RLB#: JFSR-1011-10-8069**

I. Purpose

The Ohio Department of Job & Family Services through the Office of Information Services (OIS) is soliciting proposals from currently certified Ohio Minority Business Enterprise (MBE) with approved Office of Information Technology (OIT) State Term Schedules (STS), or listed as an authorized dealer on an approved STS, that are authorized to provide IT/Data Processing related consulting services under their STS to support the ODJFS/OIS Bureau of Architecture and Engineering.

The intent of this request is to obtain **one (1) Senior Microsoft Engineer**. This resource will be used to provide senior level support as a Microsoft Engineer for distributed servers in a multi-datacenter environment.

The normal work schedule for the State of Ohio is Monday through Friday 8:00 am to 5:00 pm. Each independent contractor position selected under this contract will have a maximum of **2080** hours each commencing on or about **July 14, 2010** and continuing until all the hours have been expended or by June 30, 2011. These resources may not require the use of all **2080** hours of service. These resources can be released by ODJFS effective thirty (30) working days after the vendor is notified in writing that their services will no longer be required or at any time due to lack of expected performance. Off hour support is required on a 24x7 basis. Expenses are not reimbursable.

The vendor's State Term Schedule must be approved by OIT by the time vendor bids are due on this project, in order to qualify for consideration. State law will not allow a services contract to span fiscal years, therefore all services and billing for this RLB must be completed by June 30, 2011. Failure of a Contractor to submit the final invoice by this deadline shall be deemed forfeiture by Contractor of all remaining compensation pursuant to the Contract.

Please Note: Only certified MBE vendors may respond to this RLB.

Materials received after the submission deadline date, or partial submissions received regardless of the date, will not be added to previous submissions, nor be considered. IV. Internet Question & Answer Period; RLB Clarification Opportunity

Potential vendors may ask clarifying questions regarding this RLB via the Internet during the Question and Answer (Q & A) Period as outlined in Section III. Anticipated Procurement Timetable. To ask a question, potential vendors must use the following Internet process:

- * Access the ODJFS Web Page at <http://jfs.ohio.gov>;
- * Select “About ODJFS” on the front page;
- * Select “Doing Business with ODJFS” listed on the left column of the page;
- * Select “Requests for Proposals, Letterhead Solicitations, and Other Invitations;”
- * Select RLB Number [R-1011-10-8069](#);

- * **Follow the link to the dedicated web page;**
- * **Select “Submit Inquiry” near the bottom of the web page; and**
- * **Follow the instructions and guidelines as follows to send an e-mail question.**

Questions to this RLB must reference the relevant part of this RLB, the heading for the provision under question, and the number and/or section of the RLB where the provision can be found. The potential vendor must also include his or her name, the company name, and business phone number. ODJFS may, at its option, disregard any questions which do not appropriately reference an RLB provision or location, or which do not include an identification for the originator of the question. ODJFS will not respond to any questions submitted after **8:00 a.m.** on the date that the Q & A period closes.

ODJFS responses to all questions asked via the Internet will be posted on the Internet web site dedicated to this RLB, for reference by all potential vendors. Potential vendors will not receive personalized or individual e-mail responses. Clarifying questions asked and ODJFS responses to them comprise the “ODJFS Question and Answer Document” for this RLB; when possible, ODJFS may post an interim Q & A Document as well as the final version. Vendor proposals in response to this RLB are to take into account any information communicated by ODJFS in the Final Q & A Document for the RLB. **It is the responsibility of all potential vendors to check this site on a regular basis for responses to questions, as well as for any amendments or other pertinent information regarding any RLB.**

Accessibility to the ODJFS Q & A Document will be clearly identified on the web site dedicated to this RLB, **once that document is made available.**

IMPORTANT: Requests from potential vendors for copies of previous RLBs, past vendor proposals, score sheets or contracts for this or similar past projects, are Public Records Requests (PRRs), and are not clarification questions regarding the present RLB. PRRs, submitted in accordance with directions provided in Section XVI. Communication Prohibitions, will be honored. The posted time frames for ODJFS responses to Internet or faxed questions for RLB clarification do not apply to PRRs.

Requirements under a current project may or may not be required by ODJFS under any future contract, and so may not be useful information for vendors who choose to respond to the RLB; therefore, vendors are to base their RLB responses, and the details and costs of their proposed projects, on the requirements and performance expectations established in the RLB and, if applicable, in the Q&A document, NOT on details of a current or past related contract. If vendors ask questions about existing or past contracts using the Internet Q & A process, ODJFS will use its discretion in deciding whether to provide answers.

ODJFS will only answer those questions submitted within the established time period for the vendor Q & A process (see Section III. Anticipated Procurement Timetable, above), and which pertain to issues of RLB clarity, and which are not requests for public records. ODJFS is under no obligation to acknowledge questions submitted through the Q & A process if those questions are not in accordance with these instructions.

V. Qualifications

In order to be considered for the project described in this RLB, ODJFS requires that interested vendors **must** meet, at minimum, **all** of the following qualification requirements:

A. Required Vendor Qualifications

In order to be considered for the purchase order expected to result from this RLB, ODJFS requires that interested vendors **must**:

- be an Office of Information Technology (OIT) State Term Schedule (STS) authorized vendor
- and hold a current MBE vendor certification.

Vendors are required to submit a copy of their current STS cover page **and** a copy of their MBE certification as part of their proposals. Proposals submitted from any other entity or individuals will be rejected.

Vendors that do not meet both of the above requirements will be disqualified from further consideration for award. Additionally, other procedural requirements (such as receipt by ODJFS of a proposal by the stated deadline) are established on the Technical Proposal Score Sheet, and failure to comply with any of those will also result in disqualification from any consideration.

B. Organizational Experience and Capabilities

In order to be considered for the purchase order expected to result from this RLB, ODJFS requires that interested vendors provide the following:

1. Background information on the vendor, including subcontractors, if appropriate, indicating sufficient organizational experience and staffing to perform the required work. 3. Names and contact information from at least two (2) entities for which the vendor has performed similar scale projects in the past three (3) years.

C. Staff Experience and Capabilities

The vendor must demonstrate its significant expertise by assigning qualified individuals for this project. Vendor proposals may, at their discretion, propose **UP TO THREE (3) separate candidates for each position needed by ODJFS for this work.** If a vendor proposes multiple candidates for the same position, ODJFS will score each candidate separately.

For each of the individuals a vendor is offering to ODJFS to perform the work, the vendor must, at minimum:

1. Identify the individual to be assigned for the duration of this activity and specify why this individual is key to the activity's success;
2. Include a resume or curriculum vitae for the assigned positions expected to work on the project.

Important - Sensitive Personal Information Prohibition: It is the affirmative responsibility of the vendor submitting a proposal to remove all personal confidential information (such as home addresses and social security numbers) of vendor staff and/or of any subcontractor and subcontractor staff from resumes or any other part of the proposal package. Following submission to ODJFS, all proposals submitted become part of the public record. ODJFS reserves the right to disqualify any vendor whose proposal is found to contain such prohibited personal information.

Any other information thought to be relevant, but not applicable to a specific RLB section number/letter such as charts, tables, timelines, excerpts of past related projects, etc., must be provided as an appendix to the proposal and so marked as an additional tab. However, the proposal will be scored based on the relevancy to the stated responsibilities as well as the conciseness, clarity, flow, and professionalism of the information presented. Tab H – Cost Summary:

Through a cost analysis for the services of a qualified person to fill this role, ODJFS has determined that the hourly rates offered by vendors for this work should fall between \$65.00 and \$80.00, at most. While greater qualifications may justify higher rates for the work to be performed, ODJFS will disqualify any proposals in excess of the stated maximum rate for each classification.

The vendor’s quote for this project must be presented in Tab H. as indicated here:

Resource	STS Product / Job Title	Published STS Rate	Discount Rate	Proposed Hourly Price

The severe budget constraints currently affecting all State Government entities require all possible cost control measures. ODJFS will make any candidate selections based on technical considerations and cost efficiency. While any STS establishes vendors’ maximum rates, government entities utilizing STS vendor services may seek reductions from those published rates. For this project, ODJFS will SCORE competing vendors for their ability to propose prices as low as possible, as described in detail in Section VIII, below, and on the Technical Proposal Score Sheet, which is provided as Attachment C. ODJFS will pay for the services of the vendor selected through this RLB process at the vendor’s proposed hourly price.

VIII. Selection Process

Vendors submitting a response will be evaluated based on the qualifications, capacity and experience demonstrated in their Technical Proposal. All proposals will be reviewed and scored by a Proposal Review Team (PRT), comprised of staff from ODJFS. Vendors should not assume that the review members are familiar with their current work activities with ODJFS. Proposals containing assumptions, lack of sufficient detail, poor organization, lack of proofreading and unnecessary use of self-promotional claims will be evaluated accordingly. Final selection of the vendor will be based upon the criteria specified in Sections V., VI., and VII. of this RLB. The PRT reserves the right to reject any and all proposals, in whole or in part, received in response to this request. The review team may waive minor defects that are not material when the intent is reasonably clear and no prejudice will result to the

rights of any vendor or to the public. ODJFS reserves the right to require clarification of any information provided in vendors' proposals. In scoring the proposals, ODJFS will score in three phases:

A. Phase I. Review—Initial Qualifying Criteria:

In order to be fully reviewed and scored, proposals submitted must pass the following Phase I. Review. **Any “no” for the listed Phase I. criteria will eliminate a proposal from further consideration.**

1. Was the proposal received by the deadline as specified in Section II., of this RLB?
2. Did the vendor submit their proposals in the format described in Section VII., of this RLB?
3. Does ODJFS' review of the Auditor of State website verify that the vendor is not excluded from contracting with ODJFS by ORC Section 9.24 for an unresolved finding for recovery (*i.e.*, the proposal of any vendor whose name appears on the Auditor's website as having an unresolved finding for recovery will be eliminated from further consideration.)?
4. Does the vendor have a current STS which is appropriate for the work described in this RLB?
5. Is the vendor a currently certified Ohio MBE firm ?

B. Phase II. Review—Criteria for Scoring the Technical Proposal:

The PRT will then score those qualifying technical proposals, not eliminated in Phase I. Review, by assessing how well the vendor meets the requirements as specified in Sections V., and VI., of this RLB. Using the score sheet for Phase II scoring (see **Attachment C.** of this RLB for specific evaluation criteria), the PRT will read, review, discuss and reach consensus on the final technical score for each qualifying technical proposal.

A maximum of **460** points will be awarded for the Technical Proposal. A technical proposal must achieve a total of at least **322** points (indicating that the vendor is capable of successfully performing contractual duties) out of the possible **460** points to qualify for continued consideration. Any proposal which does not meet the minimum required technical proposal points will be disqualified from any further consideration and its cost proposal will neither be opened nor considered.

Technical Performance Scoring Definitions:

“Does Not Meet Requirement”-a particular RLB requirement was not addressed in the vendor's proposal, **Score: 0**

“Meets Requirement”-Vendor proposal fulfills a particular RLB requirement in all material respects, potentially with only minor, non-substantial deviation, **Score: 3**

“Exceeds Requirement”-Vendor proposal fulfills a particular RLB requirement in all material respects, and offers some additional level of quality in excess of ODJFS expectations, **Score: 5**

IMPORTANT: Before submitting a proposal to ODJFS in response to this RLB, vendors are strongly encouraged to use the Technical Proposal Score Sheet (**Attachment C.**) and the above technical performance scoring information to review their proposals for completeness, compliance, and quality.

C. Phase III., Price Scoring:

As stated in Section VII, above, the prices offered to ODJFS by each qualifying vendor (*i.e.*, each vendor that earns at least the minimum acceptable Technical Proposal Score in Phase II) will be scored in Phase III. Points will be awarded by ranking the vendors from lowest offered price to highest, provided the price does

not exceed the maximum acceptable price stated in Section VII. Any vendor that offers a price higher than that stated maximum WILL BE DISQUALIFIED.

Pricing will be scored by rank-ordering vendors according to the proposed hourly prices submitted in Tab H. of vendor proposals, and comparing them to the expected price range set by ODJFS in Section VII. for this work. If a qualifying vendor offers a price below the lowest price in that range, its Phase III score will be fifty (50) points, which will then be added to its Phase II. technical quality score; the resulting sum will be that vendor's Final Total Score. The vendor offering the lowest price within the range stated in Section VII., will earn forty (40) points for its Phase III price score. The vendor offering the second lowest price within that range will earn thirty (30) points; the third lowest will earn twenty (20) points; the fourth lowest will earn ten (10) points; and the fifth lowest price will earn only five (5) points. Regardless of the rank-ordering of vendors' proposed prices, the price scoring points will be awarded only IF the offered price is at least five percent (5%) BELOW the maximum price in the stated price range (e.g., vendors that propose the maximum price or a price no more than 4.99% below that maximum will earn no points in the price scoring phase). Should any vendors offer identical prices that qualify for any Phase III points, the same points will be awarded to those vendors.

The points earned through this Phase III price scoring process will be added to the technical quality scoring, Phase II, on the Technical Proposal Score Sheet to result in that vendor's Final Total Score.

D. Final Selection

The PRT will recommend for selection the technically qualified vendor with the highest Final Total Score. At its sole discretion, ODJFS may choose to conduct interviews prior to final vendor selection. Interview question responses will then be considered according to a process comparable to the Technical Proposal Scoring described in Section VIII., Selection Process of this RLB.

The state reserves the right to interview up to 30 candidates prior to final selection.

***Please Note: In the event that ODJFS does not find a suitable candidate from the MBE vendor market, ODJFS reserves the right to cancel the RLB (in whole or in part), revise it, and re-release it for open-market vendor bids. ODJFS also reserves the right to cancel the RLB (in whole or in part) and not proceed with the project.**

IX. Health Insurance Portability & Accessibility Act (HIPAA) Requirements

As a condition of receiving a contract from ODJFS, the contractor, and any subcontractor(s), will be required to comply with 42 U.S.C. Sections 1320d through 1320d-8, and to implement regulations at 45 C.F.R. Section 164.502 (e) and Sections 164.504 (e) regarding disclosure of protected health information under the Health Insurance Portability and Accountability Act (HIPAA) of 1996. Protected Health Information (PHI) is information received by the contractor from or on behalf of ODJFS that meets the definition of PHI as defined by HIPAA and the regulations promulgated by the United States Department of Health & Human Services, specifically 45 CFR 164.501 and any amendments thereto.

HIPAA compliance requires, at minimum, that the contractor:

- A. Shall not use or disclose PHI except as specifically required under the terms of the contract with ODJFS, or as otherwise required under the HIPAA regulations or other applicable law.
- B. Shall use appropriate safeguards to protect against use or disclosure not provided for by this Agreement.
- C. Shall promptly report to ODJFS any knowledge of uses or disclosures of PHI that are not in accordance with the contract or applicable law. In addition, the CONTRACTOR shall mitigate any adverse effects of such a breach to the extent possible.

- D. Shall ensure that all its agents and subcontractors that receive PHI from or on behalf of the contractor and/or ODJFS agree to the same restrictions and conditions that apply to contractor with respect to the use or disclosure of PHI.
- E. Shall make available to ODJFS such information as ODJFS may require to fulfill its obligations to provide access to, provide a copy of, and account for disclosures with respect to PHI pursuant to HIPAA and related regulations.
- F. Shall make PHI available to ODJFS in order for ODJFS to fulfill its obligations pursuant to HIPAA to amend the information and shall, as directed by ODJFS, incorporate any amendments into the information held by the contractor and ensure incorporation of any such amendments into information held by its agents or subcontractors.
- G. Shall make available its internal practices, books and records relating to the use and disclosure of PHI received from ODJFS, or created and received by the contractor on behalf of ODJFS, to ODJFS and to the Secretary of the U.S. Department of Health and Human Services for the purpose of determining ODJFS compliance with HIPAA and the regulations promulgated by the United States Department of Health & Human Services and any amendment thereto.
- H. Shall, upon termination of this Agreement, at the option of ODJFS, return to ODJFS, or destroy, all PHI in its possession, and keep no copies of the information except as requested by ODJFS or required by law. If the contractor or its agent or subcontractor destroy any PHI, then the contractor will provide ODJFS with documentation evidencing such destruction. Any PHI maintained by the contractor shall continue to be extended the same as required by HIPAA and ODJFS for as long as it is maintained.

In the event of a material breach of contractor obligations under this section, ODJFS may at its option terminate the contract according to provisions within the contract for termination.

X. State Contracts

Responses must list any current contracts the vendor has with State of Ohio agencies. The list must indicate the purpose of the contract, the amount of the contract, the time period covered by the contract, and the percent of the project completed. Vendors must complete a copy of the Required Vendor Information and Certifications Document (provided as **Attachment D**) to report this information, and include the completed document in the vendor's proposal as specified in **Section VII., Instructions for Format of Submissions**, of this RLB.

XI. Trade Secrets Prohibition; Public Information Disclaimer

Vendors are prohibited from including any trade secret information as defined in ORC 1333.61 in their proposals in response to any ODJFS Requests for Proposals (RFP), Requests for Letterhead Bids (RLB) or other procurement efforts. ODJFS shall consider all proposals voluntarily submitted in response to any ODJFS RLB to be free of trade secrets and such proposals shall, in their entirety, be made a part of the public record.

All proposals and any other documents submitted to ODJFS in response to any RFP, RLB, etc., shall become the property of ODJFS. After the selection of the vendor, any proposals submitted in response to an RLB are deemed to be public records pursuant to R.C. 149.43. The term "proposal" shall mean both the technical and the cost proposals, if opened, submitted by the vendor, any attachments, addenda, appendices, or sample products.

Any proposals submitted in response to any ODJFS RFP, RLB, etc. which make claims of trade secret information shall be disqualified from consideration immediately upon the discovery of such unallowable claim.

XII. Contractual Requirements

Any purchase order resulting from the issuance of this solicitation is subject to the terms and conditions as provided in the OIT State Term Schedule, which is available upon request. Potential vendors are strongly encouraged to download and read a copy of the Schedule to be fully aware of OIT Schedule requirements.

A. Ethical and Conflict of Interest Requirements

1. No Vendor or individual, company or organization seeking a contract shall promise or give to any ODJFS employee of value that is of such character as to manifest a substantial and improper influence upon the employee with respect to his or her duties.
2. No Vendor or individual, company or organization seeking a contract shall solicit any ODJFS employee to violate any of the conduct requirements for employees.
3. Any Vendor acting on behalf of ODJFS shall refrain from activities which could result in violations of ethics and/or conflicts of interest. Any Vendor or potential contractor who violates the requirements and prohibitions defined here or of Section 102.04 of the Ohio Revised Code is subject to termination of the contract or refusal by ODJFS to enter into a contract.
4. ODJFS employees and Vendors who violate Sections 102.03, 102.04 2921.42 or 2921.43 of the Ohio Revised Code may be prosecuted for criminal violations.
5. In submitting a bid in response to this solicitation the vendor certifies that it has reviewed, knows, and understands the State of Ohio's ethics and conflict of interest laws and the Governor's Executive Order 2007-01S pertaining to ethics. The vendor further agrees that it will not engage in any action(s) inconsistent with Ohio ethics laws or the aforementioned executive order.

B. Interview

Vendors submitting proposals may be requested to participate in an in-depth interview as part of the evaluation process. The interview, if necessary, may include participants from ODJFS and any representatives it may appoint. ODJFS reserves the right to select from responding vendors for interviews and may not interview all vendors submitting proposals. The vendor shall bear all costs of any scheduled interview.

C. Start Work Date

The selected vendor must be able to begin work no later than seven (7) working days after the time funds are encumbered and approved by the Office of Budget & Management. The selected vendor will be notified by the ODJFS contract manager when work may begin. **Any work begun by a contractor prior to this notification will NOT be reimbursable by ODJFS.**

D. Proposal Costs

Costs incurred in the preparation of this proposal are to be borne by the vendor, and ODJFS will not contribute in any way to the costs of the preparation. Any costs associated with interviews will be borne by the vendor and will not be ODJFS' responsibility.

E. Contractual Requirements

Any contract resulting from the issuance of this solicitation is subject to the terms and conditions as provided in the model contract, which is available from ODJFS upon request. Potential vendors are strongly encouraged to read the model contract to be fully aware of all ODJFS contractual requirements.

F. Travel and Parking Expense Reimbursement

No travel or parking expenses, nor any other expenses, will be covered.

G. Public Release of Records

Public release of any evaluation or monitoring reports funded under this contract will be made only by ODJFS. Prior to public release of such reports, ODJFS must have at least a 30-day period for review and comment.

H. Confidentiality

All contracts or other business agreements will require that the contractor maintain the confidentiality of information and records which state and federal laws, rules, and regulations require to be kept confidential.

XIII. Other Requirements

A. Unresolved Findings for Recovery (R.C. 9.24)

Ohio Revised Code Section 9.24 prohibits ODJFS from awarding a contract to any entity against whom the Auditor of State has issued a finding for recovery if the finding for recovery is “unresolved” at the time of award. By submitting a proposal, the vendor warrants that it is not now, and will not become, subject to an “unresolved” finding for recovery under R.C. 9.24 prior to the award of any contract or business agreement arising out of this RLB, without notifying ODJFS of such finding. ODJFS will review the Auditor of State’s website prior to the evaluations of any proposal submitted pursuant to this RLB. ODJFS will not evaluate a proposal from any vendor whose name, or the name of any of the subcontractors proposed by the vendor, appears on the website of the Auditor of the State of Ohio as having an “unresolved” finding for recovery.

B. Mandatory Contract Performance Disclosure

Each proposal must disclose whether the vendor’s performance, or the performance of any of the proposed subcontractor(s), under contracts for the provision of services that are the same or similar to those described in this RLB, has resulted in any “formal claims” for breach of those contracts. For purposes of this disclosure, “formal claims” means any claims for breach that have been filed as a lawsuit in any court, submitted for arbitration (whether voluntary or involuntary, binding or not), or assigned to mediation. If any such claims are disclosed, vendor shall fully explain the details of those claims, including the allegations regarding all alleged breaches, any written or legal action resulting from those allegations, and the results of any litigation, arbitration or mediation regarding those claims, including terms of any settlement. While disclosure of any formal claims in response to this section will not automatically disqualify a vendor from consideration, at the sole discretion of ODJFS, such claims and a review of the background details may result in a rejection of the vendor’s proposal. ODJFS will make this decision based on its determination of the seriousness of the claims, the potential that the behavior that led to the claims could negatively impact vendor’s performance of the work, and the best interests of ODJFS.

C. Mandatory Disclosures of Governmental Investigations

Each proposal must indicate whether the vendor and any of the proposed subcontractor(s) has been the subject of any adverse regulatory or adverse administrative governmental action (federal, state, or local) with respect to vendor’s performance of services similar to those described in this RLB. If any such instances are disclosed, vendor must fully explain, in detail, the nature of the governmental action, the allegations that led to the governmental action, and the results of the governmental action including any legal action that was taken against vendor by the governmental agency. While disclosure of any governmental action in response to this section will not automatically disqualify a vendor from consideration, such governmental action and a review of the background details may result in a rejection of the vendor’s proposal at the sole discretion of ODJFS. The decision by ODJFS on this issue will be based on a determination of the seriousness of the matter, the matter’s potential impact on the vendor’s performance of the work, and the best interests of ODJFS.

D. Vendor Selection Restriction

Any vendor deemed not responsible, or submitting a proposal deemed not to be responsive to the terms of this RLB, shall not be selected for this project.

E. Waiver of Minor Proposal Errors

ODJFS may, at its sole discretion, waive minor errors or omissions in proposals, bids, and/or forms when those errors do not unreasonably obscure the meaning of the content. Additionally, ODJFS reserves the right to request clarifications or completions from vendors to any information in their proposals, bids, and/or forms, and may request such clarification as it deems necessary at any point in the proposal/bid review process.

XIV. Caveat

ODJFS is under no obligation to select a vendor as a result of this solicitation if, in the opinion of ODJFS and the proposal review team, none of the proposals are responsive to the objectives and needs of the Department. ODJFS reserves the right to not select any vendor should ODJFS decide not to proceed with the project.

XV. Communications Prohibited

From the issuance date of this RLB until the contract award has been formally announced by the ODJFS Director, there may be no communications concerning the RLB between any vendor which expects to submit a proposal and any employee of ODJFS in the issuing office, or any other ODJFS employee, or any other individual regardless of their employment status, who is in any way involved in the development of the RLB or the selection of the Vendor(s).

The only exceptions to this prohibition are as follows:

1. Communications conducted pursuant to Section IV, Internet Question and Answer Period;
2. As necessary in any pre-existing or on-going business relationship between ODJFS and any vendor which could submit a proposal in response to this RLB;
3. As part of an interview or proposal clarification process initiated by ODJFS as necessary to make a final vendor selection;
4. If it becomes necessary to revise any part of this RLB, ODJFS will post those revisions, amendments, etc., to the website dedicated to this RLB;* and
5. Any Public Records Request (PRR) made through the ODJFS Office of Legal Services.

*** Important Note:** Amendments to the RLB or to any documents related to it will be accessible to interested vendors through the original web page established for the RLB. All interested vendors must refer to that web page regularly for amendments or other announcements. ODJFS will not specifically notify any vendor of changes or announcements related to this RLB except through the website posting. It is the affirmative responsibility of interested vendors to be aware of and to fully respond to all updated information posted on this web page.

ODJFS is not responsible for the accuracy of any information regarding this RLB that was obtained or gathered through a source other than the Question and Answer process described in this RLB. Any attempts at prohibited communications by vendors may result in the disqualification of those vendors' proposals.

XVI. Protests

Any potential, or actual, vendor objecting to the award of a contract resulting from the issuance of this solicitation may file a protest of the award of the contract, or any other matter relating to the process of soliciting the proposals. Such a protest must comply with the following guidelines:

1. A protest may be filed by a prospective or actual bidder objecting to the award of a purchase order resulting from this solicitation. The protest shall be in writing and shall contain the following information:
 - a. The name, address, and telephone number of the protestor;
 - b. The name and number of the solicitation being protested;
 - c. A detailed statement of the legal and factual grounds for the protest, including copies of any relevant documents;
 - d. A request for a ruling by ODJFS;
 - e. A statement as to the form of relief requested from ODJFS; and
 - f. Any other information the protestor believes to be essential to the determination of the factual and legal questions at issue in the written protest.
2. A timely protest shall be considered by ODJFS, if it is received by ODJFS' Office of Legal Services, within the following periods:
 - a. A protest based on alleged improprieties in the issuance of the RLB or any other event preceding the closing date for receipt of proposals which are apparent or should be apparent prior to the closing date for receipt of proposals shall be filed no later than 3:00 p.m. of the closing date for receipt of proposals as specified in Section II., Time and Date of Submission.
 - b. If the protest relates to the announced intent to make the award, the protest shall be filed no later than 3:00 p.m. of the **third (3rd) business day** after the issuance of notification to all responding vendors regarding the State's intent to the award. The date of this ODJFS notification to responding vendors is the date used to determine if a protest regarding the intent to award is submitted by the end of the protest period.
3. An untimely protest may be considered by ODJFS if ODJFS determines that the protest raises issues significant to the department's procurement system. An untimely protest is one received by ODJFS' Office of Legal Services after the time periods set forth in Item #2 of this section.
4. All protests must be filed at the following location:

Chief Legal Counsel, Office of Legal Services
Ohio Department of Job and Family Services
30 East Broad Street, 31st Floor
Columbus, Ohio 43215-3414
5. When a timely protest is filed, a contract award shall not proceed until a decision on the protest is issued or the matter is otherwise resolved, unless the Director of ODJFS determines that a delay will severely disadvantage the Department. The vendor(s) who would have been awarded the contract shall be notified of the receipt of the protest.
6. ODJFS' Office of Legal Services shall issue written decisions on all timely protests and shall notify any vendor who filed an untimely protest as to whether or not the protest will be considered.

Exceeds Requirement/Expectation = 5 points

Each candidate offered in the proposals of each qualifying vendor will be scored collectively by the review team; each such candidate will be scored on a separate score sheet. Each candidate's total technical quality score will be the sum of the point value for all PHASE II evaluation criteria.

PHASE II TOTAL TECHNICAL SCORE: (The point value earned on each criterion is multiplied by that criterion's weight, and then the sum of all those weighted scores is the Phase II score for the candidate.)						

Based upon the Phase II Total Technical Score earned, does the vendor's proposal proceed to the Phase III evaluation? (Candidate's Phase II Total Technical Score must be at least 322 points.)

Yes _____

No _____

(If "No," this candidate is disqualified from any further consideration for this project.)

PHASE III Cost Proposal Consideration

Does the vendor's proposed price exceed the maximum price ODJFS has set for this work in Section VII. of the RLB?

No _____

Yes _____

(If "YES," this candidate is disqualified from any further consideration for this project.)

Rank of this percentage of discount among qualifying vendors is : _____

Price offered is BELOW the stated acceptable price range: add 50 points _____

Lowest within stated range: add 40 points* _____

Second Lowest - add 30 points* _____

Third Lowest - add 20 points* _____

Fourth Lowest - add 10 points* _____

Fifth Lowest - add 5 points* _____

* - Must be at least 5% below the stated maximum acceptable price to qualify for ANY added points

Only individual candidates earning at least 322 points in Phase II scoring will advance to Phase III review. Pricing will then be considered for those candidates by ranking the vendor's hourly price offered for their candidate's services and comparing it to the state price range anticipated by ODJFS for the work. This is considered the Phase III total score. When appropriate, Phase III points will be added to the Phase II score, resulting in the total final score for each technically qualified vendor/candidate. The candidate available to ODJFS that earns the highest total score will be recommended for selection for the work.

Caveats:

- For those projects for which ODJFS seeks multiple candidates, if one vendor earning the highest total score could offer all candidates needed for this work, ODJFS may, at its sole discretion for any administrative reasons, offer portions of the work to more than one vendor. However, if selections of multiple vendors' candidates are made, the candidates will be the successively highest scoring individuals.

- In scoring vendor bids, ODJFS reserves the right to waive minor defects, errors, or omissions in a vendor's submissions if those items do not unreasonably obscure the meaning of the information in the bids. ODJFS further reserves the right to contact vendors to request clarification of any information or materials in the bid packet. Any such communication initiated by ODJFS is not considered a violation of the Communication Prohibition Section of this RLB (Section XIV.).

-----------	----------------------------	--------

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

For federal tax purposes you are considered a person if you are:

- An individual who is a citizen or resident of the United States,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, or

- Any estate (other than a foreign estate) or trust. See Regulations sections 301.7701-6(a) and 7(a) for additional information.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien.

Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.

4. The type and amount of income that qualifies for the exemption from tax.

5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments (after December 31, 2002). This is called "backup withholding." Payments that may be subject to backup withholding include interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester, or
2. You do not certify your TIN when required (see the Part II instructions on page 4 for details), or
3. The IRS tells the requester that you furnished an incorrect TIN, or
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

If you are an individual, you must generally enter the name shown on your social security card. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

Exempt payees. Backup withholding is not required on any payments made to the following payees:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),

Barter exchange transactions and patronage dividends	Exempt recipients 1 through 5
Payments over \$600 required to be reported and direct sales over \$5,000 ¹	Generally, exempt recipients 1 through 7 ²

¹See Form 1099-MISC, Miscellaneous Income, and its instructions.

² However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees; and payments for services paid by a Federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-owner LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter your SSN (or EIN, if you have one). If the LLC is a corporation, partnership, etc., enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.socialsecurity.gov/online/ss-5.pdf. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses/ and clicking on Employer ID Numbers under Related Topics. You can get Forms W-7 and SS-4 from the IRS by visiting www.irs.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Writing "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt recipients, see *Exempt From Backup Withholding* on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.
