REQUEST FOR PROPOSALS (RFP)
Step Up To Quality Validation Study

RFP: JFSR2021178167

SECTION I. GENERAL PURPOSE

1.1 Purpose

The Ohio Department of Job and Family Services (ODJFS) releases this Request for Proposals (RFP) for the purpose of competitively selecting one (1) qualified vendor to provide a methodology and validation analysis of Ohio’s Tiered Quality Rating and Improvement System (TQRIS), Step Up To Quality (SUTQ). The vendor will be responsible for developing a methodology and completing a validation study to analyze the current five-star Quality Rating and Improvement System. Research will include critical analysis of the system and its ability to produce accurate and meaningful results, as well as its ability to support continuous quality improvement across ODJFS and the Ohio Department of Education (ODE) licensed early learning and development programs. Additionally, the study should determine if the program standards are contributing to improved outcomes, as well as if staff education has an impact on quality. ODJFS is seeking a vendor qualified in the development and implementation of large scale validation research, analysis, evaluation and reporting across multiple agencies with multiple program types.

For the purpose of this RFP, the term “vendor” shall be defined as an institute of higher education, business, firm, organization or individual interested in this opportunity. The terms “bid” and “proposal” may be used interchangeably to indicate materials submitted to ODJFS by a vendor in order to be considered for award of a contract for services described in this RFP. The terms “contractor” and “selected vendor” may be used interchangeably in reference to a vendor selected by ODJFS through this RFP for contract award.

1.2 Step Up To Quality Background

SUTQ, Ohio’s TQRIS, was initially implemented in 2005 as a pilot program and moved to statewide implementation in 2006. All early learning and development programs licensed by ODJFS, including Head Start and Early Head Start, large family child care homes, and programs receiving funds through the Child Care Development Fund (CCDF) program, were eligible to participate in this three (3) tier TQRIS. Ohio revised its TQRIS program in 2013 so that standards reflect the desire for the field to be intentional with its instructional support, to implement screening, assessment and referral processes, and to align curriculum and planning to age appropriate State early learning and development standards (ELDS). ODJFS, in collaboration with ODE, finalized the SUTQ program standards and created a guidance document for programs. The revised program standards have replaced Ohio’s previous early learning program guidelines used as Ohio’s program standards in district preschool settings. Also beginning in October 2013, programs licensed by ODE, including state Pre-K sites and Preschool Special Education sites, were rated for the first time. Family child care Type B homes, serving six (6) or fewer children, were transitioned from certification to licensure in January 2014 and became eligible to participate in SUTQ in July 2014.

The revisions to SUTQ included the addition of two (2) tiers, moving from a three-star to a five-star system. The top three (3) tiers of SUTQ are considered high quality. Classrooms are observed to verify that the program
understands and implements a comprehensive curriculum that addresses all developmental domains and is aligned with Ohio’s ELDS. The State developed the Ohio Classroom Observation Tool (OCOT) in 2013 to document and measure classroom quality. In addition to curriculum, programs are observed and staff is interviewed to determine if they are implementing a comprehensive assessment that is aligned to standards and used to inform instruction. The OCOT measures environmental quality to ensure the needs, abilities and interests of all students are addressed, and that adult child interactions are positive. Additionally, interviews of staff are used to determine if the program is implementing a comprehensive assessment aligned to the standards and is used to inform instruction.

To better focus resources on the programs with challenging licensing compliance histories, ODJFS modified its inspection schedule for programs participating in SUTQ. Programs that are full time and full year are required to receive two (2) licensing inspections per year. Three- through five-star rated programs are required to submit an annual report, detailing progress made on goals identified in their continuous improvement plans during the years they do not receive an on-site monitoring visit. This allows the ODJFS staff to provide more technical assistance and support to programs that are struggling with achieving and maintaining compliance.

Additionally, ODJFS and ODE have an integrated inspection model for their staff. To more effectively link licensing and quality expectations and to streamline communication with programs, the same staff member assesses licensing and quality standards. All inspections can be found in the system of record for programs licensed by both ODJFS and ODE, Ohio Child Licensing and Quality System (OCLQS). It was implemented in 2017 and allows staff to document licensing inspections and SUTQ verification visits while at the program and e-mail a copy of the compliance results to programs for posting onsite.

By July 1, 2020 all programs who are licensed and serve publicly funded children must be enrolled in SUTQ. This initiative was mandated in Ohio Revised Code (ORC), section 5104.31. Furthermore, all child care centers and Type A family child cares must be a three-, four-, or five- star rated program by July 1, 2025.

1.3 Overview of the Project

The selected vendor will design and complete a comprehensive evaluation of Ohio’s SUTQ system that employs a mixed-method approach, and produce a detailed technical report of findings. The evaluation must address the following:

A. Validity of the SUTQ rating system across all programs types and standards;

B. Relationship between SUTQ rating and children’s outcomes; and

C. Relationship between staff education, professional development, experience and quality.

The State’s goals of this program include:

A. Creating comprehensive standards that programs will use to ensure that children are prepared academically, socially, emotionally and physically to move on to kindergarten;

B. Developing high quality assessments to inform instruction and support young students;

C. Creating extensive professional development for early childhood educators;
D. Expanding Ohio’s TQRIS and SUTQ program to provide a clear and common way to measure program quality regardless of the program setting to inform parents, families, and communities;

E. Completing a study to validate the effectiveness of the Ohio’s TQRIS;

F. Funding early childhood services only in quality settings by 2020; and

G. Ensuring all child care centers and Family Child Care Type A homes serving Publicly Funded Children are highly rated by 2025.

1.4 Objectives of the Project

This study must evaluate the ability of the SUTQ system to produce accurate ratings and meaningful results across ODJFS and ODE licensed early learning and development programs. The study must examine the relationship between the ratings generated by the State’s TQRIS System and the outcomes of children served by the State’s early learning and development programs. The study must also evaluate whether the education level, experience, and professional development of the staff has an impact on quality in the classroom and across star ratings. The study must include the following three (3) overarching goals and specifications:

A. Validity of the SUTQ rating system across all programs types, including:

1. Validity of SUTQ standards and tiers across all ODE and ODJFS rated and non-rated program types.
2. Validity, via external measures, as to how well the levels in the State’s TQRIS reflect differential levels of program quality.

B. Relationship between SUTQ rating and children’s outcomes, including:

1. Assessing, using appropriate research designs and measures of progress, the extent to which changes in quality ratings are related to progress in child outcomes. The evaluation will include ODE and ODJFS infants, toddlers, and preschoolers randomly selected to ensure appropriate representation and adequate sample size, including those receiving Publicly Funded Child Care (PFCC). The evaluation should include an initial assessment of the child, as well as a follow-up assessment for evaluation measures. The selected vendor will be required to obtain child level data on children participating in rated and unrated programs.
2. Assessing, using the appropriate data and measures of progress, whether children in SUTQ programs perform better in school at the kindergarten level and again at the third grade standardized test. The evaluation will include children randomly selected who were in rated and unrated programs and who have taken the Kindergarten Readiness Assessment (KRA) and, if applicable the third grade standardized tests. The evaluation should include a longitudinal assessment of a child from four to five (4-5) years old through the third grade standardized exam. The selected vendor will have access to unique student identifiers, KRA scores and Ohio’s third grade standardized test scores.

C. Relationship between staff’s education level, professional development, experience and quality, including:

1. Assessing, using appropriate research design and measuring the effectiveness, to the extent to which the level of education, experience, and professional development of a teacher is a determination of
quality. The evaluation will include ODE and ODJFS teachers with High School Diploma, Child Development Associate Credential (CDA), associate’s degree, bachelor’s degree, and Graduate degrees, as well as degrees related to Early Childhood Education and degrees that are unrelated, and the School Age Endorsement.

2. Assessing, using appropriate research design, whether the SUTQ standard associated with staff education is appropriate for the star rating achieved.

3. Assessing, using the appropriate research design, whether Ohio’s Professional Development criteria for SUTQ is relevant, appropriate, and has an impact on quality.

Vendors are cautioned that communication attempts which do not comply with these instructions will not be answered. Any attempts at prohibited communications by a vendor may result in the disqualification of that proposal.

2.4 **Program Resource Library**

ODJFS recognizes that vendors may not be familiar with some of the documents referenced in this RFP and has created a Program Resource Library where vendors may access the documents. The following documents are available:

A. Summary of Ohio State University’s Step Up To Quality Validation Study Results  
   [http://jfs.ohio.gov/cdc/SUTQ_General_Information.stm](http://jfs.ohio.gov/cdc/SUTQ_General_Information.stm)

B. Ohio’s Early Learning Challenge Grant Application  

C. Step Up To Quality Program Standards  

D. Validation Study 2016  
Vendors may also use https://boldbeginning.org/ and http://earlychildhoodohio.org/index.stm as resources.

The following documents are available:

A. Previous Step Up To Quality Research Study 1 (Summary Only Available):

The first independent evaluation examined the following questions: “Is there a relationship between a SUTQ quality rating and quality as measured by the Early Childhood Environment Rating Scale-Revised (ECERS-R), and is there any relationship between the ECERS-R Subscales and differentiated SUTQ rating settings?” The ECERS-R data was gathered by external evaluators within the Child Care Resource and Referral (CCR&R) system who were trained in reliability by the authors of the ECERS-R and their team. The CCR&R system maintained an inter-rater reliability system with guidelines for the frequency of checks after the completion of every fifteen (15) visits. The evaluation studied programs at all three (3) levels of the rating system and programs that were in a “Getting Ready” category. Getting Ready programs could not be rated because of their licensing compliance history or because they were unable to meet all the standards at Tier 1. The evaluation found significant differences between those achieving a tier level (one-, two-, or three-) and those not achieving a tier level. Additionally, at each increased tier level, higher ECERS-R scores were earned by the participating programs, thereby validating the appropriate graduation of Ohio’s standards across tier levels. This first evaluation also analyzed the relationship between the standards to determine whether one standard was the quality driver or whether it was the combination of the standards selected that worked together to create quality settings. The analysis demonstrated that the standards worked as a whole and that no one indicator (e.g., ratio) drove the tier ratings, again validating that the standards selected by Ohio were meaningful for producing and predicting quality environments.

B. Previous Step Up To Quality Research Study 2 (Summary Only Available):

As SUTQ expanded statewide, the focus of the second external evaluation was to begin examining the relationship between child outcomes and star ratings. Using extensive questionnaires, the Ohio Collaborative research team gathered information on the characteristics of participating administrators, teachers, and children (via parent reports). A small subset of classrooms were assessed by the research team using the Early Language and Literacy Classroom Observation (ELLCO) tool and a small subset of children in those classrooms. One hundred thirty eight (138) children were assessed using Phonological Awareness Literacy Screening (PALS)-Pre-K. Children in these programs with tier ratings of two- and three-scored higher on the various outcome measures than children in Tier 1 programs. These findings were consistent across literacy and social/emotional development. In the subsample of observed programs, Tier 2 and Tier 3 programs had consistently higher ELLCO classroom environment scores than programs with Tier 1 ratings. In addition to the use of these standardize tools, parents were asked about their perceptions of their child’s skills. Parents in Tier 3 programs rated their children significantly higher on social/emotional outcomes like “executive functioning” and “independence/maturity” than parents of children in non-rated programs or those with children in lower-tiered programs within SUTQ.

C. Previous Step Up To Quality Research Study 3 (Summary Only Available):

The third independent evaluation of SUTQ was completed in 2011 with the most compelling linkages to child outcomes to date. The primary question was, “To what extent are SUTQ ratings associated with teacher instructional practices and children’s social, behavioral, and pre-academic skills?” Two (2) teachers and five (5) children from each classroom in thirty-six (36) randomly selected SUTQ rated
programs twelve (12) at each of the three (3) quality rating tiers were assessed by researchers from the Ohio Collaborative. Controlling for family characteristics and children’s age, gender, and race, children in Tier 3 Programs performed better on measures of literacy and math based on standardized tools and exhibited fewer problem behaviors based on teacher reports. The blend of academic, social, and emotional tools provided Ohio with the most comprehensive picture of a child’s learning and development and expanded our ability to link to a more comprehensive definition of school readiness. Exhibit VI (B)-1 lists the measures on which programs with a Tier 3 rating scored significantly higher than programs at lower levels within the TQRIS or those not rated at all. The study also included a geographically matched sample of twelve (12) non-rated programs. The Ohio Collaborative found that rated programs scored significantly higher than non-rated programs on many of the teacher quality and child outcome measures.

D. Previous Step Up To Quality Research Study 4 (Complete Report)

The fourth independent evaluation of SUTQ was completed in 2016 with the study examining the validity from five (5) perspectives: face, content, construct, procedural and predictive validity. The study concluded that Ohio’s SUTQ programs did have positive impact on childhood outcomes. The study evaluated the ability of the SUTQ system to produce accurate ratings and meaningful results, across ODJFS and ODE licensed early learning and development programs. The study used a stratified random sample of early learning sites that included Centers and Family Child Care as well as non-rated and rated programs. The study incorporated a concurrent mixed methods design, which was a combination of quantitative and qualitative data collections.

SECTION IV. SCOPE OF WORK & SPECIFICATIONS OF DELIVERABLES

Proposals submitted in response to this RFP must reflect the vendor’s understanding of, and commitment to perform this Scope of Work fully. The contractor will be responsible for the deliverable as described below in the Specification of Deliverables, including all preparatory and intervening steps, whether or not ODJFS has explicitly specified or delineated them in this RFP.
### 4.1 Scope of Work

The selected vendor for this project will be required to develop a research plan to address the research questions listed below; develop measures necessary to answer the research questions; collect data using multiple methods; analyze the data; summarize the results; and develop a technical report on the full SUTQ system that addresses all research questions listed below. The selected vendor should have knowledge of quantitative, qualitative, and mixed methods research. The varying numbers of programs at each rating level and across the different settings, along with the overlap in data necessary to answer all research questions will require a complex research plan.

A significant consideration when developing a response to this RFP is the availability of data already collected by ODE and ODJFS related to the research questions. Next to each research question is an indication of what data is available to the vendor: Data Available, Limited Data, or No Data. For the questions marked Data Available, ODE and ODJFS will provide the necessary data to answer the research question. For questions marked No Data, the vendor will be responsible for identifying or creating a tool to gather the information necessary to answer the question.

#### A. SUTQ System

This set of questions addresses the impact of SUTQ on the program and the relationship between program characteristics and program quality.

4.5 **Selected Vendor Compensation Structure**

Vendors are to propose their firm, fixed, all-inclusive cost. Vendors are to use their expertise in pricing the work described in this RFP, taking into consideration any intervening steps or activities that must be performed in order to complete the work, even if ODJFS does not explicitly identify those intervening costs in this RFP, and offer their Cost Proposals accordingly. No separate travel expenses or any other type of expenses will be paid under the contract to result from this RFP.

The total contract award for the selected proposal will be for the full duration of the project, from the award date through the termination date. The contract award will strictly correspond with the approved cost proposal. Compensation will be made monthly via the submission of invoices. The selected vendor must submit valid invoices to ODJFS within ten (10) business days after the last business day of the previous month. Compensation will be made monthly as reimbursement for actual, allowable, expenditures incurred and paid by the selected vendor during the billing period in accordance with the vendor’s accepted cost proposal. Available funding for this project is strictly limited. ODJFS reserves the right to request last and best offers from vendors, and/or to negotiate with all responding vendors and/or with the selected vendor for removal or reduction of certain aspects of the work. Vendors are to propose costs that reflect the actual level of effort that the vendors, using their professional expertise, believe would be required to successfully achieve the state’s goals for this project, and ODJFS will not disclose the funding amount available.

**SECTION V. CONDITIONS AND OTHER REQUIREMENTS**

5.1 **State Contracts**

Vendors must list any current contracts held with State of Ohio agencies. The list must indicate the purpose of the contract, the amount of the contract, the time period covered by the contract, and the percentage of the project completed. Vendors must report this information in the Required Vendor Information and Certifications Document (Attachment A.) and include the completed document in the proposal as specified in Section 6.2, A. of this RFP.

5.2 **Interview**

Vendors may be requested to participate in an in-depth interview as part of the evaluation process. The interview, if necessary, will include participants from the Office of Family Assistance. ODJFS reserves the right to select responding vendors for interviews and may not interview all vendors. The vendor shall bear all costs of any scheduled interview.

5.3 **Start Work Date**

The selected vendor must be able to begin work no later than seven (7) business days after the time funds are encumbered and approved by the Office of Budget and Management. The selected vendor will be notified by the ODJFS Contract Manager when work may begin.
5.4 Proposal Costs

Costs incurred in the preparation of this proposal are the responsibility of the vendor; ODJFS will not contribute in any way to the costs of the preparation.

5.5 Trade Secrets Prohibition; Public Information Disclaimer

Vendors are prohibited from including any trade secret information as defined in ORC 1333.61 in their proposals in response to any ODJFS procurement effort. ODJFS shall consider all proposals or similar responses voluntarily submitted to any ODJFS procurement document to be free of trade secrets, and such proposals if opened by ODJFS will, in their entirety, be made a part of the public record.

Any proposals submitted in response to any ODJFS procurement efforts which make claims of trade secret information shall be disqualified from consideration immediately upon the discovery of such unallowable claim.

All proposals and any other documents submitted to ODJFS in response to any procurement effort shall become the property of ODJFS. This RFP and, after the selection of a vendor for award, any proposals received in response to solicitation that have been opened, reviewed and considered by ODJFS are deemed to be public records pursuant to ORC 149.43. For purposes of this section, the term “proposals” shall mean both the Technical Proposal and the Cost Proposal submitted by a vendor, and, if opened, any attachments, addenda, appendices, or sample products.

5.6 Contractual Requirements

A. Any contract resulting from the issuance of this RFP is subject to the terms and conditions as provided in the model contract, which is included as Attachment B. of this RFP;

C. Payments for any and all services provided pursuant to the contract are contingent upon the availability of state and federal funds;

D. All aspects of the contract apply equally to work performed by any and all subcontractors;

E. As a condition of receiving a contract from ODJFS, the contractor, and any subcontractor(s), shall certify compliance with any court order for the withholding of child support which is issued pursuant to Section 3119, 3121, 3123, and 3125 of ORC. The contractor, and any subcontractor(s), must also agree to cooperate with ODJFS and any Ohio Child Support Enforcement Agency in ensuring that the contractor or employees of the contractor meet child support obligations established under state law; and

F. By signing a contract with ODJFS, a vendor agrees that all necessary insurance is in effect.
5.7 **Travel Reimbursement**

Travel should be included in the overhead, per diem, or the hourly rates which are built into the cost of the deliverables. Travel is not to be listed separately unless otherwise specified in Section 6.2, B., Cost Proposal, of this RFP.

5.8 **Minority Business Enterprise**

The State of Ohio and ODJFS are committed to making more contracts and opportunities available to Ohio-certified Minority Business Enterprises (MBEs), as defined by ORC Section 122.71 and certified by the Department of Administrative Services (DAS). ODJFS is required by Section 125.081(B) and 123.151 of ORC to award a minimum of fifteen percent (15%) of its total procurements to vendors certified as MBEs. If the proposal is not submitted by an Ohio-certified MBE, the vendor is strongly encouraged to subcontract a minimum of fifteen percent (15%) of the total contract price to one or more Ohio-certified MBEs through a competitive selection process. The contractors shall make a good faith effort to seek MBE subcontractors throughout the life of the contract.

The proposal must clearly indicate the name of the proposed Ohio-certified MBE vendor(s), if known at the time of proposal submission, and the exact nature of the work to be performed under the proposed subcontract. The proposal must include a letter from the proposed MBE, signed by a person authorized to legally bind the subcontractor, indicating the following:

A. The subcontractor’s legal status, federal tax ID number, and principle business address;

B. The name, phone number, and e-mail address of a person who is authorized to legally bind the subcontractor to contractual obligations;

C. A complete description of the work the subcontractor will do;

D. A commitment to do the work, if the vendor is selected;

E. A statement that the subcontractor has read and understands the RFP, the nature of the work, and the requirements of the RFP; and

F. A copy of the Ohio MBE certificate.

**NOTE:** There may be no dollar amounts of any kind included with the MBE information; inclusion of dollar amounts will result in the disqualification of the vendor’s entire proposal.

A listing of Ohio certified MBEs can be accessed through the Ohio Department of Administrative Services (DAS) Web Site at: https://eodreporting.oit.ohio.gov/mbе-certification.

While ODJFS strongly encourages the use of MBE subcontractors, the vendor’s use of an MBE subcontractor will have no effect on vendors’ technical scores or on final contractor selection for this RFP, unless Section VII, Criteria for Proposal Evaluation and Selection of this RFP, and/or the Technical Proposal Score Sheet for this RFP, affirmatively establish an MBE participation criterion.
5.9 **Subcontractor Identification and Participation Information**

Any vendors proposing to use a subcontractor for any part of the work described in this RFP must clearly identify the subcontractor(s) and their tasks in their proposals. The proposal must include a letter from the proposed subcontractor(s), signed by a person authorized to legally bind the subcontractor, indicating the following:

A. The subcontractor’s legal status, federal tax ID number, and principle business address;

B. The name, phone number, and e-mail address of a person who is authorized to legally bind the subcontractor to contractual obligations;

C. A complete description of the work the subcontractor will do;

D. A commitment to do the work, if the vendor is selected; and

E. A statement that the subcontractor has read and understands the RFP, the nature of the work, and the requirements of the RFP.

**NOTE:** There may be no dollar amounts of any kind included with subcontractor information; inclusion of dollar amounts will result in the disqualification of the vendor’s entire proposal.

5.10 **Public Release of Evaluations and/or Reports**

Public release of any evaluation or monitoring reports funded under the contract resulting from this RFP will be made only by ODJFS. Prior to public release of such reports, ODJFS must have at least a thirty (30) day period for review and comment.

5.11 **Confidentiality**

All contracts will require that the contractor and any subcontractor(s) maintain the confidentiality of information and records which state and federal laws, rules, and regulations require to be kept confidential other than to fulfill the contractual duties of specified in this RFP. The contractor, and any subcontractors, agree to be bound by the same standards of confidentiality that apply to the employees of ODJFS and the State of Ohio. Any violation of confidentiality will result in an immediate termination of the contract, and may result in legal action.

5.12 **Key Personnel**

ODJFS may require a clause in the resulting contract regarding key personnel in that any person identified as critical to the success of the project may not be removed without reasonable notice to ODJFS, and replacements will not be made without ODJFS approval.

5.13 **Ethical & Conflict of Interest Requirements**

A. No contractor or individual, company or organization seeking a contract shall promise or give to any ODJFS employee anything of value that is of such character as to manifest a substantial and improper influence upon the employee with respect to his or her duties;
B. No contractor or individual, company or organization seeking a contract shall solicit any ODJFS employee to violate any of the conduct requirements for employees;

C. Any contractor acting on behalf of ODJFS shall refrain from activities which could result in violations of ethics and/or conflicts of interest. Any vendor or contractor who violates the requirements and prohibitions defined here or of Section 102.04 of ORC is subject to termination of the contract or refusal by ODJFS to enter into a contract; and

D. ODJFS employees and contractors who violate Sections 102.03, 102.04 2921.42 or 2921.43 of ORC may be prosecuted for criminal violations.

5.14 Health Insurance Portability & Accessibility Act (HIPAA) Requirements

As a condition of receiving a contract from ODJFS, the contractor, and any subcontractor(s), will be required to comply with 42 U.S.C. Sections 1320d through 1320d-8, and the implementing regulations found at 45 CFR Section 164.502 (e) and Sections 164.504 (e) regarding disclosure of protected health information under the Health Insurance Portability and Accountability Act (HIPAA) of 1996. Protected Health Information (PHI) is information received by the contractor from or on behalf of ODJFS that meets the definition of PHI as defined by HIPAA and the regulations promulgated by the United States Department of Health & Human Services, specifically 45 CFR 160.103 and any amendments thereto. The selected vendor can reasonably anticipate HIPAA language in the contract that results from this RFP.

In the event of a material breach of contractor obligations under this section, ODJFS may at its option terminate the contract according to provisions within the contract for termination.

5.15 Waiver of Minor Proposal Errors

ODJFS may, at its sole discretion, waive minor errors or omissions in vendors’ Technical and/or Cost Proposals or forms when those errors do not unreasonably obscure the meaning of the content.

5.16 Proposal Clarifications

ODJFS reserves the right to request clarifications from vendors of any information in their Technical and/or Cost Proposals or forms and may request such clarification as it deems necessary at any point in the proposal review process.

5.17 Contractual Requirements and Prevailing Wage Requirements

Any contract resulting from the issuance of this solicitation is subject to the terms and conditions as provided in the model contract, which is provided as Attachment B. to this RFP. Additionally, the contractor will be required to comply with prevailing wage standards, as established in ORC 4115.03-4115.16.

5.18 Unresolved Findings for Recovery (ORC 9.24)

ORC Section 9.24 prohibits ODJFS from awarding a contract to any entity against whom the Auditor of State has issued a finding for recovery, if the finding for recovery is “unresolved” at the time of award. By submitting a proposal, the vendor warrants that it is not now, and will not become, subject to an “unresolved” finding for
recovery under ORC 9.24 prior to the award of any contract arising out of this RFP, without notifying ODJFS of such finding. ODJFS will review the Auditor of State’s website prior to completion of evaluations of proposals submitted pursuant to this RFP. ODJFS will not evaluate a proposal from any vendor whose name, or the name of any of the subcontractors proposed by the vendor, appears on the website of the Auditor of the State of Ohio as having an “unresolved” finding for recovery.

5.19 Mandatory Contract Performance Disclosure

Each proposal must disclose whether the vendor’s performance, or the performance of any of the proposed subcontractor(s), under contracts for the provision of services that are the same or similar to those to be provided for the project which is the subject of this RFP has resulted in any “formal claims” for breach of those contracts. For purposes of this disclosure, “formal claims” means any claims for breach that have been filed as a lawsuit in any court, submitted for arbitration (whether voluntary or involuntary, binding or not), or assigned to mediation. If any such claims are disclosed, vendor shall fully explain the details of those claims, including the allegations regarding all alleged breaches, any written or legal action resulting from those allegations, and the results of any litigation, arbitration or mediation regarding those claims, including terms of any settlement. While disclosure of any formal claims in response to this section will not automatically disqualify a vendor from consideration, at the sole discretion of ODJFS, such claims and a review of the background details may result in the disqualification of a vendor proposal. ODJFS will make this decision based on its determination of the seriousness of the claims, the potential impact that the behavior that led to the claims could have on the vendor’s performance of the work, and the best interests of ODJFS.

5.20 Mandatory Disclosures of Governmental Investigations

Each proposal must indicate whether the vendor and any of the proposed subcontractor(s) have been the subject of any adverse regulatory or adverse administrative governmental action (federal, state, or local) with respect to vendor’s performance of services similar to those described in this RFP. If any such instances are disclosed, the vendor must fully explain, in detail, the nature of the governmental action, the allegations that led to the governmental action, and the results of the governmental action including any legal action that was taken against vendor by the governmental agency. While disclosure of any governmental action in response to this section will not automatically disqualify a vendor from consideration, at the sole discretion of ODJFS, such governmental action and a review of the background details may result in a disqualification of the vendor proposal. The decision by ODJFS on this issue will be based on a determination of the seriousness of the matter, the matter’s potential impact on the vendor’s performance of the work, and the best interests of ODJFS.

5.21 Mandatory Disclosures of Work Location

Proposals must explicitly state the location(s) (city, county, state) where work described in this RFP would be performed, whether by the vendor or by any subcontractors.

5.22 Vendor Selection Restriction

Any vendor deemed not responsible, or who has submitted a proposal deemed not to be responsive to the terms of this RFP, shall not be awarded the resulting contract.

5.23 Ohio Presence Consideration
The vendor that is awarded the contract resulting from this RFP is required to maintain a physical presence in Ohio throughout the term of the contract, including all renewal periods. Therefore, each vendor must either demonstrate in its proposal that it currently has a physical presence in Ohio or demonstrate concrete plans for establishing a physical presence, and to include the actual or proposed location of the vendor’s presence. Vendor proposals must identify the work to be performed for this project at that location and identify vendor personnel, either by staff name or function that will operate from the Ohio location. ODJFS may, at its sole discretion, disqualify any proposals which fail to comply with this requirement.

5.24 Prohibition Against Services Performed Outside the United States

Pursuant to Governor’s Executive Order 2019-12D, no public funds shall be spent on services provided offshore. All vendors seeking an award of an ODJFS contract must attest that no funds provided by ODJFS would be used to purchase services provided outside the United States or to contract with a subcontractor who will use the funds to purchase services provided outside the United States. This required attestation is identified as the “Location of Business Form” included in the “Required Vendor Information & Certifications Documents,” provided as Attachment A. The entire form must be printed, completed, and signed by the interested vendor’s authorized representative, and returned to ODJFS as a component of the vendor Technical Proposal. Failure to properly complete and sign Attachment A. will result in the disqualification of the proposal from consideration.

5.25 Combating Trafficking In Persons

Any contractor doing business with ODJFS must be in compliance with the Federal Acquisition Regulation (FAR) for Combating Trafficking in Persons, 48 CFR Subpart 22.17, in which “the United States Government has adopted a zero-tolerance policy regarding trafficking in persons.” The provisions found in 48 CFR Subpart 52.2, specifically Subpart 52.222-50, will be incorporated into the resulting ODJFS contract by reference.

Additional information on identifying Human Trafficking may be found at: http://powerhost.powerstream.net/008/00153/HumanTrafficking.wmv.

SECTION VI. PROPOSAL FORMAT & SUBMISSION

6.1 Proposal Submission

The proposal must be prepared and submitted in accordance with instructions found in this section and must be received by ODJFS, OCA no later than Monday, September 2, 2019 at 3:00 PM. Proposals received after this date and time will not be reviewed. Material mailed or submitted separately from the proposal packet will not be accepted or added to the proposal by staff of ODJFS. Faxed or emailed applications will not be accepted. Applications must be addressed to:

Office of Contracts & Acquisitions
Ohio Department of Job and Family Services
30 East Broad Street, 31st Floor
Columbus, OH 43215

For hand delivery on the due date, vendors must allow sufficient time for traffic incidents, downtown parking considerations, and for security procedures in the lobby of the Rhodes Office Tower (address above) and again
on the 31st Floor. OCA will accept proposals at any time during normal ODJFS business hours prior to the posted submission deadline.

All proposals must be received by mail or hand delivery by the above date and time. Materials received after the submission deadline will not be included in previous submissions nor be considered. No confirmations of mailed applications received will be sent. ODJFS is not responsible for proposals incorrectly addressed or for proposals delivered to any ODJFS location other than the address specified above.

Submission of a proposal indicates acceptance by the vendor of the conditions contained in this RFP and model contract (Attachment B), unless clearly and specifically noted in the proposal submitted and confirmed in the contract between ODJFS and the selected vendor.

The entire Technical Proposal should be submitted in a sealed envelope/package labeled “TECHNICAL PROPOSAL ENCLOSED FOR RFP JFSR2021178167, STEP UP TO QUALITY VALIDATION STUDY, SUBMITTED BY [VENDOR’S NAME].” The Technical Proposal is defined as any part of the proposal, either as required by ODJFS or sent at vendor’s discretion, such as work plan, resumes, letters of recommendation, letters of cooperation from any subcontractors, etc., which is not specifically identified by ODJFS as a required component of the separate, sealed Cost Proposal.

ODJFS requires proposal submissions in both paper and electronic format. The requested CD-ROMs would be used for storage and archiving purposes only; and not for purposes of application evaluation. Compliance with this request is a mandatory requirement for all ODJFS RFP for contract awards, as the agency lessens its dependence upon paper records.

Along with the Technical Proposal, the vendor must submit the Cost Proposal in a separate, sealed envelope labeled: “DO NOT OPEN. COST PROPOSAL ENCLOSED FOR RFP JFSR2021178167, STEP UP TO QUALITY VALIDATION STUDY, SUBMITTED BY [VENDOR’S NAME].” A CD-ROM copy of the Cost Proposal must include all Cost Proposal components, including any required or voluntary attachments. The CD-ROM containing the Cost Proposal must be submitted in the sealed envelope containing the hardcopy Cost Proposal. Both CD-ROMs must be labeled with the vendor’s name, the RFP number, and the proposal submission date or proposal due date, at minimum.

The proposal must be prepared and submitted in accordance with instructions found in this section. The proposal submission must be comprised of:

A. Five (5) paper copies (one [1] signed original and four [4] copies) and one (1) CD-ROM copy of the Technical Proposal;

B. Three (3) paper copies (one [1] signed original and two [2] copies) and one (1) CD-ROM copy of the Cost Proposal, in a sealed, separate envelope.

The entire Technical Proposal should be converted into one single secure .pdf document saved to the Technical Proposal CD-ROM submitted to ODJFS. If the proposal’s size necessitates more than a single .pdf document, vendors should use the fewest separate .pdf documents possible.

NOTE: It is the vendor’s affirmative responsibility to ensure that all copies and all formats of the proposal are identical. Any pages or documents omitted from any or all copies can negatively affect the vendor’s score and
possibly result in the vendor’s disqualification. In the event of any discrepancies or variations between copies, ODJFS is under no obligation to resolve the inconsistencies and may make its scoring and vendor selection decisions accordingly, including the decision to disqualify the vendor.

6.2 Format for Organization of the Proposal

In developing their proposals, vendors must fully and appropriately plan and price their proposed projects (cost information must be restricted to the Cost Proposal only), including all necessary preparatory and intervening steps, regardless of whether those steps are delineated in this RFP. The vendor’s Technical Proposal must contain the following components, at minimum. It is mandatory that proposals be organized in the following order and that wherever appropriate, sections of the proposal should make reference by section number to those RFP requirements to which they correspond.

A copy of the Technical Proposal Score Sheet is provided as Attachment C. of this RFP. Vendors are strongly encouraged to use the score sheet to check their proposals for quality, compliance, and completeness prior to submission.

A. Proposal Organization

The vendor’s Technical Proposal must contain the following components, organized in primary tabs and divided into sub-tabs, as described below. Any other information thought to be relevant, but not applicable to a specific RFP section may be included in the proposal and so marked as an additional tab. ODJFS reserves the right not to review submitted appendices which include information or materials not required in the RFP. All pages beyond Tab 1 shall be sequentially numbered.

Vendors must organize their Technical Proposals in the following order:

Tab 1 Required Vendor Information and Certifications Document

Attachment A., Section I. – Required Vendor Information & Certifications Document In this section, the vendor is required to provide required information and certifications of eligibility for state awards, as described in Attachment A., Section I. to this RFP. Vendors may, at their discretion, either print Attachment A., Section I., complete and sign it, and return it as the content of their proposal Tab 1; or they may provide all the required information and certifications (each fully re-stated from Attachment A.) on their own letterhead, properly signed, and include that replication in their proposal Tab 1. Vendors who fail to provide all information and certifications as described in Attachment A., Section I. in their proposal Tab 1 will be disqualified.

Attachment A., Section II. – Standard Affirmation and Disclosure Form Banning the Expenditure of Public Funds on Offshore Services This form must be completed and signed by every vendor seeking to do business with ODJFS. This must be submitted as part of the response to any solicitation. Failure by any vendor to complete, sign, and return the Affirmation and Disclosure Form with its application will result in rejection of the proposal as being non-responsive and disqualified from further consideration.
The signed originals of the above referenced forms (Attachment A., Sections I. and II.) are to be provided in the vendor’s original proposal. Photocopies of the completed and signed forms must also be provided with each of the required copies. The above referenced forms must also be included in the Technical Proposal CD-ROM.

In the event that the vendor proposes the use of any subcontractor(s), information on the subcontractor(s) and letters of commitment as required by Section 5.8, Minority Business Enterprise or 5.9, Subcontractor Identification and Participation Information should also be provided in Tab 1.

**Tab 2**  **Vendor Experience and Qualifications**

**Sub-Tab 2a.**  **Mandatory Vendor Qualifications (Section 3.1, A through C)**  
The vendor must include information to demonstrate how the vendor meets the mandatory qualifications as described in the corresponding section of this RFP.

**Sub-Tab 2b.**  **Organizational Experience and Capabilities (Section 3.2, A through C)**  
In this section, the vendor is to include their response to the organization experience and capabilities requirements (including any subcontractors) as described in the corresponding section of this RFP.

**Sub-Tab 2c.**  **Staff Experience and Capabilities (Section 3.3, A through F)**  
In this section, the vendor is to include their response to the staff experience and capabilities requirements (including any subcontractors) as described in the corresponding section of this RFP.

**Tab 3**  **Scope of Work & Administrative Structures – Proposed Work Plan**

**Sub-Tab 3b.**  **Administrative Structures – Proposed Work Plan (Section 4.3, A through E)**  
This section should describe in detail (in the order as outlined) the vendor’s administrative structures as specified in Section 4.3 of this RFP.

**Tab 4**  **Specifications of Deliverables (Section 4.4, A through H)**

**Sub-Tab 4a.**  **Deliverable A**

**Sub-Tab 4b.**  **Deliverable B**

**Sub-Tab 4c.**  **Deliverable C (etc.)**

This section should describe in detail how the vendor proposes to successfully achieve each of the deliverables specified in Section 4.4, Specifications of Deliverables of this RFP. The responses must address each element separately.
Tab 5  Vendor Attachments or Appendices (as necessary)

B.  Cost Proposal

Vendors are to complete the Cost Proposal Form, provided as Attachment D. to this RFP, according to instructions, sign it, and submit it fully completed as the separate sealed Cost Proposal. The Cost Proposal Form requires vendors to provide a group of individual prices for those services defined in Section 4.3, Specifications of Deliverables. Vendors are to use their professional comprehension of the effort required to perform those services and to offer to ODJFS its flat, all-inclusive fee for performing each. The prices offered in the vendor’s Cost Proposal will be the prices in effect throughout the contract period, including any renewal contracts. The Cost Proposal must include a statement that the prices quoted are firm.

At the vendor’s discretion, additional documentation may also be included with the completed Attachment D. as explanatory information, but when making the vendor selections and when executing the contract, ODJFS will consider only the dollar amounts displayed on the Cost Proposal Form. In calculating their total proposed cost, vendors must consider cost resulting from each deliverable listed in Section 4.3 of this RFP, as well as all program costs, primary and incidental, necessary to complete all program activities, whether explicitly identified by ODJFS in this RFP or not.

C.  IMPORTANT –VENDOR DISQUALIFIERS FOR PROPOSAL ERRORS:

1. Any vendor’s Technical Proposal found to contain any prohibited cost information shall be disqualified from consideration. Prohibited cost information is defined as any dollar amounts which might be deemed to be indicative of the relative cost or economy of the proposed project. Information on the assets, value, or historical business volume of the vendor is not considered to be such prohibited cost information, and may be included in any vendor's Technical Proposal as information on business capacity and stability. All prohibited cost information must be submitted within the separate, sealed Cost Proposal. Should a vendor include any documents which contain such cost information, the cost information in the Technical Proposal must be made unreadable by the vendor before submission of the proposal to ODJFS. Failure to follow these instructions will result in disqualification.

2. Any trade secret or proprietary information (as defined in Section 5.5 of this RFP) found anywhere in a proposal shall result in immediate disqualification of that proposal.

SECTION VII.  CRITERIA FOR PROPOSAL EVALUATION & SELECTION

7.1  Scoring of Proposals

ODJFS will contract with the vendor that best demonstrates the ability to meet requirements as specified in this RFP. Vendors submitting a response will be evaluated based on the capacity and experience demonstrated in their Technical and Cost Proposal. All qualifying proposals will be reviewed and scored by a Proposal Review Team (PRT), comprised of staff from ODJFS, Office of Family Assistance and their designees. Vendors should not
assume that the review team members are familiar with any current or past work activities with ODJFS. Proposals containing assumptions, lack of sufficient detail, poor organization, lack of proofreading and unnecessary use of self-promotional claims will be evaluated accordingly. PRT members will be required to sign disclosure forms to establish that they have no personal or financial interest in the outcome of the proposal review and contractor selection process.

Selection of the vendor will be based upon the criteria described in this RFP. The PRT reserves the right to reject any and all proposals, in whole or in part, received in response to this request. The PRT may waive minor defects that are not material when the intent is not unreasonably obscured. In scoring the proposals, ODJFS will score in three (3) phases:

A. **Phase I. Review—Initial Qualifying Criteria:**

In order to be fully reviewed and scored, proposals submitted must pass Phase I. Review as required in the Technical Proposal Score Sheet. Any “no” for the listed Phase I. criteria will eliminate a proposal from further consideration. Please refer to Attachment C., Technical Proposal Score Sheet for a complete listing of initial disqualifiers.

B. **Phase II. Review—Criteria for Scoring the Technical Proposal:**

The PRT will then score those qualifying Technical Proposals, not eliminated in Phase I. Review, by assessing how well the vendor meets the requirements as specified in the RFP. Using the Technical Proposal Score Sheet, the PRT will read, review, discuss and reach consensus on the final technical score for each qualifying Technical Proposal.

Any proposal which does not meet the minimum required Technical Proposal score as defined in Attachment C. will be disqualified from any further consideration and its Cost Proposal will neither be opened nor considered.

C. **Phase III. Review—Criteria for Considering the Cost Proposal**

The PRT will review the Cost Proposals for those qualifying Technical Proposals, not eliminated in Phase II Review. The grand total of each technically qualified Cost Proposal is divided by that vendor’s final Technical Proposal score. This compares the cost with the quality of the Technical Proposal which will provide an average cost-per-quality point earned on the Technical Proposal.

ODJFS may, at its sole discretion, negotiate with all technically qualifying vendors for a revised Cost Proposal. Vendors may then submit one last and best offer, or may request that ODJFS view its original Cost Proposal as its last and best offer, or may withdraw from further consideration, and shall indicate its choice according to directions provided by ODJFS at that time. Upon receipt of all last and best offers, ODJFS will then consider those vendors’ revised Cost Proposals which are within the budget according to the process described in this section above, and in the Technical Proposal Score Sheet, Attachment C., for vendor selection purposes.
7.2 **Review Process Caveats**

ODJFS may, at its sole discretion, waive minor errors or omissions in vendors’ Technical and/or Cost Proposals or related forms when those errors do not unreasonably obscure the meaning of the content.

ODJFS reserves the right to request clarifications from vendors to any information in their Technical and/or Cost Proposals or related forms and may request such clarification as it deems necessary at any point in the proposal review process. Any such requests for proposal clarification when initiated by ODJFS, and vendors’ verbal or written response to those requests, shall not be considered a violation of the communication prohibitions contained in Section 2.3 of this RFP. Such communications are expressly permitted when initiated by ODJFS and are at the sole discretion of ODJFS.

Should ODJFS determine a need for interviewing vendors prior to making a final selection, responses to interview questions shall be scored in a manner similar to the process described in Section 7.1, Scoring of Proposals, above. Such scored results may be either added to those vendors’ proposal scores, or will replace certain criteria scores, at the discretion of ODJFS. The standards for scoring the interviews and the method used for considering the results of the interviews shall be applied consistently for all vendors participating in the interview process for the RFP.

Vendors may request changes to the model contract, but any such requested changes must be approved by ODJFS either as requested or following a process of negotiation. While requested changes to the model contract may have no effect on a vendor’s proposal score, any proposed changes to the ODJFS model contract that cannot be accepted or negotiated without causing undue delay (as defined by ODJFS) in the execution of a contract may, at the sole discretion of ODJFS, result in the disqualification of the vendor and its proposal. See also Section 5.17, Contractual Requirements and Prevailing Wage Requirements of the RFP.

ODJFS reserves the right to negotiate with vendors for adjustments to their proposals should ODJFS determine, for any reason, to adjust the scope of the project for which this RFP is released. Such communications are not violations of any communications prohibition, and are expressly permitted when initiated by ODJFS, and are at the sole discretion of ODJFS.

Any vendor deemed not responsible, or any submitting a proposal deemed not to be responsive to the terms of this RFP, shall not be awarded the contract.

7.3 **Final Vendor Recommendation**

The PRT will recommend to the Director of ODJFS (or the Director’s designee) the technically qualified vendor offering the proposal most advantageous to ODJFS, as determined by the processes and requirements established in this RFP.

7.4 **Tie Breaker**

In the event that two (2) or more of the proposals have a score which is tied after final calculation of both the Technical Proposal and the Cost Proposal scores, the proposal with the higher score in the Technical Proposal will prevail.
SECTION VIII. PROTEST PROCEDURE

8.1 Protests

Any vendor objecting to the award of a contract resulting from the issuance of this RFP may file a protest of the award of the contract, or any other matter relating to the process of soliciting the proposals. Such a protest must comply with the following guidelines:

A. A protest may be filed by a prospective or actual vendor objecting to the award of a contract resulting from this RFP. The protest shall be in writing and shall contain the following information:

1. The name, address, telephone number, and e-mail address of the protestor;
2. The name and number of the RFP being protested;
3. A detailed statement of the legal and factual grounds for the protest, including copies of any relevant documents;
4. A request for a ruling by ODJFS;
5. A statement as to the form of relief requested from ODJFS; and
6. Any other information the protestor believes to be essential to the determination of the factual and legal questions at issue in the written protest.

B. A timely protest shall be considered by ODJFS, if it is received by ODJFS OCA, within the following periods:

1. A protest based on alleged improprieties in the issuance of the RFP or any other event preceding the closing date for receipt of proposals which are apparent or should be apparent prior to the closing date for receipt of proposals shall be filed no later than 3:00 p.m. the closing date for receipt of proposals, as specified in Section 2.1, Anticipated Procurement Timetable, of this RFP.
2. If the protest relates to the announced intent to award a contract, the protest shall be filed no later than 3:00 p.m. of the seventh (7th) calendar day after the issuance of formal letters sent to all responding vendors regarding ODJFS’ intent to make the award. The date on these ODJFS letters to responding vendors is the date used to determine if a protest regarding the intent to award is submitted by the end of the protest period.

C. An untimely protest may be considered by ODJFS if ODJFS determines that the protest raises issues significant to the department’s procurement system. An untimely protest is one received by ODJFS OCA after the time periods set forth in Item B. of this section.

D. All protests must be filed at the following location:

Deputy Director
ODJFS Office of Contracts and Acquisitions
30 East Broad Street, 31st Floor
Columbus, Ohio 43215

E. When a timely protest is filed, a contract award shall not proceed until a decision on the protest is issued or the matter is otherwise resolved, unless the Director of ODJFS determines that a delay
will severely disadvantage the Department. The vendor selected for award shall be notified of the receipt of the protest.

F. ODJFS OCA shall issue written decisions on all timely protests and shall notify any vendor who filed an untimely protest as to whether or not the protest will be considered.

8.2 Caveats

ODJFS is under no obligation to issue a contract as a result of this or any solicitation if, in the opinion of ODJFS and the PRT, none of the proposals are responsive to the objectives and needs of the Department. ODJFS reserves the right to not select any vendor should ODJFS decide not to proceed. Changes in this RFP of a material nature will be provided via the webpage dedicated to this solicitation. All vendors are responsible for obtaining any such changes without further notice by ODJFS. After issuance of an award letter, ODJFS reserves the right to rescind the award and choose the next most responsive and responsible vendor, if ODJFS and the recommended vendor are unable to come to a mutually acceptable contractual agreement.

Has the vendor proposed any changes to the ODJFS model contract attached to the RFP for use in the event of its selection for this project? Requested changes to the model agreement have no effect on a vendor’s score. However, any such requested changes must be approved by ODJFS, either as requested or following a process of negotiation. At the sole discretion of ODJFS, any proposed changes to the ODJFS model agreement that cannot be accepted or negotiated without causing undue delay (as defined by ODJFS) in the execution of a contract may result in the disqualification of the vendor and its proposal. See Section 7.2, Review Process Caveats, and Section 8.6, Contractual Requirements of the RFP.

PHASE II: Criteria for Scoring of Technical Proposal

Qualifying Technical Proposals will be collectively scored by a Proposal Review Team (PRT) appointed by ODJFS, Office of (Program Area). For each of the evaluation criteria given in the following score sheet, reviewers will collectively judge whether the Technical Proposal exceeds, meets, partially meets or does not meet the requirements expressed in the RFP, and assign the appropriate point value, as follows:

<table>
<thead>
<tr>
<th>0</th>
<th>Partially Meets Requirement</th>
<th>8</th>
<th>Exceeds Requirement</th>
</tr>
</thead>
<tbody>
<tr>
<td>Does Not Meet Requirement</td>
<td>Meets Requirement</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Technical Performance Scoring Definitions:

“Does Not Meet Requirement”- A particular RFP requirement was not addressed in the vendor’s proposal, **Score: 0**

“Partially Meets Requirement”- Proposal demonstrates some attempt at meeting a particular RFP requirement, but that attempt falls below acceptable level, **Score: 6**

“Meets Requirement”- Proposal fulfills a particular RFP requirement in all material respects, potentially with only minor, non-substantial deviation, **Score: 8**

“Exceeds Requirement”- Proposal fulfills a particular RFP requirement in all material respects, and offers additional level of quality, in excess of ODJFS expectations, **Score: 10**

The total Phase II score of a Technical Proposals will be the sum of the point value for all the evaluation criteria. The review team will collectively score each qualifying proposal individually. Technical Proposals which do not meet or exceed a total score of at least **560** points (the score which represents that the selected vendor has the capability to successfully perform the project/program services) out of a maximum of **730** points, will be disqualified from further consideration, and its Cost Proposal will neither be opened nor considered. Only those vendors who have submitted Technical Proposals that meet or exceed the minimum required technical points will advance to PHASE III of the Technical Proposal Score Sheet.

The ODJFS Contract Manager will notify CONTRACTOR when this certification is given.

With the exception of travel expenses, line item expenses listed in the budget may be reallocated upon the written approval of the ODJFS Contract Manager as long as the total amounts per SFY and the total overall Contract amount remains unchanged. Any changes to the travel costs will require a written amendment to this Contract.

D. Compensation will be paid upon completion of the Deliverables pursuant to CONTRACTOR’s accepted budget [or cost proposal] as incorporated below [or as attached].

E. CONTRACTOR will submit a detailed invoice(s) on a one-time, monthly, quarterly, annual basis to the ODJFS, Contract Manager, Office, Office Address OR Bureau of Accounts Payable at 30 East Broad Street, 37th Floor, Columbus, Ohio 43215. G. CONTRACTOR expressly understands that ODJFS does not have the ability to compensate CONTRACTOR for invoices submitted after the State of Ohio purchase order has been closed. State of Ohio purchase orders are issued per SFY. CONTRACTOR must submit final invoices for payment for each SFY no later than 90 calendar days after the end date of each SFY, or if earlier, the end date of this Contract. Failure to do so will be deemed a forfeiture of the remaining compensation due hereunder.

H. CONTRACTOR understands that availability of funds is contingent on appropriations made by the Ohio General Assembly or by funding sources external to the State of Ohio, such as federal funding. If the Ohio General Assembly or the external funding source fails at any time to continue funding ODJFS for the payments due under this Contract, this Contract will be terminated as of the date funding expires without further obligation of ODJFS or the State of Ohio.

I. CONTRACTOR and ODJFS understand that the terms of this Contract, when combined with any other payments made to or open encumbrances with CONTRACTOR during the same SFY, cannot establish compensation in excess of Fifty Thousand and 00/100 Dollars ($50,000.00) aggregate without prior approval from the State Controlling Board in accordance with ORC 127.16.
ARTICLE IV. SUSPENSION AND TERMINATION, BREACH AND DEFAULT

A. This Contract will automatically terminate upon expiration of the time period in ARTICLE II, or upon completion of all Deliverables, or once all compensation has been paid.

B. Notwithstanding other provisions in this ARTICLE, either party may terminate this Contract at will by giving 30 calendar days written notice to the other party. Upon written notice to CONTRACTOR, ODJFS may immediately suspend this Contract at ODJFS’s sole discretion.

C. Notwithstanding the provisions of Sections A or B, above, ODJFS may suspend or terminate this Contract immediately upon delivery of a written notice to CONTRACTOR if:

1. ODJFS loses funding as described in ARTICLE III;
2. ODJFS discovers any illegal conduct by CONTRACTOR; or
3. CONTRACTOR has violated any provision of ARTICLE VIII.

Suspension or termination under this provision shall not entitle CONTRACTOR to any rights or remedies described in Section F of this ARTICLE.

D. Unless otherwise provided for in this ARTICLE, CONTRACTOR will have 30 calendar days within which to cure any breach that is curable after receipt of written notice from ODJFS that CONTRACTOR is in breach of any of its obligations under this Contract. If CONTRACTOR fails to cure the breach within the 30 calendar days after written notice or if the breach is not curable, ODJFS may immediately suspend or terminate this Contract. ODJFS may also suspend or terminate this Contract when breaches are persistent, regardless of whether they are cured within 30 calendar days. For purposes of this Section, “persistent” means that ODJFS has notified CONTRACTOR 2 times in writing of CONTRACTOR’s failure to meet any of its contractual obligations. The 2 notices do not have to relate to the same obligation or type of failure. After the second notice, ODJFS may suspend or terminate this Contract without a cure period if CONTRACTOR again fails to meet any contractual obligation. At the sole discretion of ODJFS, certain instances of breach may require a shorter cure period than the 30 calendar days generally applicable in this Section. In such instances, ODJFS will include in its notice of breach the shorter cure period deemed appropriate. If ODJFS does not give timely notice of a breach to CONTRACTOR, ODJFS has not waived any of its rights or remedies concerning the breach.

E. CONTRACTOR, upon receiving notice of suspension or termination, will:

1. Cease performance of the suspended or terminated Deliverables;
2. Take all necessary steps to limit disbursements and minimize costs including, but not limited to, suspending or terminating all contracts and subgrants related to suspended or terminated Deliverables and refusing any additional orders;
3. Prepare and furnish a report to ODJFS, as of the date the notice of termination or suspension was received, that describes the status and percentage of completion of all Deliverables, including the results accomplished and the conclusions reached through Deliverables;
4. Deliver all records in their native format relating to cost, work performed, supporting documentation for invoices submitted to ODJFS, and deliver any and all materials or work produced under or pertaining to this Contract whether completed or not; and
5. Perform any other tasks ODJFS requires.

F. In the event of suspension or termination under this ARTICLE, ODJFS will, upon receipt of a proper invoice from CONTRACTOR, determine the amount of any unpaid Contract funds due to CONTRACTOR for Deliverables performed before CONTRACTOR received notice of termination or suspension. In order to determine the amount due to CONTRACTOR, ODJFS will base its calculations on the payment method described in ARTICLE III and any funds previously paid by or on behalf of ODJFS. ODJFS will not be liable for any further claims submitted by CONTRACTOR.
G. If ODJFS terminates this Contract for any reason provided in this ARTICLE, except for termination at will pursuant to Section B or termination for loss of funding pursuant to Section C, ODJFS will be entitled to utilize another contractor to complete the Deliverables of this Contract on any commercially reasonable terms as ODJFS and the covering contractor may agree. In this event, CONTRACTOR will be liable to ODJFS for all costs related to covering the project to the extent that such costs, when combined with payments already made to CONTRACTOR prior to termination, exceed the costs that ODJFS would have incurred under this Contract. CONTRACTOR’s liability under this Section is in addition to any other remedies available to ODJFS pursuant to this Contract.

H. Upon CONTRACTOR’s breach or default of provisions, obligations, or duties embodied in this Contract or any term of an award, a federal statute or regulation, an assurance, a State plan or application, a notice of award, or other applicable rule, ODJFS reserves the right to exercise any administrative, contractual, equitable, or legal remedies available without limitation. Any waiver by ODJFS of an occurrence of breach or default is not a waiver of subsequent occurrences. If ODJFS or CONTRACTOR fails to perform any obligation under this Contract and the other party subsequently waives the failure, the waiver will be limited to that particular occurrence of a failure and will not be deemed to waive other failures that may occur. Waiver by ODJFS will not be effective unless it is in writing signed by the ODJFS Director.

ARTICLE V. NOTICES

A. ODJFS and CONTRACTOR agree that communication regarding Deliverables, scope of work, invoice or billing questions, or other routine instructions will be between CONTRACTOR and the identified ODJFS Contract Manager.

B. Notices to ODJFS from CONTRACTOR that concern changes to CONTRACTOR’s principal place of operation, billing address, legal name, federal tax identification number, mergers or acquisitions, corporate form, excusable delay, termination, bankruptcy, assignment, any notice pursuant to ARTICLE VIII, and/or any other formal notice regarding this Contract will be sent to the ODJFS Deputy Director of Contracts and Acquisitions at 30 East Broad Street, 31st Floor, Columbus, Ohio 43215.

CONTRACTOR will assure that all products contain appropriate copyright attribution and
ODJFS will treat Deliverable products that contain appropriate copyright attribution as the intellectual property of CONTRACTOR for purposes of ORC 149.43.

B. All ODJFS information that is classified as public or private under Ohio law will be treated as such by CONTRACTOR. If CONTRACTOR fails to retain the pertinent records after receiving a litigation hold from ODJFS, CONTRACTOR agrees to pay all costs, damages and expenses associated with any cause, action or litigation arising from such destruction.

If CONTRACTOR fails, neglects, or refuses to make prompt payment of any claims for labor, services, or materials furnished to CONTRACTOR in connection with this Contract, ODJFS or the State of Ohio may, but is not obligated to, pay those claims and charge the amount of payment against the funds due or to become due to CONTRACTOR under this Contract.

E. Delay. Neither party will be liable for any delay in its performance that arises from causes beyond its control and without its negligence or fault. The delaying party will notify the other promptly of any material delay in performance and will specify in writing the proposed revised performance date as soon as practicable after notice of delay. The delaying party must also describe the cause of the delay and its proposal to remove or mitigate the delay. Notices will be sent pursuant to ARTICLE V. In the event of excusable delay, the date of performance or delivery of products may be extended by amendment, if applicable, for a time period equal to that lost due to the excusable delay. Items that are controllable by CONTRACTOR’s subcontractor(s) will be considered controllable by CONTRACTOR, except for third-party manufacturers supplying commercial items and over whom CONTRACTOR has no legal control. The final determination of whether an instance of delay is excusable lies with ODJFS in its discretion.

F. **Insurance.** If applicable, CONTRACTOR agrees to maintain, at its own cost, automobile, fleet, and commercial general liability insurance.

G. **Attachments.** Attachments and documents referenced in this Contract are made a part hereof, and are incorporated as terms and conditions of this Contract. In the event a conflict of terms, the terms and conditions of this Contract shall take precedence over any conflicting terms.

H. **Counterpart.** This Contract may be executed in one, or more than one counterpart and each executed counterpart shall be considered an original, provided that such counterpart is delivered to the other party by facsimile, mail courier or electronic mail, all of which together shall constitute one and the same agreement.

**ARTICLE XI. CONSTRUCTION**

This Contract will be governed, construed, and enforced in accordance with the laws of the State of Ohio. Should any portion of this Contract be found unenforceable by operation of statute or by administrative or judicial decision, the remaining portions of this Contract will not be affected as long as the absence of the illegal or unenforceable provision does not render the performance of the remainder of the Contract impossible.

| Has the vendor proposed any changes to the ODJFS model contract attached to the RFP for use in the event of its selection for this project? Requested changes to the model agreement have no effect on a vendor’s score. However, any such requested changes must be approved by ODJFS, either as requested or following a process of negotiation. At the sole discretion of ODJFS, any proposed changes to the ODJFS model agreement that cannot be accepted or negotiated without causing undue delay (as defined by ODJFS) in the execution of a contract may result in the disqualification of the vendor and its proposal. See Section 7.2, Review Process Caveats, and Section 8.6, Contractual Requirements of the RFP. | Yes; changes proposed? | No changes proposed? |
|--------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------|------------------|
|        | If changes were proposed by this vendor, are those changes such that ODJFS disqualifies the vendor?                                                                                                                            | Disqualified      | NOT Disqualified |

For each of the evaluation criteria given in the following score sheet, reviewers will collectively judge whether the Technical Proposal exceeds, meets, partially meets or does not meet the requirements expressed in the RFP, and assign the appropriate point value, as follows:

<table>
<thead>
<tr>
<th>0</th>
<th>6</th>
<th>8</th>
<th>10</th>
</tr>
</thead>
<tbody>
<tr>
<td>Does Not Meet Requirement</td>
<td>Partially Meets Requirement</td>
<td>Meets Requirement</td>
<td>Exceeds Requirement</td>
</tr>
</tbody>
</table>

Technical Performance Scoring Definitions:

“Does Not Meet Requirement”- A particular RFP requirement was not addressed in the vendor’s proposal, **Score: 0**

“Partially Meets Requirement”- Proposal demonstrates some attempt at meeting a particular RFP requirement, but that attempt falls below acceptable level, **Score: 6**

“Meets Requirement”- Proposal fulfills a particular RFP requirement in all material respects, potentially with only minor, non-substantial deviation, **Score: 8**

The total Phase II score of a Technical Proposals will be the sum of the point value for all the evaluation criteria. The review team will collectively score each qualifying proposal individually. Technical Proposals which do not meet or exceed a total score of at least 560 points (the score which represents that the selected vendor has the capability to successfully perform the project/program services) out of a maximum of 730 points, will be disqualified from further consideration, and its Cost Proposal will neither be opened nor considered.
