

AMENDMENT ONE (1) FOR DXCOM-20-01-001

DATE AMENDMENT ISSUED: June 5, 2020

The State of Ohio, through the Department of Administrative Services, for the Ohio Office of Information Technology Services is requesting proposals for:

Ohio Department of Commerce (COM) – Intranet & External Website Redesign

The attached is an Amendment for the IOP Solicitation listed above. Please use the replacement page(s) contained in the Amendment to replace the corresponding page(s) previously in the IOP Solicitation.

Specifications and requirements that have been revised are **highlighted**, **bolded**, and, when applicable, ~~strikethrough~~.

6.3.1 Technical Proposal Points

The offeror with the highest point total for the Technical Proposal will receive 800 points. The remaining offerors will receive a percentage of the maximum points available based upon the following formula:

$$\text{Technical Proposal Points} = (\text{Offeror's Total Technical Points for Evaluation} \div \text{Highest Total Technical Point Proposal}) \times 800$$

6.3.2 Cost Summary Points

The offeror with the lowest proposed total cost for evaluation purposes will receive 200 points. The remaining offerors will receive a percentage of the maximum cost points available based upon the following formula:

$$\text{Cost Summary Points} = (\text{Lowest Total Cost for Evaluation} \div \text{Offeror's Total Cost for Evaluation}) \times 200$$

The State may reject any Proposal if the offeror takes exception to the terms and conditions of the contract.

The State has the right to waive any defects in any quotation or in the submission process followed by an offeror. The State will only do so if it believes that it is in the State's interest and will not cause any material unfairness to other offerors.

The State may reject any submission that is not in the required format, does not address all the requirements of this SOW solicitation, or that the State believes is excessive in price or otherwise not in its interest to consider or to accept.

The State will reject any responses from companies not prequalified in the technology category associated with this SOW solicitation. In addition, the State may cancel this SOW solicitation, reject all the submissions, and seek to do the work through a new SOW solicitation or other means.
