Ohio Mobile Shredding is NAID Certified® and has been destroying sensitive data for more than 22 years. We provide high-security on-site and off-site destruction of documents, hard drives, all types of data and proprietary materials. Our rates are all-inclusive and include a Certificate of Destruction and a detailed, documented chain of custody.

On-site service: our uniformed, bonded, and fully-insured specialists collect your materials and shred them at your location with our mobile shredding truck.

Off-site service: our uniformed, bonded, and fully-insured specialists collect your materials and transport them in fully-enclosed, locked, GPS-tracked trucks to our destruction facility where they are destroyed under strictly controlled conditions. Our facility employs a monitored security system with 24/7/365 closed circuit surveillance and a 24/7/365 locked door policy.

For container service, locking document disposal consoles, 65 or 95 gallon receptacles or 500 lb. capacity carts are provided to agencies at no cost. Please log onto our web site, www.shredohio.com, for pictures of available containers.
