The State may buy substitute supplies or services, from a third party, for those that were to be provided by the Contractor. In the case of a suspension for the State's convenience, the amount of compensation due to the Contractor for work performed before the suspension will be determined in the same manner as provided in this section for termination for the State's convenience or the Contractor may be entitled to compensation for work performed before the suspension.

"Persistent" means three or more defaults. However, the State may not terminate this Contract if the Contractor has entered into a repayment agreement with which the Contractor is current.
