

Procure.ohio.gov has a new look and some new features to help move the Office of Procurement forward with technology. We would like to inform you of some of the changes and also inform you of bugs, workarounds, and changes even after the launch of the new portal. The Hot Tips Announcement will help keep you informed of issues within the portal.

Find IT Fast, Current Contract, and Advanced Search for Procurement Opportunities are now Redesigned and split into two parts [Current Contract Search](#) and [Bid Opportunities Search](#). You will find that the two pages will provide you more information without even opening the contract or opportunity. In addition the new Pre-loaded Search buttons like MBE, CRP, Vehicles and more. Last but not least now you can also print the results or save it as a Excel file.

Current Contracts Search

Please enter one or more of the search criteria below to locate awarded State contracts. Some of the most popular searches are pre-programmed and listed to the right on this page, click on one of the hyperlinks to view associated search results.

You can also [view telecommunications contracts](#) or [view contracts for road construction and related machinery, materials, and supplies](#).
