On-Site Training Notes:

On-site pricing is based on training up to 4 students/class.
 All training is conducted during normal Océ business hours.
 All on-site training requests are completed within 14 days of machine installation.
 Travel charges are included if customer is located within 100 miles of the nearest Océ office.

Upon order confirmation, all training dates are coordinated with the customer by the Océ Education services administrator or Océ trainer.
 System Admin training is mandatory for all PrintExec and Docexec Pro system sales.
 Training fees do not include return visits by CTR's or AE's.
