

Addend 1 RFP OCCR-16-004

Attention Potential Respondent:

OCC is attaching links to the PUCO Case No. 14-1297-EL-SSO opinion and order and stipulation.

Grid modernization is discussed on pp 9-10 of the stip, and primarily on pp 69-70 and 111 of the Order. Short term, OCC anticipates that the majority of the work on this project will involve collaborative meetings. There is a potential much later for litigation to be a factor in the process.
