Re: BLANKET RELEASE & PERMIT, FISCAL YEARS 2022 AND 2023

Pursuant to Revised Code Section 125.05, the Director of the Department of Administrative Services (DAS) has determined that it is not possible or advantageous for DAS to make purchases of certain types of Purchased Personal Services (PPS) and other specialized items which may exceed the direct procurement limits of \$50,000 for supplies and services. The following procedures have been established to enable agencies to process purchase orders in OAKS and Ohio|Buys. This Blanket Release and Permit does not waive the necessity for any additional reviews or approvals as required by Law or other DAS Policies.

This Blanket Release and Permit will be in effect July 1, 2021 through June 30, 2023, unless otherwise notified.

The Blanket Release and Permit Number is comprised of the agency's three-digit Alpha OAKS Code and 22/23. For Example:

DAS 22/23 (Department of Administrative Services)

The supplies/services affected are defined by the following expense account codes. The Blanket Release and Permit is required on Purchase Orders using the expense account codes. If Controlling Board approval is required, due to exceeding the cumulative annual dollar threshold, the agency must make a written notation on the Controlling Board request of the expense account code utilized and the Release and Permit number assigned. Controlling Board staff will verify this information prior to scheduling any request. No further Release and Permits will be required from the Office of Procurement Services.

DAS reserves the right to modify the list of account codes when deemed necessary. Agencies will be advised of any additions or deletions to this list.
