| 246-53 | CS-HK-05 | 10" Diameter Hose Kit; contains 200 total feet | 197 | $800 |
| **Transformer Rental** | | | | |
| 246-53 | CS-TR-01 | 300 kVa Transformer | 197 | $683 |
| 246-53 | CS-TR-02 | 500 kVa Transformer | 197 | $1,093 |
| 246-53 | CS-TR-03 | 750 kVa Transformer | 197 | $1,641 |
| 246-53 | CS-TR-04 | 1000 kVa Transformer | 197 | $1,823 |
| 246-53 | CS-TR-05 | 1500 kVa Transformer | 197 | $2,734 |

# Trane Rental Services

| SIN | Model Number | Product for Rent | Product Code | GSA Monthly Rental Rate |
|---|---|---|---|---|
| **Rental of DX/Voyager (Direct Exchange Refrigerant) Units** | | | | |
| 246-53 | CS-DX-01 | 25 Ton DX/Voyager (Direct Exchange Refrigerant) Unit | 197 | $2,411 |
| 246-53 | CS-DX-02 | 35 Ton DX/Voyager (Direct Exchange Refrigerant) Unit | 197 | $3,346 |
| 246-53 | CS-DX-03 | 50 Ton DX/Voyager (Direct Exchange Refrigerant) Unit | 197 | $4,823 |
| **Tower Rental** | | | | |
| 246-53 | CS-TO-01 | 500 Ton Tower (mounted on 48 foot step-deck trailer) | 197 | $5,949 |
| **Flex Duct Rental** | | | | |
| 246-53 | CS-FD-01 | 20" Flex Duct [contains (4) 25 foot sections of Flex] | 197 | $294 |
| **Rental of Electric Cable** | | | | |
| 246-53 | CS-EC-01 | 2/0 Cable Box (4) 100' Sections of Electric Cable | 197 | $335 |
| 246-53 | CS-EC-02 | 4/0 Cable Box (4) 100' Section of Electric Cable | 197 | $335 |
| **Trailer Rental** | | | | |
| 246-53 | CS-TA-01 | 48 foot Flatbed Trailer | 197 | $907 |

**NOTES:**

(1) The total monthly Rental Rate equals the GSA Monthly Rental Rate multiplied by both the Time of Year Multiplier and the Multi-Month Rental Mutiplier.
(2) The **Time of Year Multiplier** is set out in the Table below.

Time of Year Multiplier

| Time of Year Discount | Month |
|---|---|
| 0.80 | January |
| 0.80 | February |
| 0.80 | March |
| 0.80 | April |
| 0.85 | May |
| 1.00 | June |
| 1.00 | July |
| 1.00 | August |
| 0.80 | September |
| 0.80 | October |
| 0.80 | November |
| 0.80 | December |

# Trane Rental Services

| SIN | Model Number | Product for Rent | Product Code | GSA Monthly Rental Rate |
|---|---|---|---|---|

(3) The **Multi-Month Rental Multiplier** is set out in the Table below.

Multi-Month Rental Multiplier

| Multiplier | Months |
|---|---|
| 1 | 1-2 |
| 0.85 | 3-6 |
| 0.75 | 7-12 |

(4) Trailers are rented at the rate of $900 per month, regardless of the time of year or length of the rental. This rate is not discounted. Flatbed trailers are 48-Ft or 53-Ft.
(5) The rental rate for a Transformer is waived if the Transformer is rented with a Chiller.
(6) The Time of Year and Muti-Month Rental Multipliers are not applied to the Rental Rate for Electric Cable.
(7) The Time of Year Multiplier is not applied to the Rental Rate for DX/Voyager Units. Multi-month discounts can apply.

(8) For rental periods that include partial months, the Rental Rates will be calculated as follows:

First Month - Weekly rate will equal 1/3 of monthly rate.
Daily rate will equal 1/7 of weekly rate.

Ending Month - Weekly rate will equal 1/4 of monthly rate.
Daily rate will equal 1/7 of weekly rate.

The minimum rental period is one week.

**(10) Transformers -** Lugs for transformers must be provided by others and are not included. Transformers kVa 300, 500, 750 are for 208, 240, 480, & 600 Volts. Transformers kVa 1,000 & 1,500 (and some 750's) are for 480, 600, 2400, & 4160 Volts.

**(11) Hose Kits -** Trane will not split boxes of the 2.5", 4", or 6" hoses. For 2.5" , 4", and 6", each hose box contains (1) 10ft section, (1) 15ft section, (1) 25ft section, (3) 50ft sections, (2) 90's, (2) 45's, (2) vict-to-flange adapters & vict couplings. For 10" hose box it contains (1) 10ft section, (1) 15ft section, (7) 25ft sections, (2) 90's, (2) 45's, (2) vict-to-flange adapters & vict couplings

# Trane Rental Services

| SIN | Model Number | Product for Rent | Product Code | GSA Monthly Rental Rate |
|---|---|---|---|---|
| **(12) Electric Cable -** The Time of Year and Multi-Month Rental Multipliers are not applied to the rental rate for Electric Cable. Each 2/0 awg or 4/0 awg cable box contains (4) 100-ft sections, (4) 15-ft male pigtails, and (4) 15-ft female pigtails. If pricing electrical cable boxes please note multiple runs per phase might be required depending on the actual unit chosen. Please call Trane Rental Services at 800-755-5115 for any electrical questions regarding Trane Rental cable boxes. Wiring is only provided for 460V side. If a transformer is required the wiring for the building side must be provided by others. | | | | |
| **(13) Chillers -** 300-ton Air-Cooled chiller pricing includes trailer and chiller is on trailer. 400-ton and 500-ton Air-Cooled chiller pricing includes trailer, pump, and 200-ft hose kit of 6-in hose. All Water-Cooled chillers are stored in Charlotte, NC and ship with a Nitrogen holding charge. Refrigerant will be shipped in cylinders on the trailer. The chiller will need to be charged at delivery and the refrigerant recovered before it is sent back. | | | | |
| **(14) Pumps -** Pumps do not have wiring. This must be provided by others. | | | | |
| **(15) Ancillary Items -** Items such as pumps, hose kits, transformers, trailers, and electrical cable can only be rented with a chiller or DX unit. Trane Rentals does not rent these items as stand-alone items. | | | | |

## CALMAC ICE BANK Thermal Energy Storage

| SIN | Reference Number | Description | Price w/IFF |
|---|---|---|---|
| **MODEL 1500C ICE BANK Tank** | | | |
| 246-42(2) | CALM-1500C | **Model 1500CSF** (same end connections), **1500CRF** (opposite end connections) **ICE BANK Tanks.** 486 nominal ton-hours each, (2) - 4" flanged connections, 89"(w) x 273"(L) x 102"(H). Price is per tank for quantities of six or less Model 1500C Tanks. For quantities of tanks greater than six, see **Reference Number # CALM-1500C-7** for the price of additional Model 1500Cs on the same project. A 1500C & 1320C lifting bar is required for Model 1500C tanks. | $28,728 |
| 246-42(2) | CALM-1500C-7 | **Additional Model 1500C ICE BANK tanks over six per project.** Price is per tank for greater than six Model 1500C tanks on the same project. A 1500C & 1320C lifting bar is required for Model 1500C tanks. | $28,035 |
| 246-42(2) | CALM-1500C-TB | **Add for Total Burial.** Buried tank option allows one (1) foot below grade burial of tank on a concrete pad. A layer of wood chips can be used to cover the tank. The price includes thicker tank walls, a center support, one set of shut off valves with access extensions for valves, and fill port extensions for each 1500C tank for field installation. | $3,120 |
| 246-42(2) | CALM-1500C-MAT | **Add for Mixair Tank Option.** Mixair tank adds the ability for air agitation to occur during discharge. See CALMAC catalog for discharge performance details. Models with Mixair require properly sized air blower and can only use Ultrasonic meters. Price for Model 1500C mixair tank is in addition to cost for standard Model 1500C tank. | $1,882 |
| **MODEL 1320C ICE BANK Tank** | | | |
| 246-42(2) | CALM-1320C | **Model 1320CSF** (same end connections), **1320CRF** (opposite end connections) **IceBank Tanks.** 324 nominal ton-hours each, (2) - 4" flanged connections, 89"(w) x 183"(L) x 102"(H). A 1500C & 1320C lifting bar is required for Model 1320C tanks. | $18,921 |

## CALMAC ICE BANK Thermal Energy Storage

| SIN | Reference Number | Description | Price w/IFF |
