## **1. Introduction**

The Ohio Department of Health (“ODH”) and the Division of Prevention and Health Promotion, Sexual Assault and Domestic Violence Prevention Program seeks an organization to provide professional services, using training curricula provided to the Vendor (hereinafter “Vendor” or “Bidder”) by ODH, appropriate to advocates from any part of Ohio for beginners (two (2) days of training) and intermediate (one (1) day of training) sexual assault crisis intervention advocates for a minimum of 50 attendees up to approximately 100 attendees .

## **2. Project Background**

We have recently begun administering funds through the Department of Justice “Sexual Assault Services Act Program” (the funding source for this contract) and in working with the state coalition and service providers have identified this training as a need/gap in Ohio.

## **3. Contract Award, Negotiations and Duration**

Contingent upon the availability of funds and approval by the Director of Health, one contract shall be awarded. Contract award shall not exceed \$33,550. The resultant project term shall be from approximately July 1, 2013 through June 30, 2014, and may be renewed or extended.

However, State contracts may not extend beyond a biennium. If the expected term of a project extends beyond the current biennium, the contract(s) would therefore terminate on the last day of the biennium which is June 30, 2015. At that time, ODH may unilaterally renew the contract(s) or extend the contract(s) to coincide with the term of the project under the same or similar terms.

The successful Vendor will be required to contract with ODH to perform the work and complete the deliverables as set forth in a contract substantially similar to the sample in Attachment A-1. ODH may, but is not required to initiate negotiations with the potential successful Vendor. The potential successful Vendor shall negotiate in good faith.

## **4. Qualifications of the Bidders**

All of the following are required:

The successful Vendor will be an organization with established staff positions with experience in providing statewide training and technical assistance to sexual assault service providers in Ohio; and must demonstrate existing relationships with Ohio providers serving diverse populations with sexual assault services and with rape crisis programs in Ohio.

## **5. Project Scope of Work and Deliverables**

### **5.1 Scope of Work**

- 5.1.1 The successful Vendor will use training curricula provided to the vendor by ODH to conduct training classes for beginners (two (2) days of training) and intermediate (one (1) day of training) sexual assault crisis intervention advocates for a minimum of 50 attendees up to

approximately 100 attendees. The training will be held during a two-day period during which new (beginner) advocates will attend both days and advocates with some experience (intermediate) will attend one (1) full day. A minimum of at least 20 advocates shall attend the beginners training.

5.1.2 **VENDOR** will be responsible for all aspects of the training sessions, including but not limited to:

- a. Selecting a meeting site in the Columbus, Ohio area;
- b. Obtaining use of the meeting site and assuring that the accommodations are sufficient for the meetings;
- c. Printing and distributing the agenda and curriculum documentation for each session;
- d. Assuring that the trainings will support awarding of Continuing Education credits if any, to the participants;
- e. Preparing and distributing an Evaluation Sheet to the participants; and
- f. Submitting the Evaluation Sheets to the ODH Project Manager.

5.1.3 The successful Vendor will submit the training class agenda and plan for organizing and conducting the classes for both the beginners and intermediate sexual assault crisis intervention advocate training to the ODH Project Manager for review and approval on at least four (4) weeks prior to the scheduled training date. Additionally, at least four (4) weeks prior to the scheduled training date, Vendor will submit confirmed trainers, including trainer qualifications if the trainers differ from those identified in the original response.

## **5.2 Deliverables**

5.2.1 The successful Vendor shall provide training for beginners and intermediate sexual assault crisis intervention advocates to the ODH Project Manager on or before May 31, 2014.

5.2.2 The successful Vendor shall submit participant evaluations and a summary report on the success of the training classes to the ODH Project Manager on or before June 30, 2014.

## **6. Proposal Format**

All Bidders shall submit a proposal directly responsive to the terms and conditions of this RFP. If a Bidder chooses to submit an alternative proposal, they must, at the same time, submit a proposal directly responsive hereto for any alternate to even be considered. Such alternate proposal shall clearly identify why the acceptance of the proposal would be advantageous to ODH. Any deviations from the terms and conditions of the solicitation, as well as the comparative advantage to ODH shall be clearly identified and explicitly defined. ODH reserves the right to amend the solicitation to allow all offerors an opportunity to submit revised proposals based on the revised requirements. Proposals shall be submitted with an original with three copies and an electronic version in Microsoft Word. Proposals shall contain the sections listed below separated by tabbed and labeled dividers.

### **6.1 Addenda to the RFP**

- 6.1.1 If ODH decides to revise this RFP before the Proposal due date, addenda will be announced on the Ohio Gateway Web site. When an addendum to this RFP is necessary, ODH may extend the Proposal due date through an announcement on the Ohio Gateway Web site. Addendum announcements may be provided any time before 5:00 p.m. on the day before the proposal is due. It is the responsibility of each prospective bidder to check for announcements and other current information regarding the RFP.
- 6.1.2 After the submission of Proposals, addenda will be distributed only to those bidders whose submissions are under active consideration. When ODH makes an addendum to the RFP after Proposals have been submitted, ODH will permit bidders to withdraw their proposals. This withdrawal option will allow any bidder to remove its proposal from active consideration should the bidder feel that the addendum changes the nature of the transaction so much that the bidder's proposal is no longer in its interests. Alternatively, ODH may allow bidders that have proposals under active consideration to modify their proposals in response to the addendum.
- 6.1.3 If, however, ODH makes an addendum after the Proposal Due Date, ODH will tell all bidders whose proposals are under active consideration whether they have the option to modify their proposals in response to the addendum. Any time ODH amends the RFP after the Proposal Due Date, a bidder will have the option to withdraw its proposal even if ODH permits modifications to the proposals. If the bidders are allowed to modify their proposals, ODH may limit the nature and scope of the modifications. Unless otherwise stated in ODH's notice, modifications and withdrawals must be made in writing and must be submitted within ten (10) business days after the addendum is issued. If this RFP provides for a negotiation phase, this procedure will not apply to changes negotiated during that phase. Withdrawals and modifications must be made in writing and submitted to ODH at the address and in the same manner required for the submission of the original proposals. Any modification that is broader in scope than ODH has authorized may be rejected and treated as a withdrawal of the bidder's proposal.

## 6.2 Proposal Cover Sheet

- 6.2.1 Bidder name, address and federal tax identification number.
- 6.2.2 Name of Bidder's contact person, title, address, telephone and fax numbers and e-mail address.
- 6.2.3 Amount of total bid
- 6.2.4 RFP number and project title.

## 7. Evaluation of Proposals

### 7.1 Initial Review:

The ODH procurement representative will review all proposals for their compliance with format requirements and completeness. The procurement representative normally rejects any incomplete or incorrectly formatted proposal, although he or she may waive any defects or allow a Vendor to submit a correction. Any proposal that is not received by the due date will not be evaluated.

### 7.2 Committee Review of the Proposals:

The evaluation committee will evaluate each proposal that the procurement representative has determined is timely, complete and properly formatted. The evaluation will be according to the criteria contained in the RFP.

### 7.3 Proposal Evaluation Criteria:

In the proposal evaluation phase, the evaluation committee will rate the proposal submitted in response to the RFP based on the following criteria and weight assigned to each criterion. If the Vendor meets the mandatory requirements in section 7.4, Mandatory Requirements, the Vendor's proposal will be included in the next part of the evaluation, i.e., Technical Criterion.

Any proposal that does not meet the mandatory requirements of the RFP will not be considered. All other proposals will be evaluated and scored according to the requirements of the evaluation criteria outlined below. In order to be considered for the project, each proposal must receive at least 60% of the total points available under the technical scoring component. Total technical points available are 500.

Each proposal that meets the 60% or better standard will be evaluated based on price. The proposal that is considered the best value or most advantageous to the State/ODH will be considered further for the award.

In the best-value approach, weighted technical evaluation factors are applied to rate proposals along with cost. Award is made to the offeror whose proposal represents the best value to the State/ODH.

#### 7.4 Mandatory Requirements

The Vendor has experience or knowledge of creating curricula for providing statewide training and technical assistance to sexual assault service providers in Ohio; and must demonstrate existing relationships with Ohio providers serving diverse populations with sexual assault services and with rape crisis programs in Ohio. *RESPOND: YES or NO*

7.5 The scale below (0 – 5) will be used to rate each proposal on the technical criteria.

Does Not Meet (0) – Proposal does not comply with the requirements. Document shortfall or what is missing in the response.

Weak (1) – Response does not substantially meet the requirements. Document shortfalls or what is missing in the response.

Moderate (2) – Proposal meets most of the requirements, however, is weak in some areas. Document the weakness/what is missing. Also, document what is good.

Meets (3) – Proposal generally meets the requirements. Document how proposal meets requirements.

Strong (4) – Proposal exceeds requirement. Document how response exceeds the requirements.

Greatly Exceeds (5) – Proposal significantly exceeds requirements Document how response greatly exceeds the requirements.

**Technical Requirements, Evaluation and Scoring: Each Proposal will be scored and numerical technical point values will be assigned according to the criteria listed.**

TECHNICAL CRITERION	Weight	Rating (0-5)	Technical Score
Past performance /experience in meeting the requirements of section 4 above which includes mandatory and preferred qualification.	35		
Personnel requirements -Staffing Plan -Personnel Profile Summaries	15		
Proposed activities to meet program requirements	50		
Total Weight	100		
Total Technical Score		Max 500	

The Technical Score is determined by multiplying the Weight by the Rating. The Total Technical Score is obtained by adding each of the individual Technical Scores.

The cost proposal will be ranked by the selection committee. Four hundred (400) points will be awarded to the bid with the lowest acceptable total price per candidate. Points for other bids will be awarded using the following formula:

$$Z = \frac{X \times 400}{N}$$

X = lowest total price per candidate bid by any potential contractor being scored

N = total price per candidate bid by the potential contractor being scored

Z = assigned points for cost proposal of potential contractor being scored

Total Technical Score	
Bid amount supported and best price	
Total score	

The preference designated in the Buy Ohio Guidelines as codified in Ohio Administrative Code section 123:5-1-06 will apply to the evaluation of proposals under this RFP.

Based on the evaluation committee's evaluation of the proposals and cost, a recommendation of selection will be sent to the Director of the Ohio Department of Health. The Director will make a selection and his decision is final.

#### 7.6 Clarifications & Corrections.

During the evaluation process, ODH may request clarifications from any potential Contractor under active consideration and may give any Contractor the opportunity to correct defects in its Proposal if ODH believes doing so does not result in an unfair advantage for the Contractor and it is in ODH's best interests. Any clarification response that is broader in scope than what ODH has requested may result in the Contractor's proposal being disqualified.

## **2.12 Breach or Default.**

**2.12.01** Upon breach or default by **CONTRACTOR** of any of the provisions, obligations or duties provided for in this Contract, **ODH** may exercise all administrative, contractual, equitable or legal remedies available, without limitation. The waiver of any occurrence of breach or default is not a waiver of subsequent occurrences, and **ODH** retains the right to exercise all remedies provided for in this Contract.

**2.12.02** If **ODH** or **CONTRACTOR** fail to perform an obligation or obligations under this Contract and thereafter such failure is waived by the other party; such waiver shall be limited to the particular failure so waived and shall not be deemed to waive other failures hereunder. Waiver by **ODH** shall not be effective unless it is in writing and signed by the Director of Health or his or her designee, except that Contract Manager may agree in writing to non-substantial changes to section **1.06**, such as changes in form, format, deadlines, or other minimal changes that do not diminish the value of the specified work or deliverable.

**2.12.03** A breach or default based upon **CONTRACTOR's** failure to comply with section **2.13 Offshore Outsourcing** is subject to that section with regard to Contract termination, sanctions, and damages.

**2.13 Offshore Outsourcing and Executive Order 2011-12K.** **CONTRACTOR** affirms to have read and understands Executive Order 2011-12K "Governing the Expenditure of Public Funds for Offshore Services" (see **ATTACHMENT 2.13**) and shall abide by those requirements in the performance of this Contract, and shall perform no services required under this Contract outside of the United States. **CONTRACTOR** also affirms, understands, and agrees to immediately notify **ODH** of any change or shift in the location(s) of services performed by **CONTRACTOR** or its subcontractors under this Contract, and no services shall be changed or shifted to a location(s) that is outside of the United States.

If **CONTRACTOR** or any of its subcontractors perform any such services, **CONTRACTOR** shall immediately return to **ODH** all funds paid for those services. **ODH** may also recover from **CONTRACTOR** all costs associated with any corrective action **ODH** may undertake, including but not limited to an audit or a risk analysis, as a result of **CONTRACTOR** performing services outside the United States.

**2.13.011** **ODH** may, at any time after the breach, terminate the Contract, upon written notice to **CONTRACTOR**. **ODH** may recover all accounting, administrative, legal and other expenses reasonably necessary for the preparation of the termination of the Contract and costs associated with the acquisition of substitute services from a third party.

**2.13.012** If **ODH** determines that actual and direct damages are uncertain or difficult to ascertain, **ODH** in its sole discretion may recover a payment of liquidated damages in the amount of 1% of the value of the Contract.

**2.13.013** **ODH**, in its sole discretion, may provide written notice to **CONTRACTOR** of a breach and permit **CONTRACTOR** to cure the breach. Such cure period shall be no longer than fourteen (14) calendar days. During the cure period, **ODH** may buy substitute services from a third party and recover from **CONTRACTOR** any costs associated with acquiring those substitute services.

**2.13.014** Notwithstanding the **ODH** permitting a period of time to cure the breach or **CONTRACTOR's** cure of the breach, **ODH** does not waive any of its rights and remedies provided **ODH** in this Contract, including but not limited to recovery of funds paid for services **CONTRACTOR** performed outside of the United States, costs associated with corrective action, or liquidated damages.

**2.14 Assignment.** **CONTRACTOR** will not assign any of its rights nor delegate any of its duties and responsibilities under this Contract without prior written consent of **ODH**. Any assignment or delegation not consented to may be deemed void by the **ODH**.

**2.15 Drug Free Workplace.** **CONTRACTOR** shall comply with all applicable state and federal rules, regulations and statutes pertaining to a drug free workplace. **CONTRACTOR** shall make a good faith effort to ensure that all employees of **CONTRACTOR** do not purchase, transfer, use or possess illegal drugs or alcohol or abuse prescription drugs in any way while working on state, county, or municipal property.

**2.16 Good Standing.**

**2.16.01 CONTRACTOR** affirmatively represents and warrants to **ODH** that it is not subject to a finding for recovery under R.C. 9.24 or that it has taken the appropriate remedial steps required under R.C. 9.24 or otherwise qualifies under that section. **CONTRACTOR** further affirmatively represents and warrants to **ODH** that it is not debarred or suspended from entering into state of Ohio contracts pursuant to R.C. 125.25 and is not subject to exclusion, disqualification or ineligibility as defined in 2 C.F.R.180.110. **CONTRACTOR** agrees that if this representation and warranty is deemed false, the Contract will be void *ab initio* as between the Parties to this Contract, and any funds paid by **ODH** hereunder shall be immediately repaid to **ODH**, or an action for recovery may be immediately commenced by **ODH** for the recovery of said funds.

**2.16.02 CONTRACTOR** certifies that **CONTRACTOR** is not federally debarred from participating in government contracts funded by federal money as described in 2 C.F.R. 180.220. If at any time during the contractual period **CONTRACTOR** is federally debarred from participating in government contracts funded by federal money, for whatever reason, **CONTRACTOR** shall immediately notify **ODH** of the debarment.

**2.16.03 CONTRACTOR** certifies that all approvals, licenses or other qualifications necessary to conduct business in Ohio have been obtained and are operative. If at any time during the contractual period **CONTRACTOR** becomes disqualified from conducting business in Ohio, for whatever reason, **CONTRACTOR** shall immediately notify **ODH** of the disqualification.

**2.17 Amendments.** This writing constitutes the entire agreement between the Parties with respect to all matters herein. This Contract may be amended only by a writing signed by both Parties. However, it is agreed by the Parties that any amendments to laws or regulations cited herein will result in the correlative modification of this Contract, without the necessity for executing written amendments. Any written amendments to this Contract shall be prospective in nature. When a new or different term or condition is added, additional consideration is not necessary to bind the Parties.

**2.18 Limitation of Liability.** **CONTRACTOR** holds **ODH** harmless from any and all liability, suits, losses, judgments, damages, or any other demands arising out of the actions or omissions of **CONTRACTOR** while performing this Contract. **ODH's** liability for damages, whether in contract or in tort, shall not exceed the Total Contract Amount or the amount of direct damages incurred by **CONTRACTOR**, whichever is less, and is the **CONTRACTOR's** sole and exclusive remedy for **ODH's** failure to perform its obligations under this Contract. In no event shall **ODH** be liable for any indirect or consequential damages, including loss of

profit, even if **ODH** knew or should have known of the possibility of such damages. Neither party is responsible to the other party for nonperformance or delay in performance of the terms of this Contract due to acts of God, wars, riots, strikes, or other causes beyond the control of the Parties.

**2.19 Insurance. CONTRACTOR** will provide, at its own expense, Workers' Compensation insurance, as required by Ohio law or the laws of any other state where work under this Contract will be done. **CONTRACTOR** will also provide for its employees performing work under this Contract employer's liability insurance, and personal injury, bodily injury, and property damage liability insurance, including automobile coverage, with personal injury and bodily injury coverage.

**2.20 Rights in Deliverables, Data and Copyrights.** The Deliverables provided by **CONTRACTOR** which includes any item produced under this Contract, including any documents, data, photographs and negatives, electronic reports, records, software, source code, or other media, shall become the property of ODH which shall have an unrestricted right to reproduce, distribute, modify, maintain, and use the Deliverables. **CONTRACTOR** shall not obtain copyright, patent, or other proprietary protection for the Deliverables. **CONTRACTOR** shall not include in any Deliverable any copyrighted matter, unless the copyright owner gives prior written approval to use such copyrighted matter.

**2.21 Construction.** This Contract is governed, construed and enforced in accordance with the laws of the State of Ohio. Further, the Ohio courts shall have jurisdiction over the subject matter and the Parties hereto in connection with disputes concerning validity and enforcement of this Contract. If any portion of this Contract is found to be unenforceable by operation of statute or by administrative or judicial decision, the enforceability of the balance of this Contract shall not be affected thereby, provided that the absence of the unenforceable provision does not render impossible the performance of the remainder of this Contract.

**Executive Order 2011-12K, “Governing the Expenditure of Public Funds for Offshore Services”**

**JOHN R. KASICH**  
GOVERNOR  
STATE OF OHIO

**Executive Order 2011-12K**

Governing the Expenditure  
of Public Funds for Offshore Services

**WHEREAS**, State of Ohio officials and employees must remain passionately focused on initiatives that will create and retain jobs in the United States in general and in Ohio in particular, and must do so especially during Ohio’s continuing efforts to recover from the recent recession.

**WHEREAS**, allowing public funds to pay for services provided offshore has the potential to undermine economic development objectives in Ohio.

**WHEREAS**, the expenditure of public funds for services provided offshore may deprive Ohioans and other Americans of critical employment opportunities and may also undermine efforts to attract businesses to Ohio and retain them in Ohio, initiatives in which this State has invested heavily.

**NOW THEREFORE**, I, John R. Kasich, Governor of the State of Ohio, by virtue of the authority vested in me by the Constitution and the laws of this State, do hereby order and direct that:

1. No State Cabinet Agency, Board or Commission (“Executive Agency”) shall enter into any contract which uses any public funds within its control to purchase services which will be provided outside the United States. This Executive Order applies to all purchases of services made directly by an Executive Agency and services provided by subcontractors of those providing services purchased by an Executive Agency.
2. This Executive Order will be personally provided, by the Director, Chair or other chief executive official of each Executive Agency, to the Chief Procurement Officer or other individual at that entity responsible for contracts for services.
3. The Department of Administrative Services, through Ohio’s Chief Procurement Officer, shall have in place, by July 1, 2011, procedures to ensure all of the following:
  - a. All agency procurements officers (APOs), or the person with equivalent duties at each Executive Agency, have standard language in all Executive Agency contracts which:
    - i. Reflect this Order’s prohibition on the purchase of offshore services.

- ii. Require service providers or prospective service providers to:
    - 1. Affirm that they understand and will abide by the requirements of this Order.
    - 2. Disclose the location(s) where all services will be performed by any contractor or subcontractor.
    - 3. Disclose the locations(s) where any state data associated with any of the services they are providing, or seek to provide, will be accessed, tested, maintained, backed-up or stored.
    - 4. Disclose any shift in the location of any services being provided by the contractor or any subcontractor.
    - 5. Disclose the principal location of business for the contractor and all subcontractors who are supplying services to the state under the proposed contracts.
  - b. All APOs confirm that all quotations, statements of work, and other such proposals for services affirm this Order's prohibition on the purchase of offshore services and include all of this Order's disclosure requirements.
    - i. Any such proposal for services lacking the affirmation and disclosure requirements of this Order will not be considered.
    - ii. Any such proposal where the performance of services is proposed to be provided at a location outside the United States by the contractor or any subcontractor will not be considered.
  - c. All procurement manuals, directive, policies, and procedures reflect the requirements of this Order.
  - d. All APOs have adequate training which addresses the terms of this Order.
4. Nothing in this Order is intended to contradict any state or federal law. In addition, this Order does not apply to:
- a. Services necessary to support the efforts of the Department of Development to attract jobs and business to the state of Ohio;
  - b. Academic, instructional, educational, research or other services necessary to support the international missions of Ohio's public colleges and universities; or
  - c. Situations in which the Director of the Department of Administrative Services, or the Director's designee, shall determine that it is an emergency or that it is necessary for the State to waive some or all of the requirements of this Order. The Director shall establish standards by which Executive Agencies may request a waiver of some or all of the requirements of this Order and by which such requests will be evaluated and may be granted.
5. Executive Order 2010-09S is hereby rescinded.

I signed this Executive Order on June 21, 2011 in Columbus, Ohio and it will expire on my last day as Governor of Ohio unless rescinded before then.

## General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

### Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

**Note.** If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

- The U.S. grantor or other owner of a grantor trust and not the trust, and
- The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

**Foreign person.** If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

**Nonresident alien who becomes a resident alien.** Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a “saving clause.” Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

**Example.** Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

**What is backup withholding?** Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called “backup withholding.” Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

**Payments you receive will be subject to backup withholding if:**

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Also see *Special rules for partnerships* on page 1.

## Penalties

**Failure to furnish TIN.** If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

**Civil penalty for false information with respect to withholding.** If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

**Criminal penalty for falsifying information.** Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

**Misuse of TINs.** If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

## Specific Instructions

### Name

If you are an individual, you must generally enter the name shown on your income tax return. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

**Sole proprietor.** Enter your individual name as shown on your income tax return on the “Name” line. You may enter your business, trade, or “doing business as (DBA)” name on the “Business name” line.

**Limited liability company (LLC).** Check the “Limited liability company” box only and enter the appropriate code for the tax classification (“D” for disregarded entity, “C” for corporation, “P” for partnership) in the space provided.

For a single-member LLC (including a foreign LLC with a domestic owner) that is disregarded as an entity separate from its owner under Regulations section 301.7701-3, enter the owner’s name on the “Name” line. Enter the LLC’s name on the “Business name” line.

For an LLC classified as a partnership or a corporation, enter the LLC’s name on the “Name” line and any business, trade, or DBA name on the “Business name” line.

**Note.** You are requested to check the appropriate box for your status (individual/sole proprietor, corporation, etc.).

### Exempt Payee

If you are exempt from backup withholding, enter your name as described above and check the appropriate box for your status, then check the “Exempt payee” box in the line following the business name, sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

**Note.** If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

The following payees are exempt from backup withholding:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),
2. The United States or any of its agencies or instrumentalities,
3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,
4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or
5. An international organization or any of its agencies or instrumentalities.

Other payees that may be exempt from backup withholding include:

6. A corporation,
7. A foreign central bank of issue,
8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,
9. A futures commission merchant registered with the Commodity Futures Trading Commission,

12. A common trust fund operated by a bank under section 584(a),
13. A financial institution,
14. A middleman known in the investment community as a nominee or custodian, or
15. A trust exempt from tax under section 664 or described in section 4947.

The chart below shows types of payments that may be exempt from backup withholding. The chart applies to the exempt payees listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt payees except for 9
Broker transactions	Exempt payees 1 through 13. Also, a person registered under the Investment Advisers Act of 1940 who regularly acts as a broker
Barter exchange transactions and patronage dividends	Exempt payees 1 through 5
Payments over \$600 required to be reported and direct sales over \$5,000 <sup>1</sup>	Generally, exempt payees 1 through 7

<sup>1</sup> See Form 1099-MISC, Miscellaneous Income, and its instructions.

<sup>2</sup> However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, and payments for services paid by a federal executive agency.

## Part I. Taxpayer Identification Number (TIN)

**Enter your TIN in the appropriate box.** If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

**Note.** See the chart on page 4 for further clarification of name and TIN combinations.

**How to get a TIN.** If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at [www.ssa.gov](http://www.ssa.gov). You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at [www.irs.gov/businesses](http://www.irs.gov/businesses) and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting [www.irs.gov](http://www.irs.gov) or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

**Note.** Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

**Caution:** A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

## Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt payees, see *Exempt Payee* on page 2.

**Signature requirements.** Complete the certification as indicated in 1 through 5 below.

**1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.** You must give your correct TIN, but you do not have to sign the certification.

**2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.** You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

**3. Real estate transactions.** You must sign the certification. You may cross out item 2 of the certification.

**4. Other payments.** You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

**5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions.** You must give your correct TIN, but you do not have to sign the certification.

## Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, social security number (SSN), or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

Call the IRS at 1-800-829-1040 if you think your identity has been used inappropriately for tax purposes.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

**Protect yourself from suspicious emails or phishing schemes.** Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to [phishing@irs.gov](mailto:phishing@irs.gov). You may also report misuse of the IRS name, logo, or other IRS personal property to the Treasury Inspector General for Tax Administration at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: [spam@uce.gov](mailto:spam@uce.gov) or contact them at [www.consumer.gov/idtheft](http://www.consumer.gov/idtheft) or 1-877-IDTHEFT(438-4338).

Visit the IRS website at [www.irs.gov](http://www.irs.gov) to learn more about identity theft and how to reduce your risk.

## Attachment A-6 Instructions

Guidance regarding the completion of Attachment A-6, the Ohio Department of Health's Contractor Federal Funding Accountability and Transparency Act (FFATA) Reporting Form.

The Ohio Department of Health (ODH) is required to report all contracts of federal funds that are greater than \$25,000. Contractors are subject to this requirement and these organizations are required to report certain information describing the agency and (under certain circumstances) the compensation of the five highest compensated officials. Attachment B is designed to capture this information to allow ODH to comply with FFATA reporting requirements. This information will be made available to the public via <http://www.usaspending.gov/>

Below please find the instructions for completing Attachment A-6.

- 1) Attachment B form must be submitted for each award of \$25,000 supported by federal funds. Furthermore, a new form must be submitted if there is a change in any of the form's data fields.
- 2) All of the data entry fields have size and format limitations. These limitations have been established by the U.S. Office of Management and Budget (OMB). These limitations, by field, are contained in the two columns on the right side of the sheet.
  - a) In the fields designated as "character", only alphabetic data should be entered.
  - b) In the fields designated as "numeric", only numbers should be entered. Please do not enter other symbols (e.g. \$ or dashes for telephone numbers).
  - c) In the fields designated as "Free text entry", any combination of alpha, numeric, and symbols may be used.
- 3) Each field contains brief entry instructions.
- 4) The applicant is to complete all fields except those designated to be "Completed by ODH."
- 5) Lines #1, 2 and 13 require the entry of DUNS number information. All ODH contractors are urged to apply for a DUNS number and those subject to the FFATA reporting requirements are required to have a DUNS number . The following links may be used, respectively, to request a DUNS number and to register in the CCR system.
