Through the indicated inquiry closure date, Bidders may visit the Procurement Services website to post Bid related questions at <www.ohio.gov/procure>. Answers to all Bidder questions will be posted on the Procurement Services website and linked to the Bid Number. Bidders can make their own inquiry and/or review all inquiry questions/responses from the same website page from which the Bid document is downloaded. The State will make every effort to respond to website inquiries within forty-eight (48) hours of receipt. The State will not respond to any verbal or written questions received through any other medium. No prospective Bidder shall respond to any verbal instructions or changes to this Bid. Only Bid communications, issued by the Department of Administrative Services, Office of Procurement Services, in a public, published format, will be considered valid.

MANDATORY/REQUIRED SUBMISSIONS: As specified, mandatory submissions must be submitted with the Bid Response. Required documentation/materials should be submitted with the Bid. If not submitted with the Bid, the Bidder must provide the said documentation/materials within three (3) business days, after notification, to the Office of Procurement Services. Failure to provide mandatory submissions with the Bid Response or failure to provide the required documentation/materials, as applicable, within the stated time period will result in the Bidder being deemed as not responsive and the Bid Response will be immediately disqualified with no further consideration given for potential awarding of the Contract.

DELIVERY AND ACCEPTANCE: Supplies will be delivered to the participating agency within thirty (30) days after receipt of order and, in accordance with paragraphs S-8, S-9, and S-10 of the SUPPLEMENTAL CONTRACT TERMS AND CONDITIONS. The delivery location will be noted on the purchase order issued by the participating agency. Unless otherwise provided in the Contract, acceptance shall be conclusive except as regards to latent defects, fraud, or such gross mistakes as amount to fraud.

DESCRIPTIVE LITERATURE: The Bidder may be required to submit descriptive literature of the supplies or services being offered. If requested, the literature will be used in the evaluation process to determine the lowest responsive and responsible Bidder. If not provided as part of the Bid Response, the Bidder must provide said literature within three (3) calendar days after request/notification by the Office of Procurement Services to do so. Any references, that may appear in the descriptive literature, that may alter the terms and conditions and specifications of the Bid (e.g. F.O.B. Shipping Point or Prices Subject to Change), will not be part of any Contract and will be disregarded by the state of Ohio. Failure of the Bidder to furnish descriptive literature either as part of their Bid Response or within the time specified herein will deem the Bidder not responsive.

EXCLUDED ITEMS: (For State Agencies Only) No products are to be purchased from this contract if they are available through another mandatory State contract or the agencies below. In accordance with the Ohio Revised Code Section 5147.07, 125.60 through 125.6012, 5119.16 and 3304.28 through 3304.33 state agencies are required to purchase through Ohio Penal Industries (OPI); Community Rehabilitation Programs (CRP); Department of Mental Health (DMH) Office of Support Services (Central Warehouse and Pharmacy Services); and Rehabilitation Services Commission (RSC), unless they have obtained a waiver from OPI, CRP, DMH Central Warehouse or Pharmacy Services, and/or RSC.

PRODUCT SAMPLES: The Bidder(s) may be required to submit samples of the supplies being offered. The samples will be used in the evaluation process to determine the lowest responsive and responsible Bidder. If not included as part of their Bid response, the Bidder will be required to provide the samples within three (3) days after notification. Failure to provide the samples within the stated time period will result in the Bidder being deemed not responsive. After award of the Contract, the samples will be used as a basis of comparison with actual product delivered under contract. Any variation between the samples and product being delivered will be considered as an event of default. Any variations between the samples and actual product being delivered that are due to manufacturer changes may be acceptable and shall require prior written approval from DAS.

CONTRACT AWARD: The Contract will be awarded to the lowest responsive and responsible Bidder by low lot total.

EVALUATION: Bids will be evaluated in accordance with Article I-17 of the "Instructions to Bidders". In addition, the State will calculate the cost by: adding all twenty (20) "Price List Unit Price by Quantity" dollar amounts. The State will then calculate the reduced price using the "Discount % Off Bidder's Price List" to arrive at the lowest Bid.

Example: Price List Unit Price by Quantity Total sum is \$500.00. Discount % Off Bidder's Price List is 10%. Calculation: \$500 times 0.9 equals \$450.00. The final cost to be used in the evaluation is \$450.00.

Bidder should bid all items. Failure to bid all items may deem the bid as non-responsive and no further consideration given. Bidder **must** submit an electronic price list on a CD with bid, containing no less than 4,000 items, including those listed herein, related to janitorial supplies. Failure to submit this price list will deem the bid as not responsive.

SPECIAL CONTRACT TERMS AND CONDITIONS

SPECIFIED MANUFACTURER: Equal consideration will be given for all and any alternative manufacturer Bid. If it is ascertained that the alternative meets or exceeds the specifications, low cost will govern the award.

USAGE REPORTS: Every twelve (12) months the Contractor must submit a report (written or on disk) indicating sales generated by this Contract. The report shall list usage by customer, by line item, showing the quantities/dollars generated by this Contract. The report shall be forwarded to the Office of Procurement Services, 4200 Surface Road, Columbus, OH 43228-1395, Attn: Geraldine Berry.

COOPERATIVE PURCHASING CONTRACT: This Contract may be relied upon by Ohio institutions of higher education and Ohio political subdivisions. Ohio political subdivisions include any county, township, municipal corporation, school district, conservancy district, township park district, park district created under Chapter 1545 of the Revised Code, regional transit authority, regional airport authority, regional water and sewer district, port authority or any other political subdivision as described in the Ohio Revised Code. To qualify to use this Contract the political subdivision must be currently enrolled in the State's Cooperative Purchasing Program. Purchases made from this Contract by a political subdivision that is not properly registered with the State's Cooperative Purchasing Program will be a violation of law and may be contrary to the political subdivision's competitive bidding requirements. If a political subdivision or institution of higher education relies upon this Contract to issue a purchase order or other ordering document, the political subdivision or institution of higher education "steps into the shoes" of the State under this Contract. The political division's or institution of higher education's order and this Contract are between the Contractor and the political subdivision or institution of higher education. The Contractor must look solely to the political subdivision or institution of higher education for performance, including payment. The Contractor agrees to hold the state of Ohio harmless with regard to political subdivisions and institution of higher education's orders and political subdivision's and institution of higher education's performance. DAS may cancel this Contract and may seek remedies if the Contractor fails to honor its obligations under an order from a political subdivision or institution of higher education.

CONTRACTOR QUARTERLY SALES REPORT: The Contractor must report the quarterly dollar value (in U.S. dollars and rounded to the nearest whole dollar) of the sales, to include both state agencies and political subdivisions, under this Contract by calendar quarter (e.g. January-March, April-June, July-September and October-December). The dollar value of the sale is the price paid by the Contract user for the products and/or services listed on the purchase order or other encumbering document, as recorded by the Contractor.

The Contractor will receive an email with a User ID and password and must report the quarterly dollar value of sales to the Department of Administrative Services (DAS) via the Internet using the web form at the Ohio DAS Contract Management Contractor Portal, <https://cm.ohio.gov/>. If no sales occur, the Contractor must show zero. The report must be submitted thirty (30) days following the completion of the reporting period.

The Contractor is responsible for emailing the Analyst listed on page one of the contract with any company contact changes. The Contractor shall also submit a close-out report within one hundred and twenty (120) days after the expiration of this Contract. The Contract expires upon the physical completion of the last outstanding task or delivery order of the Contract. The close-out report must cover all sales not shown in the final quarterly report and reconcile all errors and credits. If the Contractor reported all contract sales and reconciled all errors and credits on the final quarterly report, then the Contractor should show zero "0" sales in the close-out report.

The Contractor must forward the Quarterly Sales Report to the following address:

Department of Administrative Services
GSD Business Office
4200 Surface Road
Columbus, OH 43228

If the Contractor fails to submit sales reports, falsifies reports or fails to submit sales reports in a timely manner, DAS may suspend, terminate or cancel this Contract.

CONTRACTOR REVENUE SHARE: The Contractor must pay the Department of Administrative Services (DAS) a revenue share of the sales transacted under this Contract. The Contractor must remit the revenue share in U.S. dollars within thirty (30) days after the end of the quarterly sales reporting period. The revenue share equals 0.75% of the total quarterly sales reported. Contractors must include the revenue share in their prices. The revenue share is included in the award price(s) and reflected in the total amount charged to ordering agencies which includes both state agencies and political subdivisions using this Contract.

The Contractor must remit any monies due as the result of the close-out report at the time the close-out report is submitted to DAS. The Contractor must pay the revenue share amount due by check. To ensure the payment is credited properly, the Contractor must identify the check as a "Revenue Share" and include the Ohio Contract Management Remittance Report.

SPECIAL CONTRACT TERMS AND CONDITIONS

The Contractor should make the check payable to: Treasurer, State of Ohio and forward the check to the following address:

Department of Administrative Services
GSD Business Office
4200 Surface Road
Columbus, OH 43228

If the full amount of the revenue share is not paid within thirty (30) calendar days after the end of the applicable reporting period, the non-payment constitutes a contract debt to the State. The State may either initiate withholding or setting off payments or employ the remedies available under Ohio law for the non-payment of the revenue share.

If the Contractor fails to pay the revenue share in a timely manner, DAS may suspend, terminate or cancel this Contract.

SPECIAL CHARGES: There shall be no assessment, surcharge, small order charge, broken case charge, minimum order charge, single item charge nor any other unspecified additional charge allowed by the State that is not specifically mentioned in this Bid or in any Contract awarded pursuant to this Bid. The Contractor must provide merchandise/service in unit quantity(s) as indicated in the Bid/Bid Response/Contract.

MINIMUM ORDERS: The minimum order for FOB destination, freight prepaid is fifty dollars (\$ 50.00). Orders for supplies totaling less than fifty dollars (\$ 50.00) may be subject to a minimum order surcharge. The minimum order surcharge will be added to the contractor's invoice.

These specifications are for various types of janitorial supplies which will be used by various state agencies and cooperative entities. The quality of the supplies, their conformity with the specifications, their suitability to requirements, price of the materials shall be taken into consideration. Where equivalent supplies are offered, the State will determine if the proposed item is equal or better than that specified. Unless otherwise stated, the use of manufacturers name and product numbers are for descriptive purposes and establishing general quality levels only. It is not the State's intent to be restrictive. Bidders are required to state exactly what they intend to furnish, otherwise it is fully understood that they shall furnish all items as stated. The supplies shall be the best of their grade and types. The manufacturer brand and item number proposed as substitutes shall be submitted with the bid marked as "equivalent".

(For State Agencies Only) No products are to be purchased from this contract if they are available through another mandatory State contract or the agencies below. In accordance with the Ohio Revised Code Section 5147.07, 125.60 through 125.6012, 5119.16 and 3304.28 through 3304.33 state agencies are required to purchase through Ohio Penal Industries (OPI); Community Rehabilitation Programs (CRP); Department of Mental Health (DMH) Office of Support Services (Central Warehouse and Pharmacy Services); and Rehabilitation Services Commission (RSC), unless they have obtained a waiver from OPI, CRP, DMH Central Warehouse or Pharmacy Services, and/or RSC.

II. GENERAL REQUIREMENTS

- A. Supplies procured under this specification shall not deviate from those originally contracted without written approval from DAS Office of Procurement Services.
- B. Manufacturer's Name and Approved Equivalents: Unless otherwise specified, any manufacturer's names, trade names, brand names, information or price list numbers listed in a specification are descriptive, not restrictive. The Bidder may provide any product that meets or exceeds the applicable specifications. The Bidder shall demonstrate with its Bid comparability, including appropriate price list materials, literature, specifications, test data, etc. The state shall determine in its sole discretion whether a product is acceptable as an approved equivalent. For evaluation purposes only, any differentiation from items specified will be evaluated as equal in cost to the item specified. Bidding a higher cost because product exceeds specifications will not be considered in the evaluation.
- C. Discounts: The Bidder must specify on the price schedule pages if any discounts are offered off their current price list prices.
- D. Each Bidder must submit their current janitorial supplies related price list available to government entities. The price list must be on the Bidder's letterhead and not the manufacturer. The Bidder must submit their price list with its Bid **in electronic format on CD**. The price list must be in an Excel or searchable .pdf file on a CD and must consist of a complete list of all products and their costs, offered by the Bidder, and in effect on the date of the Bid opening. Any price lists received with less than 4,000 items pertaining to Janitorial Supplies, including those listed within this Bid, will not be evaluated. Additional products cannot be added at a later time. Pricing on Bid and in price list should be List Price prior to any discounts. Any Discounts offered should be noted at the top of page 1 of the price list.

Items must be consistent with the scope of this Contract. DAS reserves the right to reject any items in a price list not related to janitorial supplies. Food service products, clothing items and/or safety equipment other than needed for protection from hazardous cleaning products, hardware, etc. are not considered to be janitorial supplies and will be asked to be removed and reduce the number of items submitted with your price list. This may result in being disqualified for not submitting a price list with greater than 4,000 items.

Contractor may not add new products to their price list at any time unless it is to replace an item that is being removed and is comparable with the same functionalities as the item being replaced. Any changes to the price list for price changes and/or addition/deletion of product, shall be submitted to DAS for approval prior to it being used by any agency. The Contractor shall not charge prices different than what is offered, or products not offered in the current price list on record. Upon acceptance and approval by DAS, an amendment will be issued to notify all parties that a new price list is in effect. All price lists must be dated for reference purposes. New price lists may be submitted no more than twice annually. The Contractor will be responsible for noting any items desired to be added, deleted, or prices increased or decreased. This information shall be submitted in an Excel format that can be sorted and searched, unless otherwise agreed to by DAS.

The Contract prices will remain firm for the first six months. Price adjustments will only be effective on orders received after the price increase has been approved by DAS.

*Bidder must provide documentation upon request to support alternate meets or exceeds item shown. Low cost will govern the award. Bidder should Bid all items. Failure to Bid all items may result in the Bid being deemed not responsive.

**Any deviations from the Standard Case price stated will result in DAS calculating a unit cost to arrive at equivalent unit costs amongst all bids. An example would be if a Bidder would state a case is 15 rolls instead of the 12 stated. The case price would be divided by 15 and the total would be multiplied by 12 to make it equivalent to all Bids.

A COMPLETE ELECTRONIC (CD FORMAT, SEARCHABLE .PDF) PRICE LIST OF ALL ITEMS OFFERED BY YOUR COMPANY PERTAINING TO JANITORIAL SUPPLIES, INCLUDING THOSE ABOVE, MUST BE SUBMITTED WITH YOUR BID. FAILURE TO PROVIDE A CD OF YOUR PRICE LIST WILL DEEM YOUR BID AS NOT RESPONSIVE AND NO FURTHER CONSIDERATION WILL BE GIVEN. IN ADDITION, ANY BIDS WITH LESS THAN 4,000 JANITORIAL SUPPLY ITEMS WILL NOT BE CONSIDERED FOR EVALUATION. PRICE LIST WILL BE REVIEWED PRIOR TO AWARD.

LIST DISCOUNTS

1) Discount % Off Bidder's Price List _____% **THIS WILL BE USED IN THE BID EVALUATION**

EVALUATION: Bids will be evaluated in accordance with Article I-17 of the "Instructions to Bidders". In addition, the State will calculate the cost by: adding all twenty (20) "Price List Unit Price by Quantity" dollar amounts. The State will then calculate the reduced price using the "Discount % Off Bidder's Price List" to arrive at the lowest Bid.

Example: Price List Unit Price by Quantity Total sum is \$500.00. Discount % Off Bidder's Price List is 10%. Calculation: \$500 times 0.9 equals \$450.00. The final cost to be used in the evaluation is \$450.00.

Bidder should bid all items. Failure to bid all items may deem the bid as non-responsive and no further consideration given. Bidder **must** submit an electronic price list on a CD with bid, containing no less than 4,000 items, including those listed herein, related to janitorial supplies. Failure to submit this price list will deem the bid as not responsive.
