1. Introduction

The Ohio Department of Health (ODH) is seeking proposals from qualified individuals, agencies or organizations to answer the Smoke Free Workplace Law Enforcement Line. Calls from throughout the state must be answered 24 hours per day and the information collected entered directly into a web based application that will automatically assign the call to the appropriate enforcement jurisdiction for investigation. If a suitable offer is made in response to the RFP, ODH may enter into a contract (the Contract) to have the selected Bidder perform all or part of the Project (the Work). This RFP provides details on what is required to submit a proposal for the Work, how ODH will evaluate the proposals, and what will be required of the Bidder in performing the Work.

2. Project Background

The Ohio Smoke Free Workplace Law was enacted December 7, 2006. Chapter 3794 of the Ohio revised Code prohibits all forms of tobacco smoke in all public places and places of employment and in areas immediately adjacent to the ingress or egress of the public place or place of employment. Reports of violations of the provisions of the Code may be submitted to the department by any member of the public by mail, electronic mail, or telephone. While the program receives some reports by mail and e-mail, the majority of reports are received by phone. Since the inception of the law ODH has received more than 50,000 reports and currently received approximately 150 reports per week.

3. Contract Award, Negotiations and Duration

Contingent upon the availability of funds and approval by the Director of Health, one (1) contract will be awarded. The resultant contract shall be in effect from approximately August 15, 2013 through June 30, 2015. This contract will allow ODH to extend the contract or enter into an additional two-year contract under the same or similar terms and conditions.

State contracts may not extend beyond a biennium. The term of any resultant services may extend beyond the current biennium. The contract will terminate on the last day of the current biennium subject to contract terms reserving the right to ODH to extend or enter into a contract for an additional time period under the same or similar terms. The operating biennium expires June 30th of each odd-numbered calendar year.

The successful Bidder will be required to contract with ODH to perform the work and deliver the deliverables as set forth in a contract substantially similar to the sample in Attachment A. 6. Proposal Format

All Bidders shall submit a proposal directly responsive to the terms and conditions of this RFP. If a Bidder chooses to submit an alternative proposal, they must, at the same time, submit a proposal directly responsive hereto for any alternate to even be considered. Such alternate proposal shall clearly identify why the acceptance of the proposal would be advantageous to ODH. Any deviations from the terms and conditions of the solicitation, as well as the comparative advantage to ODH shall be clearly identified and explicitly defined. ODH reserves the right to amend the solicitation to allow all offerors an opportunity to submit revised proposals based on the revised requirements. Proposals shall be submitted with an original with three copies and an electronic version in Microsoft Word. Proposals shall contain the sections listed below separated by tabbed and labeled dividers.

6.1 Addenda to the RFP.

- 6.1.1 If ODH decides to revise this RFP before the Proposal due date, addenda will be announced on the Ohio Gateway Web site. When an addendum to this RFP is necessary, ODH may extend the Proposal due date through an announcement on the Ohio Gateway Web site. Addendum announcements may be provided any time before 5:00 p.m. on the day before the proposal is due. It is the responsibility of each prospective Bidder to check for announcements and other current information regarding the RFP.
- 6.1.2 After the submission of Proposals, addenda will be distributed only to those bidders whose submissions are under active consideration. When ODH makes an addendum to the RFP after Proposals have been submitted, ODH will permit bidders to withdraw their proposals. This withdrawal option will allow any Bidder to remove its proposal from active consideration should the Bidder feel that the addendum changes the nature of the transaction so much that the Bidder' proposal is no longer in its interests. Alternatively, ODH may allow bidders that have proposals under active consideration to modify their proposals in response to the addendum.
- 6.1.3 If, however, ODH makes an addendum after the Proposal Due Date, ODH will tell all bidders whose proposals are under active consideration whether they have the option to modify their proposals in response to the addendum. Any time ODH amends the RFP after the Proposal Due Date, a Bidder will have the option to withdraw its proposal even if ODH permits modifications to the proposals. If the bidders are allowed to modify their proposals, ODH may limit the nature and scope of the modifications. Unless otherwise stated in ODH's notice, modifications and withdrawals must be made in writing and must be submitted within 10 business days after the addendum is issued. If this RFP provides for a negotiation phase, this procedure will not apply

to changes negotiated during that phase. Withdrawals and modifications must be made in writing and submitted to ODH at the address and in the same manner required for the submission of the original proposals. Any modification that is broader in scope than ODH has authorized may be rejected and treated as a withdrawal of the Bidder's proposal.

7.1 Initial Review:

The ODH procurement representative will review all proposals for their compliance with format requirements and completeness. The procurement representative normally rejects any incomplete

or incorrectly formatted proposal, although he or she may waive any defects or allow a Bidder to submit a correction. Any proposal that is not received by the due date will not be evaluated.

7.2 Committee Review of the Proposals:

The evaluation committee will evaluate each proposal that the procurement representative has determined is timely, complete and properly formatted. The evaluation will be according to the criteria contained in the RFP.

7.3 Proposal Evaluation Criteria:

In the proposal evaluation phase, the evaluation committee will rate the proposal submitted in response to the RFP based on the following criteria and weight assigned to each criterion. If the Bidder meets the mandatory requirements in section 7.4, Mandatory Requirements, the Bidder's proposal will be included in the next part of the evaluation, i.e., Technical Criterion.

Any proposal that does not meet the mandatory requirements of the RFP will not be considered. All other proposals will be evaluated and scored according to the requirements of the evaluation criteria outlined below. In order to be considered for the project, each proposal must receive at least 60% of the total points available under the technical scoring component. Total technical points available are 500.

Each proposal that meets the 60% or better standard will be evaluated based on price. The proposal that is considered the best value or most advantageous to the State/ODH will be considered further for the award.

In the best-value approach, weighted technical evaluation factors are applied to rate proposals along with cost. Award is made to the Bidder whose proposal represents the best value to the State/ODH.

7.4 Mandatory Requirements

The Bidder has experience or knowledge of

- Capability to answer the phone using live attendants.
- The technological capability to allow for direct entering of information from calls into a web based application provided by ODH.
- Sufficient backup systems capacity to capture information that can be transferred to ODH in the event that the ODH application is temporarily incapacitated.
- The ability to respond in a timely fashion to instructions for procedural change.

Yes or No

Evaluation Committee must document how the successful Bidder meets or does not meet the mandatory requirement.

7.5 The scale below (0 – 5) will be used to rate each proposal on the technical criteria.

Does Not Meet (0) – Proposal does not comply with the requirements. Document shortfall or what is missing in the response.

Weak (1) – Response does not substantially meet the requirements. Document shortfalls or what is missing in the response.

Moderate (2) – Proposal meets most of the requirements, however, is weak in some areas. Document the weakness/what is missing. Also, document what is good.

Meets (3) – Proposal generally meets the requirements. Document how proposal meets requirements.

Strong (4) – Proposal exceeds requirement. Document how response exceeds the requirements.

Greatly Exceeds (5) – Proposal significantly exceeds requirements Document how response greatly exceeds the requirements.

Technical Requirements, Evaluation and Scoring: Each Proposal will be scored and numerical technical point values will be assigned according to the criteria listed.

TECHNICAL CRITERION	Weight	Rating (0-5)	Technical Score
Past performance /experience in meeting the requirements of section 4.1 above which includes mandatory and preferred qualification.	35		
Personnel requirements -Staffing Plan -Personnel Profile Summaries	15		
Proposed activities to meet program requirements	50		
Total Weight	100		
Total Technical Score		Max 500	

The Technical Score is determined by multiplying the Weight by the Rating. The Total Technical Score is obtained by adding each of the individual Technical Scores.

The cost proposal will be ranked by the selection committee. Three hundred (300) points will be awarded to the bid with the lowest acceptable total price per candidate. Points for other bids will be awarded using the following formula:

$$Z = \frac{X \times 300}{N}$$

X = lowest total price per candidate bid by any potential Bidder being scored

N = total price per candidate bid by the potential Bidder being scored

Z = assigned points for cost proposal of potential Bidder being scored

Total Technical Score	
Bid amount supported and best price	
Total score	

The preference designated in the Buy Ohio Guidelines as codified in Ohio Administrative Code section 123:5-1-06 will apply to the evaluation of proposals under this RFP.

Based on the evaluation committee's evaluation of the proposals and cost, a recommendation of selection will be sent to the Director of the Ohio Department of Health. The Director will make a selection and his decision is final.

7.6 Clarifications & Corrections.

During the evaluation process, ODH may request clarifications from any potential Bidder under active consideration and may give any Bidder the opportunity to correct defects in its Proposal if ODH believes doing so does not result in an unfair advantage for the Bidder and it is in ODH's best interests. Any clarification response that is broader in scope than what ODH has requested may result in the Bidder's proposal being disqualified.

2.03.05 Subject to the provisions of R.C. 126.07 and R.C. 131.33, which shall at all times govern this Contract, **ODH** represents that it intends to maintain this Contract for the full Contract Period set forth in this Contract and has no reason to believe that it will not have sufficient funds to enable it to make all payments due. **ODH** further represents that it will use best efforts to obtain the appropriation of any necessary funds during the Contract Period.

2.03.06 CONTRACTOR understands and agrees that the availability of necessary funds for this Contract is contingent on appropriations made by the Ohio General Assembly and, if applicable, and not solely funded by the Ohio General Assembly, another Contract Funding Source. If the Ohio General Assembly or other Contract Funding Source fails at any time to continue funding **ODH** for the Compensation specified in this Contract, this Contract is terminated as of the date funding expires without further obligation of **ODH**, State of Ohio, or any other Contract Funding Source.

2.03.07 ODH will not compensate **CONTRACTOR** for any work performed prior to receipt of written notification from the **ODH** Contract Manager that the requirements of R.C. 126.07 and, if applicable, R.C. 127.16 have been met. **ODH** will not compensate **CONTRACTOR** for any work performed after the Contract Ending Date, or Extended Contract Ending Date, as applicable.

2.03.08 Invoices. **CONTRACTOR** shall invoice **ODH** in accordance with Section 1.06, or Attachment 1.06, if applicable, for work or services **CONTRACTOR** provides. An itemized statement listing the services provided, the dates services were provided, and the amount of payment due shall accompany the invoice. Invoices shall be sent to **ODH**, ATTN: Accounts Payable, P.O. Box 118, Columbus, Ohio 43216-0118. **ODH** will reimburse **CONTRACTOR** within forty-five (45) days of receipt of a valid invoice for the amount of payment due. **ODH** shall return any invalid or incomplete invoice to **CONTRACTOR**

within fifteen (15) days after **ODH** receives the invoice. An explanation will accompany the invoice that states the reason for return and any information needed to correct the invoice. Final invoices for services provided under this Contract shall be submitted by **CONTRACTOR** no later than thirty (30) days after the end of the Contract Period.

2.03.09 CONTRACTOR shall furnish its own support staff and services as necessary for the satisfactory performance of this Contract. Unless otherwise specified in this Contract, **ODH** will not provide any staff, services, or material to **CONTRACTOR** for the purpose of assisting **CONTRACTOR**'s performance.

2.03.10 ODH may, from time to time as it deems appropriate, communicate specific instructions and requests to **CONTRACTOR** concerning the performance of the work described in this Contract. Upon such notice and within ten (10) days after receipt of instructions, **CONTRACTOR** shall comply with such instructions and fulfill such requests to the satisfaction of **ODH**. It is expressly understood by the Parties that these instructions and requests are for the sole purpose of ensuring satisfactory completion of the work described in this Contract and are not intended to amend or alter this Contract or any part thereof. The Contract Manager will communicate all such instructions and requests to **CONTRACTOR**.

2.03.11 ATTACHMENTS specified in section **1.05** of this Contract are made a part of, and are incorporated as terms and conditions of this Contract. In the event of a conflict of terms, the terms of the specified **ATTACHMENT** to this Contract shall take precedence over any conflicting terms appearing in this Contract.

2.04 Time of Performance.

2.04.01 Contract Period; Extension or Renewal. Upon approval by the Director of **ODH** and, if required, the Controlling Board, this Contract shall be effective on the "Contract Beginning Date" specified in section **1.02** of this Contract and will remain effective until the "Contract Ending Date" specified in that section, unless this Contract allows the Contract period to be renewed or extended. In the event that section **1.02** of this Contract specifies that this Contract may be renewed or extended after the State of Ohio biennium ending on June 30th of each year ending in an odd number, e.g. June 30, 2013, then this Contract will terminate on the last day of that biennium. At that time, **ODH** may unilaterally renew or extend the Contract termination date to the "Extended Contract Ending Date" specified in section **1.02**, if one is specified. If authorized by section **1.02** and if **ATTACHMENT 2.04.01** is included in this Contract, **CONTRACTOR** may request that **ODH** consider the extension or renewal of this Contract by sending **ODH** the "Notice of Intent to Renew and **ODH** Acceptance of Contract Renewal" in accordance with the terms of that **ATTACHMENT**.

2.04.02 Pursuant to R.C. 126.07, this Contract is not valid nor enforceable in any fiscal year unless the director of budget and management first certifies that there is a balance in the appropriation not already obligated to pay existing obligations, in an amount at least equal to the current fiscal year funding specified for each fiscal year that comprises the "Total Contract Amount. **CONTRACTOR** shall not perform nor charge **ODH** for any work performed by **CONTRACTOR** in the time period prior to receiving written notification from the Contract Manager that the requirements of R.C. 126.07 and, if applicable, R.C. 127.16 have been met. **CONTRACTOR** shall neither perform work nor submit an invoice for payment for any Contract performance after the Contract Ending Date, or if the Contract is extended, the Extended Contract Ending Date.

2.05 Independent Contractor. No agency, employment, joint venture or partnership has been or will be created between the Parties hereto pursuant to the terms and conditions of this Contract. Inasmuch as **ODH** is interested in **CONTRACTOR**'s end product, **ODH** does not control the manner in which **CONTRACTOR** performs this Contract. **ODH** is not liable for the workers' compensation or unemployment compensation

payments required by Chapters 4123 and 4141 of the Ohio Revised Code (R.C.), respectively. In addition, **CONTRACTOR** assumes responsibility for tax liabilities that result from compensation paid to **CONTRACTOR** by **ODH**. **ODH** will report any payment made under this Contract to the Internal Revenue Service on Form 1099. Additionally, no provision contained in this Contract shall be construed as entitling **CONTRACTOR** to participate in hospital plans, medical plans, sick leave benefits, vacation, and other benefits available to employees of **ODH** or to become a member of the Public Employees Retirement System (R.C. Chapter 145.)

2.06 Conflict of Interest and Ethics Laws.

2.06.01 Neither **CONTRACTOR** nor any officer, member or employee of **CONTRACTOR** shall, prior to the completion of such work and payment for such work, acquire any interest, personal or otherwise, direct or indirect, which is incompatible or in conflict with or would compromise in any manner or degree with the discharge and fulfillment of his or her functions and responsibilities with respect to the carrying out of such work.

2.06.02 **CONTRACTOR** hereby covenants that **CONTRACTOR**, and any officer, member, or employee of **CONTRACTOR**, have no interest, personal or otherwise, direct or indirect, which is incompatible or in conflict with or would compromise in any manner or degree with the discharge and fulfillment of his or her functions and responsibilities under this Contract.

2.06.03 **CONTRACTOR** shall not promise or give to any **ODH** employee anything of value that is of such a character as to manifest a substantial and improper influence upon the employee with respect to his or her duties. **CONTRACTOR** shall not solicit an **ODH** employee to violate any **ODH** rule or policy relating to the conduct of contracting Parties or to violate R.C. 102.03 to 102.04 or R.C. 2921.42.

2.06.04 **CONTRACTOR** hereby covenants that **CONTRACTOR** and any officer, member or employee of **CONTRACTOR** are in compliance with section R.C. 102.04 and that if **CONTRACTOR** is required to file a statement pursuant to R.C. 102.04(D)(2), such statement has been filed with the **ODH** General Counsel in addition to any other required filings.

2.06.05 **CONTRACTOR** hereby certifies compliance with the executive agency lobbying requirements of R.C. 121.60 to 121.69.

2.06.06 **CONTRACTOR** hereby certifies and affirms that, as applicable to **CONTRACTOR**, no party listed in Division (I) or (J) of R.C. 3517.13 or spouse of such party has made, as an individual, within the two previous calendar years, one or more contributions in excess of \$1,000.00 to the Governor or to his campaign committees. If it is determined that **CONTRACTOR's** certification of this requirement is false or misleading, notwithstanding any criminal or civil liabilities imposed by law, **CONTRACTOR** shall return to **ODH** all monies paid to **CONTRACTOR** under this Contract. The provisions of this section shall survive the expiration or termination of this Contract.

2.07 Nondiscrimination and Equal Employment Opportunity.

2.07.01 In carrying out this Contract, **CONTRACTOR** shall comply with all applicable State of Ohio and Federal laws relating to nondiscrimination as those laws may be amended from time to time, including but not limited to the following:

2.07.02 CONTRACTOR hereby certifies that **CONTRACTOR** has a written affirmative action program for the employment and effective utilization of economically disadvantaged persons and shall file a description of the affirmative action program and a progress report on its implementation with the Equal Employment Opportunity Office of the Ohio Department of Administrative Services. **CONTRACTOR** shall incorporate the foregoing State of Ohio and Federal laws relating to nondiscrimination in all of its contracts for performance of any of the work prescribed in this contract, and shall require all of its subcontractors to incorporate these requirements in all subcontracts for such work.

2.08 “Sweatshop Free” Certification. **CONTRACTOR** hereby certifies that all facilities used for the production of supplies or performance of services offered in this Contract is in compliance with applicable domestic labor, employment, health and safety, environmental and building laws. This certification applies to any and all suppliers and/or subcontractors used by **CONTRACTOR** in furnishing the supplies or services pursuant to this Contract. 2.09 Records, Documents and Information. All records, documents, writings or other information produced or used by **CONTRACTOR** in the performance of this Contract shall be treated according to the following terms:

2.09.01 All **ODH** information which, under the laws of the State of Ohio, is classified as public or private will be treated as such by **CONTRACTOR**. Where there is a question as to whether information is public or private, **ODH** shall make the final determination. **CONTRACTOR** shall not use any information, systems, or records made available to it for any purpose other than to fulfill the contractual duties specified herein. **CONTRACTOR** agrees to be bound by the same standards of confidentiality that apply to the employees of **ODH** and the State of Ohio. The terms of this section shall be included in any subcontracts executed by **CONTRACTOR** for work under this Contract.

2.09.02 All proprietary information of **CONTRACTOR** shall be held to be strictly confidential by **ODH**. Proprietary information is information which, if made public, would put **CONTRACTOR** at a disadvantage in the market place and trade of which **CONTRACTOR** is a part. **CONTRACTOR** is responsible for notifying **ODH** of the nature of the information prior to its release to **ODH**. **ODH** reserves the right to

require reasonable evidence of **CONTRACTOR**'s assertion of the proprietary nature of any information to be provided.

2.09.03 All records relating to costs, work performed and supporting documentation for invoices submitted to **ODH** by **CONTRACTOR** shall be retained and made available by **CONTRACTOR** for audit by the State of Ohio (including, but not limited to, **ODH**, the Auditor of the State of Ohio, the Ohio Inspector General or duly authorized law enforcement officials) and agencies of the United States government for a minimum of three years after payment for work performed under this Contract. If an audit, litigation, or other action is initiated during this time period, **CONTRACTOR** shall retain such records until the action is concluded and all issues resolved or the three years end, whichever is later.

2.10 Disclosure of Personal Health Information. **CONTRACTOR** hereby agrees that the information provided or made available by **ODH** shall not be used or disclosed other than as permitted or required by this Contract or as required by law. **CONTRACTOR** will establish and maintain appropriate safeguards to prevent any use or disclosure of the information, other than as provided for by this Contract. **CONTRACTOR** shall comply with 45 C.F.R.164.504(e)(2)(ii). **CONTRACTOR** shall immediately report to **ODH** any discovery of use or disclosure of information not provided for or allowed by the Contract. **CONTRACTOR** hereby agrees that anytime information is provided or made available to any subcontractor or agent, **CONTRACTOR** must enter into a subcontract with the subcontractor or agent that contains the same terms, conditions, and restrictions on the use and disclosure of information as contained in this Contract. **CONTRACTOR** must obtain **ODH** approval prior to entering into such agreements. In the event of suspension or termination under this Contract, **CONTRACTOR** shall be entitled to compensation, upon submission of a proper invoice, for the work performed prior to receipt of notice of termination or suspension, which shall be calculated by **ODH** based on the compensation rate set forth in **section 2.03.01**, less any funds previously paid by or on behalf of **ODH**. In the case of services for which **CONTRACTOR**'s compensation is based upon a fixed fee per deliverable, compensation shall be based on a reasonable percentage of the total

services performed, as determined by **ODH**, less any funds previously paid by or on behalf of **ODH**. **ODH** shall not be liable for any further claims, and the claims submitted by **CONTRACTOR** shall not exceed the total amount of compensation allowed by this Contract.

2.12 Breach or Default.

2.12.01 Upon breach or default by **CONTRACTOR** of any of the provisions, obligations or duties provided for in this Contract, **ODH** may exercise all administrative, contractual, equitable or legal remedies available, without limitation. The waiver of any occurrence of breach or default is not a waiver of subsequent occurrences, and **ODH** retains the right to exercise all remedies provided for in this Contract.

2.12.02 If **ODH** or **CONTRACTOR** fail to perform an obligation or obligations under this Contract and thereafter such failure is waived by the other party; such waiver shall be limited to the particular failure so waived and shall not be deemed to waive other failures hereunder. Waiver by **ODH** shall not be effective unless it is in writing and signed by the Director of Health or his or her designee, except that Contract Manager may agree in writing to non-substantial changes to section **1.06**, such as changes in form, format, deadlines, or other minimal changes that do not diminish the value of the specified work or deliverable.

2.12.03 A breach or default based upon **CONTRACTOR**'s failure to comply with section **2.13 Offshore Outsourcing** is subject to that section with regard to Contract termination, sanctions, and damages.

2.13 Offshore Outsourcing and Executive Order 2011-12K. **CONTRACTOR** affirms to have read and understands Executive Order 2011-12K "Governing the Expenditure of Public Funds for Offshore Services" (see **ATTACHMENT 2.13**) and shall abide by those requirements in the performance of this Contract, and shall perform no services required under this Contract outside of the United States. **CONTRACTOR** also affirms, understands, and agrees to immediately notify **ODH** of any change or shift in the location(s) of services performed by **CONTRACTOR** or its subcontractors under this Contract, and no services shall be changed or shifted to a location(s) that is outside of the United States.

2.13.01 Termination, Sanction, Damages. If **CONTRACTOR** or any of its subcontractors perform services under this Contract outside of the United States, the performance of such services shall be treated as a material breach of the Contract. **ODH** is not obligated to pay and shall not pay for such services. If **CONTRACTOR** or any of its subcontractors perform any such services, **CONTRACTOR** shall immediately return to **ODH** all funds paid for those services. **ODH** may also recover from **CONTRACTOR** all costs associated with any corrective action **ODH** may undertake, including but not limited to an audit or a risk analysis, as a result of **CONTRACTOR** performing services outside the United States.

2.13.011 **ODH** may, at any time after the breach, terminate the Contract, upon written notice to **CONTRACTOR**. **ODH** may recover all accounting, administrative, legal and other expenses reasonably necessary for the preparation of the termination of the Contract and costs associated with the acquisition of substitute services from a third party.

2.13.012 If **ODH** determines that actual and direct damages are uncertain or difficult to ascertain, **ODH** in its sole discretion may recover a payment of liquidated damages in the amount of 1% of the value of the Contract.

2.13.013 **ODH**, in its sole discretion, may provide written notice to **CONTRACTOR** of a breach and permit **CONTRACTOR** to cure the breach. Such cure period shall be no longer than fourteen (14) calendar days. During the cure period, **ODH** may buy substitute services from a third party and recover from **CONTRACTOR** any costs associated with acquiring those substitute services.

2.13.014 Notwithstanding the **ODH** permitting a period of time to cure the breach or **CONTRACTOR's** cure of the breach, **ODH** does not waive any of its rights and remedies provided **ODH** in this Contract, including but not limited to recovery of funds paid for services **CONTRACTOR** performed outside of the United States, costs associated with corrective action, or liquidated damages.

2.14 Assignment. **CONTRACTOR** will not assign any of its rights nor delegate any of its duties and responsibilities under this Contract without prior written consent of **ODH**. Any assignment or delegation not consented to may be deemed void by the **ODH**.

2.15 Drug Free Workplace. **CONTRACTOR** shall comply with all applicable state and federal rules, regulations and statutes pertaining to a drug free workplace. **CONTRACTOR** shall make a good faith effort to ensure that all employees of **CONTRACTOR** do not purchase, transfer, use or possess illegal drugs or alcohol or abuse prescription drugs in any way while working on state, county, or municipal property.

2.16 Good Standing.

2.16.01 CONTRACTOR affirmatively represents and warrants to **ODH** that it is not subject to a finding for recovery under R.C. 9.24 or that it has taken the appropriate remedial steps required under R.C. 9.24 or otherwise qualifies under that section. **CONTRACTOR** further affirmatively represents and warrants to **ODH** that it is not debarred or suspended from entering into state of Ohio contracts pursuant to R.C. 125.25 and is not subject to exclusion, disqualification or ineligibility as defined in 2 C.F.R.180.110. **CONTRACTOR** agrees that if this representation and warranty is deemed false, the Contract will be void *ab initio* as between the Parties to this Contract, and any funds paid by **ODH** hereunder shall be immediately repaid to **ODH**, or an action for recovery may be immediately commenced by **ODH** for the recovery of said funds.

2.16.02 CONTRACTOR certifies that **CONTRACTOR** is not federally debarred from participating in government contracts funded by federal money as described in 2 C.F.R. 180.220. If at any time during the contractual period **CONTRACTOR** is federally debarred from participating in government contracts funded by federal money, for whatever reason, **CONTRACTOR** shall immediately notify **ODH** of the debarment.

2.16.03 CONTRACTOR certifies that all approvals, licenses or other qualifications necessary to conduct business in Ohio have been obtained and are operative. If at any time during the contractual period **CONTRACTOR** becomes disqualified from conducting business in Ohio, for whatever reason, **CONTRACTOR** shall immediately notify **ODH** of the disqualification.

2.17 Amendments. This writing constitutes the entire agreement between the Parties with respect to all matters herein. This Contract may be amended only by a writing signed by both Parties. However, it is agreed by the Parties that any amendments to laws or regulations cited herein will result in the correlative modification of this Contract, without the necessity for executing written amendments. Any written amendments to this Contract shall be prospective in nature. When a new or different term or condition is added, additional consideration is not necessary to bind the Parties.

2.18 Limitation of Liability. **CONTRACTOR** holds **ODH** harmless from any and all liability, suits, losses, judgments, damages, or any other demands arising out of the actions or omissions of **CONTRACTOR** while performing this Contract. **ODH's** liability for damages, whether in contract or in tort, shall not exceed the Total Contract Amount or the amount of direct damages incurred by **CONTRACTOR**, whichever is less, and is the **CONTRACTOR's** sole and exclusive remedy for **ODH's** failure to perform its obligations under this Contract. In no event shall **ODH** be liable for any indirect or consequential damages, including loss of

profit, even if **ODH** knew or should have known of the possibility of such damages. Neither party is responsible to the other party for nonperformance or delay in performance of the terms of this Contract due to acts of God, wars, riots, strikes, or other causes beyond the control of the Parties.

2.19 Insurance. CONTRACTOR will provide, at its own expense, Workers' Compensation insurance, as required by Ohio law or the laws of any other state where work under this Contract will be done. **CONTRACTOR** will also provide for its employees performing work under this Contract employer's liability insurance, and personal injury, bodily injury, and property damage liability insurance, including automobile coverage, with personal injury and bodily injury coverage.

2.20 Rights in Deliverables, Data and Copyrights. The Deliverables provided by **CONTRACTOR** which includes any item produced under this Contract, including any documents, data, photographs and negatives, electronic reports, records, software, source code, or other media, shall become the property of ODH which shall have an unrestricted right to reproduce, distribute, modify, maintain, and use the Deliverables. **CONTRACTOR** shall not obtain copyright, patent, or other proprietary protection for the Deliverables. **CONTRACTOR** shall not include in any Deliverable any copyrighted matter, unless the copyright owner gives prior written approval to use such copyrighted matter.

2.21 Construction. This Contract is governed, construed and enforced in accordance with the laws of the State of Ohio. Further, the Ohio courts shall have jurisdiction over the subject matter and the Parties hereto in connection with disputes concerning validity and enforcement of this Contract. If any portion of this Contract is found to be unenforceable by operation of statute or by administrative or judicial decision, the enforceability of the balance of this Contract shall not be affected thereby, provided that the absence of the unenforceable provision does not render impossible the performance of the remainder of this Contract.

IN WITNESS WHEREOF, the Parties by signing below indicate their agreement to this Contract.

JOHN R. KASICH
GOVERNOR
STATE OF OHIO

Executive Order 2011-12K

Governing the Expenditure
of Public Funds for Offshore Services

WHEREAS, State of Ohio officials and employees must remain passionately focused on initiatives that will create and retain jobs in the United States in general and in Ohio in particular, and must do so especially during Ohio’s continuing efforts to recover from the recent recession.

WHEREAS, allowing public funds to pay for services provided offshore has the potential to undermine economic development objectives in Ohio.

WHEREAS, the expenditure of public funds for services provided offshore may deprive Ohioans and other Americans of critical employment opportunities and may also undermine efforts to attract businesses to Ohio and retain them in Ohio, initiatives in which this State has invested heavily.

NOW THEREFORE, I, John R. Kasich, Governor of the State of Ohio, by virtue of the authority vested in me by the Constitution and the laws of this State, do hereby order and direct that:

1. No State Cabinet Agency, Board or Commission (“Executive Agency”) shall enter into any contract which uses any public funds within its control to purchase services which will be provided outside the United States. This Executive Order applies to all purchases of services made directly by an Executive Agency and services provided by subcontractors of those providing services purchased by an Executive Agency.
2. This Executive Order will be personally provided, by the Director, Chair or other chief executive official of each Executive Agency, to the Chief Procurement Officer or other individual at that entity responsible for contracts for services.
3. The Department of Administrative Services, through Ohio’s Chief Procurement Officer, shall have in place, by July 1, 2011, procedures to ensure all of the following:
 - a. All agency procurements officers (APOs), or the person with equivalent duties at each Executive Agency, have standard language in all Executive Agency contracts which:

 - 2. Disclose the location(s) where all services will be performed by any contractor or subcontractor.
 - 3. Disclose the locations(s) where any state data associated with any of the services they are providing, or seek to provide, will be accessed, tested, maintained, backed-up or stored.
 - 4. Disclose any shift in the location of any services being provided by the contractor or any subcontractor.
 - 5. Disclose the principal location of business for the contractor and all subcontractors who are supplying services to the state under the proposed contracts.
 - b. All APOs confirm that all quotations, statements of work, and other such proposals for services affirm this Order's prohibition on the purchase of offshore services and include all of this Order's disclosure requirements.
 - i. Any such proposal for services lacking the affirmation and disclosure requirements of this Order will not be considered.
 - ii. Any such proposal where the performance of services is proposed to be provided at a location outside the United States by the contractor or any subcontractor will not be considered.
 - c. All procurement manuals, directive, policies, and procedures reflect the requirements of this Order.
 - d. All APOs have adequate training which addresses the terms of this Order.

- a. Services necessary to support the efforts of the Department of Development to attract jobs and business to the state of Ohio;
 - b. Academic, instructional, educational, research or other services necessary to support the international missions of Ohio's public colleges and universities; or

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. citizen or other U.S. person (defined below).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. See the instructions on page 4.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

- The U.S. grantor or other owner of a grantor trust and not the trust, and
- The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a “saving clause.” Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called “backup withholding.” Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Also see *Special rules for partnerships* on page 1.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Name

If you are an individual, you must generally enter the name shown on your income tax return. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Sole proprietor. Enter your individual name as shown on your income tax return on the “Name” line. You may enter your business, trade, or “doing business as (DBA)” name on the “Business name” line.

Limited liability company (LLC). Check the “Limited liability company” box only and enter the appropriate code for the tax classification (“D” for disregarded entity, “C” for corporation, “P” for partnership) in the space provided.

For a single-member LLC (including a foreign LLC with a domestic owner) that is disregarded as an entity separate from its owner under Regulations section 301.7701-3, enter the owner’s name on the “Name” line. Enter the LLC’s name on the “Business name” line.

For an LLC classified as a partnership or a corporation, enter the LLC’s name on the “Name” line and any business, trade, or DBA name on the “Business name” line.

Other entities. Enter your business name as shown on required federal tax documents on the “Name” line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the “Business name” line.

Note. You are requested to check the appropriate box for your status (individual/sole proprietor, corporation, etc.).

Exempt Payee

If you are exempt from backup withholding, enter your name as described above and check the appropriate box for your status, then check the “Exempt payee” box in the line following the business name, sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

The following payees are exempt from backup withholding:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),
2. The United States or any of its agencies or instrumentalities,
3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,
4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or
5. An international organization or any of its agencies or instrumentalities.

Other payees that may be exempt from backup withholding include:

6. A corporation,
7. A foreign central bank of issue,
8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,
9. A futures commission merchant registered with the Commodity Futures Trading Commission,
10. A real estate investment trust,
11. An entity registered at all times during the tax year under the Investment Company Act of 1940,
12. A common trust fund operated by a bank under section 584(a),
13. A financial institution,
14. A middleman known in the investment community as a nominee or custodian, or
15. A trust exempt from tax under section 664 or described in section 4947.

The chart below shows types of payments that may be exempt from backup withholding. The chart applies to the exempt payees listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt payees except for 9
Broker transactions	Exempt payees 1 through 13. Also, a person registered under the Investment Advisers Act of 1940 who regularly acts as a broker
Barter exchange transactions and patronage dividends	Exempt payees 1 through 5
Payments over \$600 required to be reported and direct sales over \$5,000 ¹	Generally, exempt payees 1 through 7

¹ See Form 1099-MISC, Miscellaneous Income, and its instructions.

² However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, and payments for services paid by a federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting www.irs.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt payees, see *Exempt Payee* on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, social security number (SSN), or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

Call the IRS at 1-800-829-1040 if you think your identity has been used inappropriately for tax purposes.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS personal property to the Treasury Inspector General for Tax Administration at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.consumer.gov/idtheft or 1-877-IDTHEFT(438-4338).

Visit the IRS website at www.irs.gov to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons who must file information returns with the IRS to report interest, dividends, and certain other income paid to you, mortgage interest you paid, the acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA, or Archer MSA or HSA. The IRS uses the numbers for identification purposes and to help verify the accuracy of your tax return. The IRS may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, the District of Columbia, and U.S. possessions to carry out their tax laws. We may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

You must provide your TIN whether or not you are required to file a tax return. Payers must generally withhold 28% of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to a payer. Certain penalties may also apply.

Guidance regarding the completion of Attachment A-6, the Ohio Department of Health's Contractor Federal Funding Accountability and Transparency Act (FFATA) Reporting Form.

The Ohio Department of Health (ODH) is required to report all contracts of federal funds that are greater than \$25,000. Contractors are subject to this requirement and these organizations are required to report certain information describing the agency and (under certain circumstances) the compensation of the five highest compensated officials. Attachment B is designed to capture this information to allow ODH to comply with FFATA reporting requirements. This information will be made available to the public via <http://www.usaspending.gov/>

Below please find the instructions for completing Attachment A-6.
