2012 and 2013

THIS CONTRACT is between the State of Ohio, Department of Administrative Services ("DAS"), General Services Division, Office of State Purchasing, located 4200 Surface Road, Columbus, Ohio, 43228 ("Customer"), and Spanlink Communications ("Contractor"), located at 605 N. Contractor agrees to provide the remedial and preventative maintenance described in this Master Maintenance Agreement (the "Contract") for the equipment listed on any attached Equipment Schedule (the "Equipment") signed by Contractor and Customer, and the Customer, on behalf of the agency listed on any Equipment Schedule, agrees to purchase such maintenance, subject to the terms and conditions in this Contract.

1. **TERM**

The term of the Contract starts on July 1, 2011 and ends on the last day of June, 2013. Customer and Contractor may designate a shorter term of coverage for a particular item or items of Equipment on any Equipment Schedule. Customer and Contractor may also agree in writing to extend this Contract. In no event may the term be extended beyond a biennium budget period unless both parties affirmatively renew this Contract in writing.

- A. Remedial Maintenance Calls: During the regular business hours of 8:00 a.m. to 5:00 p.m. When requested by Customer, remedial maintenance service will be done as promptly as practicable to correct malfunctions of the Equipment and to make repairs necessary to restore the Equipment to good operating condition, including the replacement of unserviceable parts. Preventative maintenance service may be performed concurrently with remedial services.

All parts furnished by Contractor, except those excluded in Section 3, must be provided on an exchange basis, and must be new or warranted equivalent to new in performance when used in the Equipment. All parts removed for replacement will become the property of Contractor.

- (iv) Acts of third parties;
- (v) Alteration of the Equipment by Customer or a third party;
- (vi) Malfunction of parts not furnished by the Equipment manufacturer unless Contractor furnished such parts under this Contract;
- (vii) Installation or attachment to the Equipment of parts or equipment not furnished or approved by the Equipment manufacturer unless such parts or Equipment were furnished by Contractor under this Contract;
- (viii) Failure of Customer to provide a suitable environment for the Equipment;

- F. Providing electrical work external to any Equipment,
- G. Repairing damage due to floods, fires, loss of air conditioning, electrical shortages or other casualty, unless such damage resulted from Contractor's negligence or failure to perform under the Contract,
- H. Performing services with respect to equipment that is not a part of the Equipment,
- I. Painting or refinishing the Equipment or furnishing material for such, or
- J. Reconditioning the Equipment, except as provided in Section 33 below.

Repairs and replacements necessitated by any of the items excluded from coverage hereunder will be undertaken by Contractor only on Customer's written approval of estimated additional charges, Customer's Contract to pay the actual charges, and Customer's issuance of a purchase order.

4. RESPONSIBILITIES OF CUSTOMER

- A. Customer will provide Contractor's personnel reasonable access at agreed times and availability to the Equipment to perform maintenance services (including preventive maintenance). Customer will also provide adequate working space and facilities, including heat, light, ventilation, electric current and outlets and the like for use by Contractor personnel. All such facilities will be within a reasonable distance from the Equipment to be serviced and will be provided at no charge to Contractor.
- B. Customer will not perform, attempt to perform, nor cause to be performed, maintenance or repair to the Equipment during the term of this Contract except simple daily or weekly preventive maintenance on the Equipment as allowed or reasonably required by Contractor. Contractor, at Customer's request, will maintain the service reports issued by Contractor. Customer, at its own expense, will establish and maintain an environment consistent with the specifications furnished by Contractor for the Equipment.

5. PAYMENT DUE DATE

- A. Contractor will invoice Customer on the first day of each month (or each quarter or each year as designated on Equipment Schedule) during the term hereof for the unit amount for the Equipment in the attached Equipment Schedule. If the Commencement Date does not fall on the first day of the month, the amount of the first payment will be prorated based on the number of service days remaining in that month.
- B. Payments under this Contract will be due on the 30th calendar day after the later of:
 - 1. The date of actual receipt of a proper invoice in the office designated to receive the invoice, or
 - 2. The date the service is delivered and accepted in accordance with the terms of this Contract.
- C. The date of the warrant issued in payment will be considered the date payment is made.

6. **CONTRACTOR QUARTERLY SALES REPORT**

The Contractor must report the quarterly dollar value (in U.S. Dollars and rounded to the nearest whole dollar) of the sales under this contract by calendar quarter (i.e., January-March, April-June, July-September and October-December). The dollar value of the sale is the price paid by the schedule user for the products and services on a schedule contract task or delivery order, as recorded by the Contractor.

The Contractor shall be required to report the quarterly dollar value of sales to the State on a form prescribed by DAS. If no sales occur, the Contractor must show zero. The report must be submitted thirty (30) days following the completion of the reporting period.

The Contractor shall also submit a close - out report within one hundred and twenty (120) days after the expiration of this Contract. The Contract expires upon the physical completion of the last, outstanding task or delivery order of the Contract. The close - out report must cover all sales not shown in the final quarterly report and reconcile all errors and credits. If the Contractor reported all contract sales and reconciled all errors and credits on the final quarterly report, then the Contractor should show zero "0" sales in the close - out report.

The Contractor must forward the Quarterly Sales Report to the Following address:

Department of Administrative Services
Office of State Purchasing
4200 Surface Road
Columbus, Ohio 43228-1395

If the Contractor fails to submit sales reports, falsifies sales reports or fails to submit sales reports in a timely manner the State may terminate or cancel this Contract.

7. **CONTRACTOR REVENUE SHARE**

The Contractor must pay the State a revenue share of the sales transacted under this Contract. The Contractor must remit the revenue share in U.S. dollars within thirty (30) days after the end of the quarterly sales reporting period. The revenue share equals .0075 of the total quarterly sales reported. Contractors must include the revenue share in their prices. The revenue share is included in the award price(s) and reflected in the total amount charged to ordering activities.

The Contractor must remit any monies due as the result of the close - out report at the time the close - out report is submitted to DAS.

The Contractor must pay the revenue share amount due by check. To ensure the payment is credited properly, the Contractor must identify the check as a "Revenue Share" and include the following information with the payment: Applicable Master Maintenance Agreement Number, report amount(s), and reporting period covered.

Contractor must forward the check to the following address:

Department of Administrative Services
GSD Business Office
4200 Surface Road
Columbus, OH 43228

Please make check payable to: Treasurer, State of Ohio.

If the full amount of the revenue share is not paid within thirty (30) calendar days after the end of the applicable reporting period, the non-payment constitutes a contract debt to the State. The State may either initiate withholding or setting off of payments or employ the remedies available under Ohio law for the non-payment of the revenue share.

If the Contractor fails to pay the revenue share in a timely manner the State may terminate or cancel this Contract.

8. **CONTRACTOR'S WARRANTY AGAINST AN UNRESOLVED FINDING FOR RECOVERY** Contractor warrants that it is not subject to an unresolved finding for recovery under ORC 9.24. If the warranty is deemed to be false on the date the parties sign this Contract, this Contract is void *ab initio*.

9. **GENERAL WARRANTIES**

A. Contractor warrants that it will have good title to, and the right to ship, deliver and install any and all parts supplied by Contractor under this Contract. Contractor further warrants that all such parts will be delivered and installed in good operating condition, free from any defect and free from any security interest or other lien or encumbrance or the like. Contractor warrants that all parts shall be new or certified as new and merchantable and fit for their intended use. Contractor further warrants that all such parts will be installed in a workmanlike manner. Contractor warrants that trained, qualified maintenance personnel will perform all Maintenance Services in a professional and workmanlike manner. By payment of the first amount due under this Contract, Customer represents that it has inspected the Equipment and found it to be in good operating condition as of the Commencement Date of this Contract.

B. If Contractor breaches any obligation under this Contract, or the Equipment fails to comply with these warranties the Contractor shall make all necessary adjustments, repairs and replacements to the Equipment in accordance with the terms of this Contract and replace any parts installed that are defective. The Contractor will correct such failure with all due speed or will refund the amount of the compensation paid for the Equipment. Contractor will also indemnify the Customer for any direct damages and claims by third parties based on breach of these warranties.

10. **INTEREST ON OVERDUE PAYMENTS**

Section 126.30 of the Ohio Revised Code (the "Code") applies to this Contract and requires payment of interest on overdue payments for all proper invoices. The interest charge will be at the rate per calendar month that equals one-twelfth of the rate per annum in Section 5703.47 of the Code.

11. **INVOICE REQUIREMENTS**

Invoices must be submitted in an original and three copies of the office designated in the purchase order "bill to address" to receive invoices. A proper invoice must include the following information and/or attached documentation:

A. Name and address of business concern as designated in this Contract.

B. Federal Tax Identification Number of Contractor as designated in this Contract.

C. Invoice remittance address as designated in this Contract.

D. The purchase order number authorizing the delivery of equipment, materials, supplies or services.

E. Description including time period, and serial number, when applicable, unit price, quantity and total price of equipment, materials, supplies or services actually delivered or rendered as specified in the purchase order. If the invoice is for lease purchase, the payment number, e.g., 1 of 36 shall also be indicated.

12. **IMPROPER INVOICES**

If an invoice contains a defect, impropriety or is not a proper invoice, as defined in this section, a written notification and the improper invoice will be sent to Contractor at the address designated for receipt of purchase orders within fifteen (15) calendar days after receipt of the invoice. The notice will contain a description of the defect or impropriety and any additional information necessary to correct the defect or impropriety. If this notice has been sent, the required payment date will be thirty (30) days after receipt of a proper invoice or product acceptance whichever is later.

13. **NON-APPROPRIATION OF FUNDS**

Customer's funds are contingent on the availability of lawful appropriations by the Ohio General Assembly. If the Ohio General Assembly fails at any time to continue funding for the payments due hereunder, this Contract will terminate as of the date that the funding expires without further obligation of the Customer.

Since the current General Assembly cannot commit a future General Assembly to expenditure, if any term of this Contract crosses a State biennium this Contract will automatically expire at the end of the current biennium, which is June 30, 2013. The State, however, may renew this Contract in the next biennium by issuing written notice to the Contractor of the decision to do so. This expiration and renewal procedure will also apply to the end of any subsequent biennium.

14. **OBM CERTIFICATION**

Under Section 126.07 of the Code, orders under this Contract will not be valid until the Director of the Office of Budget and Management first certifies that there is a balance in the appropriation not already obligated to pay existing obligations.

15. **NOTIFICATION OF PRICE INCREASE**

Notification of any price increases, if any are allowed by this Contract, must be submitted to the purchase order bill to address no later than sixty (60) days before the effective date of the price increase. This notification must specify, when applicable, the product serial number, location, current price, increased price and purchase order number. The annual maintenance fee will not increase from year to year by more than ten (10) percent over the prior year's annual maintenance fee.

16. **INDEMNITY**

The Contractor will indemnify the State against all liability or expense resulting from bodily injury to any person (including injury resulting in death) or damage to property arising out of the performance of this Contract, providing such bodily injury or property damage is due to the negligence of the Contractor, its employees, agents, or subcontractors. The Contractor will also indemnify the State against any claim of infringement of a copyright, patent, trade secret, or similar intellectual property rights based on the State's proper use of any Deliverable under this Contract. This obligation of indemnification will not apply where the State has modified the Deliverable and the claim of infringement, is based on the modification. The state agrees to give the Contractor notice of any such claim as soon as reasonably practicable. If a successful claim of infringement is made, or if the Contractor reasonably believes that an infringement claim that is pending may actually succeed, the Contractor will do one, (1) of the following four (4) things:

- (1) Modify the Deliverable so that is no longer infringing.
- (2) Replace the Deliverable with an equivalent or better item.
- (3) Acquire the right for the State to use the infringing Deliverable as it was intended for the State to use under this Contract; or
- (4) Remove the Deliverable and refund the fee the State paid for the Deliverable and the fee for any other Deliverable that required the availability of the infringing Deliverable for it to be useful to the State.

17. **CONFIDENTIALITY**

The State may disclose to the Contractor written material or oral or other information that the State treats as confidential ("Confidential Information"). Title to the Confidential Information and all related materials and documentation the State delivers to the Contractor will remain with the State. The Contractor agrees to treat such Confidential Information as secret if it is so marked, otherwise identified as such, or when, by its very nature, it deals with matters that, if generally known, would be damaging to the best interests of the public, other contractors or potential contractors with the State, or individuals or organizations about whom the State keeps information. The Contractor agrees not to disclose any Confidential Information to third parties and to use it solely to perform under this Contract.

The State acknowledges that, in connection with this Agreement and its relationship with Contractor, it may obtain information relating to the Products or to Contractor that is of a confidential and proprietary nature ("Confidential Information"). Such Confidential Information may include, but is not limited to, trade secrets, know how, inventions, techniques, processes, programs, schematics, software source documents, data, financial information, and sales and marketing plans or information which the State knows or has reason to know is confidential, proprietary or trade secret information of Contractor. The State shall at all times, both during the term of this Agreement and for a period of at least three (3) years after its termination, keep in trust and confidence all such Confidential Information, and shall not use such Confidential Information other

than as expressly authorized by Contractor under this Agreement, nor shall the State disclose any such Confidential Information to third parties without Contractor's written consent.

The parties' obligation to maintain the confidentiality of the Confidential Information will not apply where such: (1) was already in the possession of the Receiving Party before disclosure by the Disclosing Party, and was received by the Receiving Party without obligation of confidence; (2) is independently developed by the Receiving Party, provided documentary evidence exists to support the independent development; (3) is or becomes publicly available without breach of this Contract; (4) is rightfully received by the Receiving Party from a third party without obligation of confidence; (5) is disclosed by the Receiving Party with the written consent of the Disclosing Party; or (6) is released under a valid order of a court or governmental agency, provided that the Receiving Party (a) notifies the Disclosing Party of the order immediately upon receipt of it and (b) makes a reasonable effort to obtain a protective order from the issuing court or agency limiting disclosure and use of the Confidential Information solely for the purposes intended to be served by the original order of production. The Receiving Party will return all originals of any Confidential Information and destroy any copies it has made for its own internal use on termination or expiration of this Contract or as requested by the Disclosing Party.

The parties agree that the disclosure of the Confidential Information of the Disclosing Party in a manner inconsistent with the terms of this provision may cause the Disclosing Party irreparable damage for which remedies other than injunctive relief may be inadequate, and each Receiving Party agrees that in the event of a breach of the Receiving Party's obligations hereunder, the Disclosing Party shall be entitled to temporary and permanent injunctive relief to enforce the provisions hereof without the necessity of proving actual damages. This provision shall not, however, diminish or alter any right to claim and recover damages.

18. CONFIDENTIALITY AGREEMENTS.

When the Contractor performs services under this Contract that require the Contractor's and its subcontractors' personnel to access facilities, data, or systems that the State in its sole discretion deems sensitive, the State may require the Contractor's and its subcontractors' personnel with such access to sign an individual confidentiality agreement and policy acknowledgements, and have a background check performed before accessing those facilities, data, or systems. Each State agency, board, and commission may require a different confidentiality agreement or acknowledgement, and the Contractor's and its subcontractors' personnel may be required to sign a different confidentiality agreement or acknowledgement for each agency. The Contractor must immediately replace any of its or its subcontractors' personnel who refuse to sign a required confidentiality agreement or acknowledgment or have a background check performed.

19. LIMITATION OF LIABILITY

NOTWITHSTANDING ANY LIMITATION PROVISIONS CONTAINED IN THE DOCUMENTS AND MATERIALS INCORPORATED BY REFERENCE INTO THIS AGREEMENT, THE PARTIES AGREE AS FOLLOWS:

1. NEITHER PARTY WILL BE LIABLE FOR ANY INDIRECT, INCIDENTAL OR CONSEQUENTIAL LOSS OR DAMAGE OF ANY KIND INCLUDING BUT NOT LIMITED TO LOST PROFITS, EVEN IF THE PARTIES HAD BEEN ADVISED, KNEW, OR SHOULD HAVE KNOWN OF THE POSSIBILITY OF SUCH DAMAGES.
2. THE CONTRACTOR FURTHER AGREES THAT THE CONTRACTOR SHALL BE LIABLE FOR ALL DIRECT DAMAGES DUE TO THE FAULT OR NEGLIGENCE OF THE CONTRACTOR.

20. DELIVERIES

All deliveries shall be F.O.B. destination.

21. HEADINGS

The headings used in this Contract are for convenience only and will not be used in interpreting this Contract.

22. ASSIGNMENT

Neither party will assign this contract without the written consent of the other party.

23. **TAXES**

The Customer is exempt from all State and local taxes and does not agree to pay any taxes.

24. **EXCUSEABLE DELAY (FOURCE MAJUERE)**

Neither party to this Contract will be responsible for failure to perform service due to causes beyond its control, including, but not limited to, work stoppages, fires, floods, civil disobediences, riots, rebellions, acts of God and similar occurrences.

25. **ENTIRE CONTRACT**

This contract document contains the entire Contract between Contractor and Customer relating to maintenance service on the Equipment and supersedes any other prior Contracts, written or oral.

26. **NOTICES**

All notices, requests and other communications pursuant to this Contract will, unless otherwise provided herein, be in writing and will be deemed to have been duly given on the date of service, if served personally or 3 days after mailing, if mailed by first class mail, postage prepaid, to the addresses of the parties set forth on the attached Equipment Schedule

27. **SEVERABILITY**

If any provision of this Contract is held by a court of competent jurisdiction to be contrary to law, the remaining provisions of this Contract will remain in full force and affect to the extent that such does not create an absurdity.

28. **EQUAL EMPLOYMENT OPPORTUNITY**

The Contractor will comply with all state and federal laws regarding equal employment opportunity and fair labor and employment practices, including Ohio Revised Code Section 125.111 and all related Executive Orders.

Before a contract can be awarded or renewed, an Affirmative Action Program Verification Form must be submitted to the Department of Administrative Services Equal Opportunity Division to comply with the affirmative action requirements. Affirmative Action Verification Forms and approved Affirmative Action Plans can be found by going to the Ohio Business Gateway at: <http://business.ohio.gov/efiling/>

29. **DRUG FREE WORKPLACE**

Contractor agrees to comply with all applicable state and Federal laws regarding drug-free workplace. Contractor will make a good faith effort to ensure that all Contractor employees, while working on state property, will not possess, or be under the influence of illegal drugs or alcohol or abuse prescription drugs in any way.

30. **EQUIPMENT LOCATION**

This Contract is for service of the Equipment at the location in the attached EQUIPMENT SCHEDULE hereof. If any unit of Equipment is moved (which movement will in all instances be at Customer's risk and expense), Customer will so notify Contractor. Contractor may terminate this Contract if, in its discretion, the environmental conditions in which any unit of Equipment is placed are not suitable for satisfactory performance, or if the new location is out of Contractor's ordinary operating area.

31. **RETAINED OWNERSHIP**

Contractor will retain title to all replacement parts and equipment provided by it until such are incorporated into the Equipment, at which time title will pass to the Customer. Contractor will retain title to all tools and all diagnostic, computer program media it uses. In addition, all Contractor test, diagnostic, and verification information and routines (on media owned by Contractor or Customer), maintenance equipment and maintenance materials, information and documentation that are treated as proprietary and confidential by Contractor will be so treated by Customer, and such proprietary and confidential items, whether on the premises of Customer, or accessible by remote inquiry, will remain the property of Contractor and may be removed, or usage thereof discontinued, as applicable, by Contractor at any time, or Customer will destroy the same on written request from Contractor. Customer agrees to treat and protect such proprietary and confidential items in a manner consistent with the maintenance of trade secret rights and to take appropriate action by instruction or Contract with its employees who are permitted access to confidential items. Despite the foregoing, Contractor will work with Customer at no charge to provide access to such after termination or of this Contract to the extent that the use of such proprietary or confidential tools

subsequently prevent Customer from getting maintenance through another Contractor on commercially reasonable terms.

32. ADDITIONAL EQUIPMENT AND REMOVAL OF EQUIPMENT

Additional equipment manufactured by the Contractor of the Equipment and used in conjunction with the Equipment may be included under this Contract on written acceptance by Customer at Contractor's then-current rates. At Customer's option, and only if Customer is under a monthly invoicing schedule, Customer may remove an item of Equipment from coverage under the Contract by giving Contractor thirty (30) days advance written notice. Upon expiration of such thirty (30) day period, Customer will not be liable for charges associated with such item of Equipment.

33. RECONDITIONING

If, in Contractor's reasonable opinion, a shop reconditioning of any unit of Equipment is necessary because normal repair or replacement of parts cannot keep such unit in good operating condition, Contractor will submit a cost estimate of needed repairs.

If Customer does not authorize such additional work and agree to pay the proposed charge, Contractor may terminate this Contract with respect to such unit.

34. OHIO ETHICS LAW AND LIMITS ON POLITICAL CONTRIBUTIONS.

All Contractors who are actively doing business with the State or who are seeking to do business with the State are responsible to review and comply with all relevant provisions of O.R.C. Sections 102.01 to 102.09.

The Contractor, by signature affixed on this document, hereby certifies that all applicable parties listed in Division (I) or (J) of O.R.C. Section 3517.13 are in full compliance with Divisions (I) and (J) of O.R.C. Section 3517.13.

If the Contractor accepts a Contract and/or purchase order issued under the Contract without proper certification, the Department of Administrative Services shall deem the Contractor in breach and the Contractor will be subject to all legal remedies available to the Department of Administrative Services up to and including debarment from doing business with the State.

The Contractor further represents and warrants that it has provided or shall provide the DMA form through the Ohio Business Gateway at <http://business.ohio.gov/efiling/> prior to execution of this Contract. If these representations and warranties are found to be false, this Contract shall be void and the Contractor shall immediately repay to the State any funds paid under this Contract.

38. ANTITRUST. The State and the Contractor recognize that, in actual economic practice, overcharges resulting from antitrust violations are usually borne by the State. The Contractor therefore assigns to the State all state and federal antitrust claims and causes of action that the Contractor has or acquires relating to the goods and services acquired under this Contract.

39. **Executive Order 2010-09S Affirmation and Disclosure Instructions.** Contractor hereby represents and warrants that Contractor, and any subcontractor will not, as a part of the contract with the State, provide any of its services outside the United States, and that Contractor has truthfully disclosed the following:

1. The location(s) where all services will be performed by Contractor and any subcontractor;
2. If applicable, the location(s) where any state data associated with any of the provided services will be accessed, tested, maintained, backed-up or stored; and
3. The principal location(s) of business for the Contractor and any subcontractors providing the services to the State.

As part of the above disclosure and affirmation requirement, the Contractor must complete the Affirmation and Disclosure Form (Exhibit II). In addition, Contractor agrees to the following:

1. EXECUTIVE ORDER REQUIREMENTS:

The Contractor affirms to have read and understands Executive Order 2010-09S issued by Ohio Governor Ted Strickland and shall abide by those requirements in the performance of this Contract, and shall perform no services required under this Contract outside of the United States. The Executive Order is provided as an attachment and also is available at the following website:
(<http://www.governor.ohio.gov/Default.aspx?tabid=1495>).

2. TERMINATION, SANCTION, DAMAGES:

If Contractor or any of its subcontractors perform services under this Contract outside of the United States, the performance of such services shall be treated as a material breach of the Contract. The State is not obligated to pay and shall not pay for such services. If Contractor or any of its subcontractors perform any such services, Contractor shall immediately return to the State all funds paid for those services. The State may also recover from the Contractor all costs associated with any corrective action the State may undertake, including but not limited to an audit or a risk analysis, as a result of the Contractor performing services outside the United States.

The State may, at any time after the breach, terminate the Contract, upon written notice to the Contractor. The State may recover all accounting, administrative, legal and other expenses reasonably necessary for the preparation of the termination of the Contract and costs associated with the acquisition of substitute services from a third party.

If the State determines that actual and direct damages are uncertain or difficult to ascertain, the State in its sole discretion may recover a payment of liquidated damages in the amount of ten percent of the value of the Contract.

The State, in its sole discretion, may provide written notice to Contractor of a breach and permit the Contractor to cure the breach. Such cure period shall be no longer than 21 calendar days. During the cure period, the State may buy substitute services from a third party and recover from the Contractor any costs associated with acquiring those substitute services.

Notwithstanding the State permitting a period of time to cure the breach or the Contractor's cure of the breach, the State does not waive any of its rights and remedies provided the State in this Contract, including but not limited to recovery of funds paid for services the Contractor performed outside of the United States, costs associated with corrective action, or liquidated damages.

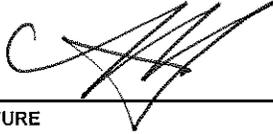

3. ASSIGNMENT / DELEGATION:

The Contractor will not assign any of its rights, nor delegate any of its duties and responsibilities under this Contract, without prior written consent of the State. Any assignment or delegation not consented to may be deemed void by the State.
