TITLE: Office for Exceptional Children Mediators/Facilitators

INQUIRY PERIOD BEGINS: June 10, 2015

INQUIRY PERIOD ENDS: June 16, 2015 8:00 A.M. Eastern

RESUME DUE DATE: June 23, 2015

RESUME OPENING DATE: June 24, 2015

ESTIMATED AWARD DATE: June 26, 2015

Section 1: Background

The federal implementing regulation of the Individuals with Disabilities Education Act (IDEA) at 34 C.F.R. 300.506 requires that the state education agency (SEA) offer mediation to local education agencies (LEAs) and parents and their children with disabilities to enable the parties to resolve disputes relating to the identification, evaluation, educational placement and the provision of a free, appropriate public education (FAPE) to students with disabilities. The implementing regulations further state that the SEA must “maintain a list of individuals who are qualified mediators and knowledgeable in laws and regulations relating to the provision of special education and related services. See 34 C.F.R. 300.506(b)(3)(i). The implementing regulations further state that “the State must bear the cost of the mediation process”. See 34 C.F.R. 300.506(b)(4).

The Office for Special Education Programs (OSEP) has further allowed that in addition to providing mediation services, each state may determine to offer facilitators who will assist individualized education program (IEP) teams and evaluation teams in resolving disputes. Ohio has determined to offer such facilitation services. To date, the persons on the list of mediators maintained by the Office for Exceptional Children (OEC) have also been trained by OEC to offer facilitation services to LEAs and families in order to resolve disputes involving IEPs and evaluations.

Section 2: Objectives

The objective of this RFR is to identify trained, professional mediators who will assist LEAs and parents with children with disabilities and those children in resolving disputes in relation to the identification, evaluation, educational placement, and the provision of FAPE to those children. This request for resumes will establish a master roster of ten – fifteen qualified, trained mediators/facilitators. Mediators/facilitators are selected by the parties from the roster and are assigned for consideration to specific cases on a random, rotational or other impartial basis.

Section 3: Overview of the Scope of Work

Mediators/Facilitators who are offered a contract with the Ohio Department of Education to assist parties in resolving such disputes would be required to attend IEP team meetings, evaluation team meetings, and mediations to resolve issues between LEAs, parents and students. These meetings are generally held within the boundaries of the LEA.

All persons on the OEC mediator/facilitator list must have their own transportation. All travel and related costs are at the expense of the mediator/facilitator. Qualified mediators who are selected to be placed on the list of mediators/facilitators maintained by the OEC will also receive additional training in order to facilitate meetings with IEP teams and evaluation teams. All OEC mediators also facilitate IEP team meetings and evaluation team meetings.

Section 4: Contractor Qualifications

The successful candidate to be selected for the list of mediators maintained by OEC will demonstrate formal mediation training through community education programs, university or college programs, bar associations programs, etc. In addition, the successful candidate will demonstrate experience as a mediator through paid or volunteer positions. Successful candidates will demonstrate knowledge of special education law, special education issues, and special education programs during the interview process.

Section 5: Special Work Information

Mediators/facilitators are required to attend training presented by the OEC and will be required to also complete a minimum of twenty hours of special education related training at their own expense each year of the two-year contract period. This training will be determined by the individuals, but must be approved by the OEC. Training must relate to special education law, the provision of services to special education students, the evaluation of children with disabilities, the requirements for IEPs, and other related topics as deemed appropriate by the mediation/facilitation coordinator at OEC. If deemed necessary by OEC, individuals may be required to receive additional training to improve performance based on evaluations from LEAs, parents and students.

Mediators/Facilitators must provide their own transportation and will not be reimbursed for travel expenses which include transportation-related costs, food and/or lodging.

Mediators/Facilitators will be allowed to determine the portion of the state to which they are willing to travel if a personal services contract is offered to the candidate.

Resumes will be reviewed by the OEC interview team to determine which candidates will be interviewed for a position on the OEC list. Interviews will be scheduled after the posting of this request for resumes and will be held in the Central Ohio area.

A personal service contract will be awarded to successful candidates to be paid at \$150.00 per hour to include actual time spent in mediations and facilitated meetings plus a maximum of two hours of preparation time (unless additional preparatory time is approved by the coordinator). The contract will be in effect from July 1, 2015 through June 30, 2016 and may be cancelled at any time by either party.

The award of a personal service contract is not a guarantee of work as mediation/facilitation work is assigned based on request by the parties that are engaging in the mediation/facilitation process. Candidates who are awarded a personal service contract are contract workers and are not considered employees of the Ohio Department of Education.
