SPECIAL CONTRACT TERMS AND CONDITIONS

AMENDMENTS TO CONTRACT TERMS AND CONDITIONS: The following Amendments to the Contract Terms and Conditions do hereby become a part hereof. In the event that an amendment conflicts with the Contract Terms and Conditions, the Amendment will prevail.

SPECIFICATION QUESTIONS: Information regarding submission of questions and clarifications for this Bid is provided on page one (1) of the Bid. Through the indicated inquiry closure date, Bidders may visit the Procurement Services website to post Bid related questions at <www.ohio.gov/procure>. Answers to all Bidder questions will be posted on the Procurement Services website and linked to the Bid Number. Bidders can make their own inquiry and/or review all inquiry questions/responses from the same website page from which the Bid document is downloaded. The State will make every effort to respond to website inquires within forty-eight (48) hours of receipt. The State will not respond to any verbal or written questions received through any other medium. No prospective Bidder shall respond to any verbal instructions or changes to this Bid. Only Bid communications, issued by the Department of Administrative Services, Office of Procurement Services, in a public, published format, will be considered valid.

MANDATORY/REQUIRED SUBMISSIONS: As specified, mandatory submissions must be submitted with the Bid Response. Required documentation/materials should be submitted with the Bid. If not submitted with the Bid, the Bidder must provide the said documentation/materials within five (5) business days, after notification, to the Office of Procurement Services. Failure to provide mandatory submissions with the Bid Response or failure to provide the required documentation/materials, as applicable, within the stated time period will result in the Bidder being deemed as not responsive and the Bid Response will be immediately disqualified with no further consideration given for potential awarding of the Contract.

DELIVERY AND ACCEPTANCE: Supplies will be delivered to the participating agency within thirty (30) days after receipt of order and, in accordance with paragraphs S-8, S-9, and S-10 of the SUPPLEMENTAL CONTRACT TERMS AND CONDITIONS. The delivery location will be noted on the purchase order issued by the participating agency. Acceptance (transfer of title) will occur upon the inspection and written confirmation by the ordering agency that the supplies delivered conform to the requirements set forth in the Contract. Unless otherwise provided in the Contract, acceptance shall be conclusive except as regards to latent defects, fraud, or such gross mistakes as amount to fraud.

DESCRIPTIVE LITERATURE: The Bidder may be required to submit descriptive literature of the supplies or services being offered. If requested, the literature will be used in the evaluation process to determine the lowest responsive and responsible Bidder. If not provided as part of the Bid Response, the Bidder must provide said literature within ten (10) calendar days after request/notification by the Office of Procurement Services to do so. Any references, that may appear in the descriptive literature, that may alter the terms and conditions and specifications of the Bid (e.g. F.O.B. Shipping Point or Prices Subject to Change), will not be part of any Contract and will be disregarded by the state of Ohio. Failure of the Bidder to furnish descriptive literature either as part of their Bid Response or within the time specified herein will deem the Bidder not responsive.

PRODUCT SAMPLES: The Bidder(s) may be required to submit samples of the supplies being offered. The samples will be used in the evaluation process to determine the lowest responsive and responsible Bidder. If not included as part of their Bid response, the Bidder will be required to provide the samples within seven (7) calendar days after notification. Failure to provide the samples within the stated time period will result in the Bidder being deemed not responsive. After award of the Contract, the samples will be used as a basis of comparison with actual product delivered under contract. Any variation between the samples and product being delivered will be considered as an event of default. Any variations between the samples and actual product being delivered that are due to manufacturer changes may be acceptable and shall require prior written approval from DAS.

CONTRACT AWARD: The Contract will be awarded to the lowest responsive and responsible Bidder by low lot total.

EVALUATION: Bids will be evaluated in accordance with Article I-17 of the "Instructions to Bidders". In addition, the State will: determine the annual Lot Total for the contract year by multiplying Catalog List Price Per Each by Annual Estimated Quantity and adding the totals for the Lot Total. To calculate the Total Low Lot, the Lot Total will be multiplied by the discount % off catalog and that amount will be subtracted from the Lot Total to arrive at Total A; the Lot Total will also be multiplied by the discount % off quantity off purchase of multiple like items and that amount will be subtracted from the Lot Total to arrive at Total B. Both Total A and Total B will be added together to arrive at the Total Low Lot. The contract will be awarded to the lowest TOTAL LOW LOT, responsive and responsible bidder.

Bidder should bid all items. Failure to bid all items may deem the bid as non-responsive and no further consideration given.

SPECIFIED MANUFACTURER: Equal consideration will be given for all and any alternative manufacturers that are equal or exceeds product specifications. If it is ascertained that the alternative meets or exceeds the specifications, low cost will govern the award.

SPECIAL CONTRACT TERMS AND CONDITIONS
