HIPAA and related regulations.

F. Shall make PHI available to ODJFS in order for ODJFS to fulfill its obligations pursuant to HIPAA to amend the information and shall, as directed by ODJFS, incorporate any amendments into the information held by the contractor and ensure incorporation of any such amendments into information held by its agents or subcontractors.

G. Shall make available its internal practices, books and records relating to the use and disclosure of PHI received from ODJFS, or created and received by the contractor on behalf of ODJFS, to ODJFS and to the Secretary of the U.S. Department of Health and Human Services for the purpose of determining ODJFS compliance with HIPAA and the regulations promulgated by the United States Department of Health & Human Services and any amendment thereto.
H. Shall, upon termination of this Agreement, at the option of ODJFS, return to ODJFS, or destroy, all PHI in its possession, and keep no copies of the information except as requested by ODJFS or required by law. If the contractor or its agent or subcontractor destroy any PHI, then the contractor will provide ODJFS with documentation evidencing such destruction. Any PHI maintained by the contractor shall continue to be extended the same as required by HIPAA and ODJFS for as long as it is maintained.

In the event of a material breach of contractor obligations under this section, ODJFS may at its option terminate the contract according to provisions within the contract for termination.

XI. State Contracts

Responses must list any current contracts the vendor has with State of Ohio agencies. The list must indicate the purpose of the contract, the amount of the contract, the time period covered by the contract, and the percent of the project completed. Vendors must complete a copy of the Required Vendor Information and Certifications Document (provided as Attachment B) to report this information, and include the completed document in the vendor’s proposal as specified in Section VIII, Instructions for Format of Submissions, of this RLB.

XII. Trade Secrets Prohibition; Public Information Disclaimer

Vendors are prohibited from including any trade secret information as defined in ORC 1333.61 in their proposals in response to any ODJFS Requests for Proposals (RFP), Requests for Letterhead Bids (RLB) or other procurement efforts. ODJFS shall consider all proposals voluntarily submitted in response to any ODJFS RLB to be free of trade secrets and such proposals shall, in their entirety, be made a part of the public record.

All proposals and any other documents submitted to ODJFS in response to any RFP, RLB, etc., shall become the property of ODJFS. After the selection of the vendor, any proposals submitted in response to an RLB are deemed to be public records pursuant to R.C. 149.43. The term “proposal” shall mean both the technical and the cost proposals, if opened, submitted by the vendor, any attachments, addenda, appendices, or sample products.

Any proposals submitted in response to any ODJFS RFP, RLB, etc. which make claims of trade secret information shall be disqualified from consideration immediately upon the discovery of such unallowable claim.

XIII. Contractual Requirements

Any purchase order resulting from the issuance of this solicitation is subject to the terms and conditions as provided in the OIT State Term Schedule, which is available upon request. Potential vendors are strongly encouraged to download and read a copy of the Schedule to be fully aware of OIT Schedule requirements.

A. Prohibition against Services Performed Outside the United States

All vendors seeking an award of an ODJFS contract must attest that no funds provided by ODJFS would be used to purchase services provided outside the United States or to contract with a subcontractor who will use the funds to purchase services provided outside the United States. This required attestation is identified as the “Standard Affirmation and Disclosure Form” provided as Attachment A. to this RLB. The entire form must be printed, completed, and signed by the interested vendor’s authorized representative, and returned to ODJFS as a component of the vendor technical proposal. Failure to include the completed and signed Standard Affirmation and Disclosure Form will result in the vendor’s disqualification from consideration.
B. **Ethical and Conflict of Interest Requirements**

1. No Vendor or individual, company or organization seeking a contract shall promise or give to any ODJFS employee of value that is of such character as to manifest a substantial and improper influence upon the employee with respect to his or her duties.

2. No Vendor or individual, company or organization seeking a contract shall solicit any ODJFS employee to violate any of the conduct requirements for employees.

3. Any Vendor acting on behalf of ODJFS shall refrain from activities which could result in violations of ethics and/or conflicts of interest. Any Vendor or potential contractor who violates the requirements and prohibitions defined here or of Section 102.04 of the Ohio Revised Code is subject to termination of the contract or refusal by ODJFS to enter into a contract.

4. ODJFS employees and Vendors who violate Sections 102.03, 102.04 2921.42 or 2921.43 of the Ohio Revised Code may be prosecuted for criminal violations.

5. In submitting a bid in response to this solicitation the vendor certifies that it has reviewed, knows, and understands the State of Ohio’s ethics and conflict of interest laws and the Governor’s Executive Order 2007-01S pertaining to ethics. The vendor further agrees that it will not engage in any action(s) inconsistent with Ohio ethics laws or the aforementioned executive order.

C. **Interview**

Vendors submitting proposals are requested to participate in an in-depth, on-site interview as part of the evaluation process. The interview may include participants from ODJFS and any representatives that ODJFS may appoint. The vendor shall bear all costs of any scheduled interview. Failure to interview will disqualify the vendor from the award of the RLB. ODJFS solely reserves the right to offer alternative interview options to meet Phase III requirement through ODJFS executive management approval, when deemed necessary.

D. **Start Work Date**

The selected vendor must be able to begin work no later than seven (7) working days after the time funds are encumbered and approved by the Office of Budget & Management. The selected vendor will be notified by the ODJFS contract manager when work may begin. Any work begun by a contractor prior to this notification will NOT be reimbursable by ODJFS.

E. **Proposal Costs**

Costs incurred in the preparation of this proposal are to be borne by the vendor, and ODJFS will not contribute in any way to the costs of the preparation. Any costs associated with interviews will be borne by the vendor and will not be ODJFS’ responsibility.

F. **Travel and Parking Expense Reimbursement**

No travel or parking expenses, nor any other expenses, will be covered.

G. **Public Release of Records**

Public release of any evaluation or monitoring reports funded under this contract will be made only by ODJFS. Prior to public release of such reports, ODJFS must have at least a 30-day period for review and comment.
H. Confidentiality

All contracts or other business agreements will require that the contractor maintain the confidentiality of information and records which state and federal laws, rules, and regulations require to be kept confidential.

XIV. Other Requirements

A. Unresolved Findings for Recovery (R.C. 9.24)

Ohio Revised Code Section 9.24 prohibits ODJFS from awarding a contract to any entity against whom the Auditor of State has issued a finding for recovery if the finding for recovery is “unresolved” at the time of award. By submitting a proposal, the vendor warrants that it is not now, and will not become, subject to an “unresolved” finding for recovery under R.C. 9.24 prior to the award of any contract or business agreement arising out of this RLB, without notifying ODJFS of such finding. ODJFS will review the Auditor of State’s website prior to the evaluations of any proposal submitted pursuant to this RLB. ODJFS will not evaluate a proposal from any vendor whose name, or the name of any of the subcontractors proposed by the vendor, appears on the website of the Auditor of the State of Ohio as having an “unresolved” finding for recovery.

B. Mandatory Contract Performance Disclosure

Each proposal must disclose whether the vendor’s performance, or the performance of any of the proposed subcontractor(s), under contracts for the provision of services that are the same or similar to those described in this RLB, has resulted in any “formal claims” for breach of those contracts. For purposes of this disclosure, “formal claims” means any claims for breach that have been filed as a lawsuit in any court, submitted for arbitration (whether voluntary or involuntary, binding or not), or assigned to mediation. If any such claims are disclosed, vendor shall fully explain the details of those claims, including the allegations regarding all alleged breaches, any written or legal action resulting from those allegations, and the results of any litigation, arbitration or mediation regarding those claims, including terms of any settlement. While disclosure of any formal claims in response to this section will not automatically disqualify a vendor from consideration, at the sole discretion of ODJFS, such claims and a review of the background details may result in a rejection of the vendor’s proposal. ODJFS will make this decision based on its determination of the seriousness of the claims, the potential that the behavior that led to the claims could negatively impact vendor’s performance of the work, and the best interests of ODJFS.

C. Mandatory Disclosures of Governmental Investigations

Each proposal must indicate whether the vendor and any of the proposed subcontractor(s) has been the subject of any adverse regulatory or adverse administrative governmental action (federal, state, or local) with respect to vendor’s performance of services similar to those described in this RLB. If any such instances are disclosed, vendor must fully explain, in detail, the nature of the governmental action, the allegations that led to the governmental action, and the results of the governmental action including any legal action that was taken against vendor by the governmental agency. While disclosure of any governmental action in response to this section will not automatically disqualify a vendor from consideration, such governmental action and a review of the background details may result in a rejection of the vendor’s proposal at the sole discretion of ODJFS. The decision by ODJFS on this issue will be based on a determination of the seriousness of the matter, the matter’s potential impact on the vendor’s performance of the work, and the best interests of ODJFS.

D. Vendor Selection Restriction

Any vendor deemed not responsible, or submitting a proposal deemed not to be responsive to the terms of this RLB, shall not be selected for this project.
E. Waiver of Minor Proposal Errors

ODJFS may, at its sole discretion, waive minor errors or omissions in proposals, bids, and/or forms when those errors do not unreasonably obscure the meaning of the content. Additionally, ODJFS reserves the right to request clarifications or completions from vendors to any information in their proposals, bids, and/or forms, and may request such clarification as it deems necessary at any point in the proposal/bid review process.

XV. Caveat

ODJFS is under no obligation to select a vendor as a result of this solicitation if, in the opinion of ODJFS and the proposal review team, none of the proposals are responsive to the objectives and needs of the Department. ODJFS reserves the right to not select any vendor should ODJFS decide not to proceed with the project.

XVI. Communications Prohibited

From the issuance date of this RLB until the contract award has been formally announced by the ODJFS Director, there may be no communications concerning the RLB between any vendor which expects to submit a proposal and any employee of ODJFS in the issuing office, or any other ODJFS employee, or any other individual regardless of their employment status, who is in any way involved in the development of the RLB or the selection of the Vendor(s).

The only exceptions to this prohibition are as follows:

1. Communications conducted pursuant to Section IV, Internet Question and Answer Period;

2. As necessary in any pre-existing or on-going business relationship between ODJFS and any vendor which could submit a proposal in response to this RLB;

3. As part of an interview or proposal clarification process initiated by ODJFS as necessary to make a final vendor selection;

4. If it becomes necessary to revise any part of this RLB, ODJFS will post those revisions, amendments, etc., to the website dedicated to this RLB;* and

5. Any Public Records Request (PRR) made through the ODJFS Office of Legal Services.

* Important Note: Amendments to the RLB or to any documents related to it will be accessible to interested vendors through the original web page established for the RLB. All interested vendors must refer to that web page regularly for amendments or other announcements. ODJFS will not specifically notify any vendor of changes or announcements related to this RLB except through the website posting. It is the affirmative responsibility of interested vendors to be aware of and to fully respond to all updated information posted on this web page.

ODJFS is not responsible for the accuracy of any information regarding this RLB that was obtained or gathered through a source other than the Question and Answer process described in this RLB. Any attempts at prohibited communications by vendors may result in the disqualification of those vendors’ proposals.

XVII. Protests

Any potential, or actual, vendor objecting to the award of a contract resulting from the issuance of this solicitation may file a protest of the award of the contract, or any other matter relating to the process of soliciting the proposals. Such a protest must comply with the following guidelines:
1. A protest may be filed by a prospective or actual bidder objecting to the award of a purchase order resulting from this solicitation. The protest shall be in writing and shall contain the following information:

   a. The name, address, and telephone number of the protestor;
   b. The name and number of the solicitation being protested;
   c. A detailed statement of the legal and factual grounds for the protest, including copies of any relevant documents;
   d. A request for a ruling by ODJFS;
   e. A statement as to the form of relief requested from ODJFS; and
   f. Any other information the protestor believes to be essential to the determination of the factual and legal questions at issue in the written protest.

2. A timely protest shall be considered by ODJFS, if it is received by ODJFS’ Office of Legal Services, within the following periods:

   a. A protest based on alleged improprieties in the issuance of the RLB or any other event preceding the closing date for receipt of proposals which are apparent or should be apparent prior to the closing date for receipt of proposals shall be filed no later than 3:00 p.m. of the closing date for receipt of proposals as specified in Section II., Time and Date of Submission.

   b. If the protest relates to the announced intent to make the award, the protest shall be filed no later than 3:00 p.m. of the seventh (7th) calendar day after ODJFS issues award notification to all responding vendors regarding the State’s intent to the award. The date of this ODJFS notification to responding vendors is the date used to determine if a protest regarding the intent to award is submitted by the end of the protest period.

3. An untimely protest may be considered by ODJFS if ODJFS determines that the protest raises issues significant to the department’s procurement system. An untimely protest is one received by ODJFS’ Office of Legal Services after the time periods set forth in Item #2 of this section.

4. All protests must be filed at the following location:

   Chief Legal Counsel, Office of Legal Services
   Ohio Department of Job and Family Services
   30 East Broad Street, 31st Floor
   Columbus, Ohio 43215-3414

5. When a timely protest is filed, a contract award shall not proceed until a decision on the protest is issued or the matter is otherwise resolved, unless the Director of ODJFS determines that a delay will severely disadvantage the Department. The vendor(s) who would have been awarded the contract shall be notified of the receipt of the protest.

6. ODJFS’ Office of Legal Services shall issue written decisions on all timely protests and shall notify any vendor who filed an untimely protest as to whether or not the protest will be considered.

Executive Order 2011-12K

Governed the Expenditure
of Public Funds for Offshore Services

WHEREAS, State of Ohio officials and employees must remain passionately focused on
initiatives that will create and retain jobs in the United States in general and in Ohio in particular,
and must do so especially during Ohio’s continuing efforts to recover from the recent recession.

WHEREAS, allowing public funds to pay for services provided offshore has the
potential to undermine economic development objectives in Ohio.

WHEREAS, the expenditure of public funds for services provided offshore may deprive
Ohioans and other Americans of critical employment opportunities and may also undermine
efforts to attract businesses to Ohio and retain them in Ohio, initiatives in which this State has
invested heavily.

NOW THEREFORE, I, John R. Kasich, Governor of the State of Ohio, by virtue of the
authority vested in me by the Constitution and the laws of this State, do hereby order and direct
that:

1. No State Cabinet Agency, Board or Commission (“Executive Agency”) shall enter
into any contract which uses any public funds within its control to purchase services
which will be provided outside the United States. This Executive Order applies to all
purchases of services made directly by an Executive Agency and services provided by
subcontractors of those providing services purchased by an Executive Agency.

2. This Executive Order will be personally provided, by the Director, Chair or other
chief executive official of each Executive Agency, to the Chief Procurement Officer
or other individual at that entity responsible for contracts for services.

3. The Department of Administrative Services, through Ohio’s Chief Procurement
Officer, shall have in place, by July 1, 2011, procedures to ensure all of the following:

   a. All agency procurement officers (APOs), or the person with equivalent duties
      at each Executive Agency, have standard language in all Executive Agency
      contracts which:

         i. Reflect this Order’s prohibition on the purchase of offshore services.
ii. Require service providers or prospective service providers to:

1. Affirm that they understand and will abide by the requirements of this Order.
2. Disclose the location(s) where all services will be performed by any contractor or subcontractor.
3. Disclose the location(s) where any state data associated with any of the services they are providing, or seek to provide, will be accessed, tested, maintained, backed-up or stored.
4. Disclose any shift in the location of any services being provided by the contractor or any subcontractor.
5. Disclose the principal location of business for the contactor and all subcontractors who are supplying services to the state under the proposed contracts.

b. All APOs confirm that all quotations, statements of work, and other such proposals for services affirm this Order’s prohibition on the purchase of offshore services and include all of this Order’s disclosure requirements.

i. Any such proposal for services lacking the affirmation and disclosure requirements of this Order will not be considered.

ii. Any such proposal where the performance of services is proposed to be provided at a location outside the United States by the contractor or any subcontractor will not be considered.

c. All procurement manuals, directive, policies, and procedures reflect the requirements of this Order.

d. All APOs have adequate training which addresses the terms of this Order.

4. Nothing in this Order is intended to contradict any state or federal law. In addition, this Order does not apply to:

a. Services necessary to support the efforts of the Department of Development to attract jobs and business to the state of Ohio;

b. Academic, instructional, educational, research or other services necessary to support the international missions of Ohio’s public colleges and universities; or

c. Situations in which the Director of the Department of Administrative Services, or the Director’s designee, shall determine that it is an emergency or that it is necessary for the State to waive some or all of the requirements of this Order. The Director shall establish standards by which Executive Agencies may request a waiver of some or all of the requirements of this Order and by which such requests will be evaluated and may be granted.

5. Executive Order 2010-09S is hereby rescinded.
I signed this Executive Order on June 21, 2011 in Columbus, Ohio and it will expire on my last day as Governor of Ohio unless rescinded before then.

PHASE II: Criteria for Scoring of Technical Proposal

Qualifying technical proposals will be collectively scored by a Proposal Review Team (PRT) appointed by ODJFS, Office of Information Services. For each of the evaluation criteria given in the following score sheet, reviewers will collectively judge whether the technical proposal exceeds, meets, partially meets or does not meet the requirements expressed in the RLB, and assign the appropriate point value, as follows:

<table>
<thead>
<tr>
<th>Requirement</th>
<th>Score</th>
</tr>
</thead>
<tbody>
<tr>
<td>Does Not Meet</td>
<td>0</td>
</tr>
<tr>
<td>Partially Meets</td>
<td>6</td>
</tr>
<tr>
<td>Meets</td>
<td>8</td>
</tr>
<tr>
<td>Exceeds Requirements</td>
<td>10</td>
</tr>
</tbody>
</table>

A technical proposal’s total PHASE II score will be the sum of the point value for all the evaluation criteria. The review team will collectively score each individual qualifying proposal. Technical proposals which do not meet or exceed a total score of at least 98 points (a score which represents that it “meets” all of the evaluation criteria) out of a maximum of 140 points, will be disqualified from further consideration and its cost proposal will not be opened or considered. Only that vendor whose, Technical Proposals meets or exceed the minimum required technical points will advance to PHASE III of the technical proposal score sheet.
