I. MISSION & GUIDING PRINCIPLES

The Ohio Department of Developmental Disabilities (DODD) is responsible for overseeing a statewide system of services and supports for people with developmental disabilities and their families. The mission of DODD is continuous improvement of the quality of life for Ohio’s citizens with developmental disabilities and their families.

DODD will:

- Create less complex service, deliver, with fair and logical payment systems that are federally compliant
- Continue to be good stewards of limited resources
- Provide quality outcomes through a combination of people and processes
- Design service delivery models in response to choices made by the people served, in alliance with community supports
- Develop a system-wide vision and long-range strategic plan by listening to our funding partners, constituents and stakeholders

II. PURPOSE

The Ohio Department of Developmental Disabilities (DODD) is seeking proposals from qualified contractors to provide the early intervention services of family training, counseling, and home visits as defined at 34 CFR 303.13(b)(3) to children who are deaf or hard of hearing and being served in Ohio’s early intervention program. The service will be delivered in coordination with other Early Intervention (EI) professionals, provided through a team approach and delivered in accordance with the requirements of IDEA Part C regulations (see below link), including those of the Individualized Family Service Plan (IFSP), for eligible children and their families.

III. BACKGROUND

The Ohio Department of Developmental Disabilities (DODD) is responsible for overseeing a statewide system of supports and services for people with developmental disabilities and their families. This system includes interagency coordination of Early Intervention Services (EIS). As of July 1, 2016, DODD became the lead agency in Ohio for the Part C of the Individuals with Disabilities Education Act (IDEA) Early Intervention program.

Hearing loss is a relatively common birth defect with nearly three in 1,000 babies born with hearing loss. Infants and toddlers who are deaf or hard of hearing make up a small group among young children with disabilities, but their needs are complex. When the Early Intervention service of family training, counseling, and home visits, is used to meet the outcomes on an Individualized Family Service Plan (IFSP) and focused on educating families on the unique needs of infants and toddlers who are deaf or hard of hearing, families are better able to support their child who is deaf or hard of hearing.
IV. **SCOPE OF WORK AND DELIVERABLES**

**For Children who are deaf or hard of hearing,**

- Participate in child and family (if appropriate) assessments and in the IFSP meetings as required by Ohio Administrative Code 3701-8-07.
- Provide the early intervention service of family training, counseling, and home visits as specified on families’ IFSPs (this includes as a primary or secondary support) to address the unique needs of children who are deaf or hard of hearing.
  - The service of family training, counseling, and home visits is defined at 34 CFR 303.13(b)(3)
  - Family training, counseling, and home visits must be provided by “qualified personnel” as defined at 34 CFR 303.13(c)
  - The service must be provided in person in the child’s natural environment or via technology and consistent with evidence-based Early Intervention practices defined such as those defined in the “Agreed upon mission and key principles for providing early intervention services in natural environments”
  - The service must be tailored to the unique needs of children who are deaf or hard of hearing
- Provide expertise and consultation to a core early intervention team, including acting as the Primary Service Provider or Secondary Service Provider, in person or via technology, as specified in the IFSP.

Services funded through this RFP may not be used to supplant similar services being provided by other Early Intervention service providers.

Applicants must specify the county or counties in which the applicant will provide the above services. No application will be approved that proposes to serve fewer than three counties; services must be made available in all parts of the counties the applicant proposes to serve.

Services must be available throughout a 12 month calendar year.

V. **MINIMUM QUALIFICATIONS OF CONTRACTOR**

The applicant may be any agency or individual, or group of individuals and/or agencies.

DODD will contract with qualified persons or agencies that employ qualified persons as specified under 34 CFR 303.13(c). For the purposes of this RFP, qualified personnel will be limited to the following: audiologists; developmental specialists (as certified through DODD at OAC 5123:2-5-05) with experience or training working with children who are deaf or hard of hearing; special educators, including teachers of children with hearing impairments; and speech and language pathologists. Individual service providers must demonstrate experience and/or training in working with infants and toddlers who are deaf or hard of hearing, knowledge of all relevant communication options (e.g., oral method, manual communication method, total communication method, etc.), and an ability to present these communication options to families in an unbiased manner.

Contractor agrees that any person or persons providing deliverables under this contract will enroll in, and receive a passing grade in the following online webinars prior to serving families:

- Introduction to Early Intervention (Course ID #1061260)
• Early Intervention Mission and Key Principles (Course ID #1061264)
• Ohio Help Me Grow: Individualized Family Service Plan (IFSP) Overview (Course ID #1028861) or its successor
• Using a Primary Service Provider Approach to Teaming, (Course ID #1064737)
• Family-Centered Practices self-paced webinar (Course ID #1064739)
• Natural Learning Environments self-paced webinar (Course ID #1063888)

Contractor shall not be subject to an “unresolved” finding for recovery under Section 9.24 of Ohio Revised Code.

VI. ETHICAL AND CONFLICT OF INTEREST REQUIREMENTS

No contractor or individual, company or organization seeking a contract shall promise or give to any DODD employee any item of value that is of such character as to manifest a substantial and improper influence upon the employee with respect to his or her duties.

No contractor or individual, company or organization seeking a contract shall solicit any DODD employee to violate any of the conduct requirements for employees. Any contractor acting on behalf of DODD shall refrain from activities that could result in violations of ethics and/or conflicts of interest. Any contractor or potential contractor who violates the requirement and prohibitions defined Section 102.03 or Section 102.04 of the Ohio Revised Code is subject to termination of the contract or refusal by DODD to enter into a contract.

All information submitted by the Proposer will be considered to be public information unless the proposer specifically demonstrates, in writing, which information it considers to be proprietary. “Proprietary information” is information which, if made public, would put the proposer at a disadvantage in the market place and trade in which the proposer is a part. Consequently, an assertion of “proprietary” information must be clearly identified and the basis of the assertion must be included. It is not adequate for the bidder to simply state that disclosure of the information will put it at a disadvantage in the market place. DODD will make the final decision as to whether information is “public” or “proprietary”.

DODD reserves the right to:

- Accept or reject any and all Proposals and/or bids if DODD determines that it is in the best interests of the State to do so.

- Adjust the RFP Calendar of Event dates for whatever reason it deems appropriate.
- Contact Proposer to clarify any portion of the Proposer’s submittal.

If, during the review process, DODD determines that it is necessary to make further distinctions between certain Proposers, DODD may request certain selected Proposers to interview or make a presentation to staff and reviewers. The Proposer shall bear the cost of travel to any scheduled interview.

In accordance with federal and state statutes and DODD policy, no person shall be excluded from participation or subject to discrimination in the RFP process on the basis of race, color, age, sex, national origin, military status, religion, or disability.
