

AMENDMENT 1
for
Solicitation ID #DBPUC-16-03-001
Public Utilities Commission
Rail Road Information System (RRIS)

DATE AMENDMENT ISSUED: April 18, 2016

The attached is Amendment for the SOW Solicitation listed above. Please replace the Attachment Number 1 contained in the Amendment.

The amendment replaces the supplemental document that is posted alongside the actual SOW for project DBPUC-16-03-001 <http://procure.ohio.gov/proc/viewProcOpps.asp?oppID=12822> has some broken links. I linked the readers to the federal website for some documents and the links/addresses on their site just changed. Apparently they restructured their file system online...glad I caught this today.

The links I fixed are on page 7 and page 8 all under the heading of **10. Resources/Examples**. Specifically items 10.2, 10.3 (both links), 10.4, 10.5 and 10.6. I have triple checked these and the attached document is identical to what is currently on the procure.ohio.gov website except for these fixed links.

PLEASE NOTE: THE FULL AMENDMENT FOR THE PROCUREMENT OPPORTUNITY CAN BE FOUND UNDER ASSOCIATED PDF FILES, SPECIAL FORMS, VIEW AMEND 1.
