 - 3.1.1 Have current State of Ohio Psychology License with terminal degree (Ph.D/Psy.D).
 - 3.1.2 Offeror must have experience in the field of mental disabilities.

- 3.2 The provisions of the **Ohio Department of Developmental Disabilities Personal Service Contract** will become part of the final agreement between the successful offeror and the Center. Therefore, the evaluation process resulting in the final award of a contract rests with the Center and the Ohio Department of Developmental Disabilities. The Center and the Ohio Department of Developmental Disabilities reserve the right to determine that the award of a contract would not be in the best interest of the Center, the Ohio Department of Developmental Disabilities, or the State of Ohio. The Center and the Ohio Department of Developmental Disabilities reserve the right to accept or reject any and all bids, in whole or in part, and may determine that any irregularities or deviations from the specifications do not result in the bid being non-responsive, provided this does not affect the amount of the bid or result in a competitive advantage to the bidder.
- 3.3 By submitting a signed proposal for this service, the vendor affirms that, as applicable to the vendor, no party listed in Division (I) and (J) of Section 3517.13 of the Revised Code or spouse of such party has made, as an individual, within the two previous calendar years, one or more contributions totaling in excess of \$1,000.00 to the Governor or to his campaign committees.

Paragraph (E) requires that a State agency or political subdivision verify that the person to whom the State agency or political subdivision plans to award the contract does not appear in the database to be maintained by the Auditor of State. In the response review process, the fact that there is a finding for recovery as defined in Revised Code 9.24 may be considered in the scoring process, and a response rejected for this reason alone.
- 3.6 The contractor agrees that it is a separate and independent enterprise from the state and from the Gallipolis Developmental Center and that it has a full opportunity to find other business and has made an investment in its business. Moreover, the contractor will retain sole and absolute discretion in the judgment of the manner and means of carrying out the contractor's activities and responsibilities under the contract. The contract is not to be construed as creating any joint employment relationship between the contractor and the public agency or the state of Ohio.
- 3.7 Gallipolis Developmental Center reserves the right to reject, in whole or in part, any and all proposals where Gallipolis Developmental Center, taking into consideration factors including but not limited to, price and the results of the evaluation process, has determined that the award of a contract would not be in the best interests of Gallipolis Developmental Center or the State of Ohio.

- 4.1 Prior to entering into any contract to conduct business or provide funding, the state, any instrumentality of the state and any political subdivision of the state must obtain a DMA form pursuant to O.R.C. section 2909.33 (C), which states:

TIID STRICKLAND
GOVERNOR
STATE OF OHIO

Executive Order 2010-098

Banning the Expenditure of Public Funds for Offshore Services

1. Ohio's Economic Vitality Necessitates Constant Vigilance in State Job Creation Efforts. State officials and employees must at all times remain passionately focused on initiatives that will create and retain jobs in the United States in general and in Ohio, in particular, and must do so especially during Ohio's continuing efforts to recover from the recent global recession.
2. No Public Funds Should be Spent on Services Provided Offshore. Allowing public funds to pay for offshore services undermines economic development objectives and any such offshore services carry unacceptable quality and security risks.
 - a. The Purchase of Offshore Services with Public Funds Undermines Economic Development and Other Job Creation and Retention Objectives. The expenditure of public funds for services provided offshore deprives Ohioans and other Americans critical employment opportunities. It also undermines efforts to attract businesses to Ohio and retain them in Ohio, initiatives in which the State has invested heavily.
 - b. The Purchase of Offshore Services Has Unacceptable Business Consequences. The use of offshore service providers could pose unacceptable data security, and thus privacy and identity theft risks. There are pervasive service delivery problems with offshore providers, including dissatisfaction with the quality of their services and with the fact that services are being provided offshore. It is difficult and expensive to detect illegal activity and contract violations and to pursue legal recourse for poor performance or data security

violations. The State's use of offshore service providers ill-serves the people of Ohio who are the primary consumers of the services provided by the State.

3. **Ohio's Policy Has Been- and Must Continue To Be – That Public Funds Should Not Be Spent on Services Provided Offshore.** Throughout my Administration, procurement procedures have been in place that restrict the purchase of offshore services. Despite these requirements, federal stimulus funds were recently used to purchase services from a domestic company which ultimately provided some of those services offshore. This incident was unacceptable and has caused me, through this Order, to redouble my commitment to ensure that public funds are not expended for offshore services.
4. **Additional Steps Will Ensure that Public Funds Are Not Spent on Services Provided Offshore.** In order to ensure that the State of Ohio makes no expenditures for services provided offshore, I hereby order the following:
 - a. No Cabinet Agency, Board or Commission (Executive Agency) shall enter into any contract which uses any funds within its control to purchase services which will be provided outside the United States. This Order applies to all funds in the custody of an Executive Agency, be they from state, federal, philanthropic or private sources. It applies to all purchases of service made directly by an Executive Agency and services provided by sub-contractors of those providing services purchased by an Executive Agency.
 - b. This Executive Order will be personally provided, by the Director, Chair or other chief executive official of each Executive Agency, to the Chief Procurement Officer or other individual at that entity responsible for contracts for services.
 - c. The Department of Administrative Services, through Ohio's Chief Procurement Officer (OCPO), shall have in place, by August 31, 2010, procedures to ensure all of the following:
 - i. All agency procurement officers, or the person with equivalent duties at each Executive Agency (APOs), have standard language in all Executive Agency contracts which:
 - (a) Reflect this Order's prohibition on the purchase of offshore services.
 - (b) Require service providers or prospective service providers to:

- (i) Mfirm that they understand and will abide by the requirements of this Order.
 - (ii) Disclose the location(s) where all services will be performed by any contractor or subcontractor.
 - (iii) Disclose the locations(s) where any state data associated with any of the services they are providing, or seek to provide, will be accessed, tested, maintained, backed-up or stored.
 - (iv) Disclose any shift in the location of any services being provided by the contractor or any subcontractor.
 - (v) Disclose the principal location of business for the contractor and all subcontractors who are supplying services to the state under the proposed contract.
- ii. All APOs are ensuring that all quotations, statements of work, and other such proposals for services affirm this Order's prohibition on the purchase of offshdre services and include all of this Order's disclosure requirements.
 - (a) Any such proposal for services lacking the affirmation and disclosure requirements of this Order will not be considered.
 - (b) Any such proposal where the performance of services is proposed to be provided at a location outside the United States by the contractor or any sub-contractor, will not be considered.
 - iii. All procurement manuals, directives, policies, and procedures reflect the requirements of this Order.
 - iv. All APOs have adequate training which addresses the terms of this Order.
5. Exceptions. Nothing in this Order is intended to contradict any state or federal law. In addition, this Order does not apply to:
- a. Services necessary to support the efforts of the Department of Development Global Markets Division to attract jobs and business to the State of Ohio, including incidental services for the support of trade missions, payment of international staff, and services necessary for the operation of international offices.
 - b. Academic, instructional, educational, research or other services necessary to support the international missions of Ohio's public colleges and universities.

6. I signed this Executive Order on August 6, 2010 in Columbus, Ohio and it will not expire unless rescinded.

ADDENDUM A Business
Associate Addendum

This Business Associate Addendum (the "Addendum") is entered into by and between the Ohio Department of Developmental Disabilities ("Agency") and Contractor.

Whereas, Agency and Contractor are parties to an agreement entered into contemporaneously herewith ("Underlying Agreement"); and

Whereas, Agency, pursuant to the Underlying Agreement, provides Contractor with certain individually identifiable protected health information that is necessary for Contractor to perform the services called for in the Underlying Agreement and is subject to protection under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and the Standards for Privacy of Individually Identifiable Health Information and Security Standards for the Protection of Electronic Protected Health Information, 45 C.F.R. Part 160 and Part 164 ("Rules"); and

Whereas, the parties purpose for entering into this Addendum is to comply with the requirements of applicable laws and regulations, including but not limited to HIPAA and the Rules.

NOW, THEREFORE, in consideration of the forgoing and the promises and mutual covenants contained herein, the parties agree as follows:

1. Definitions. Unless otherwise provided in this Addendum, capitalized terms shall have the same meaning as set forth in the Rules.
2. Duties and Responsibilities of Contractor:
 - A. Contractor acknowledges and agrees that all protected health information (the "PHI"), as defined by the Rules, provided to Contractor by Agency is confidential and the property of Agency without regard to medium of storage or method of transmission of such information. Contractor agrees to keep all PHI confidential.
 - B. Except as otherwise limited in this Addendum, Contractor may use or disclose PHI necessary to perform functions, activities, or services for, or on behalf of, Agency as specified in the Underlying Agreement or for the proper management and administration of Contractor, provided that such use or disclosure would not violate the Rules if done by Agency.
 - C. Contractor agrees to take reasonable steps necessary to protect the security and confidentiality of PHI so as to enable Agency to comply with HIPAA, the Rules and other laws relating to the privacy and security of PHI, which are now in force or which may hereafter be in force, including, without limitation, the following actions:
 - (1.) use or disclose PHI only as permitted or required by the Underlying Agreement and this Addendum, or as Required by Law; and
 - (2.) use appropriate safeguards to prevent use or disclosure of the PHI other than as provided for by the Underlying Agreement and this Addendum; and

- (3.) to the extent practicable, mitigate any harmful effect that is known to Contractor of a use or disclosure of PHI by Contractor in violation of the requirements of the Underlying Agreement or this Addendum; and
 - (4.) promptly report in writing to Agency any use or disclosure of the PHI not provided for by the Underlying Agreement or this Addendum, of which Contractor becomes aware; and
 - (5.) require any contractors or agents, including subcontractors, to whom Contractor provides PHI received from, or created or received by Contractor on behalf of Agency, to agree to the same restrictions and conditions that apply to Contractor pursuant to this Addendum; and
 - (6.) make its internal practices (including policies and procedures), books, and records relating to the use and disclosure of PHI received from, or created or received by Contractor on behalf of Agency, available to the Secretary of the Department of Health and Human Services (the "Secretary") for purposes of determining Covered Entities compliance with the Rules. Contractor shall provide Agency with a copy of any PHI that Contractor provides to the Secretary concurrently with providing such PHI to the Secretary; and
 - (7.) within fifteen (15) days of receiving a written request from Agency, provide to Agency the information necessary for the Agency to make an accounting of disclosures of PHI about an Individual as necessary for Agency to comply with 45 C.F.R. 164.528; and
 - (8.) make available information necessary for Agency to respond to an Individual's request for access to PHI about them as is necessary for Agency to comply with 45 C.F.R. 164.524. Such information shall be made available within ten (10) ten days of receiving a written request from Agency for such information. In the event an Individual contacts Contractor, or its agents or subcontractors, directly requesting access to PHI, Contractor will not grant access to PHI but will notify Agency in writing within five (5) business days of such contact; and
 - (9.) within fifteen (15) days of receiving a written request from Agency, incorporate any amendments or corrections to PHI as necessary for Agency to comply with 45 C.F.R. 164.526. In the event an Individual contacts Contractor, or its agents or subcontractors, directly about making amendment to PHI, Contractor will not make any amendments to PHI but will notify Agency in writing within five (5) business days of such contact.
3. Security Rule Provisions. Contractor agrees to the following additional obligations in order that Agency may meet its obligations under HIPAA Security Rule, 45 C.F.R. Part 164, Subpart C, with respect to electronic PHI:
- A. Contractor will employ appropriate administrative, technical, and physical safe guards to protect the confidentiality, integrity, and availability of the electronic PHI that it creates, receives, maintains, or transmits on behalf of Agency.
 - B. Contractor will Report to Agency any Security Incident of which it becomes aware.
 - C. Contractor will ensure that any agent, including a subcontractor, to whom it provides such electronic PHI agrees to implement reasonable and appropriate safeguards to protect it.

4. Agency may immediately terminate the Underlying Agreement, including this Addendum, by giving Contractor written notice of termination, if Agency determines that Contractor has violated a material term of this Addendum. Alternatively, Agency may in its sole discretion provide an opportunity for Contractor to cure the breach and end the violation. If Contractor fails to cure the breach to the satisfaction of Agency, the Agency may immediately thereafter terminate the Underlying Agreement. Termination of the Underlying Agreement shall result in the termination of this Addendum.

Contractor agrees that upon termination of the Underlying Agreement, it will return or destroy all PHI received from, or created or received on behalf of Agency, that Contractor still maintains in any form and retain no copies of such information. This provision shall apply to PHI that is in the possession of Contractor and any subcontractors or agents of Contractor. In the event that returning or destroying the PHI is infeasible, as determined by Agency, Contractor agrees to extend the protections of the Underlying Agreement and this Addendum to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Contractor maintains such PHI.

5. Amendment. It is the intent of the parties that the Underlying Agreement and this Addendum comply with the requirements of HIPAA and the Rules. Any ambiguity in the Underlying Agreement or this Addendum shall be resolved to permit Agency to comply with HIPAA and the Rules. If necessary, the parties agree to use good faith efforts to amend the Underlying Agreement and this Addendum from time to time as is necessary for Agency to be in compliance with HIPAA and regulations promulgated thereunder.
6. Survival. The obligations of the Contractor under this Addendum shall survive the expiration or termination of the Underlying Agreement and this Addendum.
7. No Third Party Beneficiaries. Nothing express or implied in this Addendum is intended to confer, nor shall confer, upon any person other than the parties, and their permitted successors and assigns if any, rights, remedies, obligations or liabilities whatsoever.
8. Miscellaneous: As amended by this Addendum, the Underlying Agreement and all its terms and conditions shall remain in full force and effect.
