# WHAT'S NEW AT GREAT OPENINGS

Great Openings' product line continues to expand and evolve in function and design. It's all about Speed, Support & Performance....

**Modular Towers** – These new 23 1/2" x 23 1/2" towers feature full-depth lateral file drawers and double door storage modules that can be rotated in the field to add versatility and function. Available in 3 heights, freestanding or mobile. (Page 53)

**3/4 Pedestal Desk** – This tough, new factory assembled workhorse is built to stand up to the daily classroom and custodial demands of the educational environment. Available with single or double pedestal options. Check out the optional Dry Erase Board, situated at just the right height for our smallest customers! (Page 18)

**Full Depth Wardrobe Towers**  
Double door storage towers are now available with a roomy 23 1/2" depth and side-to-side coat rods that allow plenty of room for hangers and wardrobe storage. Available in three heights, freestanding or mobile. (Page 54)

**Pedestal Tower Desks** – Clean and modern functionality for your workspace, these desks are available with three different work surface shapes. A single part number makes ordering simple. (Pages 16-17)

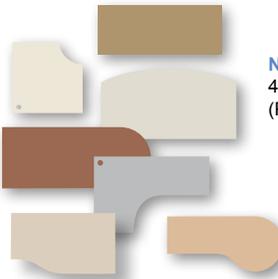

**Shortened Cupboard Wardrobe Towers** – Our very versatile Cupboard Wardrobe Tower is now available as a "3-high"! Perfect for aligning with lower height panel systems. Freestanding or mobile. (Page 55)

**Bookcase Pedestal Desk** – Designed for teachers, this stylish and functional desk allows for under-work surface textbook and file storage. Add a center drawer for even more storage. (Page 17)

**Full-Depth Work Surface Supporting Lateral Files** – Adding function and economy to our Freestanding Desks, these 23 1/2" deep lateral files are available in three widths. They feature an open top and attach directly under the work surface, eliminating the need for a panel leg. (Pages 36 and 41)

**New Work Surfaces** – We've added 42 new work surface shapes and sizes. (Pages 16 - 30)

## Additional New Products:

- Optional BLACK version of our N: Satin Nickel Pull (page 3)
- Magnetic Tack Boards and Dry Erase Boards (Pages 18, 34, 47, and 56)
- Single Piece Modesty Panels (Pages 21, 22, 28-30)
- Economical Plastic Center Drawer (Page 33)
- Perforated Modesty Panel upgrade for DPD's (Page 22)
- Wall Mounted Brackets for Overheads and Shelves (Page 60)
- Overhead Storage Cabinets with Satin Nickel Pull (Page 61)
- Task Lights for Overhead Storage (PAGE 61)

**Desk Components Sold Separately** – Ready to design your own desk configuration? Here's everything you need, sold à la carte: Work Surface Supporting Desk Cabinets, Legs (including a new "H" leg), Gussets, Modesty Panels, Splice Plates, and Work Surfaces. Knock yourself out! (Pages 36 - 39)

# HOW TO SPECIFY CASEGOODS

For information on how to specify desk products, see individual desk product pages.

	1 Product Code	2 Drawer Front	3 Product Number	4 Finish	5 Accessories	
Pedestal	EL	A	2009	44	EY	(pedestal, "A" drawer front, 18 7/8" deep, mobile, file/file, SC Black, security upgrade)
Lateral File	RG	N	0703	141	W	(lateral, "N" drawer front, 4 drawer 30" wide, HW Chalk, counterweight factory installed)
Wardrobe Tower	LG	R	2009	385	TL	(wardrobe with coat door on left, "R" drawer front, 52" high file/file, HM Just Tan, translucent dome top)

All drawer fronts are not available on all products. For restrictions see page 3 and the individual product pages.

\* Indicates these 7 Herman Miller® colors feature color-coordinated recessed pulls on drawer fronts "D" and "F." Products ordered in any other color will include black recessed pulls, when fronts "D" and "F" are specified.  
 \*\* The plastic Haworth® Premise® like pulls for the "P" fronts will match these 8 Haworth Premise paint colors. If your product is ordered with the "P" front in any other paint color, the pull will be #06 Charcoal.

No-Front Option:  
 Order our cabinets without fronts and apply your own fronts in the field. Please call Customer Service for details.

## LOCK PROGRAM

SEE INSIDE COVER FLAP  
FOR SPEC. GUIDE

### UM Series Locks (Our standard series):

All Great Openings filing and storage products are equipped with UM Series master-keyed, core-removable locking systems. We support a key/core range of 226 to 425. UM Series locks are flat faced and matte black in color. All standard Great Openings products are shipped with randomly assigned cores/keys. UM Series cores and keys are interchangeable with **Herman Miller** products using the same lock series and range.

**Product Restrictions:** Available on all products.

**Ordering Instructions:** No special instructions needed.

### SL Series Locks:

Our SL lock cores and keys are interchangeable with the **Haworth** SL lock series. We support the same key/core range as Haworth: SL-001 through SL-300. Great Openings' SL series locks are scalloped faced and matte black in color. When SL series locks are specified, Great Openings products will be shipped with randomly assigned SL cores/keys. **Haworth ML Series** lock cores will also operate with our SL Lock mechanism. However, Great Openings does not offer ML cores and keys. It is the dealer's responsibility to source and provide the ML cores/keys. When using SL Locks with ML cores, Great Openings' products will be shipped with no core.

**Product Restrictions:** Not available on the Freestanding Desk Over Storage Hutch.

**SL Ordering Instructions:** You must clearly specify "Haworth SL Series Locks" on your purchase order.

**ML Ordering Instructions:** You must clearly specify "Haworth SL Series Locks-No Core" on your purchase order.

### K Series Locks:

Our K Series key will operate the **Knoll K** Series locks. You cannot interchange K Series cores between Great Openings and Knoll products. We support a key range of K-001 through K-100. Should you require numbers K-101 through K-250, please contact Customer Service. K Series locks are flat faced and matte black in color. When K Series locks are specified, Great Openings products will be shipped with no core. Specified key and core numbers will be shipped separately to be installed in the field, so as to correspond with the appropriate Knoll workstation key plan.

**Product Restrictions:** Not available on Freestanding Desk Over Storage Hutch.

**Ordering Instructions:** You must clearly specify "Knoll K Series Locks with key numbers & quantities required" on your purchase order. (Example: "Knoll K Series qty = 11 key #K019")

Lock Series	MFG Compatibility	Interchangeable With:	Key # Range	Aesthetic	Standard Shipment	Key Alike Service	Special Order Instructions
UM	Herman Miller/ Great Openings	Key & core	226 to 425	Black/flat	Random key & core	Yes	None
SL	Haworth SL & ML	Key & core	1 to 300	Black scalloped	SL - Random key & core ML - No Core	SL - Yes ML - No	Yes, see above
K	Knoll	Key only	1 to 250	Black/flat	No Core only	Yes	Yes, see above

### Key-Alike Process and Charges:

- Your key-alike request can be ordered on the original purchase order or under separate cover.
- Key-alike requests for the UM, SL, and K Series locks are processed at no charge as long as the quantity of key/core sets match the quantity of cabinets. Additional sets can be ordered for \$10 net price per set.
- When including the UM and SL Series locks, products will be shipped with randomly assigned cores/keys. Your key-alike requests for all lock series will be shipped separately and labeled to allow for easy change-out in the field, after the product is installed.
- A core-removal key is provided at no charge with each key-alike request. Master Keys and additional core keys can be ordered at \$10 net price per key.

**Standard Paint Finishes:**

Great Openings is pleased to offer you 55 standard colors, all at standard lead times and price. These colors apply to all products that we manufacture with no minimum order quantity. All standard colors are smooth, with the exception of the “textured colors”. Finishes are either an epoxy-polyester, electrostatically applied, or a high-solids baked enamel, both of which provide for excellent consistency and superior chip and fade resistance.

**Non-Standard Paint Finishes:**

Great Openings can match almost any color that you need using our color approval process. We have two classifications for non-standard colors: **SELECT** and **CUSTOM**. If you require a non-standard color, please send us a metal paint sample and we will determine its classification and treatment. We will then inform you of the color classification and send you a metal sample for your written approval.

**1. Select Colors:**

Definition: Any non-standard color that is currently in our tinting system at the time of order that will allow us to formulate and produce this color in-house. Color classification will be determined individually for each and every non-standard color order.

Select Color Parameters:

- Non-standard color classification and the following parameters will apply each time the color is ordered.
- Minimum order size (of Select product color) is \$2,500 dealer list, or a \$75 net lab fee will apply.
- Minimum lead-time is 10 working days after we receive your written approval.

**2. Custom Colors:**

Definition: Any non-standard color that is NOT currently in our tinting system at the time of order that will require us to out-source color formulation and production. Color classification will be determined individually for each and every non-standard color order. The possibility exists that the classification could change from order to order.

Custom Color Parameters:

- Non-standard color classification and the following parameters will apply each time the color is ordered.
- Minimum order size is \$30,000 dealer list per color or a \$700 net lab fee will be applied.
- Minimum lead-time is 15 working days after we receive your written color approval.
- Newly sourced paint will require testing to ensure compatibility with Great Opening's paint systems before order approval is given.

**Safeguarding Quality Standards, Controlling Costs:**

Certain colors fall outside the scope of this program due to production, quality or cost issues.

We reserve the right to apply additional charges for certain colors that are difficult to apply, or to refuse orders for certain colors that will not meet our stringent quality standards. This determination will be made during the color classification stage of the process.

**Standard Work Surfaces:**

In support of our Freestanding Desk, Lateral File, and FileCenter products, Great Openings offers 15 high-pressure laminate work surfaces with coordinated 3 mm PVC edge trim.

GO Part # Desk Top	GO Part # FileCenter & Laterals	Laminate Name	Cross Reference Wilsonart®	Edge Type

For laminate samples please contact Wilsonart® at 800-433-3222, or see [www.wilsonart.com](http://www.wilsonart.com)

**No-Top Option:**

Great Openings welcomes you to source your own work surfaces. We make this easy with our No-Top pricing option, which allows you to combine that special curvilinear shape and/or special edge trim with our quality metal case goods to create the ultimate desking solution for your customer.

**Note:** Great Openings' standard laminate work surfaces have been specifically designed and tested to meet or exceed ANSI-BIFMA standards for safety and stability. When installing a non-standard work surface (i.e., a Great Openings' "No-Top option"), it is the customer's responsibility to ensure the safety and stability of the freestanding desk.

**Board Specifications:**

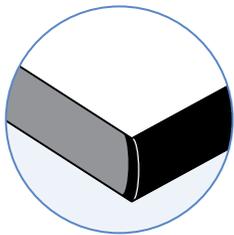

Construction:	Balanced
Core Material:	1 1/8" thick 45 lb. density particle board
Backer Material:	.038" phenolic
Finished Thickness:	1 1/4"
Drill Locator Holes:	Locator holes strategically placed to align support elements

**Laminate Specifications:**

Manufacturer:	<b>Wilsonart</b>
Laminate Material:	High Pressure
Laminate Grade:	.040 Horizontal
Laminate Finish:	#60 Matte

**Edge Trim Specifications:**

3mm PVC, vinyl square

3mm PVC  
Edge Band

**Grommet Specifications:**

Corner Desk	Standard (one 3" diameter/black grommet placed in back corner)
All Other Components	Field installed option only (see desk assembly instruction for placement details)
Grommet Accessory	2 1/2" diameter round, black color (available in package of ten)

**Non-Standard Laminate / Edge Treatment (COM):**

1. Special laminate orders require a minimum of a 3 week lead-time.
2. You must submit laminate and/or edge sample chips, manufacturer names, pattern names, and identification numbers at least two weeks in advance of your purchase order.
3. Non-standard laminate/edge orders cannot be changed or cancelled after the order has been confirmed by our Customer Service Department.

Please note that non-standard laminates or edges may require additional charges, lead-time, or minimum order quantities.

**Standard Fabric Program:**

This fabric offering may be applied to our Cushion Mobile Pedestals, Cushion Mobile FileCenters, Desk Over Storage Hutch Tack Boards, Wall-Mounted Overhead Storage Tack Boards and Privacy Screens. We have selected a pallet of twelve accent colors from the C.F. Stinson - New Hempstead Collection. This fabric is a low texture, solid-color (non-patterned), 100% polyester that will work very well as seating upholstery or for a vertical tack board application. The following is a cross reference list for these fabrics:

Privacy Screens & Tack Boards	Pedestal & FileCenter Cushions	Color Name	C. F. Stinson
BL	7A	Black	NH333
GY	7B	Gray	NH395
NK	7C	Nickel	NH361

**COM (Customer's Own Material) Fabric Program:**

Great Openings welcomes COM fabric orders to allow our customers to coordinate the decor of any office environment. The ordering instructions are as follows:

- Order the appropriate product number.
- Ship the required yardage (see product pages) of the desired fabric to Great Openings, 3390 Broadmoor SE, Suite A, Grand Rapids, MI 49512, 888-429-5511. Please be sure to clearly label your fabric package with your Great Openings purchase order number, dealer name, fabric description and yardage quantity.
- Lead-time for COM fabric orders is 10 working days after receipt of fabric.
- Great Openings reserves the right to refuse to apply any COM fabric that we deem insufficient quality for production or user application.
- Our standard warranty does not apply to COM fabric-covered items: cushions, tack boards and privacy screens.

The GO Freestanding Desk consists of multiple workstation elements including desks, credenzas, returns, peninsulas, over storage hutches, corners, bridges, privacy screens, tables, individual components and accessories. The modularity of the elements and work surface shapes allow you to configure an endless array of workstation designs for both the private office and open plan applications.

### No-Top Option

All of our desking elements and typical workstations are available with a No-Top pricing option. We welcome you to source your own work surfaces in order to lower your workstation cost or to satisfy special design requirements (custom laminate patterns, edge trims, and shapes). Please contact Customer Service for more information.

### General Specifications

- All desk elements attach to each other with simple hardware included with each item.
- Modesty panels (both full-height and half-height) specified with returns, bridges and peninsulas feature a two-piece, telescoping design which will expand and contract to ease the assembly process.
- Single and Double Pedestal Desks, Corner Desks and Extended Corner Desks will include single piece (not two-piece telescoping) full height or half height modesty panels.
- All modesty panels consist of 22-gauge steel.
- End panel legs are double-walled 20-gauge steel, floor height support, and match pedestal depths (21 7/8" and 27 7/8").
- Leveling glides are a stylized design with 1 5/8" adjustment.
- Desk finished height is 29" nominal and under work surface clearance is 27 3/4" plus leveling glide adjustment.
- Over Storage Hutch ships fully assembled with a removable back panel and tack board as standard.
- Over Storage Hutch includes full width back panel pass through rubber strip, shelf grommet and vertical covered channels for wire management.
- Corner Desk Leg Covers for wire management are available as an accessory.
- 12" Panel Legs and "H" Legs are sold separately for special workstation configurations.

### Application Notes (Do's and Don'ts)

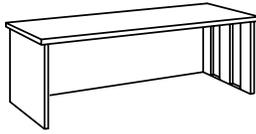

- Corner Desks are standard with clear access legs for knee space and cannot be specified in a freestanding or end-of-worksurface-run application.
- Peninsula Desks cannot be specified in a freestanding application.
- Over Storage Hutch uprights must be placed within 2" of a pedestal, clear access leg or end panel support.
- Remember to verify that Over Storage Hutch width matches desk or required span dimension.
- Bridges cannot be attached to any Return or Single Pedestal Return components.
- A Single Pedestal Desk should be a minimum of 66" wide when specifying with a Return, or Peninsula (L-Station application) to leave adequate chair, keyboard and knee space.

### Desk Elements Shipped Knocked-Down or Assembled

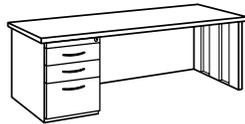

- Over Storage Hutch always ship assembled, for immediate placement on top of work surfaces.
- All other desk elements ship knocked-down. Single Pedestal Desks and Double Pedestal Desks may be assembled prior to shipment. Please contact Customer Service for pricing and lead-time information.

### Assembly Notes

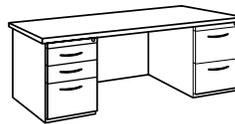

- Detailed assembly instructions are included with every order.
- Desk elements without modesty panels require end panel support gussets. (2 gussets included).
- Modesty panels mount flush to the work surface and floor supports. Full-height modesty panels extend to approximately two inches from floor to accommodate cable management.
- Work surfaces are pre-drilled to align support components and center drawers. Work surfaces overhang 1/2" on the user edge and sides, and 1 1/2" on the back side.
- Please see assembly instructions for field installed grommet placement guidelines.

Work Surfaces

These illustrated workstations are functional examples of the potential configurations that may be assembled from Great Openings Freestanding Desk elements. The following is a list of options that must be specified on most desk orders:

1. Pedestal drawer front style - replace the “?” in the product number with the appropriate letter designator.
2. Color of metal components.
3. Laminate and PVC edge (if ordering without top, add “NT” as a suffix to the product number).
4. Fabric for tack board or privacy screen.
5. Drawer configuration for pedestals (box/box/file or file/file).
6. Inclusion of optional modesty panel, either half-height or full-height.

29	30	72	36	"P" right	PR 3072 F	\$1,708	\$848

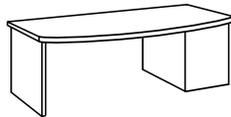

Required to Specify

1. Product number.
2. Pedestal drawer front style - replace the “?” in the product number with the appropriate letter indicator.
3. Metal desk component color.
4. Laminate option, or the suffix “NT” for “No-Top” option.
5. Pedestal includes box/box/file drawer configuration as standard. If you prefer a file/file pedestal for a 30” depth desk instead, then substitute a “2” for the first “3” in the product number. For example: SPDU ? 22448 N, rather than SPDU ? 32448 N. Note: A file/file pedestal may only be used with 30” work surfaces, due to stability concerns.
6. Note: desk pedestals are different from our standard WSS peds; counterweight is included for stability.

Single Pedestal Desk – No Modesty

Rectangular

Bow Front

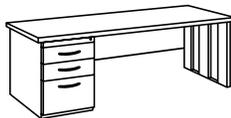

HPL laminate top field-assembled to one all-welded metal panel leg with reinforced gussets, and one box/box/file pedestal.

Pedestal may be assembled on the right or left side. UM Series lock is included.

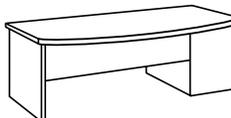

For 24” deep single pedestal desks, a file/file pedestal may not be substituted (in order to meet ANSI-BIFMA requirements for stability).

Required to Specify

1. Product number.
2. Metal desk component color.
3. Tack board fabric.
4. Task light is sold separately see page 33.
5. Note: Over Storage Hutches are available only with UM Series locks.
6. Please remember to verify that the Over Storage Hutch width matches that of the desk(s) beneath it.

Over Storage Hutch – Open Shelf

Hutch sits atop freestanding desk work surface. Includes full back panel with full-width rubber wire management strip, 4 wire management covers, and tack board with fabric of your choice.

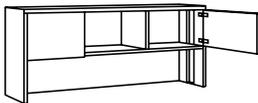

A single grommet for routing cables is located in the center back of the shelf. Bottom of shelf is 21" above the work surface, and shelf back is 8" tall. Inside depth of the shelf is 13 5/8".

Back panel and tack board may be removed at work site for pass-through communication, if desired.

**The Over Storage Hutch is assembled prior to shipment, which significantly lowers installation costs.**

Over Storage Hutch – Hinged Doors

Hutch sits atop freestanding desk work surface. Includes full back panel with full-width rubber wire management strip, 2 wire management covers, and tack board with fabric of your choice.

Two under-the-shelf locks feature UM Series cores and keys. Hinged doors may be ordered with or without acrylic plastic translucent window inserts.

Back panel and tack board may be removed at work site for pass-through communication, if desired.

Bottom of shelf is 21" above the work surface. Inside depth of cupboard is 13 5/8", and inside height is 14". An open shelf between the two cupboards includes a grommet for routing cables and is located in the center back.

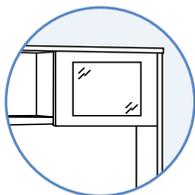

Shelf space between cupboards is as follows:

- 48" wide hutch - no open shelf
- 60" wide hutch - 12" open shelf
- 66" wide hutch - 18" open shelf
- 72" wide hutch - 24" open shelf

**The Over Storage Hutch is assembled prior to shipment, which significantly lowers installation costs.**

**How to Order Tack Board Fabric:**

Please specify fabric choice on your purchase order (see inside cover of this price book for options). For **COM** simply ship the fabric to Great Openings, 3390 Broadmoor SE, Suite A, Grand Rapids, MI 49512, 888-429-5511. Please be sure to clearly label your fabric package with your Great Openings purchase order number, dealer name, fabric description and yardage quantity.

Required yardage per tack board, using 54" or 66" fabric width:

- 48" wide tack board requires 54" fabric (1.5 linear yards)
- 60" wide tack board requires 66" fabric (2 linear yards)
- 66" wide tack board requires 72" fabric (2 linear yards)
- 72" wide tack board requires 78" fabric (2.5 linear yards)

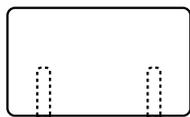

**An Installation Note:**

Over Storage Hutch end panels must be within 2" of a pedestal, corner leg or panel support.

## Required to Specify

1. Product number.
2. Privacy screen fabric.

### Rectangular Privacy Screen

Dotted lines indicate hidden mounting brackets

Tackable board is covered on both sides with fabric of your choice. Brackets and fasteners are included, which allow the screen to be fastened to the underside of the work surface.

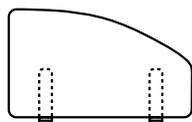

12 gauge metal mounting brackets slide between these back-to-back tackable boards and are hidden from sight. \*See cut-away diagram below.

Privacy screen widths may be matched to that of the corresponding work surface size.

Screens measure one inch less than the work surface widths to allow for even spacing between screens, wire management, and cornering applications.

H	D	W	Product #	Price
20 3/4	1	23	PSR 24	\$473
20 3/4	1	29	PSR 30	\$528
20 3/4	1	35	PSR 36	\$577
20 3/4	1	41	PSR 42	\$627
20 3/4	1	47	PSR 48	\$682

20 3/4	1	65	PSR 66	\$852
20 3/4	1	71	PSR 72	\$907

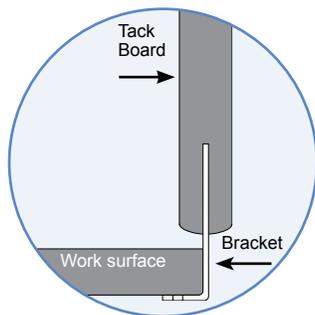

### Scalloped Privacy Screen

Dotted lines indicate hidden mounting brackets

Scalloped-shaped screen provides a "finished" look for desks positioned at the end of a run.

H	D	W	Product #	Price
20 3/4	1	29	SPSR 30	\$567
20 3/4	1	35	SPSR 36	\$605

\*Side view of how bracket works.  
Note: Bracket mounts under work surface and inside tack board.

#### How to Order Privacy Screen Fabric:

Please specify fabric choice on your purchase order (see inside cover of this price book for options).

For COM simply ship the required yardage to:

Attn: Great Openings  
3110 Wilson Drive N.W.  
Walker, MI 49534  
616-662-0200

Please be sure to clearly label your fabric package with your Great Openings purchase order number, dealer name, fabric description and yardage quantity.

#### Required yardage per screen, using 54" or 66" fabric width:

- 23" wide screen requires 29" fabric (1 linear yard)
- 29" wide screen requires 35" fabric (1 linear yard)
- 35" wide screen requires 41" fabric (1.5 linear yards)
- 41" wide screen requires 47" fabric (1.5 linear yards)
- 47" wide screen requires 53" fabric (1.5 linear yards)
- 59" wide screen requires 65" fabric (2 linear yards)
- 65" wide screen requires 71" fabric (2 linear yards)
- 71" wide screen requires 77" fabric (2.5 linear yards)

The scalloped-shaped screens require the same amount of fabric as the rectangular screens. The 20 3/4" screen height dimension will be taken from the width of the cloth.

Required to Specify

1. Product number.
2. Metal finish color, where appropriate.

Task Light

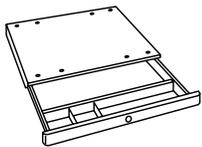

Task light snaps in place beneath the hutch shelf with spring mount clips. A 3 1/2" wide lens opening provides maximum light output.

Features a T8 Tri-phosphor 3500K fluorescent lamp and thermally protected class "P" rapid start NPF magnetic ballast with a class A sound rating included.

9' black SJT cord may be threaded down covered wire management channel on either side of the hutch. Task light is black.

## Full Depth Lateral File – Work Surface Supporting

Full-depth file is 23 1/2" deep and includes a 21 1/3" deep drawer bin. Installed at the end of a desk run, it eliminates the need for a panel leg.

Includes lock, full extension slides, and file bar to accommodate letter, A4, and legal files. May be configured to file side-to-side or front-to-back.

Horizontal lines of the cabinet base, drawer fronts, and lock facing match those of all other products on this page as well as GO's Wardrobe Towers.

Maximize filing capacity as follows:  
 23" unit: 20 1/4" w, 1 row filing, side-to-side  
 30" unit: 26 3/4" w, 2 rows filing, front-to-back  
 36" unit: 33 1/4" w, 2 rows filing, front-to-back

Desk Component Note and Warranty Disclaimer:

The individual Desk Components, sold separately on pages 36 through 39, are provided for customer convenience when creating customized desk configurations. It is exclusively the customer's responsibility to select the correct components and component sizes, and to ensure product safety and stability in the application of these components.

Please see the Desk Assembly Guide (supplied with each order) for proper placement, sequence and tools for connecting support legs, modesty panels, and work surfaces. The guide is also posted on our web site: [www.greatopenings.com](http://www.greatopenings.com).

Panel Legs (non-handed)

The 21 7/8" and 27 7/8" depth panel legs correspond with 24" and 30" work surfaces and are placed on work surface ends where no pedestal or other storage support exists.

12" depth support legs provide additional support and knee space for special size and shaped workstations. All panel legs include bracket and fasteners for affixing to work surface.

Product	Qty	Product #	Price
12" Panel Leg	Pkg. of 1 leg	GSK 1201 ???	\$192
	Pkg. of 2 legs	GSK 1202 ???	\$385
21 7/8" Panel Leg	Pkg. of 1 leg	GSK 2401 ???	\$220
	Pkg. of 2 legs	GSK 2402 ???	\$440
27 7/8" Panel Leg	Pkg. of 1 leg	GSK 3001 ???	\$247
	Pkg. of 2 legs	GSK 3002 ???	\$495

Gussets

Two Gussets are required to support 12", 21 7/8" and 27 7/8" Panel Legs when no modesty panel is used. Fasteners are included. Gussets measure 6" x 6" x 3/4".

Product	Qty	Product #	Price
Gussets	Pkg. of 2 gussets	GSK 022 ???	\$44

Splice Plates

Splice Plates connect two work surfaces at 90 degree angles to one another. Measures 4" x 4". Black.

Product	Qty	Product #	Price
Splice Plates	Pkg. of 2 plates	GSP 02 K	\$33

Corner Legs

Used in corner desk and other special applications, this 7" x 7" x 7" triangular corner leg provides stability and knee space. Available in packages of 1 or 3 legs. Includes bracket and fasteners.

Corner legs are 27" H and include stylized leveling glides that allow for 1 5/8" adjustment.

Magnetic corner leg covers close out triangular leg wire management channel to safely conceal cables and wires. Magnetic attachment allows for easy removal and replacement.

Product	Qty	Product #	Price
Corner Leg	Pkg. of 1 leg	GCL 01 K ???	\$137
	Pkg. of 3 legs	GCL 01 ???	\$396
Corner Leg Covers	Pkg. of 3 covers	GCL 0016-1 ???	\$220

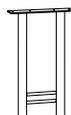

Post Leg

Post leg diameter is 3" dia x 27 3/4" H with adjustable leveling glide. See desk assembly guide for proper placement and modesty panel interface.

Product	Qty	Product #	Price
Post Leg	Pkg. of 1 leg	GSK 00036 ???	\$165

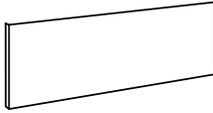

"H" Leg

"H" Leg is 27 3/4" H and includes an adjustable leveling glides. Top plate is 6" x 18", and fasteners are included. Column diameter is 2". Recommended for tops 24" - 30" in depth.

Product	Qty	Product #	Price
"H" Leg	Pkg. of 1 leg	GHL 2214 ???	\$385

Single Piece Modesty Panel

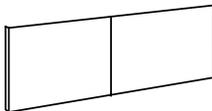

Consist of durable 22 gauge metal "U" form design, pre-drilled for quick installation (fasteners included).

Available in full-height and half-height options and widths that correspond with Great Openings' Single Ped, Double Ped, Corner and Extended Corner desk sizes.

All of Great Openings' Lateral Files feature Grade A construction, meeting or exceeding all applicable ANSI-BIFMA standards for durability and safety. A LIFETIME WARRANTY ensures outstanding long-lasting performance and after-sale support.

## Steel Construction

- All-welded steel frame construction, formed in key areas for strength.
- 18 gauge inner frame, 20-22 gauge outer panels, cold rolled steel.

## Locks

- Lateral Files include UM Series (#226-425), black-faced, master-keyed, core removable locks. Key-alike service is available.
- Cabinets are shipped with randomly-assigned keys and cores.
- Other lock and key series are available, including Haworth™ SL and Knoll™ K Series.
- Additional lock options and key-alike information is available in the Introduction.

## Finish

- Great Openings' metal finishes are either an epoxy-polyester powder, electrostatically applied, or a high-solids baked enamel finish.

## Counterweights

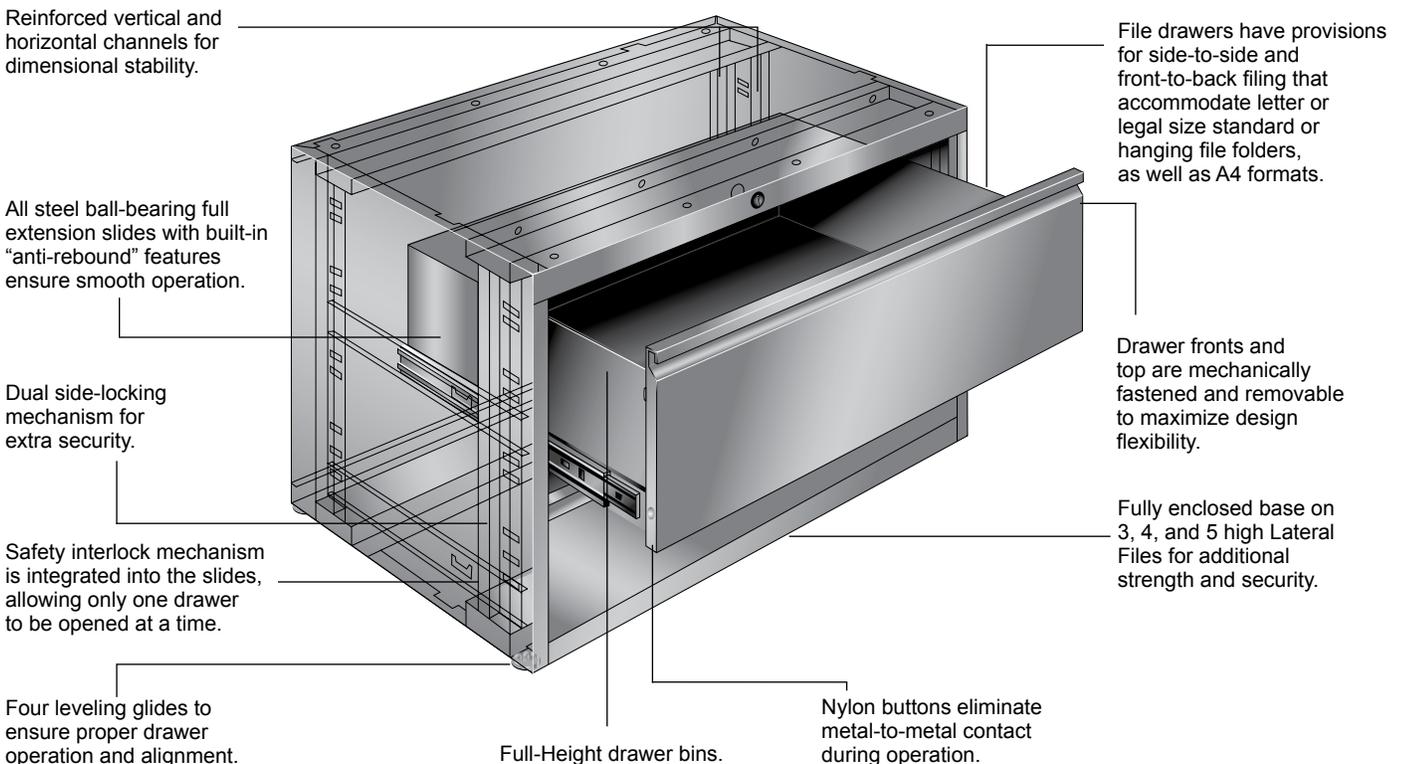

- Counterweights are required for 2, 3, 4 and 5 drawer files if not anchored or ganged to another file, and are sold separately.

## Lateral File Drill Locators

- 2 small circles on side of each lateral, making it easy to drill and gang laterals together so that counterweights are not necessary.

## Drawer Bin Specifications

- Standard lateral drawer bins are 16" deep, 9 1/2" high, and 26 5/8", 32 5/8", or 38 5/8" wide.
- Lateral File drawers are inset, and the vertical edge detail, (i.e., radiused vs. squared) applies to the cabinet itself.

**Standard Lateral File**

Locking freestanding lateral file accommodates letter, A4, and legal files.

Full extension steel ball-bearing slides, with safety interlock system that allows for only one drawer to open at a time.

Note that fronts are recessed inside the cabinet, while other WSS laterals on this page feature out-set, full-width fronts.

Counterweight is required for all lateral files if not anchored or ganged to another file, and must be purchased separately.

On five-high lateral files, the top opening is a door that flips-up to recede into the cabinet, with a roll-out shelf.

Lateral files include UM Series locks. Leveling glides allow for 7/8" height adjustment.

Lateral drawer load capacity:

- 30" drawer 70 lbs
- 36" drawer 85 lbs
- 42" drawer 100 lbs

**Work Surface Supporting Lateral File**

A cost effective workstation solution that eliminates the need for a lateral file top, counterweight and safety interlock while horizontally aligning with Great Openings pedestals and wardrobe towers.

A locking, work surface supporting unit featuring an open top with channels designed to mount underneath a work surface. Drawers include full extension, steel ball-bearing suspension and accommodate letter, A4 and legal files.

Horizontal lines of the cabinet base, drawer fronts, and lock facing match those of all other WSS products as well as GO's Wardrobe and Pedestal Towers.

**Work Surface Supporting Full-Depth Lateral File**

Full-depth file is 23 1/5" deep and includes a 21 1/3" deep drawer bin. Installed at the end of a desk run, it eliminates the need for a panel leg.

Includes lock, full extension slides, and file bar to accommodate letter, A4, and legal files. May be configured to file side-to-side or front-to-back.

Horizontal lines of the cabinet base, drawer fronts, and lock facing match those of all other WSS products as well as GO's Wardrobe and Pedestal Towers.

Maximize filing capacity as follows:  
23" unit: 20 1/4" w, 1 row filing, side-to-side  
30" unit: 26 1/4" w, 2 rows filing, front-to-back  
36" unit: 33 1/5" w, 2 rows filing, front-to-back

## Lateral File/Storage Cabinet

Lateral file with file drawers and integrated double door storage cupboard includes two UM Series locks, keyed-alike.

For units that include 2-high cupboards, binder-height storage is available on one adjustable shelf. 3-high cupboard includes two adjustable shelves, which allow for binder-height storage on two shelves.

Full extension steel ball-bearing slides and safety interlock system allows for only one drawer to open at a time. No counterweight is necessary. Leveling glides allow for 7/8" height adjustment.

Please note: The inside clear height of the top lateral drawer is 1/2" shorter than that of a standard drawer.

Fronts not available:  
B: S-9000

## Lateral File/Open Shelves

Non-locking lateral file features file drawers and integrated open shelves.

For units that include 2-high open shelves, binder-height storage is available on one adjustable shelf. 3-high cupboard includes two 3/4" tall adjustable shelves, which allow for binder-height storage on two shelves.

Full extension steel ball-bearing slides and safety interlock system allows for only one drawer to open at a time. No counterweight is necessary.

Please note: The inside clear height of the top lateral drawer is 1/2" shorter than that of a standard drawer.

This unit is available with all of Great Openings' drawer front styles.

### 15" Receding Door Lateral File With Fixed Shelves

Locking lateral files feature 15" opening heights, with 13" inside usable height for large binder storage.

All doors flip-up and recede into the cabinet, revealing fixed shelves with an inside depth of 15 3/4" that accommodates letter, A4, and legal files.

No counterweight is necessary, as all shelves are fixed.

Fixed shelf load capacities:

- 30" shelf: 90 lbs
- 36" shelf: 105 lbs
- 42" shelf: 125 lbs

Fronts not available:  
B: S-9000

The 5-high 15" Receding Door Lateral is not available with any radiused door front style.

4-high  
64 1/8"

### Over-File Unit

The Over-File Unit may be field-installed on top of any Great Openings lateral file to create additional overhead storage. It is not compatible with other manufacturers' lateral files.

Locking cabinet includes UM Series locks, and features two sliding doors.

Available with either radiused or square front vertical edges, to match with lateral file drawer front style.

The inside clear height of the OFU is 21", with one 3/4" tall adjustable shelf. This allows for binder height storage on one shelf. The inside clear depth is 15 5/8".

## Lateral Files With 6" Drawers

Locking freestanding lateral file features 6" high drawers with an inside clearance of 5 5/8", which can accommodate compact disks stored spine-up.

Metal wire CD holders specially designed to fit into these 6" lateral drawers are sold separately (see below).

Full extension steel ball-bearing slides, with safety interlock system that allows for only one drawer to open at a time.

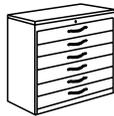

Counterweight is required for 2, 3, and 4-drawer files if not anchored or ganged to another file, and must be purchased separately.

Lateral files include UM Series locks. Leveling glides allow for 7/8" height adjustment.

CD Racks in  
Lateral File

## CD Racks

Designed to fit into our 6" tall lateral drawers, these black plastic-coated wire racks each hold 30 standard CD cases. Sold in sets of 4, 6 and 7 CD racks.

H	D	W	Product #	Drw Options	Pkg Wt	Pkg Cube	Price
4	15 5/8	5 5/8	LCD 430	4 CD Racks	4 lb	1.6 ft	\$93
			LCD 636	6 CD Racks	5 lb	1.6 ft	\$145
			LCD 742	7 CD Racks	5 lb	1.6 ft	\$163

Lateral Drw. Width: #CD Racks:  
 30" wide 4  
 36" wide 6  
 42" wide 7

**Security Bar-Lock**

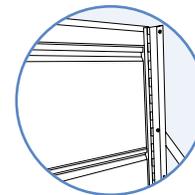

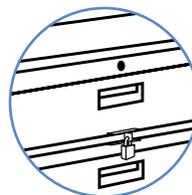

Any standard 2, 3, 4, and 5-high lateral file with 6" or 12" drawers may be upgraded to include full-height piano hinges on each front vertical edge, with one set of hinged horizontal security bars that will accommodate a keyed or combination pad lock.

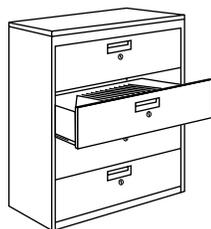

Piano hinges and horizontal bars are 11 gauge metal, and welded in place. Pad lock is not included.

Bar-Lock lateral files require a 3-week lead time.

Product #	Price
Add a "BL" as a suffix to the lateral product number Add \$418 to the list price of the lateral file.	\$460

**Individual-Locking Drawer Lateral File**

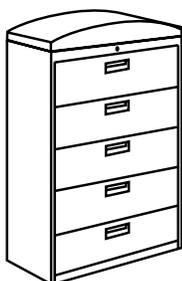

Any standard 2, 3, and 4-high lateral file with all 12" drawers may be upgraded to include individual security locks on each drawer.

Available on any Great Openings drawer front style.

Product #	Price Per Drawer
Add an "RY" as a suffix to the lateral product number Add \$110 to the list price per drawer of the standard lateral file.	\$121

**36" Lateral File Dome Top**

Any 36" lateral file may be specified to include a metal dome top. Factory installed, it adds 5" to the height of the lateral file.

This accessory price will be added to the standard lateral file price.

Product #	Price
Add a "DT" as a suffix to the lateral product number	\$432

Because the dome top carries a square front vertical edge, it is not recommended for use on cabinets that include radiused door and drawer fronts.

**Lateral File Laminate Top**

Any 30", 36", 42" Great Openings lateral file may be specified to include a laminate top with PVC edge band instead of the standard metal top.

Specify the standard GO laminate and edge; the top will be assembled prior to shipment.

This accessory price will be added to the standard lateral file price.

Product #	Price
Add laminate color number as a suffix to the lateral product number	\$368

Because the laminate top carries a square front vertical edge, is not recommended for use on cabinets that include radiused door and drawer fronts.

## Counterweight – Factory Installed

You may choose to have counterweights installed in the factory prior to shipment.

Product #	Package	Price
Add a "W" suffix to the lateral file product number	2 drawer c-wt	\$247
	3 drawer c-wt	\$178
	4 drawer c-wt	\$127
	5 drawer c-wt	\$47

## Counterweight – Sold Separately

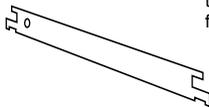

In order to satisfy ANSI-BIFMA standards for stability, counterweights are required for all lateral files that include roll-out drawers or shelves.

Fixed shelf lateral files do not require counterweights, nor do lateral files that are anchored to a wall or ganged together. See specific lateral file descriptions to determine counterweight requirements.

These counterweights are shipped separately to be installed at the worksite.

Product #	Package	Pkg Wt	Pkg Cube	Price
LFM 2200 19	2 drawer c-wt	45 lb	.7 ft	\$247
SME 2300 19	3 drawer c-wt	35 lb	.6 ft	\$178
SME 2400 19	4 drawer c-wt	25 lb	.6 ft	\$127
SME 2500 19	5 drawer c-wt	10 lb	.6 ft	\$47

## File Conversion Bar

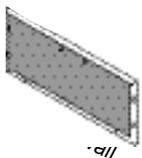

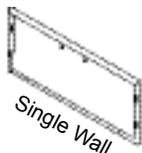

Lateral file conversion bars make it possible to file documents from front-to-back in the drawer.

Product #	Package	Pkg Wt	Pkg Cube	Price
LME 4500 19	(package of 4)	2 lb	.8 ft	\$25

- “How many lateral file conversion bars do I need?”**
- 30" wide lateral
    - 2 conversion bars per drawer for letter size filing
    - not recommended for legal size filing
  - 36" wide lateral
    - 2 conversion bars per drawer for letter size filing
    - 2 conversion bars per drawer for legal size filing
  - 42" wide lateral
    - 4 conversion bars per drawer for letter size filing
    - 2 conversion bars per drawer for legal size filing

(Please note that you will have significant unoccupied space when filing legal size documents.)

## Double Wall Drawer Front Upgrade

Lateral files may be upgraded to include a metal close-out plate fastened behind the drawer front, with sound-absorbing corrugated material inserted between. Provides a quieter, heavier feel when opening and closing the drawer.

Not available on 15" flipper doors, nor on the following standard lateral fronts:

- A: Full Pull
- B: S-9000 Pull
- D: Radiused, Recessed Pull
- F: Square, Recessed Pull

Product #	Price
Add "U" suffix to the product number.	Price per drawer \$55

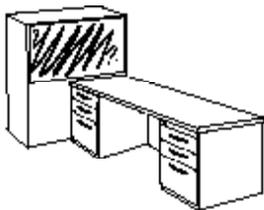

### Lateral File Magnetic Dry Erase & Tack Boards

Both Dry Erase Board (eraser and markers included) and Tack Board attaches magnetically to the back of any lateral file.

Boards are designed to span from the top of an adjacent work surface to the top of the lateral file.

When ordering Tack Boards, specify fabric choice.

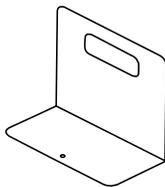

Product	Product Use	H	W	Product #	Price
Dry Erase Board	On back of 4-high, 36" wide lat	22"	35 3/4"	MMB 3622	\$299
	On back of 4-high, 42" wide lat	22"	41 3/4"	MMB 4222	\$330
Tack Board	On back of 4-high, 36" wide lat	22"	35 3/4"	MTB 4 3622 ??	\$290

	On back of 5-high, 42" wide lat	41 1/4"	41 3/4"	MTB 5 4241 ??	\$455

### Magnetic Dividers

Black magnetic dividers are 7.5" tall and 8" wide, with a 4" base. Magnet is 7 7/8" x 3".

Appropriate for use on any lateral file drawer or shelf, bookcase, overstorage hutch, double door storage cabinet, overhead storage cabinet or overhead shelf.

Product #	Package	Pkg Wt	Pkg Cube	Price
LFM 300 30	(package of 3)	4.0 lb	2 ft	\$59

### Magnetic Labels

Magnetic labels adhere to any metal surface to identify drawer contents. Labels consist of 3" x 1" clear plastic sleeve, with card stock insert.

Product #	Package	Pkg Wt	Pkg Cube	Price
TGOX 000 11	(package of 10)	N/A	N/A	\$20

All of Great Openings' pedestals feature Grade A construction, meeting or exceeding all applicable ANSI-BIFMA standards for durability and safety. A LIFETIME WARRANTY ensures outstanding long-lasting performance and after-sale support.

### Steel Construction

- All-welded steel frame construction, formed in key areas for strength.
- Inner top and side panels consist of 18 - 21 gauge cold-rolled steel.
- Outer wrapper and drawer bin are 22 gauge, drawer fronts are 20 gauge steel.

### Locks

- Pedestals include UM Series (#226-425), black-faced, master-keyed, core removable locks.
- Cabinets are shipped with randomly-assigned keys and cores.
- For key-alike requests, we will ship specific core numbers to you separately.
- Other lock and key series are available, including Haworth™ SL and Knoll™ K series.
- Additional lock option and key-alike information is available in the Introduction.

### Finish

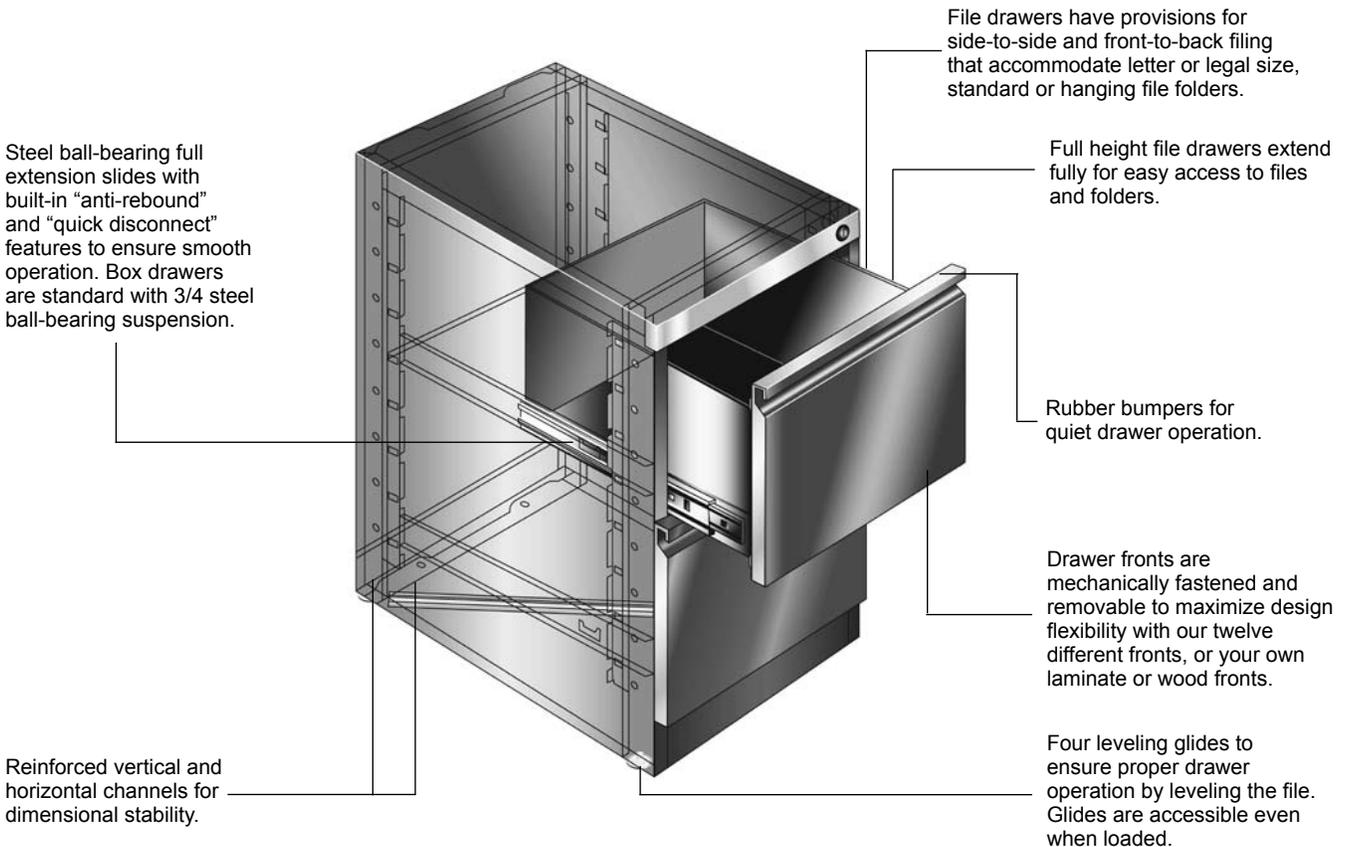

- Great Openings' metal finishes are either an epoxy polyester powder, electrostatically applied, or a high-solids baked enamel paint finish.

### Counterweights

- Freestanding, mobile and cushion peds are shipped with a counterweight installed.
- Counterweights are not necessary for work surface supporting and hanging pedestals.
- Freestanding desking pedestals include a counterweight installed to ensure desk stability.

### Accessories

- 6" drawer dividers, 12" drawer dividers that allow for side-to-side filing, and pencil trays are sold separately.

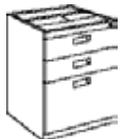

**Work Surface Supporting Pedestal**

file/file

Locking metal pedestal supports work surfaces. UM Series locks included.

Box drawers include 3/4" extension steel ball-bearing slides, file drawers include full extension slides.

box/box/file

Herman Miller AO™ and Q System™ pedestal brackets are available. Call Customer Service for details.

Special 27" height pedestals accommodate low profile work surfaces. Leveling glides allow for 1 5/8" adjustment.

### How to Order Cushion Fabric:

Please specify fabric choice on your purchase order (see inside front cover for options). Label your COM fabric with the purchase order number, fabric name, and yardage amount. Lead-time is ten days upon receipt of fabric. Ship COM fabric to: Great Openings, 3390 Broadmoor SE, Suite A, Grand Rapids, MI 49512, 888-429-5511. Call Great Openings Customer Service for additional information.

**For Cushion Pedestal, COM:** When ordering fewer than 10 units, plan on 1 linear yard of 54" fabric per unit is required. When ordering more than 10 units, 1 linear yard of 54" fabric per 2 units is required. Fabric grain will run front-to-back.

**For Cushion FileCenter, COM:** When ordering fewer than 10 units, 1 linear yard of 54" fabric per unit is required. When ordering more than 10 units, .75 linear yard of 54" fabric per 1 unit is required. Fabric grain will run front-to-back.

**Freestanding Pedestal**

file/file

Stationary locking metal pedestal with counterweight. A UM Series lock is included.

box/box/file

Leveling glides allow for 1 5/8" adjustment.

**Freestanding FileCenter With Metal Top**

12-12-30

Freestanding FileCenter features a metal top. Safety interlock and counterweight ensures stability.

6-6-12-30

Horizontal lines match up with those of all work surface supporting pedestals and lateral files.

Box drawers include 3/4" extension steel ball-bearing slides, file drawers include full extension slides.

Leveling glides allow for 1 5/8" adjustment.

H	D	W	Product #	Cabinet Style	Pkg Wt	Pkg Cube	Price
28 3/8	18 3/8	30 1/2	WL ? 0102 ??? T	12"/12"/30"	109 lb	11.8 ft	\$1,334
			WL ? 0103 ??? T	6"/6"/12"/30"	119 lb	11.8 ft	\$1,414

**Freestanding FileCenter With Laminate Top**

12-12-30

Freestanding FileCenter features a laminate top of your choice.

Safety interlock and counterweight ensures stability.

6-6-12-30

Please specify laminate choice by inserting laminate designators as the final two digits in the product number (after the cabinet color designators).

See the inside cover of this price book for laminate options and details.

H	D	W	Product #	Cabinet Style	Pkg Wt	Pkg Cube	Price
29	18 3/8	30 1/2	WL ? 0102 ??? ??	12"/12"/30"	109 lb	11.8 ft	\$1,764
			WL ? 0103 ??? ??	6"/6"/12"/30"	119 lb	11.8 ft	\$1,833

Because the laminate top carries a square front vertical edge, is not recommended for use on cabinets that include radiused door and drawer fronts.

**Pedestal Accessory Package Installed Prior to Shipment**

Black plastic pencil tray includes 4 compartments and sits on top of drawer bin sides.

Black plastic drawer dividers snap in place. The 12" drawer divider may also be used as a file conversion bar for side-to-side filing.

**Accessory package prices will be added to the standard pedestal prices.**

Description	Product #	Options	Price
File/file pedestals will include two 12" drawer dividers.	Add "A" as a suffix to the product number.	file/file	\$25
Box/box/file will include two 6" drawer dividers, one 12" drawer divider, and one pencil tray.	Add "A" as a suffix to the product number.	box/box/file	\$43
Box/file will include one 6" divider, one 12" divider and one pencil tray.	Add "A" as a suffix to the product number.	box/file	\$35

**Pedestal Accessories – Sold Separately**

Individual pedestal accessories, described above, are packaged and sold separately.

Description	Product #	Options	Price
Pencil Tray	VMEX 000 29-1	Single pencil tray	\$13
6" Drawer Divider	ECOX 1070-1	Single box drawer divider	\$10
12" Drawer Divider	ECOX 1071-1	Single file drawer divider	\$13

**Security Pedestal Upgrade**

Any Great Openings pedestal may be converted to a security unit by adding a lock to each drawer and a security shelf between each drawer.

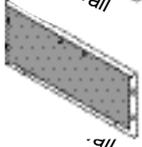

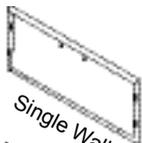

This (non-UM) specially-designed double-bit security lock is conical in shape and chrome plated. Please call our Customer Service for lead-time information.

**Security pedestal upgrade prices will be added to the standard pedestal price.**

Not available in the following front styles:  
 I: Radiused, "HW" Pull  
 B: S-9000  
 P: Square, "P" Pull

Description	Product #	Options	Price
Security Pedestal Upgrade	Add "EY" as a suffix to the product number.	file/file	\$215
		box/box/file	\$429

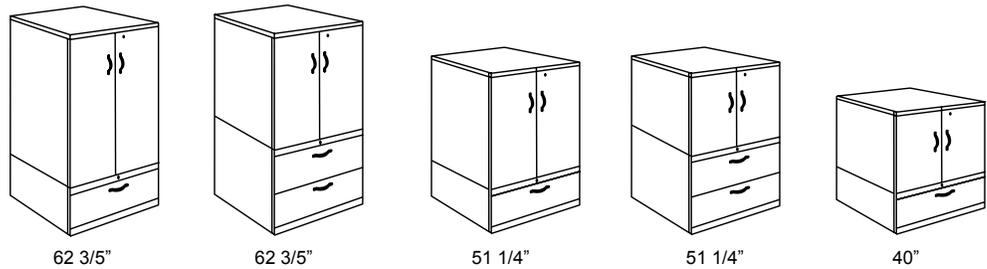

**Double Wall Drawer Front Upgrade**

Any drawer front may be upgraded from single to double wall construction for increased closure sound dampening.

Double Wall front upgrade prices will be added to the standard drawer price.

Description	Product #	Options	Price
Double Wall Front Upgrade	Add "U" as a suffix to the product number.	Price per drawer	\$13

**Modular Towers**

Manufactured as two separate cabinets, these units may be rotated 180 degrees in the field.

The bottom module features either one or two full-width, full-depth lateral file drawers. The top module features double door storage with adjustable shelves. Both cabinets lock independently.

Drawers are 20 1/2" wide x 21 1/3" deep, and will accommodate one row of letter, A4 or legal filing, either side-to-side or front-to-back.

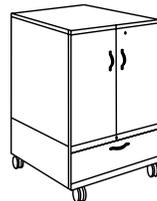

Available both as freestanding (with 1 5/8" leveling glides) and mobile (with 75mm black casters).

Horizontal lines of the cabinet base, drawer fronts and lock facing match those of all other WSS products as well as GO's Wardrobe and Pedestal Towers.

Fronts not available:

- B: S-9000
- C: Radiused, Droop Loop
- D: Radiused, Recessed
- G: Radiused, Straight Loop
- N: Radiused, Satin Nickel
- I: Radiused, "HW" Pull
- P: Square, "P" Pull

**Wardrobe Dome Top**

Metal dome top fits on any 23 1/2" x 23 1/2" wardrobe storage tower. Factory installed, it adds 5" to the height of the tower.

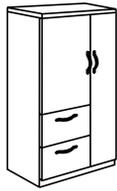

Available with either a solid metal top ("DT") or an insert of 1/16" translucent non-glare acrylic ("TL").

**This accessory price will be added to the standard wardrobe price.**

Product #	Options	Price
Add a "DT" as a suffix to the product number.	Metal	\$361
Add a "TL" as a suffix to the product number.	Translucent	\$443

Because the dome top carries a square front vertical edge, it is not recommended for use on cabinets that include radiused door and drawer fronts. The dome top is not available for Pedestal Towers.

Cupboard Wardrobe Tower

Locking wardrobe includes a full height coat closet and cupboard with adjustable shelves. Coat closet includes a side-to-side coat rod.

Safety interlock feature allows only one drawer to open at a time. A single UM Series lock captures all doors and drawers.

All drawers include full extension steel ball-bearing slides.

Inner dimensions of coat closet: 7 1/2" wide x 22 3/4" deep. Inner dimensions of the cupboard: 14" wide x 22 3/4" deep.

**Fronts not available:**  
**B: S-9000 front**  
**I: Radiused Front "HW"**

When ordered with P: Square "P", the "P" pull will be used on drawers and full width "classic" pulls on doors.

Magnetic Whiteboard

Magnetic Tack Board

### Order Magnetic Tack Boards and Dry Erase Boards (eraser and markers included) for Bookcase Towers and Pedestal Towers:

For 64" High Towers:

14.5 X 36 Tack Board (specify fabric) MTB 1436 ?? \$189  
 14.5 X 36 Dry Erase Board MMB 1436 \$202

For 52" High Towers:

14.5 X 24 Tack Board (specify fabric) MTB 1424 ?? \$152  
 14.5 X 24 Dry Erase Board MMB 1424 \$173

TOWERS

## Work Surface Supporting Bracket

Bracket extends from the bookcase side of any Wardrobe Storage Tower with Side Bookcase or any Pedestal Tower to support a work surface at 27 3/4" height.

Black metal bracket is 17" wide and extends 3" out from the side of the tower. Three mounting holes are included for work surface attachment.

**Work Surface Support Brackets are factory installed.**

Product #	Price
Add an "R" as a suffix to the wardrobe or pedestal tower product number.	\$59

## Wardrobe Dome Top

Metal dome top fits on any 23 1/2" x 23 1/2" wardrobe storage tower. Factory installed, it adds 5" to the height of the tower.

Available with either a solid metal top ("DT") or an insert of 1/16" translucent non-glare acrylic ("TL").

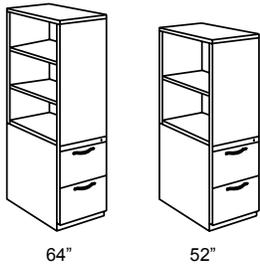

**This accessory price will be added to the standard wardrobe price.**

Product #	Options	Price
Add a "DT" as a suffix to the product number.	Metal	\$361
Add a "TL" as a suffix to the product number.	Translucent	\$443

Because the dome top carries a square front vertical edge, it is not recommended for use on cabinets that include radiused door and drawer fronts.

The dome top is not available for Pedestal Towers.

**Pedestal Tower with Side Bookcase**

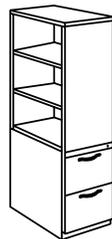

Stationary locking metal pedestal with side-access bookcase on top. Bookcase module features 2 adjustable shelves in the 64 1/8" unit, and one adjustable shelf in the 52" unit.

All drawers include full extension steel ball-bearing slides.

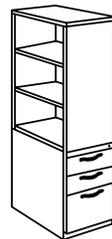

Inner dimensions of the bookcase: 21 1/5" wide x 15" deep. The 64 1/8" unit includes 34 3/8" bookcase clear height. The 52" unit includes 22 3/8" bookcase clear height.

The front vertical edge of the bookcase will be either radiused or squared, depending on which drawer front is ordered.

## Radiused Front Bookcase

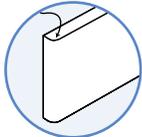

Metal, double-walled bookcase will accommodate binder-height storage in each compartment.

Bookcase is available with either a radiused or square outside front vertical edge, and shelves are adjustable on 1/2" increments. Leveling glides allow for 5/8" height adjustment.

The bookcase top is mechanically fastened to the cabinet, rather than welded, so that the user may substitute a wood or laminate top at the worksite.

Shelf load capacities:

- 30" shelf: 70 lbs
- 36" shelf: 85 lbs
- 42" shelf: 100 lbs

Mobile Bookcase

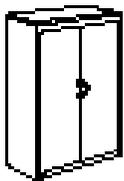

Mobile bookcase features black, 37 mm, plastic casters (two locking and two non-locking), and N: Satin Nickel Pull attached to each side of the bookcase for convenient mobility.

Bookcase itself is 30" wide, and two side pulls each add 1 1/4", so that total width is 32 1/2". Inside clear height is 24", and 1/2" shelf is adjustable, allowing for binder height storage on one shelf only.

Inside depth is 15", inside width is 27 7/8".

Double Door Storage Cabinet

Locking metal cabinet includes shelves adjustable in 2" increments. Nickel-plated, concealed hinges are self-closing and allow for 110° opening.

Double doors feature master-keyed, core removable UM Series locks. Leveling glides allow for 7/8" adjustment.

Shelf load capacities:  
30" shelf: 90 lbs  
36" shelf: 105 lbs  
42" shelf: 125 lbs

Cabinet construction includes 18 gauge top and side channels and shelves, with 20-22 gauge side and back panels and doors.

Note: The Double Door Cabinet height and depth are identical to standard lateral file.

Fronts not available:  
B: S-9000  
I: Radiused, "HW" Pull  
P: Square, "P" Pull.

Wall-Mounted Bracket Kit

Order any single overhead cabinet or shelf to be shipped with two 60" double-slotted wall-mount strips. Each wall-mount strip features an aluminum shell and heavy-duty steel hanger insert. Twenty toggle anchors and fasteners for securing wall strips to drywall are included.

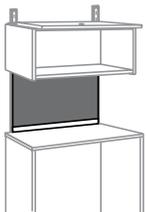

When fully assembled and hung, overhead cabinets or shelves rest approximately 1 1/2" away from the wall. The vertical brackets are mounted 1/2" to each side of the overheads to allow for positioning units side-to-side, if desired. Wall mount kit and cabinet assembly instructions are included.

1 1/4" Backstop is included

Description	Product #	Price
One pair vertical wall-mount brackets, with toggle anchors and fasteners.	Add the suffix "T" to any overhead cabinet or shelf that includes an "M – HM Action Office" Bracket.	Add \$357 list to the price of the overhead or shelf.

**NOTICE:**  
It is exclusively the responsibility of the installer to ensure that wall-mounted brackets are properly and safely anchored to the wall. Weight restrictions do apply. Great Openings holds no responsibility or liability for improper or unsafe installation of wall-mounted brackets.

Wall-Mounted Tack Board

The tack board includes fabric of your choice and brackets for hanging on wall-mounted strips (above).

These tack boards are not interchangeable with desk hutch tack boards (found on page 31), as size and attachment methods vary.

H	W	Product #	Price
18	36	TB 3618 K	\$307
18	42	TB 4218 K	\$320
18	48	TB 4818 K	\$341
18	60	TB 6018 K	\$355

**How to Order Tack Board Fabric:**

Please specify fabric choice on your purchase order (see inside cover of this price book for options).

For COM simply ship the fabric to Great Openings, 3390 Broadmoor SE, Suite A, Grand Rapids, MI 49512, 888-429-5511. Please be sure to clearly label your fabric package with your Great Openings purchase order number, dealer name, fabric description and yardage quantity.

Required yardage per tack board, using 54" or 66" fabric width:

- 36" wide tack board requires 42" fabric (1 linear yard)
- 42" wide tack board requires 48" fabric (1.5 linear yards)
- 48" wide tack board requires 54" fabric (1.5 linear yards)
- 60" wide tack board requires 66" fabric (2 linear yards)

**Panel-Supported  
Over-The-Top Stowing Door**

Locking, all-metal storage bin, over-the-top door storage.

All cabinets feature a radiused front vertical edge.

Overhead cabinets include UM Series, black-faced, master keyed, core removable locks.

Shipped "KD", knocked-down for easy assembly at the worksite.

Add an "N": Satin Nickel Loop pull to the overhead cabinet door by adding the suffix "L" to the part number. Also add \$10 to the list price for each cabinet.

For wall mount option, see page 60.
