Doc/Admin/Tech W/	Fairsoft Ltd	2011- Doc/Admin/Tech Writer	2011- Doc/Admin/Tech Writer	2011- Doc/Admin/Tech Writer (7/1/2011-6/30/2012)	hr	\$108.11	\$108.11	N/A	Writes, in clear and concise language, such technical documents as procedure manuals, service manuals, and related technical publications concerned with installation, operation, and maintenance of electronic, electrical, mechanical, and other equipment. Includes writing such technical documentation as operational specifications, bulletins, articles, and marketing publications.	N/A	N/A	N/A
Architect	Fairsoft Ltd	2011-Architect	2011-Architect	2011-Architect (7/1/2011-6/30/2012)	hr	\$207.48	\$207.48	N/A	Responsible for all or part of the architecture of a system, sub-system or component. Responsibilities may include subsystem componentization, object modeling, performance, database design, operation and maintenance, availability, stability, etc.	N/A	N/A	N/A
Chief Architect	Fairsoft Ltd	2011-Chief Architect	2011-Chief Architect	2011-Chief Architect (7/1/2011-6/30/2012)	hr	\$235.88	\$235.88	N/A	Performs complex software design activities integrating multiple technologies. Provides architectural guidelines for all software design activities to current and future technological environments. Maintains state-of-the-art knowledge of technologies, planning, design, and analysis methodologies. Responsible for the design and architectural guidelines required for current and future software technological activities	N/A	N/A	N/A
Consultant I	Fairsoft Ltd	2011-Consultant I	2011-Consultant I	2011-Consultant I (7/1/2011-6/30/2012)	hr	\$90.50	\$90.50	N/A	Perform various tasks associated with IT professional services contract or project. Responsibilities may include, but are not limited to defining requirements, re-engineering business processes and/or defining and implementing operational procedures in the domain of the project. Activities are conducted under the oversight of a Senior Consultant, Senior Architect, Architect or Project Manager.	N/A	N/A	N/A
Consultant II	Fairsoft Ltd	2011-Consultant II	2011-Consultant II	2011-Consultant II (7/1/2011-6/30/2012)	hr	\$108.11	\$108.11	N/A	Lead consultant for a contractor/project. May interface to customer and perform some project management functions as well. Performs engineering (and/or systems engineering) functions as required for the defined project. These may include producing requirements, possibly including use cases; re-engineering business processes and/or defining and implementing operational procedures in the domain of the project.	N/A	N/A	N/A

Consultant III	Flairsoft Ltd	2011-Consultant III	2011-Consultant III	2011-Consultant III (7/1/2011-6/30/2012)	hr	\$155.16	\$155.16	N/A	Senior consultant for a contract or order or project interface to customer and perform project management functions as needed. Performs engineering (and/or systems engineering) functions as required for the defined project or across multiple projects. These may include producing requirements, including use cases; re-engineering business processes and/or defining and implementing operational procedures in the domain of the project.	N/A	N/A	N/A
Database Eng/Admin	Flairsoft Ltd	2011-Database Eng/Admin I	2011-Database Eng/Admin I	2011-Database Eng/Admin I (7/1/2011-6/30/2012)	hr	\$127.00	\$127.00	N/A	Providing technical expertise in the management, operation, and administration of COTS DBMS products and environments; supporting developers in the use and access to DBMS environments; developing programs and utilities to facilitate management; monitoring, and loading of database environments; developing and executing system backup and recovery operations; performing database modeling, design, construction, review, analysis, assessment, and maintenance for management information systems and/or the software engineering environment or repositories; coordinating and managing support efforts from test and evaluation specialists, system engineers, and software engineers utilizing relational, object-oriented database management systems and distributed database considerations and recommendations.	N/A	N/A	N/A
Database Eng/Adm	Flairsoft Ltd	2011-Database Eng/Admin II	2011-Database Eng/Admin II	2011-Database Eng/Admin II (7/1/2011-6/30/2012)	hr	\$155.07	\$155.07	N/A	Providing technical expertise in the management, operation, and administration of COTS DBMS products and environments; supporting developers in the use and access to DBMS environments; developing programs and utilities to facilitate management; monitoring, and loading of database environments; developing and executing system backup and recovery operations; performing database modeling, design, construction, review, analysis, assessment, and maintenance for management information systems and/or the software engineering environment or repositories; coordinating and managing support efforts from test and evaluation specialists, system engineers, and software engineers utilizing relational, object-oriented database management systems and distributed database considerations and recommendations.	N/A	N/A	N/A

Database Eng/Admin	Fairsoft Ltd	2011-Database Eng/Admin III	2011-Database Eng/Admin III	2011-Database Eng/Admin III (7/1/2011-6/30/2012)	hr	\$175.27	\$175.27	N/A	Providing technical expertise in the management, operation, and administration of COTS DBMS products and environments; supporting developers in the use and access to DBMS environments; developing programs and utilities to facilitate management, monitoring, and loading of database environments; developing and executing system backup and recovery operations; performing database modeling, design, construction, review, analysis, assessment, and maintenance for management information systems and/or the software engineering environment or repositories; coordinating and managing support efforts from test and evaluation specialists, system engineers, and software engineers utilizing relational, object-oriented database management systems and distributed database management systems and recommendations.	N/A	N/A	N/A	N/A
Functional Business	Fairsoft Ltd	2011-Functional Business Analyst I	2011-Functional Business Analyst I	2011-Functional Business Analyst I (7/1/2011-6/30/2012)	hr	\$108.11	\$108.11	N/A	Providing support services associated with multi-functional information systems, database, and security administration for the Integration Laboratory and Development Environment include developing and maintaining processes and procedures associated with these services for both local and remote support.	N/A	N/A	N/A	N/A
Functional Business	Fairsoft Ltd	2011-Functional Business Analyst II	2011-Functional Business Analyst II	2011-Functional Business Analyst II (7/1/2011-6/30/2012)	hr	\$133.23	\$133.23	N/A	Providing support services associated with multi-functional information systems, database, and security administration for the Integration Laboratory and Development Environment include developing and maintaining processes and procedures associated with these services for both local and remote support.	N/A	N/A	N/A	N/A
Functional Business	Fairsoft Ltd	2011-Functional Business Analyst III	2011-Functional Business Analyst III	2011-Functional Business Analyst III (7/1/2011-6/30/2012)	hr	\$156.16	\$156.16	N/A	Providing support services associated with multi-functional information systems, database, and security administration for the Integration Laboratory and Development Environment include developing and maintaining processes and procedures associated with these services for both local and remote support.	N/A	N/A	N/A	N/A
Information Assur E	Fairsoft Ltd	2011-Information Assur Eng I	2011-Information Assur Eng I	2011-Information Assur Eng I (7/1/2011-6/30/2012)	hr	\$128.86	\$128.86	N/A	Develops and implements security systems for any manual or automated systems. Responsible for ensuring the protection of resident data against unauthorized disclosure, accidental or intentional loss of data, or unauthorized modification	N/A	N/A	N/A	N/A
Information Assur E	Fairsoft Ltd	2011-Information Assur Eng II	2011-Information Assur Eng II	2011-Information Assur Eng II (7/1/2011-6/30/2012)	hr	\$157.25	\$157.25	N/A	Develops and implements security systems for any manual or automated systems. Responsible for ensuring the protection of resident data against unauthorized disclosure, accidental or intentional loss of data, or unauthorized modification	N/A	N/A	N/A	N/A

Programmer/Analyst	Flairsoft Ltd	2011- Programmer/Analyst	2011- Programmer/Analyst	2011- Programmer/Analyst (7/1/2011-6/30/2012)	hr	\$90.50	\$90.50	N/A	Development, testing, implementation and maintenance of application systems under the oversight of a Senior Consultant, Senior Architect, Architect or Project Manager. may include minimal design.	N/A	N/A	N/A
Programmer/Analyst	Flairsoft Ltd	2011- Programmer/Analyst II	2011- Programmer/Analyst II	2011- Programmer/Analyst II (7/1/2011-6/30/2012)	hr	\$154.25	\$154.25	N/A	Performs lead role with respect to analysis, specification, development, testing, implementation and maintenance of platform and application systems, including design and data modeling; may also include database design and implementation.	N/A	N/A	N/A
Programmer/Analyst	Flairsoft Ltd	2011- Programmer/Analyst III	2011- Programmer/Analyst III	2011- Programmer/Analyst III (7/1/2011-6/30/2012)	hr	\$177.67	\$177.67	N/A	Performs lead role with respect to analysis, specification, development, testing, implementation and maintenance of platform and application systems, including design and data modeling; may also include database design and implementation.	N/A	N/A	N/A
Project Mgr I/Project	Flairsoft Ltd	2011-Project Mgr I/Project Lead	2011-Project Mgr I/Project Lead	2011-Project Mgr I/Project Lead (7/1/2011-6/30/2012)	hr	\$158.00	\$158.00	N/A	Planning, directing, controlling, organizing, and coordinating the work activity of personnel involved in all aspects of this contract. Implementing a quality assurance program to insure services and products conform to applicable standards; formulating statements of management and technical problems; evaluating proposed computer systems to determine technical feasibility, implementation costs, operation costs, and functional adequacy. The specialized experience and education required are: Shall have experience in large MIS development. For the purpose of this document, large MIS is defined as a system generally analogous to one containing approximately five hundred or more programs supporting in the vicinity of a million lines of code. Shall have experience in managing a team composed of systems programmers, systems engineers, software engineers, and other MIS personnel when designing and implementing a large complex management information system.	N/A	N/A	N/A
Project Mgr II	Flairsoft Ltd	2011-Project Mgr II	2011-Project Mgr II	2011-Project Mgr II (7/1/2011-6/30/2012)	hr	\$197.76	\$197.76	N/A	Oversee all activities relative to the contract(s), order(s) and/or project(s) assigned. Oversight activities include, but are not limited to quality improvements, schedule management, budgetary management, contract compliance and staff management.	N/A	N/A	N/A

Quality Assurance Specialist	Fairsoft Ltd	2011-Quality Assurance Specialist	2011-Quality Assurance Specialist	2011-Quality Assurance Specialist (7/1/2011-6/30/2012)	hr	\$108.11	\$108.11	N/A	Develops, modifies, applies, and maintains standards for quality operating methods, processes, systems and procedures. Provides coordination and guidance in preparation of technical appraisals of programming languages and systems, computational software and related technology, and the integration of computers into the overall functions of scientific computation, and data acquisition, transmission, and processing. Ensures that corrective measures meet acceptable reliability standards. Develops overall operating criteria to ensure implementation of the software quality program according to project, process and contract requirements and objectives. Ensures that project and process control documentation are compliant with requirements, objectives and/or contract. Reviews software design, change specifications, and plans against contractual and/or process requirements. Reviews include applicable specifications, materials, tools, techniques, and methodologies. Performs or directs verification of software requirement allocations, traceability, and testability.	N/A	N/A	N/A
Systems Admin I	Fairsoft Ltd	2011-Systems Admin I	2011-Systems Admin I	2011-Systems Admin I (7/1/2011-6/30/2012)	hr	\$101.00	\$101.00	N/A	Provide support services associated with network, system, database, and security administration for the Integration Laboratory and Development Environment include developing and maintaining processes and procedures associated with these services for both local and remote support.	N/A	N/A	N/A
Systems Admin II	Fairsoft Ltd	2011-Systems Admin II	2011-Systems Admin II	2011-Systems Admin II (7/1/2011-6/30/2012)	hr	\$139.78	\$139.78	N/A	Provide support services associated with network, system, database, and security administration for the Integration Laboratory and Development Environment include developing and maintaining processes and procedures associated with these services for both local and remote support.	N/A	N/A	N/A
Training Specialist I	Fairsoft Ltd	2011-Training Specialist I	2011-Training Specialist I	2011-Training Specialist I (7/1/2011-6/30/2012)	hr	\$90.50	\$90.50	N/A	Define curriculum, developing course materials (teacher's guides, grading methods, students' notes, exercises, tests, and audiovisual presentation materials), organizing and conducting classes, soliciting student feedback, and reporting on class performance of students; and assisting in the development of computer assisted training tutorials.	N/A	N/A	N/A

Training Specialist II	Fairsoft Ltd	2011-Training Specialist II	2011-Training Specialist II	2011-Training Specialist II (7/1/2011-6/30/2012)	hr	\$108.11	\$108.11	N/A	Define curriculum, developing course materials (teacher's guides, grading methods, students' notes, exercises, tests, and audiovisual presentation materials), organizing and conducting classes, soliciting student feedback, and reporting on class performance of students; and assisting in the development of computer assisted training tutorials.	N/A	N/A	N/A
Training Specialist II	Fairsoft Ltd	2011-Training Specialist III	2011-Training Specialist III	2011-Training Specialist III (7/1/2011-6/30/2012)	hr	\$139.78	\$139.78	N/A	Define curriculum, developing course materials (teacher's guides, grading methods, students' notes, exercises, tests, and audiovisual presentation materials), organizing and conducting classes, soliciting student feedback, and reporting on class performance of students; and assisting in the development of computer assisted training tutorials.	N/A	N/A	N/A
Mgmt/Strategy Cons	Fairsoft Ltd	2011-Mgmt/Strategy Consultant I	2011-Mgmt/Strategy Consultant I	2011-Mgmt/Strategy Consultant I (7/1/2011-6/30/2012)	hr	\$316.42	\$316.42	N/A	Plans, organizes, directs, and tasks in problem areas of extensive scope and complexity. Has extensive technical responsibility for interpreting, organizing, executing and coordinating assignments. Makes technical decisions, which are considered authoritative, and which demonstrate mature judgment in anticipating and solving complex problems. Work requires the technical capability to assess the cost and schedule implications of existing and projected technological advances, as well as being able to evaluate the impact of new and innovative acquisition strategies.	N/A	N/A	N/A
Mgmt/Strategy Cons	Fairsoft Ltd	2011-Mgmt/Strategy Consultant II	2011-Mgmt/Strategy Consultant II	2011-Mgmt/Strategy Consultant II (7/1/2011-6/30/2012)	hr	\$330.06	\$330.06	N/A	Plans, organizes, directs, and tasks in problem areas of extensive scope and complexity. Has extensive technical responsibility for interpreting, organizing, executing and coordinating assignments. Makes technical decisions, which are considered authoritative, and which demonstrate mature judgment in anticipating and solving complex problems. Work requires the technical capability to assess the cost and schedule implications of existing and projected technological advances, as well as being able to evaluate the impact of new and innovative acquisition strategies.
