SPECIFICATIONS

**SPECIFICATION SHEET:** Shown below are the specifications requirements for equipment that the State of Ohio desires to purchase. Bidder signifies compliance or non-compliance with the specifications by indicating “YES” or “NO” in the “Comply” column of this form and returning with the bid response. These specifications are only considered as necessary to establish functional requirements. Proprietary design, exact dimensions, capacities, or restrictive features will not preclude acceptance of other recognized alternates meeting comparable performance requirements as determined by the Department of Administrative Services. List all deviations/exceptions to the specifications in the bid response in the “EXCEPTIONS” column, if additional space is needed, please use a separate sheet to reference this information with the corresponding Specification Item(s). Failure to comply may deem the bid non responsive.

**APPLICATION:** The purpose of this specification is to describe the 10-13 yard dump body installed on a tandem axle heavy duty chassis. The completed unit will be capable of pulling a trailer equipped with air brakes and will operate primarily on concrete, asphalt, and maintained gravel roads with limited operation on unmaintained surfaces.
