LEGACY

1600

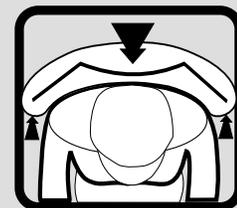

The Legacy chair series is a premier ergonomic seating solution that combines exceptional comfort and support with an attractive appearance that meets the challenge of today's active office.

LEGACY 1600

STANDARD FEATURES

- Swivel-tilt mechanism (1600D, 1600, 1650) featuring infinite tilt lock, pneumatic seat height adjustment and tension control
- Seat slider for seat depth adjustment
- Ratchet back height adjustment
- Patented internal lumbar back support that self adjusts to the user's back providing incredible lateral support while offering excellent pelvic stability
- Contoured molded seat foam incorporates a "water-fall" design that gently slopes away from the legs, minimizing pressure on the thighs while promoting correct posture
- Ratchet height and width adjustable arms
- Lockable pivoting polyurethane arm pad
- Injection molded back shroud on back post for improved aesthetics
- 5 prong heavy duty nylon base
- 2" dual wheel carpet casters
- High density, high resiliency molded back and seat foam for added durability and comfort
- Finish – mechanism, base, arms, casters and trim standard in black
- Meets or exceeds ANSI/BIFMA standards
- Patented - internal lumbar and lateral back support that adjusts to the user's back for personalized support and comfort

GXO chair designed to compliment the styling and features of the CXO, SXO, LXO and MXO executive, management, task and conference chairs. The GXO guest chair offers styling and comfort.

GXO 6301

STANDARD FEATURES

- **Responsive elastic mesh** - Translucent patterned ABLEX™ weave mesh back, in which the responsive elastic mesh creates a contoured shape that provides perfect support for all users automatically
- **Shapely arms** - Short shapely arms provide comfortable support and easy access in and out of the chair
- **Extreme comfort** - Seat consists of a thin ultra-comfortable ENERSORB™ pillow top foam that allows for greater blood circulation reducing seating pressure points which provides the guest with extreme comfort
- **Healthy seat** - Waterfall seat design
- **Great stability** - Angled rear legs for stability
- **Finish** - frame, arms, and trim standard in graphite

The GXO guest chair offers beauty, performance and unprecedented comfort in its class.

The NXO chair is a nesting, stacking and storing chair that provides comfort, versatility and style to any workplace.

NXO 6401

STANDARD FEATURES

- **Ergonomic support.** Unique reclining motion of the back provides comfortable relaxed support throughout the workday
- **Easy access.** Folding seat allows the chair to nest horizontally providing a smart storage solution
- **Space efficient.** Vertical stacking capability of up to four chairs high provides even greater space-efficient storage
- **Aeration.** The perforated back with small holes enhances airflow and keeps the sitter cool
- **Easy to move.** Lightweight with durable casters make this chair easy to move
- **Aesthetics.** Light and clean. Fits in without dominating the look or feel of the workspace
- **Design.** A visual companion to nontraditional work chairs; an ideal companion to the XO Collection of chairs

- **Comfort.** Upholstered seat featuring soft responsive Enersorb™ foam provides for hours of supportive sitting comfort
- **Finish - frame, arms and trim standard in graphite**
- **California Fire Code #117**
- **ANSI/BIFMA**

Allows people to quickly and easily come together, move around, move apart-whatever the work requires.

Ideal for informal, flexible spaces where reconfiguration is encouraged, smaller scale is important, and comfort is key.

Ideal for training rooms and workstations, cafeterias and call centers, touch down areas or long days of learning.

AXO featuring an articulating mesh back is the perfect multiuse chair that provides unsurpassed comfort for waiting areas and impromptu meetings.

AXO 6501

STANDARD FEATURES

- **Multiple uses.** One chair provides a variety of solutions –meeting spots, multiuse rooms, workstation guest seating, touch down stations, conference rooms, team areas, break-out spaces and training areas
- **Multiple users.** One chair fits all kinds of different people as it supports many different work styles
- **Responsive elastic mesh -** Translucent patterned weave mesh back, in which the responsive elastic mesh creates a contoured shape that provides perfect support for all users automatically
- **Ergonomics.** Articulating mesh back provides responsive personalized lumbar support and constant support regardless of your body posture
- **Extreme comfort -** Seat consists of a thin ultra-comfortable ENERSORB™ pillow top foam that allows for greater blood circulation reducing seating pressure points which provides the guest with extreme comfort

- **Flexibility.** Light weight design and durable carpet casters allow the chair to be mobile for easy seating configurations
- **Design.** Coordinating design with non-traditional work chairs and ideal companion with the XO Collection of chairs
- **Rear angled legs for stability**
- **California Fire Code #117**
- **ANSI/BIFMA**

For waiting rooms, training rooms, workstations, cafeterias and call centers, touch down areas or long days of learning.

Articulating mesh back and upholstered Enersorb foam seat provide extreme comfort for occasional seating.

Easy to move, easy to configure. The perfect chair for any multiuse application.

(i) this is a reinforced, upholstery quality vinyl.
(ii) this is a combination of quality leather and simulated vinyl.
*Sample cards for this healthcare designer vinyl available upon request.

Due to variances in fabric dye lots and offset printing, Nightingale Corp. does not guarantee that the colors shown in the catalogue or on sample fabric cards will be a perfect match to the actual colors.

Non-Stocking Fabric Program

In order to provide our customers with a greater selection of fabrics and colors, Nightingale Corp. offers a wide variety upholstery fabrics to our textile collection. These fabrics are only available in fabric grades as indicated below. Nightingale's standard delivery times are subject to availability of these **non-stocked fabrics**.

ARM OPTIONS

The following arm options are only available to the series as indicated and are not always exactly as illustrated.

FIXED HEIGHT ARMS

Type UR
Polyurethane tear drop arm pad.
List Price: 80.00
Series: 3600

Type Y
Polyurethane swing arm pad
(Black only).
List Price: 223.00
Series: 3600

Type LP
Polyurethane loop arm, steel
reinforced (Black only).
List Price: 125.00
Series: 3200, 3600

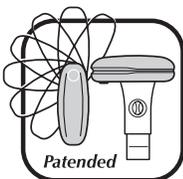

HEIGHT ADJUSTABLE ARMS

Type A
Polyurethane tear drop arm pad.
List Price: 118.00
Series: 3600, 6800

Type AP
Polyurethane elongated arm pad
(Black only).
List Price: 118.00
Series: 3900

Type YA
Polyurethane swing arm pad
(Black only).
List Price: 245.00
Series: 3200, 3600, 6800

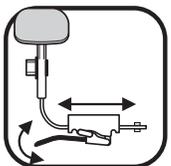

Type ASL
Height adjustable arm with
polyurethane semi-loop arm pad.
List Price: 170.00
Series: 3200, 3600, 4400

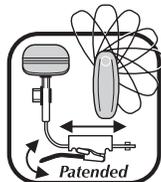

Type AL
Height Adjustable Loop Arm.
Polyurethane steel reinforced
(Black only).
List Price: 194.00
Series: 3200, 3600, 4400, 6800

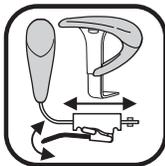

LEVER OPERATED - WIDTH AND HEIGHT ADJUSTABLE ARMS

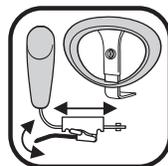

Type HP
Polyurethane elongated arm pad.
List Price: 162.00
Series: 3200, 4400

Type HY
Polyurethane swing arm pad
(Black only).
List Price: 294.00
Series: 4400

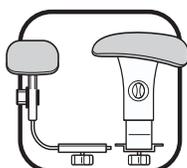

Type HASL
Semi-loop arm pad.
List Price: 214.00
Series: 4400

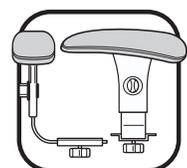

Type HL
Polyurethane loop arm pad.
List Price: 238.00
Series: 4400

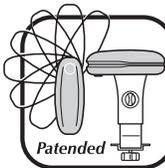

STANDARD - KNOB OPERATED - WIDTH AND HEIGHT ADJUSTABLE ARMS

Type AA
Polyurethane tear drop arm pad.
List Price: 141.00
Series: 3200, 3600.

Type AAP
