Stalker II SDR

Moving Directional Single-Zone Radar

The range and performance of a vehicle-mounted radar in a versatile, hand-held package.

Stalker II SDR is a direction-sensing hand-held KA-Band Doppler Stationary only radar. Its small, light-weight die-cast metal cast is waterproof, not just water resistant. The perfect radar for stationary applications.

Faster speed tracking, 3 Window Display, Touch Panel Keys with Backlit LCD

Package #: 803-0005-00

- Stalker II Stationary Radar
- Two Battery Handles
- Battery Charger
- Tuning Forks
- Cigarette-Plug Power Cable
- Operator Manual
- Hard Carrying Case
- **24 Month Warranty**

MSRP: \$1,495

Ohio STS Price \$1,195

Options and Replacement Parts:

Part #	Description	Price
200-0685-00	Motorcycle holster	\$ 125
200-0924-00	Motorcycle holster with lock	\$ 160
200-0694-00	Motorcycle mount	\$ 158
200-0944-02	Battery Handle	\$ 67

Extended Warranties

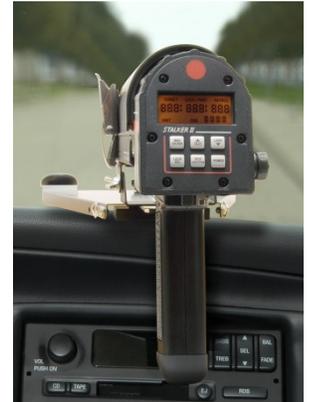

063-0003-01	1 st year extended warranty	\$ 172
063-0003-02	2 nd year extended warranty	\$ 259

Stalker II MDR

Moving Directional Single-Zone Radar

The range and performance of a vehicle-mounted radar in a versatile, hand-held package. The Stalker II is easily mounted on any law enforcement vehicle - automobile, motorcycle, or watercraft - and is available in either moving / stationary or stationary-only versions as well as with either a cordless battery handle or a corded handle.

The Stalker II's direction sensing and moving mode capabilities allow it to go from hand-held to dash mount and back to hand-held without missing a step. Faster speed tracking, 3 Window Display, Touch Panel Keys with Backlit LCD.

Package #: 803-0002-00

- Stalker II Moving/Stationary Radar
- IR Remote Control
- One Battery Handle
- Battery Charger
- Tuning Forks
- Short Dash Mount, 7.4" to 11.8" Depth
- CAN/VSS Installation Cable *
- Operator Manual
- Hard Carrying Case
- **24 Month Warranty**

Package #: 803-0003-00

- Includes all items in above package plus:
- DSR rear antenna and cable

* CAN/VSS cable not usable on Motorcycles at this time. When ordering the radar, please specify if installation will be on a motorcycle.

Use one of the VSS cable kits or if VSS is not required, use the cigarette plug cable.

MSRP: Package #803-0002-00 \$2,395

Stalker PATROL

Stalker Quality and Reliability at an affordable price.

The Stalker PATROL features a white-on-black high contrast display using LCD display technology for increased daylight visibility and an auto-dimming feature for enhanced night detail. Waterproof K-Band antennas powered by Stalker's proprietary Digital Antenna Communication are one of the smallest on the market and waterproof to 2 feet. The first-ever USB antenna connections are waterproof, high-speed, low-noise, and secure. As with all Stalker dash-mount radar, an ergonomic backlit remote control and standard CAN/VSS OBD II cable for perfect patrol speed are standard equipment.

Package #: 809-0002-00 (2 ant.)

Package #: 809-0001-00 (1 ant.)

- LCD Display – Black/White
- 1 piece Display/Counting Unit
- Two Digital K Band Antennas waterproof to 2 feet
- First ever USB Antenna Connections
- Ergonomic Backlit Remote
- Tuning Forks

Stalker DUAL

A Single-Zone, Non-Directional, 2-Piece Radar. Monitor front OR rear targets.

The longest range now includes automatic same lane operation.

The Stalker DUAL SL sets the standard in the industry for range and performance. The best performance means monitoring every vehicle at greater distances, which results in superior tracking history and better target identification.

Stalker's patented Faster Speed Tracking assists the operator in making proper target identification by displaying both the Strongest and highest speed targets simultaneously on separate, multi-color display windows.

Stalker 2X

A Two-Zone Directional Radar. Monitor front AND rear targets simultaneously.

The Stalker DSR 2X is a direction-sensing dash-mounted KA-Band Doppler radar. The 2X effectively is two fully functional radars in one unit. It is capable of monitoring front and rear target zones simultaneously. Automatic same direction target sensing, true Doppler audio and VSS operation are standard. The "Instant On" remote allows an officer to instantly set transmit for on or off. Choose the "Fast Lock" remote that allows locking faster targets. **Rear Traffic Alert** is a patented Stalker 2X feature, to warn the officer of a rapidly overtaking same-direction traffic in situations when the vehicle is most vulnerable.

MSRP \$3,695

Stalker LIDAR XS

Small, lightweight, and powerful. Fast target acquisition, and solid tracking.

The Stalker X-Series LiDAR are the smallest and lightest hand-held, gun-type lasers on the market today. At a mere 2.3 lbs. including removable/rechargeable battery handle, the X-Series may be lightest of all the hand-helds, but it's no lightweight. The new snap-in Li-Ion battery handle provides ample power to last two or more shifts. Plus, the battery can be expected to last through more than 500 charging cycles.

Target acquisition is 1/3 second. The X-Series Standard (XS) is ideal for metropolitan and suburban departments.

Package #: 808-4025-00

- LIDAR-XS Laser Instrument
- 2 Rechargeable LI-ION Battery
- Battery Charger
- Hard Carrying Case
- Operator manual
- **24 Month warranty**

Stalker SAM-R

The versatile solution to monitoring traffic and maintaining road safety.

This rugged trailer features an innovative design that allows the display to rotate a full 360 degrees and lock for easier towing, setup and positioning. The heart of the SAM-R is the Precision Solar Controls LED Lamp Matrix - 18" Amber LED Characters that are legible at up to 1000 ft. The power is provided by a Group 27 - 12-Volt Battery which provides 8-10 days of continuous operation yielding longer operation time between battery charges. A hand-held controller provides all programming and diagnostic functions.

Include Statistics Package for traffic data and support for Grants.

Base Package: # 821-0310-00

- Top Mounted Display
- Traffic Statistics Sensor
- **24 Month Warranty**

Package includes:

- 18 Inch Display
- Readable to 1000 feet
- Stalker Radar Head
- Deep Cycle Batteries

- Customer must inspect the new trailer at the time of delivery.
- Make notes of any damage before accepting delivery of the trailer and go over them with the driver.
- Damage must be reported to Stalker Radar ASAP after acceptance of the trailer.

Stalker SAM

Speed Awareness Monitor trailers present 24-hour presence in problem zones.

The Stalker SAM is a sign and radar package for monitoring traffic in targeted highways, roads, city streets or neighborhoods. The display is bright and can be easily seen up to 1000 feet. Speed monitors are well established as a way to slow speeders in the targeted zones. The Stalker SAM will also help keep speed enforcement officers on the road rather than doing selected target zones.

Traffic Statistics Package provides traffic data and support for Grants.

Base Package:

821-1000-00

- Top Mounted Display
- Traffic Statistics Sensor

Stalker Pole Mounted Display

Stalker Pole Mounted Message Display

Control traffic speed in a community-oriented Policing way

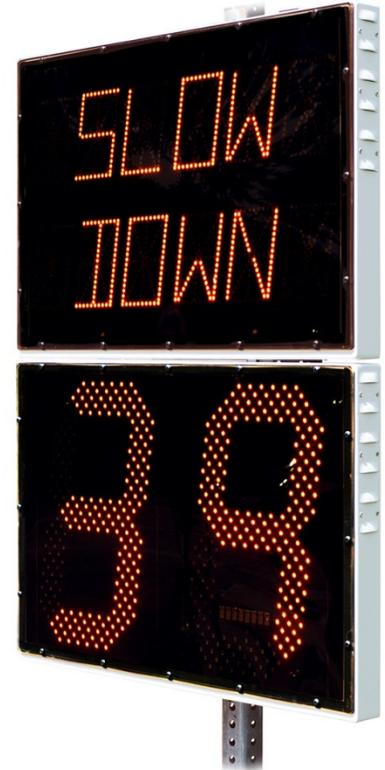

.Stalker's Pole Mounted Display (PMD) and Pole Mounted Message Display (PMMD) are cost-effective solutions for traffic calming in response to civilian complaints, or in locations where a speed reminder is adequate to slow down motorists.

They feature a 2- or 2½-digit radar speed display. It's versatile, water-resistant, and operates in temperatures from nearly -20° to 120° F (-29° to 48° C). They can be placed in virtually any location and perform reliably in any weather.

Include Statistics Package for traffic data and support for Grants. All Packages have Bluetooth.

Stalker Traffic Data Collector

Collect and analyze valuable traffic data to support Grant applications and community policing with set-it-and-forget-it efficiency.

Collect Now.

Analyze Later.

Stalker's Traffic Data Collector and its Traffic Statistics App are the easy-to-deploy solution to unattended collection and in-depth analysis of traffic data. It can begin collecting traffic data as soon as it is deployed. Simply secure it to its locking mounting bracket, aim the tiltable radar antenna, and turn it on. Stalker's Traffic Statistics App presents data in a 2-axis graphing window with NHTSA free flow formatting, including 10 mph pace, 10 mph pace (+), 85th percentile, and average speed.

Package #: 834-0001-00

Package includes:

- Traffic Data Collector Box
- 12V Battery
- 5A Charger
- Accessory Kit: Flash drive with statistical software, Male A to Male A, 10' USB cable, power cable
- Traffic Data Collector Mount
- 24 Month Warranty

MSRP **\$2,795**

CopTrax In-Car Video System

Next Generation Software-based In-Car Video System

Packages include:

- High Resolution Front facing digital camera
- IR Day/ Night Camera for rear seat
- High Sensitivity Wireless Microphone and charging cradle
- USB GPS Antenna
- "Real Time" GPS Tracking
- Live Video Streaming
- Backend Command and Control Software for Video Storage
- Smartphone "Body Worn" camera application

The CopTrax In-Car Video system uses the patrol vehicle's laptop for processing and automatic video upload. This powerful system provides real-time streaming video with no bulky DVD recorder, and 3G/4G cellular connection to the department's server or Cloud storage. CopTrax video is accessible in real-time from any Internet-connected computer. Its programmable automatic video triggers and powerful statistical tools give police new tools for 21st Century law enforcement.

Package #	Description	MSRP
820-0001-00	CopTrax In-Car Video	3,499.00
820-0002-00	CopTrax In-Car Video - if purchased with the 36 month CJIS Cloud Storage	2,999.00
820-0022-00	36 month CJIS Cloud Storage 36 Months per Vehicle / \$39.00 per month	1,404.00

CopTrax II In-Car Video System

A dedicated on-board computer now eliminates dependence on the patrol vehicle's laptop for processing.

CopTrax 2's on-board dedicated computer eliminates dependence on the patrol vehicle's computer. It provides more than enough processing power for the cameras, wireless microphone, video image processing, wireless image upload, and GPS tracking. An updated, simplified user interface puts important controls on the main screen, while the robust Command & Control Center displays live streaming video anywhere there's an Internet-connected computer.

Package #	Description	MSRP
820-0003-00	CopTrax II In-Car Video	4,595.00
820-0004-00	CopTrax II In-Car Video - if purchased with the 36 month CJIS Cloud Storage	3,995.00
820-0022-00	36 month CJIS Cloud Storage 36 Months per Vehicle / \$39.00 per month	1,404.00

Additional Products and Support

Package #	Description	MSRP
820-0310-00	Interview Room/Thermostat	2,495.00
820-0320-00	Interview Room/Smoke Detector	2,195.00
820-0300-00	Interview Room/Camera	1,995.00

820-0011-00	CopTrax Software License/Support 1-Yr Renewal Per Device (Yr 2)	199.00

Using Microsoft Azure Cloud Storage:

Package #	Description	MSRP
820-0421-00	Monthly CJIS Cloud Storage – 60 GB	55.00
820-0420-00	Monthly CJIS Cloud Storage – 20 GB	30.00
820-0422-00	Monthly Data Plan Overages per GB	1.50
820-0022-00	CJIS Cloud Storage, 36 Mos per Vehicle (\$39/Mo)	1,404.00
820-0020-00	CJIS Cloud Storage, 12 Mos per Vehicle (\$50/Mo)	600.00

Using Department's Server:

CopTrax pricing is based on utilizing the CopTrax CJIS Cloud service for all your video evidence files.

If the department prefers to store the evidence files on your local computer or server, the following license fees and installation charges will apply.

License fees are based on quantity of users. Choose only one of this list:

Package #	Description	MSRP
600-0007-01	CopTrax Dashbrd/Admin Software Activation, 1-24 users (1X Only)	350.00
600-0007-02	CopTrax Dashbrd/Admin Software Activation, 25-49 users (1X Only)	500.00
600-0007-03	CopTrax Dashbrd/Admin Software Activation, 50-99 users (1X Only)	770.00
600-0007-04	CopTrax Dashbrd/Admin Software Activation, 100-199 users (1X Only)	1,200.00
600-0007-05	CopTrax Dashbrd/Admin Software Activation, 200+ users (1X Only)	2,200.00

Type of installation:

600-0008-01	CopTrax Single Server Install (Remote Install)	1,500.00
600-0008-02	CopTrax Multiple Server Install/Each (Remote Install)	1,875.00

Additional years of Service and Support options:

820-0011-00	CopTrax Software License/Support 1-Yr Renewal Per Device (Yr 2)	199.00
820-0012-00	CopTrax Software License/Support 2-Yr Renewal Per Device (Yrs 2, 3)	349.00
063-0017-12	Interview Room Software License/Support 1-Yr Renewal Per Device (Yr 2)	199.00
063-0017-24	Interview Room Software License/Support 2-Yr Renewal Per Device (Yrs 2, 3)	349.00
600-0010-01	CopTrax On-Site Training, 1 day (+expenses)	1,500.00

Stalker Spectre Elite – Radar Detector Detector

Detect illegal radar detectors.

The Spectre Elite is a state-of-the-art radar detector detector for law enforcement. The RDD allows officers to “detect” the use of radar detectors over a broad range of enforcement applications. Virtually any radar detector can be detected by the RDD and at considerable distance or finely tuned (cross the road) for focusing on a smaller number of vehicles. With adjustable range and volume controls, the RDD can be customized for various traffic enforcement situations.

Package #: 823-0011-00

- Spectre Elite RDD
- Suction cup mount
- Operator manual
- 12 month warranty

MSRP: \$1,495
Ohio STS Price \$1,249
