Fusion Technologies- 2018-PM II	2018-PM II	Project Manager II (1/1/2018-12/31/2018) Coordinates and works with internal and external parties to organize the various components needed to initiate, run and conclude major projects	Hour	\$	125.00
Fusion Technologies- 2019-PM II	2019-PM II	Project Manager II (1/1/2019-12/31/2019) Coordinates and works with internal and external parties to organize the various components needed to initiate, run and conclude major projects	Hour	\$	131.00
Fusion Technologies- 2019-PM II	2020-PM II	Project Manager II (1/1/2019-12/31/2019) Coordinates and works with internal and external parties to organize the various components needed to initiate, run and conclude major projects	Hour	\$	137.50
Fusion Technologies- 2018-PM III	2018-PM III	Project Manager III (1/1/2018-12/31/2018) Assembles project plans and teamwork assignments. Provides leadership and oversight direction of large projects. Directs and monitors work efforts on a daily basis, identifying resource needs, performing quality review and escalating quality and timeline issues appropriately.	Hour	\$	150.00
Fusion Technologies- 2019-PM III	2019-PM III	Project Manager III (1/1/2019-12/31/2019) Assembles project plans and teamwork assignments. Provides leadership and oversight direction of large projects. Directs and monitors work efforts on a daily basis, identifying resource needs, performing quality review and escalating quality and timeline issues appropriately.	Hour	\$	157.50
Fusion Technologies- 2020-PM III	2020-PM III	Project Manager III (1/1/2020-12/31/2020) Assembles project plans and teamwork assignments. Provides leadership and oversight direction of large projects. Directs and monitors work efforts on a daily basis, identifying resource needs, performing quality review and escalating quality and timeline issues appropriately.	Hour	\$	165.00
Fusion Technologies- 2018-Developer I	2018-Developer I	Developer I (1/1/2018-12/31/2018) Performs basic coding, for new and or existing system requirements	Hour	\$	70.00

Fusion Technologies- 2019-Developer I	2019-Developer I	Developer I (1/1/2019-12/31/2019) Performs basic coding, for new and or existing system requirements	Hour	\$	73.50
Fusion Technologies- 2020-Developer I	2020-Developer I	Developer I (1/1/2020-12/31/2020) Performs basic coding, for new and or existing system requirements	Hour	\$	77.00
Fusion Technologies- 2018-Developer II	2018-Developer II	Developer II (1/1/2018-12/31/2018) Performs complex coding according to specifications from a higher level developer or architect	Hour	\$	80.00
Fusion Technologies- 2019-Developer II	2019-Developer II	Developer II (1/1/2019-12/31/2019) Performs complex coding according to specifications from a higher level developer or architect	Hour	\$	84.00
Fusion Technologies- 2020-Developer II	2020-Developer II	Developer II (1/1/2020-12/31/2020) Performs complex coding according to specifications from a higher level developer or architect	Hour	\$	88.00
Fusion Technologies- 2018-Developer III	2018-Developer III	Developer III (1/1/2018-12/31/2018) Performs a variety of complex coding and collaborates with technical team on improvements to design. Manages other developers and works closely with business representatives and/or development architect.	Hour	\$	100.00
Fusion Technologies- 2019-Developer III	2019-Developer III	Developer III (1/1/2019-12/31/2019) Performs a variety of complex coding and collaborates with technical team on improvements to design. Manages other developers and works closely with business representatives and/or development architect.	Hour	\$	105.00
Fusion Technologies- 2020-Developer III	2020-Developer III	Developer III (1/1/2020-12/31/2020) Performs a variety of complex coding and collaborates with technical team on improvements to design. Manages other developers and works closely with business representatives and/or development architect.	Hour	\$	110.00
Fusion Technologies- 2018-Developer IV	2018-Developer IV	Developer IV (1/1/2018-12/31/2018) Works closely with project managers to determine needs of existing and custom systems to meet client needs. Manages other developers and works closely with business representatives and/or development architect.	Hour	\$	125.00
Fusion Technologies- 2019-Developer IV	2019-Developer IV	Developer IV (1/1/2019-12/31/2019) Works closely with project managers to determine needs of existing and custom systems to meet client needs. Manages other developers and works closely with business representatives and/or development architect.	Hour	\$	131.00
