This RFP consists of 5 parts and 10 attachments, totaling 5 consecutively numbered pages.

Supplements may also be attached to this RFP. Verify that you have a complete copy.

In lieu of taking exceptions to RFP requirements, including but not limited to terms and conditions, scope of work requirements, etc., or providing assumptions that may be unacceptable to the State, offerors are strongly encouraged to use the inquiry process in Part Three of the RFP.

The IDA specifications, including sub-deliverables and due dates agreed on by the State and the Contractor, will be attached hereto as an IDA and incorporated into the Contract.

Upon award of the Contract, the Contractor must be prepared to provide staff to participate in activities needed to develop the initial IDA for the first set of deliverables.

**1.4. Calendar of Events.**

The schedule for the RFP process and Project is given below. The State may change this schedule at anytime. If the State changes the schedule before the Proposal due date, it will do so through an announcement on the State Procurement Website’s question and answer area for this RFP. The Website announcement will be followed by an amendment to this RFP, also available through the State Procurement Website. After the Proposal due date and before the award of the Contract, the State will make schedule changes through the RFP amendment process. Additionally, the State will make changes in the Project schedule after the Contract award through the change order provisions in the General Terms and Conditions Attachment to this RFP. It is each prospective offeror’s responsibility to check the Website question and answer area for this RFP for current information regarding this RFP and its Calendar of Events through award of the Contract.
